GRAND MASTER'S REPORT.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

We come to the close of another year in Odd Fellowship. It has been a busy one, fraught with delicate cares and irksome toil, but withal, there have been many blessings, like flowers, scattered by the way to spread fragrance and good cheer as we passed along.

It is no mean honor to be selected as the standard bearer of a great Order like ours, and yet, with the office come as great responsibilities as is the distinguished honor. Think of 70,000 men, all panoplied for the occasion in battle array against the unequal tasks of life, and death! Likewise, by the side of these noble sons stand 36,000 daughters of Rebekah to play the part of helper in every time of need. With such an army of the best drilled men and women in the world in the tactics of the noble cause they espouse, we fear no defeat. If these noble sons and daughters were only a mob there would be no light, but, instead, they are a disciplined force, equal to every human occasion and always ready for every emergency, and solicitous to shoulder individual responsibility for the good of the Order.

Even a well disciplined army needs provisioning. There must be barracks, hospitals, equipment, generals, physicians and such other officers and supplies as are necessary to keep up the spirits of the soldiery. In our army we have them all. The Red Cross service is perfect in all its appointments. Officers have been faithful and there have been no mutinies. Many have fallen in the field of battle, some have been wounded and many are in the convalescent camp. The able bodied soldiers are ready for duty, and there is not a coward in the ranks. Such is the great fraternity in the great jurisdiction of the State of Illinois.

Many are the duties of the Grand Master. Anxieties and perplexities have come and gone. They were not a few. But the great mass of the brothers and sisters have been loyal and most willingly have they granted whatever lay in their power to contribute to the success of the noble work. Many deserve special mention, but space forbids the name of every one that has offered service for the asking. P. G. M. J. R. Kewley has been of special help in adjusting some grievances that have arisen in his part of the city of Chicago. Deputy Grand Master W. R. Humphrey has rendered excellent aid in fixing up some most difficult cases in his own city and at Joliet, to the entire satisfaction of the Grand Master. And I must not forget to make special mention of Judge Samuel L. Dwight for his careful and untiring work in bring-

ing about a settlement of the famous Fairfield case. This promised to be one of the hotly contested cases, not only in the Lodge, but in the civil courts. The defense would have carried, through his attorneys, the case to the supreme court and to the Sovereign Grand Lodge. Hence, in the settlement of this case, we believe the Grand Lodge has been saved an expense of many hundreds of dollars.

It is my pleasure to announce also that the J. B. Turner Lodge vs. Thompson has been decided by the Sovereign Grand Lodge in favor of the Grand Lodge. Thus is settled another difficulty that has been before this body for many years.

There has been but little controversy, comparatively, this year. Where difficulties have arisen the brethren have sought to be fair, and all such have been settled except in two cases. One of these is a Rebekah Lodge, where they have not had a meeting since last January. It is hibernating and will no doubt be deprived of its charter soon. The other is a Subordinate Lodge, where they refuse to reinstate a brother in accordance with the decision of the Committee on Judiciary and Appeals. The time for the restoration of this brother is about up, when, if they do not obey the law, no doubt, they will be obliged to surrender their charter.

There has been a gradual growth. The work done has been of the best sort. Everywhere has the word been heralded, "get good members." Some of the Lodges have added many members. Mattoon took in a class of 97 at one time. Princeton secured a class of more than fifty. Clinton added about 80 members during the year. Other Lodges have added large numbers, but they have not been reported to the Grand Master.

The anniversary of the birth of the Order was generally observed. Perhaps the largest gathering this year was at Marion, the home of the irresistible and irrepressible, Brother George Washington Young. Something like 8,000 people assembled to celebrate the anniversary on the 26th of April; 2,000 Rebekahs and Odd Fellows were in line of march. The Grand Master had the honor to review this splendid line of march and to address the multitude in the Opera House, on the public square and in the Lodge hall.

Many new halls have been erected and many cornerstones laid for other halls that are now in process of erection. Perhaps, the finest hall that will be finished this coming year is that of Cook County Lodge, the home of the incoming Grand Master and of Governor Deenen. The estimated cost is \$45,000.00.

It has been my aim to study very carefully the law of our Order. All decisions have been based on the law as I understood it. Hence, if there have been decisions not in harmony with the tenets of the Order, it was because I did not properly interpret the meaning of the law. Sometimes it seems harsh to enforce the law, but where there are

contending forces, each bent on carrying his point, the law must be interpreted in accordance with the spirit of the doctrines of our Order. Where there is the true bond of fellowship all matters have been easily adjudicated. And where easily adjusted there is no litigation and no hard feelings. I would insist on this method of settling all cases, wherever possible. And it gives the Grand Master great pleasure to say that where brotherly love exists there is no trouble, but on the other hand, there is always peace and prosperity.

The Order is a potent factor for good. How much good I shall never be able to tell. It is immeasurable. This much I am warranted in saying: Wherever the sisters and brothers work together for the good of the Order, as if one solid phalanx, unmeasured and incalculable good will be the result; there humanity will have a constant uplift.

Wherever there is a good staff and wherever the unwritten work is mastered there are constant additions to the Order. Such a Lodge moves ever on to the front. This being true, I would recommend that the Grand Lodge put more stress in the staff work. To encourage the Order of this Jurisdiction to attain to the highest efficiency it seems to me that the Grand Lodge could not do better than to invite several staffs to give the work on the floor of the Grand Lodge. One evening should be set apart for this work that every representative might have an opportunity to witness the best staff work in the State and thus carry back to his Lodge such enthusiasm as might put an efficient staff in every Lodge in this Jurisdiction. To encourage such a move it would be necessary for the Grand Lodge to set apart a specified sum each year to pay the expense of the staffs giving the work. That this might be thoroughly thought out, I recommend that a committee be appointed to decide upon the most feasible plans and bring the matter before this session of the Grand Lodge. The work will be placed on exhibition by two or more staffs this session of the Grand Lodge; namely: on Wednesday evening, and without cost to the Grand Body.

PROCLAMATIONS.

The following proclamations have been issued during the year.

SALUTATORY.

To the Subordinate and Rebekah Lodges—Greeting:

It becomes my pleasant duty as your Grand Master to address you for the first time. I would be recreant to my trust if I should fail to say that I deem it a great honor to be chosen by such a body as are the representatives sent by your Lodges to the Grand Lodge of this great jurisdiction, now so near the topmost round in Jurisdictions—Pennsylvania and New York, only leading us. Will you help to make it the first? And, since we have been honored with the office of Deputy Grand Sire, in the person of that superb man, E. S. Conway, P. G. M.,

and P. G. R., by election, at the last session of the Sovereign Grand Lodge, we should seek to do ourselves proud in leaving nothing undone that will put us to the very forefront in the next three years. We can do so; will we?

To aid us in this magnificent work, the following brothers have been elected: Deputy Grand Master, W. R. Humphrey, of Chicago; Grand Warden, Fred B. Merrills, of Belleville; Grand Treasurer, Thomas B. Needles, of Nashville, and John H. Sikes, of Springfield, as Grand Secretary. These make up a magnificent coterie of brothers, all of whom are in love with the great Order, and all are men of splendid business ability. But what can we do alone? To make this a great year, there must be the undivided support of the entire Order. However, these brothers can not, alone, with the Grand Master, add members and make the Order harmonious. You, brothers and sisters, must contribute of your ability, loyalty and love, if we make progress. Everyone has a duty to perform, however humble he may feel. If you would do the most for the Order, then get to work. Who will be the first to utter a note of discord? We will see. Better support your Lodge, your officers, and exemplify to all about you the practical life of an Odd Fellow or Rebekah.

This should be a good year to add members to your Lodge. Be careful and choose none but the best, the very best. Good material is plentiful, and only the very best should be selected.

It is greatly desired that every officer should be as efficient as possible in the work of the Lodge. You may have the work, absolutely correct by purchasing from the Grand Secretary a cipher book, at the small cost of one dollar. Attend the schools of instruction, if possible, under the direction of our efficient instructors, namely: W. E. Carlin, P. G. R., of Jerseyville, Chief of Instructors, and H. A. Stone, P. G. M., of Vandalia, Assistant Chief of Instructors.

There is no more important adjunct to any Subordinate Lodge than a wise Lodge Deputy Grand Master. The Constitution provides that the Grand Master shall appoint a duly qualified Past Grand as the Lodge Deputy Grand Master, for each Subordinate Lodge, who shall serve as such until his successor is elected, or he is removed by the Grand Master. It is the duty of the Lodge Deputy to obey the orders of the Grand Master, decide all questions of law and usage when submitted to him in writing under seal of the Lodge. All decisions given by the Lodge Deputy shall be binding on the Lodge, when given in writing, unless an appeal is taken to the Grand Master, in which case the Lodge Deputy Grand Master shall transmit the original papers, the question and answer, to the Grand Master. The Deputy Grand Master shall perform such other duties as the law prescribes. See Constitution.

Much of the trouble of the Subordinate Lodge arises in ignoring the

Deputy. The Constitution says all questions must be submitted to him for settlement. As the Grand Master, I must insist that the brother you would have me select shall be one in whom you will have confidence. I, therefore, ask you to nominate this officer by ballot, at a regular meeting of the Lodge, selecting some Past Grand who is filled with a heart of love and who hates a fuss. Select some one who is slow to debate or to enter the field of argument. Nominate a peace lover. Nominate a brother who will be fair and impartial, who will study the law and provoke harmony at any cost. Such a selection by you will meet the hearty approval of your Grand Master and keep your Lodge free from bickerings. Send me the name of a brother who has heart in him. What I have written you in regard to the brother will as aptly fit the sister. This is to be the year of brotherly and sisterly love. Will you heed the suggestion? Every communication to the Grand Master must be sent under the Seal of the Lodge if it receive official recognition. Otherwise it would require ten thousand letters to answer the questions sent out. Do not quibble over little things, but practice the principles of Friendship, Love and Truth, then will we be Odd Fellows and Rebekahs indeed.

Enclosed find blank certificate for your recommendation of a Past Grand for the office of a Lodge Deputy Grand Master. If you have not a Code, get one at once. It will save you a multitude of troubles.

Let not one of our Lodges forget the Homes. Odd Fellow and Rebekah, alike, must be interested in this great work of educating the orphan and caring for the indigent brother. Let the greatest harmony prevail between these great branches of our Order, and the growth of our Order will continue. Dissension is the cruel factor that rends asunder the good, ruins its best friends, poisons without stint, and destroys every vestige of love. It cannot abide in a true Odd Fellow or Rebekah.

I thank you in advance for your hearty support, and for your voices which placed me in this position, one of the greatest honors ever given to a brother. I shall seek to do you all the good I can; will you reciprocate? Love is divine, love excels. Where love is, there can be no dissension. Therefore, he who loves will have no dissensions. And now, with charity for all and with malice toward none, I wish this to be the most prosperous year of your lives. Thanking you once more, I close my greetings for this time, in the spirit of purest fraternity and love.

J. A. LUCAS, Grand Master.

MEMORIAL DAY PROCLAMATION.

A general dispensation to parade in regalia on the day such services may be held is hereby granted to all Subordinate and Rebekah Lodges of the Jurisdiction of Illinois.

Done at the city of Clinton, Illinois, this 5th day of May, A. D. 1905, and of the Order the eighty-seventh year.

J. A. LUCAS, Grand Master.

So well has this work been done that no complaints have come to this office as to the work done, hence I am assured that it has been generally satisfactory.

The following are the officers of the

J. A. LUCAS, Grand Master.

THE JAMES R. MILLER MONUMENT FUND.

During the year the Grand Secretary, on the recommendation of the Finance Committee, turned over a check for the amount of money that had been raised for Brother Miller's monument, to Sister Mary P. Miller, his widow. As you will notice, there is a condition that embarrasses Sister Miller, namely, that she use the money to erect a monument. Now, that the matter may be thoroughly understood, I submit the report of the Committee on Finance, together with letters of Brother Sikes and Sister Miller.

DOCUMENT NO. 69.

Thirteenth report, by Bro. N. D. Calkins, of No. 190.

To the Grand Lodge of the State of Illinois, I.O.O.F.:

Your Committee on Finance would respectfully report as follows, in regard to the matter of the James R. Miller Monument Fund, known as Document No. 76, page 319, Journal of 1902, also appearing on page 150 in the Grand Secretary's Report this year.

Your committee finds that the Grand Treasurer has in his hands the sum of \$385.60 belonging to this fund, and that the contributions to this fund have practically ceased, as during the past year only \$15.00 has been collected.

Your committee is of the opinion that the above amount is insufficient to erect a monument such as this Grand Body would desire. We therefore recommend that the above amount be turned over by the Grand Treasurer to the widow of James R. Miller, deceased, to be used in the erection of a monument to the late Bro. James R. Miller.

Fraternally submitted,

Signed by the Committee.

Springfield, Ill., April 17, 1905.

Mrs. Mary P. Miller, City.

My dear Mrs. Miller: Enclosed please find the report of the

Finance Committee in the matter of the funds donated for the monument to James R. Miller.

If it is your intention to comply with this report, I see no reason why the funds should not be turned over to you by the Grand Treasurer.

Fraternally yours,

JOHN H. SIKES, Grand Secretary.

Springfield, Ill., May 22, 1905.

Dr. J. A. Lucas, G. M., Clinton, Ill:

Dear Brother Lucas: A draft was sent to me for the sum specified, but I sent it to Bro. Needles for this reason: There is a family monument on Mr. Miller's lot and Mr. Miller's children were not willing to have that one removed, unless the one put in its place should also be a family monument. There is not room for two. The grave is in poor condition. The children are scattered and no one seems to find time to attend to it. I do not feel able to put it into good shape at my own expense. And I have thought that with the approval of the Grand Officers I would accept the money, and expend the needed sum to put it in good shape, and decorate and beautify the spot where rests one of "nature's noblemen." I would place a memorial footstone on the lot in memory of the donors. If this meets with your approval, please write to me and receive the gratitude of

Yours fraternally,

MRS. MARY P. MILLER.

Springfield, Ill., May 29, 1905.

J. A. Lucas, G. M., Clinton, Ill.

Dear Bro.: Your letter of recent date received and in reply will say: Your suggestion to refer the matter spoken of to the Grand Lodge is satisfactory to me.

Yours fraternally,

MRS. MARY P. MILLER.

In reply to Sister Miller, I agreed to present this matter for your consideration. Under the circumstances, if this money can be turned over to Sister Miller, giving her the privilege to use it as she deems wise, in caring for the grave of Brother Miller, I would recommend that this Grand Lodge request the Grand Treasurer to pay the amount that has been raised for the Miller Monument Fund to Mrs. Mary Miller, the wife of the deceased.

DISPENSATIONS.

Every Grand Master is beset with applications for dispensations till they reach the many hundreds' mark. Every conceivable method of raising money, right methods and wrong methods, anxiously await the endorsement of the Grand Master, that all the pet schemes to be thought of might be put into execution. Hundreds of dispensations

W. R. Humphrey.

GRAND MASTER.

have been granted, but not one has gone out from this office where a Lodge has been asked to solicit funds from other Lodges, for any purpose, whatever. I am sure this will meet with favor from the Grand Lodge, for if the Grand Master should grant a dispensation every time he is requested to do so, your subordinate Lodges would get as many requests, for money, as there are week days in the year. What sort of a condition would this bring about?

If there had been a calamity of any sort it would have the great pleasure of your retiring Grand Master to have urged every Lodge in the State to shoulder the burden, whatever that may have been, and all of your Lodges would have gladly rendered the necessary help as you always have done.

While I have not granted any help, as I might have done, and had your endorsement, it has been the desire of the Grand Master to leave everything to the wise consideration of this able body. Therefore, I wish to call your attention to a few cases that I believe merit your immediate attention. A request was made for a dispensation to ask the Lodges of the State for a contribution to pay the funeral expenses of a brother, Marshall, who died a maniac, and who, when he became insane was a member of a Lodge that became defunct. I refused, and, I think, wisely the request, on legal grounds. He leaves a wife in distress. A brother, F. C. Farquhar, paid the funeral expenses out of his own pocket. If there is any way by which this good brother can be reimbursed, I think, it should be done. The Representative from Delta Lodge No. 772, Grantsburg, can certainly enlighten us on this subject.

A second case is that of Brother Wm. Lange, of No. 388. Brother Lange had the misfortune to become unconscious on the way home from his Lodge. He fell to the sidewalk. It was a bitter cold night. How long he lay in this condition no one knows, exactly, but it was long enough for the cold to so badly freeze him that he lost both his hands. I think the Lodge has done nobly, but the brother is disabled for life. The D. G. M. looked into this case and recommended that he be sent to the Old Folks' Home. I would, also, so recommend. But inasmuch as this worthy brother has had a large doctor's bill to pay, and has been greatly reduced in circumstances, if it meets the approval of the Grand Lodge, I would recommend that they donate to him the sum of One Hundred Dollars, to be placed in the hands of some brother in Chicago, to be given the brother in one sum, or in such parts of the whole as may be deemed wise.

The third case is that of Westville Lodge No. 661. This Lodge reports that they are about to lose their valuable hall unless some aid is rendered them at once. They are here, I believe, to represent their case.

COMMITTEE TO INVESTIGATE ALLEGED REBEKAH CONSOLIDATION IRREGULARITY.

To J. A. Lucas, Grand Master, I. O. O. F., Clinton, Ill.:

Dear Sir and Brother: Your special committee appointed just prior to the adjournment of the Grand Lodge of the State of Illinois last November to investigate the matters and persons complained of in Document No. 69 of the Grand Lodge Journal of 1904, would respectfully report that it has duly and faithfully performed the duty assigned it, giving both Lodges and all parties in interest a full opportunity to appear at the time and place selected by your committee and present such evidence as they might wish, either verbal, documentary or rebuttal with the privilege of cross examination. In response to our notice Silver Link Rebekah Lodge No. 404 and Una Rebekah Lodge No. 478 appeared before us March 1, 1905, by their officers and large delegations of members, as did also Sister Nellie L. Harris, P. P.

Una Rebekah Lodge No. 478, by its attorney, Brother Thomas Morgan, stated they had no complaint against Silver Link Rebekah Lodge No. 404, other than the abstract question of whether a Lodge located as it had been at 104th Street, could change its location without special permission of the Grand Master or the Grand Lodge, to 63d Street, some seven to ten miles distant, both locations being within the limits of the city of Chicago.

Regarding the attempted consolidation of the two Lodges your committee would report that it appears that at the regular meeting of Una Rebekah Lodge No. 478 held March 17, 1904, the Noble Grand, Sister Nora E. Wood, reported that Brother Raddatz of Silver Link Rebekah Lodge No. 404 desired Una Rebekah Lodge to appoint a committee on the consolidation of the two Lodges. A committee composed of Brother Wesley Brooks and Sisters Morgan and Brown was appointed. It appears that only Brother Brooks, accompanied by some members of the Lodge, visited Silver Link Rebekah Lodge or in any way performed the duty assigned the committee. This visit was made May 14th, and Silver Link placed in Brother Brooks' hands a letter addressed to Una Rebekah Lodge reciting that at the regular meeting of that evening Silver Link had decided to consolidate with some Lodge and that it was its earnest desire to consolidate with Una Rebekah Lodge No. 478. Brother Brooks, on his return home, wrote a report of his work and submitted the same to Sisters Morgan and Brown. Sister Brown signed the report but Sister Morgan declined to do so, the first indication of a possible opposition to the consolidation. At the regular meeting of Una on May 19th, Brother Brooks presented the letter from Silver Link Rebekah Lodge and his report, the latter giving very fully the results of the investigation made, with a statement of the effects of Silver Link Lodge, its membership, why it wished to effect a consolidation and closed with the recommendation that it be made as soon as it legally could be done. By motion the re-

port was accepted and ordered spread upon the minutes. Nothing however seems to have been done, except informal unrecorded talks, of how the consolidation should be effected, among the membership until the regular meeting of Una Rebekah Lodge held June 16th, when it was moved and carried, "That we arrange for our consolidation with Silver Link Rebekah Lodge as soon as convenient and legal; and a committee of three was appointed, viz.: Bean, Brooks and Larkin."

At the regular meeting of July 7th, the secretary was instructed to notify all members regarding consolidation of the Lodges. The minutes of the regular meeting of July 21st show that that was the evening set for consolidation but the question of the legal procedure arising and not being clear in their understanding of the law, Brothers Bean, Dickinson and Morgan were appointed as a committee to secure the needed information and report at the next meeting. Prior to this meeting the old committee appears to have circulated a petition as Brother Brooks reported that twenty-eight members had signed the petition for consolidation and having been informed that no more names were necessary no more had been added or solicited. At the regular meeting August 4th, Brother Bean reported for the committee that he had communicated with the Grand Secretary who had answered him quoting the law on the subject matter of consolidation of Lodges very fully. The letter was read and it was unanimously carried that a committee be appointed to proceed with the consolidation in the manner recommended by the Grand Secretary. Brothers Bean, T. S. Morgan and Sister Jenkins were appointed as such committee.

At the regular meeting August 18th, the secretary reported verbally the result of an interview with Sister Nellie L. Harris, P. P., regarding the consolidation, and was instructed by the Lodge to notify each member of the Lodge that they were requested to vote on said consolidation at the next regular meeting to be held September 1st. Such notices appear to have been prepared by mimeograph and mailed late on the evening of August 29th, and read in substance that on September 1st, Una Rebekah Lodge will vote on the question of consolidation with Silver Link Rebekah Lodge. It appears that the day before this meeting the secretary of Una Rebekah Lodge had forwarded to Grand Master John J. Brown the petition for consolidation signed by thirty-five names, dated August 12th, attested by the seals of both Lodges and signed by what purported to be the Noble Grand and Recording Secretary of each Lodge, but in the case of Una Rebekah Lodge both sisters signing as Noble Grand and Secretary had ceased to be such July 7th, at which time Sisters Morgan and Lapan had been installed as their successors respectively so that Sisters Wood and Wemple were without authority to sign as Noble Grand and Secretary. The petition was accompanied by a second one from Silver Link Rebekah Lodge under seal and properly signed, bearing twelve names. It was also accompanied by a

letter or rather two from Brother Bean, one undated marked confidential and the other dated August 13th. The secretary, Sister Lapan, wrote that she forwarded them on the request of Brother Bean and it does not appear that either of them had ever been presented to the Lodge. The dated letter stated that while some members of the Lodge were away from home the consolidation was requested by the unanimous vote of both Lodges and asked that Sister Nellie L. Harris, P. P., be appointed as special deputy to perfect the consolidation. The undated letter recited that while some members had been talking against consolidation they had not voted against any of the steps taken looking to that end; however, he had heard they proposed to send to the Grand Master a protest against it and if they did so Brother Bean desired that the Grand Master should fully understand the case, etc., hence he attached a copy of the Lodge records so far as they related to the question of consolidation.

On their face the petitions seemed to be regular though incomplete in that they failed to show how the entire resident membership of either Lodge stood upon the question of consolidation, not even showing whether all resident members had been, in any way, informed of the proposed consolidation, so that, if they wished, they might have the opportunity of protesting against it through their Lodge.

The Grand Master waited until August 26th, when, having received no protest, he sent a special commission to Sister Harris not only authorizing her to consolidate the two Lodges, but apparently fearing that the incomplete petitions might be insufficient, he empowered her to perform all acts in relation to the consolidation that he might have authority to do if personally present. It seems however that a protest dated August 24th had been prepared and forwarded, not passing through the Lodge, to the Grand Master in care of the Grand Secretary who held it pending the receipt of the petitions praying consolidation. This protest was signed by the Noble Grand and twenty-seven others, two of whom were nonresident and six others who had also signed the petition for consolidation. Since the papers have reached your committee another sister, by her attorney, requested permission to attach her name, a request that was granted. The protest was accompanied by a long letter from the Noble Grand reciting parts of laws on the subject of consolidation, etc. Not hearing from her protest she wrote the Grand Secretary on September 8th, and on learning from him that he was holding it for the petitions she requested that the protest be sent to Sister Harris, but the Grand Secretary sent it to the Grand Master. In the meantime the meeting of September 1st had been held and Brother Bean read a letter from the Grand Master saying he had appointed Sister Harris to consolidate the Lodges. Brother Beans' report was unanimously accepted. It was also moved by Brother T. S. Morgan that all members be notified as to the date on which Sister

Harris would consolidate the Lodges; seconded and unanimously carried. It was also unanimously carried that if Sister Harris could be present to consolidate the Lodges at the next meeting refreshments would be served. About this time Sister Morgan seems to have written several protesting letters to the Grand Master and Grand Secretary and at the regular meeting of the Lodge held September 15th, read a letter received from the Grand Master saying he had written Sister Harris not to consolidate the Lodges if there was such a remonstrance as claimed by Sister Morgan. A resolution was then presented by Brother T. S. Morgan and adopted reciting that the consolidation could not be effected until the law was fully complied with. Later at the same meeting a secret ballot was taken on the question of consolidation and resulted 17 votes for and 20 votes against consolidation, whereupon nine members applied for withdrawal cards. And still others applied for withdrawal cards at the meeting of October 6th. The Grand Master's letter to Sister Harris told of the remonstrance he had received and said as he understood the law he had no authority to consolidate with five members of either Lodge objecting so that he wished the whole matter dropped. Silver Link Rebekah Lodge No. 404 immediately removed to 63d Street, some two blocks from the hall of Una Rebekah Lodge and received into membership the members that withdrew from Una as soon as they received their cards which they did, a part of them on October 6th, some on the 20th, and others still later. The first meeting of Silver Link at 63d Street, was on October 6th, and it has been regularly meeting there since that date.

At the meeting of October 6th of Una Rebekah Lodge, Brother Bean read a long review of the various proceedings had up to that time and a committee was appointed to answer it. The report of this committee was presented to the Lodge at a special meeting, adopted and sent to the Grand Master and is the paper referred to in Document No. 69 and is marked as exhibit No. 2, in the papers accompanying this report.

OPINION.

1. Your committee is of opinion that at first no material opposition existed in either Lodge against the consolidation of the Lodges.

2. That in the development of the case nothing was discovered that would indicate that such consolidation would injure either Lodge or the Order generally.

3. No reason is apparent why members of Una Rebekah Lodge changed their opinion on the question other than that two factions seemed to arise in the Lodge, each seeking adherents among the membership.

4. The irregularities pursued by both sides would seem to be due to ignorance of our procedures rather than willful violation of our laws.

5. No consolidation having been effected no question of adjudication remains on that question.

6. No irregularity appears in the removal of Silver Link Rebekah Lodge No. 404 from 104th to 63d Street. No dispensation from the Grand Master or Grand Lodge is needed in this jurisdiction to move from one hall to another in the same city.

7. Neither the Grand Lodge or Grand Master has original jurisdiction over the conduct of individual members, that rests with our Subordinates; if neglected by the Subordinate the Grand Master or the Grand Lodge may order it to proceed with its duty.

8. The various applications made to Una Rebekah Lodge No. 478 by its members for withdrawal cards seem to have been made legally and to have been legally granted. The fact that members were invited or even urged to make such applications did not compel them to make such applications, and it does not appear that they were made with the desire to cripple the Lodge but rather with a desire to separate from that which had ceased to be pleasant and congenial to them.

Your committee therefore recommend that the entire case be dismissed.

In conclusion we wish to say that each of the two Lodges seem to be harmoniously and zealously working for the upbuilding of Odd Fellowship, and each seems to be more prosperous than when this matter arose, so that out of the heart aches and bitterness, good has resulted to each. The scars may show and may hurt, yet none are crippled in usefulness and by and by we trust they will pale beneath the gentle touch of time.

SPECIAL COMMITTEE ON CODE.

This committee was appointed soon after the adjournment of the Grand Lodge, as per instruction to the Grand Master. Herewith is appended the report of the committee.

It was expected, and, at first, urged by the Grand Master that this committee should have the code ready for distribution at this session of the Grand Lodge. It was the desire of the committee as well, that this should be done, but to have done so would have meant to place in your hands a code that would at the adjournment of this session place in your hands a very incomplete work. The Sovereign Grand Lodge decisions and laws, at its last session, could not have been inserted. Some changes that will, in all probability, take place at this session of our Grand Body, could not have been in the code.

Brother Merrills will, in a few days after the adjournment of this Grand Lodge, be able to place in the hands of the committee a code right up to date. Hence, the Grand Master believes the special committee did the wise thing in deferring the publication of the code till after the session of the Grand Lodge. Then, it is expected that the committee on printing will have the code printed, bound and distributed in a comparatively short time.

Every Lodge in the State should have a copy of this most valuable code and it is hoped that the Grand Secretary will receive orders from such, at once, so the Lodges may have the laws of our Order down to date.

Dr. J. A. Lucas, Grand Master, I.O.O.F., Clinton, Ill.:

Dear Sir and Brother: Your special committee on revision of the code would respectfully report by its officers as follows: As soon as practicable after learning that you had appointed H. A. Stone, P.G.M., chairman of this committee with J. R. Kewley, P.G.M., C. S. Harris, P.G.M., Duncan McDougall, and W. R. Humphrey, D.G.M., associates a meeting was called of said committee in the city of Chicago, as the place involving the least expense to the Grand Body. The meeting was held Dec. 20, 1904, in the office of W. R. Humphrey with all members present. J. R. Kewley was elected secretary. A general discussion as to the character of the contemplated revision with the duties and powers of the committee was held, particularly as to whether the new code should be a mere compilation of our laws or such a revision as to make it harmonize with the laws and regulations of the Sovereign Grand Lodge, and decision thereon was postponed for farther consideration. The chairman presented various bids from brothers to revise and edit the contemplated code and asked as to the advisability of advertising as to farther bids. After a full discussion the chairman was directed to wire the Grand Warden, Fred B. Merrills, one of the bidders, to meet the committee on the 21st, with the view of his employment as editor of the work. At the adjourned meeting of the committee on the 21st of December, all members were present except Brother Duncan McDougall; Brother Fred B. Merrills was also present. It was decided after reading the various acts of the Grand Lodge relative to the new code, that it should include all constitutions, laws, rules, decisions and regulations of this Grand Jurisdiction and of the Sovereign Grand Lodge, so far as they affect the work of our Grand Lodge, Rebekah Assembly, Subordinate Lodges and Rebekah Lodges of Illinois together with a brief history of the origin and jurisdiction of the various branches of it; and that the editor should omit from the code all matter in conflict with the laws of the Sovereign Grand Lodge, or harmonize it with the laws of the Sovereign Grand Lodge by revision so far as possible. The following contract was then entered into with Brother Fred B. Merrills, after which the committee adjourned to meet at call of chairman:

WHEREAS, At the session of the Grand Lodge, I.O.O.F. of Illinois, held in November, A.D. 1904, it was decided by the Grand Lodge to revise the Illinois code, and the Grand Master was instructed to appoint a special committee of five members on revision, "whose duty shall be to make a contract for the work of revision, and to see to it that such revision is properly and satisfactorily completed before the printing shall begin," and the Grand Master, J. A. Lucas, has appointed the following named persons upon said committee, to-wit: H. A. Stone, J. R. Kewley, Chas. S. Harris, W. R. Humphrey, Duncan McDougall, and it is desired by said committee to carry out the instructions of the Grand Lodge and to perform the duties assigned to it.

Now, therefore, it is hereby agreed by and between the said H. A. Stone, J. R. Kewley, Chas. S. Harris, W. R. Humphrey, Duncan McDougall, acting for and on behalf of the Grand Lodge of Illinois of the Independent Order of Odd Fellows, as such committee, and not for themselves individually, hereinafter called "The Committee" and Fred B. Merrills of Belleville, Illinois, as follows:

The committee has employed, and by these presents does employ, the said Merrills to revise, complete, edit, index, properly arrange for printing and to proof-read the "Illinois code" which shall be, when finished, a complete compilation of all the laws of the Independent Order of Odd Fellows, pertaining to or in any way affecting the Grand Lodge of the State of Illinois, I.O.O.F., Rebekah State Assembly of Illinois, and the Subordinate and Rebekah Lodges under its jurisdiction and shall be a revision of the Illinois code of 1896. Provided said Merrills shall not be liable for any part of the expense of printing the same.

In consideration of which said Merrills agrees that he will compile and edit all of the laws of the Independent Order of Odd Fellows now in force, which pertain to, or in any way affect the Grand Lodge of the State of Illinois, I.O.O.F., and the Subordinate Lodges, the Rebekah State Assembly and Rebekah Lodges under its jurisdiction and that in editing and compiling such code he shall give references or citations to the journals or publications from which laws or decisions are taken; that he will revise the Illinois code of 1896; that he will eliminate all laws which have been repealed, and all laws which are in direct conflict with the constitution of the Grand Lodge of Illinois, I.O.O.F., the constitution of the Sovereign Grand Lodge, I.O.O.F., or the laws enacted by that body; that in case where legislation is needed to comply with the requirements of enactments of the Sovereign Grand Lodge or of its constitution, he will properly frame the same, so that upon the adoption thereof by the Grand Lodge of Illinois, they may become laws of said Grand Lodge; that he will prepare a proper index for such code; that he will prepare (subject to the approval of The Committee) a resume of the origin, organization, plan of government, jurisdiction, and

relations to each other of the Sovereign, Grand Lodges and the several bodies subordinate thereto.

The said Merrills shall from time to time as his work progresses furnish to The Committee copies of the matter intended for the code and his work shall at all times be subject to the inspection, direction and approval of The Committee. Copies of the matter shall be furnished so that The Committee may have reasonable time for examination and time for corrections to be made, or new matter supplied, so that the work may be completed by the time hereinafter specified.

The plan of the book, the arrangement of the matter, the matter which shall be eliminated from the code of 1896, and the matter which shall be framed for new legislation, and the indexing shall be subject at all times to the approval of The Committee.

The said Merrills agrees to give to this work his own personal attention, and supervision, using his best skill and ability to make it accurate, concise and convenient of arrangement, both as to subject matter and indexing. The entire work shall be completed, ready for the printer, by August 1, A. D. 1905, and the proof shall be read and corrected by him.

The Committee agrees that said Merrills shall be paid, from the treasury of the Grand Lodge, the sum of two thousand dollars (\$2,000) and necessary traveling expenses when called upon by The Committee or its chairman, to leave his home for any purpose connected with the business of this employment. The Committee will also request the Grand Master to make requisition on the Grand Secretary to furnish said Merrills, free of charge, the following supplies for his use in this employment, and for his perpetual ownership, to-wit: One copy of White's Digest of the Sovereign Grand Lodge, I.O.O.F., edition 1895; Busbee's Digest of the Sovereign Grand Lodge, I.O.O.F., 1903; Illinois Code, 1896, I.O.O.F.; Willard's Code, 1881, I.O.O.F.; Supplement to the same, 1889; One bound set of Sovereign Grand Lodge, I.O.O.F. Journals to date; One bound set Grand Lodge, I.O.O.F. Journals of Illinois; One set Journals Rebekah State Assembly of Illinois, I.O.O.F.

The Committee further agrees to issue on the first day of each month hereafter upon the O. K. of its chairman of satisfactory progress upon the code, a request to the Grand Master that he draw a warrant in favor of said Merrills for seventy-five dollars (\$75.00) as advance payments upon this contract. The balance remaining unpaid, of said sum of two thousand dollars shall be due and payable upon the warrant of the Grand Master, upon the completion and acceptance of the work by The Committee.

In witness whereof, the parties hereto have executed this agreement, in duplicate, this 21st day of December, A. D. 1904.

Signed by THE COMMITTEE,
and

EDITOR OF CODE.

The second meeting was held, on call of the chairman, at the same place, March 7, 1905. Present, all members of the committee, also the Grand Master, J. A. Lucas, the Grand Secretary J. H. Sikes, the editor F. B. Merrills, G. W., and the Chairman of the Printing Committee, J. R. Camp. The editor reported progress and hoped to have his material gathered ready to begin arranging it in April, and recommended the general arrangement of the Illinois Statutes by Starr and Curtiss so far as applicable. It was decided to exclude all forms sold by the S. G. L. as supplies. It was also decided that the new Code should have the same size page as that of 1896, and that the type and paper be similar to that used in Starr and Curtis' Statutes, that it be well bound in cloth and that an edition of 2,000 copies be printed under the direction of the Printing Committee. It was also decided that, so far as possible, no matter should appear in full text more than once. Discussion was also had as to the manner in which the Committee should examine the copy and as to the advisability of trying to push the work to completion in time for the coming session of the Grand Lodge. The final sense of the Committee being that it was wise to hold copy open until the Grand Lodge met, so as to permit it to pass the necessary constitutional amendments and certain enabling legislation to bring the Code down to date in every respect, or as near so as possible, and then press the printing with all possible speed after the session of the Grand Lodge, should the life of the committee be continued. No other meeting has been held, but various details have been disposed of by correspondence and on September 10th each member of the committee was supplied by the editor with 568 pages of typewritten copy for examination, and since that date the individual members of the committee have been examining said copy preparatory for a meeting at an early date.

The following is the report of Fred B. Merrills, G. W., Editor:

Belleville, Ill., Oct. 21, 1905.

Hon. Henry A. Stone, Chairman, Vandalia, Ill.

Dear Sir and Brother: I herewith submit my report as editor of the proposed new Code. The plan adopted is the plan which has been adopted by the editors of Starr & Curtiss' Revised Statutes of Illinois. Following this plan, I have revised the Constitution of the Grand Lodge and Constitution of the Subordinate Lodge; and under each constitutional provision have made annotations alluding to decisions and legislation, both of the Grand Lodge and the Sovereign Grand Lodge, referring whenever it was possible to the original document, and have compared all my editorial notes with the original document, when it could be found in the Journals. This work has been completed and a copy made, which has been in the hands of the Committee on Code Revision since the 11th day of September.

I have gathered the material and am now engaged in arranging it to annotate the Assembly Constitution and the Subordinate Rebekah

Lodge Constitution in the same manner. I find that it will be necessary that there be a complete revision of the Assembly Constitution at the next session.

There will be some work in the Code which cannot be properly assigned to a place in the annotations to the Constitutions. This will be put in a separate chapter. I have found a number of instances where I have deemed it wise to call attention of the Committee on Legislation to what has seemed to me to be necessary amendments to the Grand and Subordinate Lodge Constitutions. I am also keeping a memoranda of similar instances applying to the Rebekah Lodge Constitution, which, when completed, I will hand to the chairman of the Committee on Rebekah Degree.

I think I can have all my editorial work done by the time the session convenes, with the exception of digesting the Journal of the recent session of the Sovereign Grand Lodge and the Journal of the Grand Lodge.

Fraternally submitted,

FRED B. MERRILLS.

Ascertaining through the Editor, as also stated in his report, that it will be absolutely necessary to revise the Rebekah Assembly Constitution, we have suggested to the President that a committee be appointed from the members of the next Assembly to so amend the Constitution that it will be in conformity with the present laws of the S. G. L. and the Grand Lodge of Illinois, and that action be had during the same session, so that the revision committee can incorporate the amended Constitution in the new Code.

We regret that your committee found it impracticable to complete this work and have the new Code ready for presentation to this session of the Grand Lodge for their approval. So many things were found not in harmony with late legislation of the S. G. L. that we felt it would be more judicious and the Order would be better served by postponing the completion of this work until after the next session of the Grand Lodge and Rebekah Assembly, so that all constitutional amendments necessary to harmonize the Constitutions with the law can be made. To this end we recommend that you request the Grand Lodge Committee on Legislation to carefully present all legislation necessary to harmonize our laws with the S. G. L. enactments, to date, reporting at this session; and that the Grand Lodge give such reports prompt action, so that the committee will be able to resume work and complete a Code that will be acceptable to our entire membership.

We have found it necessary to hold but two meetings, the other work being carried on through correspondence. The following warrants

for payment of expenses and to apply on contract have been requested of you, to-wit:

Dec. 20, 1904, expenses of first committee meeting in Chicago...	\$ 42.46
March 7, 1905, expenses of second committee meeting in Chicago, including expenses of the editor	38.10

Total expense of committee meetings to date.....	\$ 81.56
--	----------

Advance payments to Fred B. Merrills, as per agreement of \$75.00 a month, from February 1 to October 1, 8 months....	\$600.00

DUNCAN McDOUGALL.

FIRST REPORT OF THE COMMITTEE ON RAILROADS.

Chicago, Ill., October 9, 1905.

Dr. J. A. Lucas, G. M., Clinton, Ill:

Dear Sir and Grand Master: Your railroad committee have the honor to report to you the fact that the Central Passenger Association and the Western Passenger Association have made rates as hereinafter described for the Grand Lodge, Grand Encampment and Rebekah Assembly. The following is a quotation from the Central Passenger Association letter:

"Where an additional 25 cents is included in the fare, this additional amount will not be required from points from which the regular one-way fare is less than \$1.00. Tickets will be good to commence going trip only on date of sale as indicated by stamp of selling agent; unless otherwise shown, they will be restricted to continuous passage in each direction and will be good for travel on going and return trip, only via the same regular ticketing route. Unless otherwise indicated, tickets will be good for return to leave place of meeting not later than midnight of the return limit named, and, in case an iron-clad signature form of ticket is prescribed, same must be validated as required by its contract, before it will be accepted for return passage.

"The concessions referred to above, named individually by interested lines, are as follows:

"One fare plus 25 cents for the round trip from that portion of the State of Illinois within Central Passenger Association territory, tickets to be sold November 19, 20, 21 and 22; return limit November 25, 1905, to persons presenting and delivering certificates of identification signed by Secretaries of local Lodges.

"Please observe that the concessions are available only to persons

presenting and delivering certificates of identification of the standard form set forth below, signed by Secretaries of local Lodges.

"Will you, therefore, have such supply of this credential prepared as may be requisite, and make proper distribution of same. As a means of protection against misuse of the concessions, it is essential that the blank spaces of the certificate and the signature of the officer issuing the credential, be filled in with pen and ink; in no case should a rubber stamp or other facsimile be used for this purpose. Please understand that persons vouched for as explained above, and delivering identification certificates, may secure tickets for their individual use, and also for the use of members of their immediate families.

(Form of Identification Certificate.)

.....1905.

To Ticket Agents:

This is to certify that Mr.
is a member of the Grand Lodge, Grand Encampment and Rebeksh Assembly of Illinois, I. O. O. F., and is entitled to secure for his individual use and for the use of his immediate family, tickets to Springfield, Ill., and return at the rate, and subject to the conditions announced by the Central Passenger Association. This certificate is not valid unless presented by the person to whom issued, on November 19, 20, 21 or 22; return limit, November 25, 1905.

Signed.....

(Title) Secretary Local Lodge No.....

NOTE—This certificate is to be delivered to and retained by selling ticket agent."

The Western Passenger Association make the following concession, which is herein quoted from their official letters:

"Rate of one fare plus 25 cents, except where fare and one-third makes less, from points in Illinois and from St. Louis, Mo., to Springfield and return; excursion tickets to be sold on November, 19 and 22, inclusive, good to return leaving Springfield until and including November 25, 1905.

"Tickets limited for going passage commencing date of sale, and for continuous passage in each direction."

We will furnish you, as soon as possible, with a list of the lines that will participate in this arrangement.

Referring to recent correspondence regarding reduced rates account above named occasion:

Beg to advise that the following lines have notified us that they will participate in the arrangements quoted in our letter of September 26:

GREETINGS.

To the Officers and Members of Subordinate Lodges, I.O.O.F. of Illinois:

GREETING—The year is fast drawing to a close, and it may not be out of good taste to say a parting word. In the main the work has been very satisfactory throughout the entire year. But there are some suggestions that might be of great advantage to the Lodges and for the help of the incoming Grand Master.

Most of the difficulties arise through a misunderstanding of the local law, about one hundred times out of one hundred and one times. I would, therefore, urge that every Lodge study carefully the Constitution and By-Laws of its own Lodge, first of all. Then every Lodge should buy the new Code just as soon as it is published.

Hundreds of questions are asked, every year, that are as plainly answered in the local law as any Grand Master can answer them.

Most of the questions coming to this office ask about sick benefits, funeral benefits, funeral expenses, watchers, nurse hire—and, when does the next term begin? A careful perusal of the Code will set every brother right on these questions.

Again, every brother in the Order, who has the love of the Order at heart, wants to do the right thing. This being true, will you kindly observe the law in regard to writing to the Grand Master? This

Tuesday,
Nov. 21, 1905.

officer is not in duty bound to answer any letter that comes to him unless from the L. D. G. M., or under seal of the Lodge. There may be isolated cases where it becomes necessary to write this officer, but do not write him unless you are obliged to do so. (So far as this Grand Master is concerned you may now write him all the letters you wish, but I plead for the incoming ones.)

If the brethren could have any conception of the correspondence of this office, all letters would come under the seal of the Lodge, and, then, only such questions would be submitted as cannot be easily understood.

Much trouble arises on account of the expenditure of the regular funds of the Lodge for banquets, festivals, etc. The law provides for a Contingent Fund. If the Lodges would create such a fund it would save much controversy and hard feelings. Read the law carefully about the *funds*.

Let no *personal matters* cause you to cast a black ball against a candidate for membership. You have a right to vote, but always vote for the good of the Order. Some feeling has been aroused on account of allowing personalities to be expressed in the ballot box.

Be careful and do not seek members who do not belong to your Jurisdiction. Honesty is the best policy. Get yours, but do not get those who do not belong to you.

A complaint has been made that a few of the Lodges add to the ritual and also take from. This is not the law. You cannot be too careful in lovingly complying with the law. If you have in your ceremonies any clandestine work, it must be abolished. Only Odd Fellowship in its essence should be presented to the candidates. It is always acceptable and impressive. Nothing that takes away any of its significance or takes its place is *good enough*. Follow closely the ritualistic work if you would get the most out of the Order.

Get all the good members you can to join the Order between this time and the meeting of the Grand Lodge. 100,000 members should be the watchword.

Thanking you for your warm support in the past, I remain,

Yours fraternally,

J. A. LUCAS, Grand Master.

REPORTS OF THE CHIEF AND ASSISTANT CHIEF OF EXAMINERS AND INSTRUCTORS.

To Illinois belongs the honor of having the best among the Odd Fellows of the world. In the secret work or unwritten work none are better posted than our own heads of this part of the Grand Lodge work. Never in the history of Odd Fellowship has such proficiency been reached by so large a number as at this time. All this has cost much close study and constant application. The work done by the chief and

his assistant is without recompense. Unless they are appointed on some committee they must come to the Grand Lodge one day in advance at their own expense to give this work to the large number of brothers who come to attend the School of Instruction. Is this fair to these brothers?

The Chief offers a way out of this dilemma. I hope his recommendations will have attention and, if the Grand Lodge can see its way clear, that it will render such help in this matter as will relieve the embarrassment.

Office of W. E. CARLIN,
Chief of Examiners and Instructors,
Grand Lodge, Illinois, I.O.O.F.
Jerseyville, October 17, 1905.

Rev. J. A. Lucas, Grand Master, Grand Lodge, I.O.O.F., Clinton, Ill.

Dear Brother Lucas: As chief of examiners and instructors in the unwritten work of the Order, by your appointment at the last session of the Grand Lodge, I beg to present the following report:

As has been the custom for some years, with the assistance of Bro. Henry A. Stone, P.G.M., assistant chief of examiners and instructors, I held a school in the unwritten work at Springfield on the Monday afternoon and evening preceding the Grand Lodge sessions of 1904.

The chief purpose in holding the school at the time indicated has always been to re-examine those who have previously been commissioned as examiners or instructors, who are present, to verify their proficiency in the work—to the end that competent examiners may be had to assist the chief and assistant chief in making examinations during the Grand Lodge sessions of all applicants who may present themselves, with the view of qualifying for appointment as official instructors. While this is the primary object of this school, all Past Grands and Third Degree members in good standing may attend and hear the work by those competent to impart it, and thus gain as much information as is possible while these schools are held. A brother who is nearly correct in the work, by close attention can become proficient, and later in the week pass an examination.

Soon after the session of the Grand Lodge, I prepared the list of those qualified, as found by examinations made by the chief and assistant chief, as also by other examiners and instructors who had been found competent—and by your direction I forwarded a commission to each, together with a circular letter of instruction, particularly calling their attention to the requirement that a report of their work for the year must be forwarded to the chief of instructors on or before October 15th, in order that proper report might be made to the Grand Master; in the circular mentioned all were notified that a failure to so report would be taken as evidence that he had done the work and was not

desirous of reappointment, and that he would not be recommended for reappointment. As such notice has been sent direct to each appointee two successive years (with the commission), I feel that it should be enforced. Your distinguished predecessor, as well as yourself and your probable successor, all approved of the instruction thus given; which assures the chief of examiners of the support of the retiring and incoming Grand Masters in enforcing the rule.

While by so doing I am aware that the number of examiners and instructors will, for the time being, be materially reduced, I believe it will result in securing more activity among those who are appointed.

The commission signed by the Grand Master expressly provides that the recipient shall report on or before October 15th; the requirement is only reasonable, and if the appointee entirely fails to report his official work, little is gained in having appointed him.

Since sending commissions to each of those found correct at the Grand Lodge, others have been, from time to time, appointed, as recommended by official examiners or instructors. The original list was forwarded to you when completed, and herewith I enclose list of those who have since been appointed, for Subordinate Lodges and for Rebekah Lodges as well.

From the 9th to the 12th of February I held most interesting schools of instruction for Subordinate and Rebekah Lodges at Avon, Fulton County. The several sessions were well attended and a number of brothers and sisters made excellent progress. Two brothers became practically accurate in Subordinate Lodge work; two sisters became perfect in the Rebekah work and have been commissioned as instructors for Rebekah Lodges. One of these is a member of the Rebekah Lodge at Avon, the other from the Rebekah Lodge at Prairie City. Besides the members from the Lodges at Avon, there was a good attendance from Prairie City, and other neighboring Lodges.

From the report of Bro. Stone, assistant chief, and those of other examiners and instructors, I feel that Illinois maintains its leading position in this branch of the work of the Order.

Inasmuch as no action was had at the last meeting of the Grand Lodge, on the recommendations contained in my report to P. G. M. Brown, and realizing their importance, I desire to again submit them, and earnestly request that you approve them and that they may be referred to the proper committee for consideration and action at the approaching session of the Grand Lodge. I note in this connection that Bro. Stone, assistant chief, in his report to you just received, calls your attention to the matter, as said recommendations are set forth in the Journal for 1904, and fully endorses them and asks your approval of them.

The recommendations referred to are as follows:

First. That the Grand Master be authorized and directed, when

appointing the appointive officers of the Grand Lodge, to appoint a chief and assistant chief of examiners and instructors in the unwritten work.

Second. That the chief of examiners and instructors, and the assistant chief of instructors be entitled to, and shall receive mileage and per diem at the Grand Lodge sessions, and necessary expenses for postage, stationery, etc.

Third. That any Past Grand who is appointed official examiner or official instructor shall report fully all his acts as such examiner or instructor, to the chief of examiners and instructors on or before October 15th in each year.

Fourth. That a Past Grand so appointed, in order to be recommended for reappointment, shall pass an examination before the chief, assistant chief, or some other examiner or instructor, and be recommended to the Grand Master for appointment by the chief or assistant chief of instructors.

Fifth. The chief and assistant chief of instructors shall make full report to the Grand Master on or before the 20th day of October.

I esteem it only fair that the chief and assistant chief should receive mileage and per diem, as they must be at the place of meeting of the Grand Lodge at least the day before the Grand Lodge convenes, and devote much of the time during the Grand Lodge sessions to the examination of brothers in the unwritten work, as well as a portion of their time during the year; besides which, the chief of examiners and instructors must send out fully 300 printed and written communications during the year.

Unless the officers named be appointed on committee, they would have to attend the Grand Lodge without any portion of their necessary expenses being allowed them.

In closing this report, I desire to express most sincere thanks to Bro. H. A. Stone, P.G.M., assistant chief, as also to the other examiners and official instructors, for their active cooperation in the work, and to you, Grand Master, for my appointment; for your ready acquiescence in the suggestions I have made, as well as for the confidence reposed by giving me full control in the matter of examinations and appointments.

Congratulating you on the success of your administration, upon the large additions to membership during the year, and substantial progress of the Order generally in this great Jurisdiction of Odd Fellowship, I am, with high regard,

Truly and fraternally,

WALTER E. CARLIN,

Chief of Examiners and Instructors.

Vandalia, Illinois, October 14, 1905.

Hon. J. A. Lucas, Grand Master, Illinois, I.O.O.F., Clinton, Ill.

Dear Grand Master: Under your commission as assistant chief instructor and examiner in the unwritten work of Subordinate and

Rebekah Lodges, I.O.O.F., in the Jurisdiction of Illinois, I first beg to thank you for the honor conferred, and to further report, that I have held no regular schools of instruction at any point during the year, with the exception of the school of examinations held in Springfield at the time of the Grand Lodge, 1904. There are now very few calls for schools of instruction, for the good reason, that so many of the Lodges now have competent instructors within their membership, and for the further reason that now opportunity is given all who desire perfection access to the secret journals in the custody of the Grand Secretary, which together with the "Keys" every Lodge or member is entitled to, there is very little reason for incorrect work by those who desire perfection. I have visited very many Lodges throughout the State during the past year, and wherever I have heard the work given it has been almost above criticism. I heartily indorse the recommendations made by grand instructor in chief, Bro. Walter E. Carlin, found on page 28 of the Journal of 1904. I do not find, however, that any report or action was taken on his recommendations, and I wish you could see your way clear to call attention to this, that action may be had at our coming session of the Grand Lodge, that it may be made a law. Again thanking you, allow me to remain,

Sincerely and fraternally,

HENRY A. STONE, P.G.M.,

Assistant Instructor in Chief.

I send copy of this report to Bro. Carlin.

OFFICIAL EXAMINERS AND INSTRUCTORS FOR SUBORDINATE LODGES.

The following named brothers are appointed examiners and instructors for Subordinate Lodges. All examiners and instructors are required to make full reports to the Grand Master, through the chief or assistant chief of instructors, of all work done, on or before October 15, 1905.

REPORT OF CHIEF OF INSTRUCTORS, REBEKAH LODGES.

Chicago, Ill., November 4, 1905.

Dr. J. A. Lucas, G. M., Clinton, Ill.

Dear Sir and Brother: I herewith submit to you a report of the work done through my office, for the past year.

I am pleased to inform you that the members of the Rebekah Degree in this Jurisdiction have exhibited great interest in perfecting themselves in the unwritten work of our Order, as well as a desire for a better knowledge of the laws governing the same.

I have issued 156 commissions for official examiners, and 139 to official instructors, being an increase over last year of 12.

During the year, I have had the honor of presiding over schools of instruction at ten district assembly meetings as follows:

District No. 22 at Jacksonville, May 11th and 12th.

District No. 20 at Grape Creek, May 19th.

District No. 6 at Joliet, May 22d.

District No. 16 at Heyworth, May 25th.

District No. 14 at Pontiac, June 7th.

District No. 4 at Pecatonica, June 14th.

District No. 5 at Oregon, June 21st.

District No. 3 at Evanston, June 27th.

District No. 15 at Bradley, September 29th.

District No. 33 at Vienna, October 25th.

Have held four schools of instruction for Lodges. The average attendance at these several meetings was about 150 and it is interesting and gratifying to note how desirous each member is to excel in the work of the Order. Our homes are a subject of constant thought and study—all of which is an inspiration toward the betterment of not only the Order itself, but to each individual member.

The year's work in the Order has been a pleasant one to me, and I feel the better for having given of my time, strength and money, for the advancement of the Order.

Trusting your year as Grand Master has been both pleasant, and mentally profitable at least—I realize it cannot be very profitable financially. Thanking you for all favors, and extending my best wishes for your future, I remain,

Sincerely and fraternally,

NELLIE L. HARRIS,

Chief of Instructors.

P. S.:—I enclose names of those who have been commissioned this year.

OUR HOMES.

Every fraternal order is considering the question of a home for the orphan and old folks. This is perhaps caused by the success we have attained in our own homes. The experimental stage has passed. That the homes are popular and humane is admitted by experts.

No investment that the Grand Lodge has made has been so satisfactory as have our Homes. The aged indigent are provided for in the best possible manner. Our orphans are homed and educated, and thus prepared for a far better citizenship than could possibly be given if left to the cold care of the world.

Notwithstanding all that has been done, we are convinced that an industrial department added to our Orphans' Home would be a valuable adjunct. While it may not be a feasible thing just at this time, it is our opinion that the Grand Lodge will at some future time see the wisdom of such a course. It would greatly add to the effectiveness of the home as it would still better provide our wards with a strategic point in life that they do not now possess.

As the report of the Trustees of both our Homes will give us a full orb'd view, it is not necessary that we should say more at this time.

VACANCIES FILLED.

Brother Charles S. Thornton, of No. 858, resigned as a member of the Committee on Judiciary and Appeals on May 27. On August 4, the Grand Master appointed Brother Clark B. Samson to fill the vacancy.

The chairmanship of the Committee on Mileage and Per Diem was vacated by the resignation of Brother E. H. Kinney, G. R., about the first of October. The vacancy was filled immediately by appointing Brother E. R. Saylor, of Sangamon Lodge No. 6, to fill vacancy.

DEFUNCT AND CLOSED LODGES.

During the past year the following Lodges have been closed:

SUBORDINATE LODGES.

Ancona Lodge No. 762, I.O.O.F., located at Ancona, in Livingston County, was closed on April 22, 1905, by Brother H. H. Dicus, Past Grand of Edina Lodge No. 391, I.O.O.F., of Streator, Ill. The Deputy remitted to this office the sum of \$50.40, together with a box of regalia, looks, etc.

Rinard Lodge No. 594, I.O.O.F., located at Rinard, in Wayne County, was closed on October 15, 1905, by Brother C. E. Wolfe, a Past Grand of Flora Lodge No. 151, located at Flora, Ill. The Deputy remitted the sum of \$22.90, also a box containing the books and other effects of Rinard Lodge.

Garnet Rebekah Lodge No. 459, located at Wapella, was closed on November 5, 1905, by H. F. Swearingen, of Wapella, Ill.

LOSS BY FIRE.

During the past year the following Lodges have suffered by fire:

Washburn Lodge No. 546, I.O.O.F., located at Washburn, in Woodford County, was visited by fire on December 26, 1904. A duplicate charter was issued December 27, 1904.

Hoopeston Lodge No. 498, and Prairie Rebekah Lodge No. 622, both located at Hoopeston, in Vermilion County, suffered by fire on January 15, 1905, and duplicate charters were issued to both Lodges.

Travelers Rest Lodge No. 220, I.O.O.F., located at Gillespie, in Macoupin County, was visited by fire on February 2, 1905, and a duplicate charter was issued on the same date.

Westfield Lodge No. 644, I.O.O.F., and Westfield Rebekah Lodge No. 287, I.O.O.F., both located at Westfield, in Clark County, suffered by fire on February 2, and duplicate charters were issued on the same date to both Lodges.

* Queen City Lodge No. 179, and Centralia Rebekah Lodge No. 596, and Egyptian Queen Rebekah Lodge No. 324, all located at Centralia, in Marion County, were destroyed by fire on March 21, 1905, and duplicate charters were issued to all three Lodges on the same date.

Beverly Lodge No. 851, I.O.O.F., located at Beverly, in Adams County, was destroyed by fire on March 13, 1905, and a duplicate charter was issued on the same date.

London Lodge No. 734, I.O.O.F., and Neola Rebekah Lodge No. 458, I.O.O.F., both located at London Mills, in Fulton County, were destroyed by fire on April 17, 1905, and duplicate charters issued.

Dahlgren Lodge No. 486 and Paradise Rebekah Lodge No. 589, both located at Dahlgren, in Hamilton County, were destroyed by fire on October 7, 1905, and duplicate charters were issued on the same date.

Most of the Lodges destroyed by fire were either wholly or partially covered by insurance, however; it frequently occurs that our Lodges do not carry insurance, which emphasizes the fact that this business precaution should be taken by our Lodges.

REMOVAL OF REBEKAH LODGE.

Mayflower Rebekah Lodge No. 83 was given permission to move from Grossdale to La Grange, which removal was made December 22.

CHANGE OF LANGUAGE.

During the year, Southwestern Lodge No. 484, Chicago, changed from the German to the English language.

ELEVATOR IN OLD FOLKS' HOME.

The Rebekahs of the State are much interested in the building of an elevator in the Old Folks' Home. So much are they interested in this humanitarian work that many have already sent in funds to be used for this purpose. I was asked to grant a dispensation to invite the Lodges of the State to contribute to this most worthy cause. While I believe it is a necessity to the Home, and firmly believe that the Home can not all be utilized to its fullest extent until we have an elevator, I must concede the fact that before such expenditures are made, requiring such a change, the Board of Trustees must have the allowance granted them, together with instructions to make such important changes as would be required in the building.

A casual glance at the conditions existing will convince almost any one that this is an important measure for consideration. Many of our beloved brothers and sisters in the Home are unable to climb stairs. If an elevator should be built it would make the third story as accessible as the first, and as we are greatly in need of all the room we now have at our command, I believe it would be consistent with good judgment to ask the Trustees to erect such a convenience at once. And

yet, before they could do so, it would be wise to make a proper appropriation for this great need.

GRAND LODGE COMMITTEE ON FINANCE.

FIRST REPORT BY BROTHER JAMES EWING DAVIS OF NO. 450.

To the Grand Lodge of the State of Illinois, I.O.O.F.:

Your Committee on Finance would respectfully report that they met in the office of the Grand Secretary on Wednesday, the 10th day of May, 1905, and made a careful inventory of the stock of supplies and fixtures on hand, and for a detailed statement of the receipts and disbursements, as well as an inventory, see Grand Secretary's report.

Your committee checked up the office and found the business conducted in a very satisfactory manner, and the funds and property of the Grand Lodge duly and properly accounted for. The receipts of the office for the six months ending April 30, 1905, were \$36,640.35, all of which has been remitted to the Grand Treasurer, Thomas B. Your committee checked up the office and found the business conducted in a very satisfactory manner, and the funds and property of the Grand Lodge duly and properly accounted for. The receipts of the office for the six months ending October 31, 1905, were as follows:

THIRD REPORT BY BROTHER CICERO J. LINDLY OF NO. 3.

To the Grand Lodge of the State of Illinois, I.O.O.F.:

Your Committee on Finance would respectfully report as follows: In reference to the Old Folks' Home: We visited the Old Folks' Home at Mattoon, on the 9th day of September, and met with the Trustees and Advisory Board of the Home at their regular session and audited their accounts and books and found the same to be correct. We find the condition of the Home to be all that could be expected, a credit to our Institution and a credit to those who have the same in charge. We are glad to report that the expenses of the Home have been kept within the appropriation made for the maintenance and that there remains a balance of \$212.00.

We found that they had completed the addition to the Home consisting of thirteen (13) rooms, two (2) store rooms and a linen closet and that this addition will accommodate seventeen (17) inmates. After the expenses of the addition were paid, there remained of the appropriation for this purpose \$320.00. The Board expended \$300.00 of this in repainting the exterior wood work of the Home and there remains in the building fund, \$20.00.

We think that the Board is to be commended for keeping within the limits of their appropriation in this work. We find that it will be necessary to make appropriations at the coming session for repairs and improvements as follows: For painting and decorating the corridors of the entire building, forty-two (42) sleeping, bath and toilet rooms, the dining room, kitchen, and ten (10) rooms in the cottage, a new barn, a well and the repairing of the windows so as to exclude the cold, the cost of which would soon be saved in fuel required to heat the building. Of course, this matter of repairs and new buildings is a subject to be submitted to the Grand Lodge and it remains for them to determine what will be done. Recommendations will be made by your committee at the proper time and the amounts necessary for this purpose.

Respectfully submitted,

CICERO J. LINDLY,
N. D. CALKINS,
JAMES EWING DAVIS.

FOURTH REPORT BY BROTHER N. D. CALKINS OF NO. 190.

To the Grand Lodge of the State of Illinois, I.O.O.F.:

Your Committee on Finance would respectfully report as follows: We visited the Orphans' Home at Lincoln on November 4th, and found it in its customary good condition. We found that the past year has been one that has been very satisfactory. We found the farm in good condition, also that the different appropriations have been wisely and economically expended. We found the barn completed and think it will prove a good investment. They have been very economical in the repairs for the past year which will necessitate quite a large amount to be made the coming year.

Fraternally submitted,

N. D. CALKINS,
JAMES EWING DAVIS,
CICERO J. LINDLY.

THE SORENTO CYCLONE.

After speaking of the misfortune at Sorento, in my report, I thought best to make a more careful investigation of the situation, so I requested Bro. Dewey, of Greenville, to make a careful examination of the exact situation. Bro. Dewey went and, when he had reported, we found that the Lodge at that place had not overstated, but they rather had underestimated the real condition. When Bro. Dewey sent in his report, which follows, the Grand Master ordered a draft of \$200.00 on the Grand Treasurer to be paid to Sorento Lodge No. 656 for the relief of the distressed brothers of that Lodge.

REPORT OF R. K. DEWEY, SPECIAL DEPUTY.

Greenville, Ill., November 6, 1905.

J. A. Lucas, Grand Master, Clinton, Ill.

My Dear Brother: Yours of the 31st ult. came to hand on the 2nd inst. I went to Sorento on the next day and, after getting together the N. G., V. G., Secretary and three brothers, we visited the ruins of such brothers' homes as were in the line of the storm, and it was a sorry sight. The Odd Fellows were very few in number, compared to the number of those who lost their homes, either totally or partially. I do not think that any of the brothers are in need at present for the necessities of life, as the brothers and citizens of neighboring towns and country are providing nobly, but winter is coming on and they will have no place to stay and most of them are in such condition financially that they cannot replace their buildings in time for cold weather, as they are all laboring men, most of them miners.

Taking them in the order in which we came to them, Finis Chapman, house, 24x24, with L, moved off foundation, badly twisted, barn all gone, damage about \$600, insurance of \$300, miner with family;

Guy O'Hara, house 24x24, moved the bigness to the north and badly wrecked, kitchen moved 10 feet, damage about \$200, miner with family, no insurance, furniture damaged; Charles Miller, miner, badly wounded, it was thought for several days he would die, but better now, wife injured, when the wind passed he and wife found themselves about 10 feet apart and 4 children about 100 feet out in a field not hurt, house 30x30, with L, barn 30x40, together with good furniture, not a vestige of it left, all scattered and broken; had 350 chickens, which were bringing him in a good living every day, every one gone, damage of \$1,200 to \$1,500, and doubtful if he will be able to work for two or three months, provided with living by the brothers and citizens, he is in a worse fix than any of the brothers, will need help, no insurance; Alva W. Mitchell, a young unmarried man, who had just got a small house, 16x24 feet, kitchen 14x14 feet, totally destroyed, damage some \$600, no insurance, clerk; Harry Compton, house 16x24 feet, L 12x14, house badly twisted, L all gone, furniture damaged, damage about \$400, wife and three children, none hurt, miner; W. W. Mitchell, merchant, loss on three or four buildings about \$1,200, but says, "Give all you can to the other brothers as I can stand it." Benj. Trouba, miner, damage on two houses about \$100, no insurance.

Now, my dear brother, I do not know how much there is in the Contingent Fund, but can say that whatever amount can be spared will be deservedly applied and gratefully received. I am satisfied that in no case will the amount I have specified cover the damage. I think the brothers have given a very conservative estimate of losses sustained.

Between 30 and 40 other buildings were either totally or partially destroyed. The foregoing are all of the Odd Fellows who suffered.

With kind and fraternal regards, I am, yours truly,

R. K. DEWEY.

NEW CHARTER.

It may be very commendable on my part to call the attention of the Grand Lodge to the fact that we have been working without a charter for some fifty years, at least that is the calculation of our worthy brother, Samuel Willard. He so notified the Grand Master and he set to work and through the kindly efforts of our efficient Representatives and the graciousness of the Sovereign Grand Lodge we were granted a duplicate charter and now we are able to do business in a legal manner. I hope every brother of this session of the Grand Lodge will cast his eye upon this important document as its presence makes legal our sessions.

I have tried faithfully to overlook nothing that would appear to be of importance to the Subordinate or Grand Lodge. And yet, it is such a stupendous subject with which a Grand Master has to deal that he may overlook most important considerations. If such is the case, it has been done because he did not see from the same view point, or was not able to detect with such ability as some of the readers of this report may possess. That is certainly no fault of mine, but instead, a faculty that the reader is endowed with that was not conferred upon the writer.

May I be pardoned, if once more I say I have endeavored to be fair with all concerned? Sometimes it may appear that every decision has not been given in accordance with good sense. If that is true, it is likewise true that the Grand Master has shown no favoritism, if he knows it.

And, now I most graciously and willingly turn over this office to my most worthy successor. We all well know that he is worthy and well qualified to hold the reins of the noble Order that lies so near our hearts. Time and opportunity must be given to the Grand Master to familiarize himself with the arduous tasks and the routine work that he may the better serve this great Jurisdiction. May I be permitted to ask for him your indulgence as he takes up this ponderous, though honorable, duty.

None of us need fear concerning the perpetuity of the Order; it has long since passed the experimental stage. The able men and women in its different branches of the Order have sufficiently tested the methods of operation to satisfy them that the foundation stone is itself on the everlasting principles of Friendship, Love and Truth. Hence, we continue only to add to our already well grounded fraternity.

If our leaders shall continue to be men and women of sterling worth, the Order will continue to appear in the galaxy of the larger constellations and of the first magnitude. We have faith to believe in the good sense of this great body of men who have the love of Odd Fellowship at heart.

To accomplish all that an ideal represents means an unselfish devotion to the Order. And nothing short of such an Order will ever satisfy the brother and sister who are seeking the uplift of humanity, the elevation of noble manhood and the crowning glory of true womanhood. With an earnest desire that this may continue to be the largest and best fraternity in the world, I close this report in the hope that Odd Fellowship may ever prove to be all that is claimed for it by its most interested supporters.

Submitted in Friendship, Love and Truth,

J. A. Lucas.

Grand Master.

HOW TO GAIN ADMITTANCE.

Lodges or guardians wishing to place in the Home children who are eligible to its benefits, should apply to the Superintendent at Lincoln for a blank form of application, this to be filled and signed by the guardian and Lodge (under seal) of which the father was a member at the time of his death. The application should then be returned to the Superintendent, who will present it to the Board of Directors for consideration at their first meeting thereafter. Parties presenting applications will be notified as soon as practicable of the result.

All applications coming before the Board are carefully considered as eligibility and individual merits demand.

Lodges or guardians are expected to provide children with at least one change of clothing before sending them to the Home.

CASH DONATIONS, ETC.

The following, given in detail, are the cash receipts by donations and otherwise during the year. There has been the usual number of valuable articles donated as in former years, but the persons and Lodges sending them have all received acknowledgments, and the list has been published from time to time in the Odd Fellows' Herald and The Illinois Odd Fellow, and as the articles are so numerous we do not deem it necessary to again enumerate them.

Fraternally submitted,

T. B. NEEDLES, Grand Treasurer.

Nashville, Illinois, November 4, 1905.

PER CAPITA.

The average number of children in the Home during the past year was 137. Expenditures for maintenance, \$17,908.70, making cost per capita, \$130.71.

An unusually large number was enrolled during the past year, the maximum being 161. The same feature is noticeable in the number dismissed, 39 having left the Home.

OUR NEW BUILDING.

During the past year has been completed the building of the cow barn and a great necessity has thereby been relieved, while as a model barn we believe it is one of the best in this part of the State.

Looking to the near future a porch at the entrance of the main building is expected to materialize, the plans having been approved.

Comparatively few inside repairs have been made in the various buildings during the year, which necessitates a thorough renovating of walls, floors, etc., in the near future.

CHILDREN'S DINING ROOM.

In this connection we are greatly pleased to refer to what has been done for the children's dining room, the same having been accomplished through the generous donation of the last Rebekah Assembly, of \$250.00, which was placed in the hands of the superintendent by the Assembly to be used by her as she deemed best. The surplus for this much needed improvement was furnished from the bank account of the Odd Fellows' Orphans' Home Band. We herewith submit an itemized statement of this expenditure:

175 yards cork carpet 95c	\$166 25
20 tables, \$7.50	150 00
144 chairs, \$1.50	216 00

Total \$532 25

Of this \$250.00 is credited to the Assembly and the remaining \$282.25 to the Home Band. In connection with this we are pleased to report the receipt of \$10.00 from Rebekah District No. 1, Chicago, also \$5.00 from White City Rebekah Lodge No. 587, to be applied to the same fund, and this has been used in the purchase of tablecloths.

FIELD REPORT.

6 tons' millet hay	200 bushels corn
10 tons timothy hay	40 bushels pop corn
5 tons alfalfa hay	15 bushels cane
8 tons oats straw	3 tons cane hay
200 shocks fodder	280 bushels oats

LIVE STOCK.

2 mules	25 shoats
3 horses	18 pigs
13 cows	6 sows
5 heifers	1 boar
2 calves	300 chickens
1 bull	

GARDEN.

140 dozen asparagus	2500 heads cabbage
372 dozen rhubarb	412 musk melons
915 dozen onion sets	52 bushels cucumbers
700 bushels potatoes	179 bushels tomatoes
70 bushels sweet potatoes	72 bushels beets
69 bushels lettuce	50 bushels carrots
32 bushels radishes	500 pumpkins
25 bushels turnips	50 squashes
45 bushels onions	45 bushels sweet corn
22 bushels spinach	5 barrels pickles
18 bushels peas	2 barrels sauer kraut
33 bushels beans	

FRUIT.

705 boxes (quarts) strawberries	52 quarts raspberries
58 bushels cherries	170 bushels apples
15 bushels currants	15 bushels peaches
6 bushels gooseberries	1345 pounds grapes

A large proportion of our fruit was eaten while fresh, as a consequence our canned supply is meagre.

HEALTH.

The past year has been one devoid of death, serious accident, or dangerous illness. No epidemic has confronted us and no contagious disease has appeared.

We do not fail to be thankful for these mercies and trust that our Heavenly Father's protection may continue to abide with us.

RELIGIOUS, MORAL AND INDUSTRIAL TRAINING.

The strong tenets of the Home management as existing all along former years, are strictly adhered to all along the above lines, and we feel that repetition of details every year is quite unnecessary. Suffice it to say that although nearly thirteen years have passed of careful study as to what is best in the training of these young lives we can but admit there is much more to be learned.

SCHOOL, MUSIC, ETC.

As the years roll by, there come to us many indications of what the Orphans' Home has done for the education of its children, by way of an exceedingly thorough course of instruction, and very often our hearts are made glad and encouraged by letters from those who have gone from us to battle with the stern problems of life, and are finding themselves equal to the task.

Commencement Day, June 28, was characterized as the graduation day of the largest class ever sent out from the Home when twenty-three young lads and misses were the recipients of the sheep-skin diplomas that to them seemed a wealth of a lifetime. The frontispiece of our report shows the class as it was arranged on that day. Of this group fifteen are gone, five are attending the Lincoln High School, and three are employed in the Home. As guests of honor on this memorable occasion were Grand Master J. A. Lucas and Grand Secretary J. H. Sikes, both of whom made talks teeming with good advice and encouragement. The Assembly hall was filled to its utmost with other guests. A program suitable for the event was presented, the graduates all taking part. The vocal and piano music was arranged by our teacher, Sister Huldah Peters, who has well established herself as a teacher of ability.

Some changes have occurred among our teachers since the close of the last school year. Sister Clara E. Braden has been succeeded in

the intermediate department by Sister Grace N. Mount, and Sister Nine E. Petrie succeeded Sister Edith M. Fuller of the primary, while Sister Mary E. Schriver, principal of the Home School for the past three years, has been succeeded by Sister Carrie C. Barr, Sister Shriver having been appointed as assistant to the Superintendent.

OUR BAND.

Now, as in former years, the Home Band is an important factor of the Home. The disbanding last July made a great depletion in the ranks for a short time, and we were not sure of results, but understudy took in the situation, and, with renewed zeal, went to work, and we are proud of our little boys.

We feel fortunate in having as their instructor Prof. Geo. D. Barnard, a gentleman of extensive experience, both as a teacher and a composer, and at present the teacher and leader of Lincoln French's Military Band.

EXCURSION.

The bountiful benefaction extended to our Home last year, providing for that never-to-be-forgotten visit to the World's Fair, still holds forth golden opportunities for the future, as was fully exemplified when the Grand Lodge at its last session found a balance in its hands of \$956.66, and quickly set aside this amount as a special excursion fund for the children.

Apropos to this, our present Grand Master J. A. Lucas, of Clinton, Ill., arranged in the month of August a most pleasurable excursion and picnic to Clinton, and no more enjoyment was ever crowded into one day. Our worthy Grand Master was unceasing in his efforts to make this a red-letter day for the children, and he was most ably assisted by the Rebekahs and Odd Fellows of Clinton. Brother Lucas may be sure he has thoroughly ingratiated himself in the affections and memory of the Orphans' Home children.

CONCLUSION.

Our thanks are again due to the many Lodges and individuals who have helped us, not only in a financial and substantial way, but also with words of appreciation, which tends to encouragement and success in future work.

To our sisters of the Auxiliary Board we owe much for valuable assistance by deed and suggestion.

To our Odd Fellows' Herald and Illinois Odd Fellow we are always indebted for helps none others can give.

Ending as it does the 13th year of our Home life, which has passed in peaceful prosperity, there is little to chronicle in any way exciting or otherwise. Hoping and trusting, Grand Master, that our administration of this trust during the past year will meet with your approval and with the approval of the entire Order in this Jurisdiction, we remain,

Sincerely and fraternally,

J OTIS HUMPHREY, Chairman,

JOHN R. DAVIS, Secretary,

Mattoon, Ill., October 12, 1905.

Dr. J. A. Lucas, Grand Master, I. O. O. F., Clinton, Illinois.

Dear Sir and Brother: Another year in the history of the I. O. O. F. Old Folks' Home has passed, and we submit to you our eighth an-

nual report. Only those closely identified and working in the Home can have any conception of the care, work and responsibility of an old people's home. To the casual visitor, the looker on, all seems pleasant, work light, and everything joyous, but the employe and those who stay a while at the Home can realize the anxiety and perplexities that come with such positions for twenty-four hours a day, and three hundred and sixty-five days in the year.

The greatest difficulty at the Home is the petty criticisms, bickerings and jealousies among the old Brothers and Sisters themselves. The Superintendent is a board of arbitration many, many times and over the most trivial matters.

This can best be explained in the words of one of the old Brothers: "The greatest and only trouble at the Old Folks' Home, are the old folks themselves, who are dissatisfied with themselves, and with almost every thing and everybody, and, consequently, our dissatisfaction makes us cross, irritable, and ready to complain at nothing real, only our imaginary wrongs." Thus it will be seen that some of those who stop to reason of themselves realize what they themselves are. "Once a man, twice a child," an old adage, is as true as gospel and demonstrated in the Home every day.

EMPLOYEES.

The Home being located quite a distance from the city, and our facilities for conveying any one to and from Mattoon being very limited, one can readily understand how hard it is to keep employes who are young and must have some recreation. Then, too, to place young people where there is nothing before them but aches, pains and wrinkles, where they work from 6 A. M. until 7 and 7:30 P. M., and perhaps an emergency call in the night, we feel that we should all return our thanks and gratitude to all who are and have been employed in the Home, for money cannot alone pay one for work in the Old Folks' Home. There must be something in the charitable nature of any employe to work where there is so little sunshine.

NEW ADDITION.

The appropriation given us at the last session of the Grand Lodge to build a second story over the dining room and kitchen is completed, giving us more room, being 13 sleeping rooms, 4 being double rooms, and 9 of them single rooms; also 2 store rooms and a linen closet. Through the efforts of Sister Lola Rickard, our Superintendent, furnishings have been secured by donations for all the rooms but one, and that will, no doubt, be taken soon.

BAKERY.

To the Rebekah State Assembly we extend our thanks for the donation that has made it possible for the Home to have the much need-

ed convenience of a bakery. The Assembly gave the donation to be expended by the Superintendent as she deemed best, and her selection of the needed bakery was a good one.

APPLICATIONS.

One of the greatest, in fact, the greatest obstacle the Trustees have to contend with is the applications sent for admission to the Home. This being a Home, and not a hospital, such patients cannot be accepted, with the present accommodation for such applicants. If the Grand Lodge deems best to accept such patients, then they must provide us with the necessary funds to build an apartment for a hospital, and to pay people to care for them. Our old people are going down every day, and little, if any work can be done by the most of them. In fact, if they could work, they would hardly leave old friends to come among strangers.

RELIGIOUS SERVICES AND ENTERTAINMENT.

One of the greatest needs of the Home is entertainment of some kind for our old people. During the year the Superintendent has endeavored to secure something that would be of interest to the Brothers and Sisters, but at each attempt she was confronted with the fact that talent was to be had for money, and no funds for entertainment are to be had.

Since the death of the Chaplain, Rev. G. D. Kent, no regular services have been held, but the following ministers have preached during the year. Rev. Andrew Gray, Rev. William Martin, Rev. Naboth Osborn, Rev. Rals. Morley, Rev. W. A. Smith, all of Mattoon; Rev. W. T. Shaw, of Charleston; Rev. Thornton Clarke, Delavan, Ill.

INSURANCE.

We have been carrying \$38,600 insurance on buildings and contents, and \$3,000 on the laundry; on the completion of the addition new insurance to the amount of \$4,000 on building, and \$1,500 on contents has been secured, making a total on buildings and contents of \$44,100.

VISITORS.

Visitors are always welcome at the Home and hundreds have visited it and expressed themselves as well pleased and enjoyed their visit.

It has been deemed best to abolish the local Sunday visiting. But with the state at large they will be welcome at any time, only asking that the Superintendent be advised of their coming beforehand.

This step was taken so that the old people and employes can have their day of rest and quiet, except upon the rare intervals when outside excursions would visit us.

In the past, Sunday has been one of the hardest days of the week, both for the Brothers and Sisters, as well as the employees.

HABITS AND CUSTOMS.

At the Old Folks' Home we are confronted with matters which have and should be made as pleasant as possible, but the fraternity is apt to look with favor on some things, and disfavor on others, not having full explanation. Some of our old people are not satisfied with the Home, and we say without fear of contradiction, that it is a better home than these same men have ever had, and better than many of the men have who contribute to keep it up.

What these men want is a chef who can give them a short order, with porterhouse steak, and its accompaniments. The Home has good wholesome, family cooking, and these grumblers, for such they must be called, must either behave themselves, and care for the Home they have, or their Lodges will be called upon to take them back to where they came from, to assume the cares that their Lodges have eliminated from their lives. We give this in print, for the Superintendent is confronted on one hand with the admonition of economy, and on the other hand with the growling of these four or five brothers who want a Waldorf-Astoria diet, which they have never had, and with which, if they had it, they would then not be satisfied.

RESIGNATION.

On October 12 Mrs. Lola L. Rickard tendered her resignation as Superintendent, to take effect within thirty days, which was accepted, and a Committee composed of Bros. Brainard, Easley and Miner, and Sisters Harris, Thomas and Cox were appointed to select her successor.

This committee will meet in Decatur on November 2.

The following resolution was introduced by Sister Nellie L. Harris, and adopted by the Board:

We, the Board of Trustees, and members of the Advisory Board of the I. O. O. F. Old Folks' Home, realizing the amount of work, both mental and physical necessary to conduct the affairs of the Home properly, and knowing that Sister Lola L. Rickard, Superintendent, has performed the duties of said office in a business-like and satisfactory manner, therefore, as members of this Board, we extend to her our sincere appreciation of her labors, and wish for her success in all her future undertakings.

REPORT OF SPECIAL COMMITTEE.

The Committee appointed to select a new superintendent for the Home met in Decatur on November the 2d, at the St. Nicholas hotel. All members of the committee were present. There were sixteen applications received for the position; two of them being from women, their

applications were not considered, as the Trustees desired to place a man in charge. After several ballots, Brother W. N. Rickard, of Richland Lodge, No. 180, Olney, Illinois, was selected as Superintendent at a salary of \$50.00 per month, and his wife, Lola L. Rickard, as matron, at a salary of \$30.00 per month.

LAWN, FARM AND GARDEN.

The pride, pleasure and beauty of the Home has been enhanced by our beautiful flowers and well-kept lawn. The watchful care and diligence of Brother Andrew Jackson has made this possible. Brothers Rickard and Jackson have taken all care of the lawn, flowers and drives. The garden has yielded an abundance of fresh, wholesome vegetables for the use of the Home, and under the good work of Brother Henry DeBuhr, we have sold as much as possible.

REPORT OF GRAND SECRETARY.

To the Officers and Members of the Grand Lodge of Illinois, I.O.O.F.

Dear Brothers: The onward march of Odd Fellowship throughout the world is most gratifying, and it is with pride that we are able to report that Illinois is fully abreast of other Grand Jurisdictions in growth and good works.

Measured solely by the increase in membership the past year did not reach the mark attained by the two previous ones; however, it fell but little below and was far above an average year.

The development of the Order as to its moral tone has been very marked in recent years, the standard of membership has been raised, and more than in past years, has character become the qualifying test. The teachings of Odd Fellowship are working out more fully in the daily lives of our members and to the wholesome lessons in honesty and patriotism imparted in our Lodge rooms, to more than a million students, is largely due the tidal wave of revolt against corruption in all walks of life.

The exemplification of the tenets of our Order has been noted in every village in the land and an unbiased public has said, "Well done," so that it has come to pass that we fear no adverse criticisms from unfriendly sources, for, indeed, there are few such, and all bear the stamp of ignorance and prejudice.

The marvel is that we are able to accomplish the great results attained with the limited amount of funds collected from our membership. The price of labor, the cost of goods, the expense of living, the rent of Lodge rooms, our capitation tax, have all advanced, and yet, in the face of these conditions, practically none of our Lodges have increased their dues or lessened their benefits. It behooves the financiers in each Lodge to seriously consider this matter, well knowing that the difference between a small gain and a small loss in your Lodge treasury annually is the difference between prosperity and ruin.

No great calamity has visited our Order during the year and no calls for special relief have been made. A marked degree of activity prevails in our Lodges at the present time, bespeaking a large gain in membership during the approaching winter.

The record of the Order for another year so far as words and figures can make it is closed, but our largest work is done in the lives and hearts of our members, compounding as the years go by, until there will be a Good Samaritan for every heartache and the pure principles of Odd Fellowship will girdle the globe.

The net gain in membership for the past year in our Subordinate Lodges was 3,039, making a total in Illinois on April 1st of 69,882. The gain during the past six months has placed us past the 70,000 mark, and the next annual statement will doubtless approximate 75,000.

SICK BENEFITS.

In order to view the work of the Order intelligently and prepare for the future, it frequently becomes necessary to resort to the law of averages; and for this purpose I have compiled a table below showing the membership of the Order, the number of weeks' benefits paid, and the average number of days' sickness per member for twenty years.

It is most gratifying to note that the per cent has varied little, and from this table we draw the conclusion that the average age of the organization has not materially increased, having been kept down by a strong, healthy growth. It requires no figures to prove an increase in the average age, average amount of sickness and the average amount of sick benefits to be paid were our growth to cease, but in this, a most prosperous period of our Order, it is difficult to anticipate any serious decrease in annual growth.

SOVEREIGN GRAND LODGE JOURNALS.

I received barely enough Journals of the Sovereign Grand Lodge to supply our Subordinate Lodges. Formerly a large number of extra journals were received to supply the individual demand for these journals, which supply has been discontinued, and hence it has been necessary to deny many requests. It would seem that each Grand Jurisdiction should be allowed a reasonable number in excess of the number required to supply our Lodges.

GRAND LODGE JOURNAL OF 1904.

The Grand Lodge Journal for the session of 1904 consisted of 506 pages, being somewhat larger than the Journal of the previous year.

To arrange copy, read proof and index the Grand Journal requires the entire time of a thoroughly competent person, whom we have for several years secured in the person of Bro. Past Grand Secretary N. C. Nason. As has been the rule of this office for many years, the Journal was delivered to all Subordinate Lodges and Representatives in a little more than thirty days after adjournment.

VETERAN JEWELS.

Illinois is one of the first Jurisdictions in the number of Veteran and Honorable Veteran Jewels sold annually. During the past year 114 Veteran and 4 Honorable Veteran Jewels have been sold, proving that the value and worth of Odd Fellowship was early recognized in this state, as well as indicating the pride and loyalty of our membership.

TRUSTEES OF THE ORPHANS' AND OLD FOLKS' HOMES.

All bills allowed by the two Boards of Trustees are forwarded to me with an attached certificate signed by the President and Secretary of the Board and countersigned by the Grand Master. These bills and vouchers are kept on file in my office for future reference, and orders on the Grand Treasurer are drawn for the several amounts. Upon these vouchers the Grand Master and myself have drawn orders on the Grand Treasurer for the sum of \$20,956.58 to pay bills contracted by the Trustees of the Old Folks' Home, and the sum of \$22,752.84 to pay bills contracted by the Trustees of the Orphans' Home, making a total disbursement for these two charities of the sum of \$43,709.42.

JUDICIARY AND APPEALS COMMITTEE.

As Secretary of the Judiciary and Appeals Committee, I report that four sessions of this committee were held, as provided by law, on the third Tuesdays of November, 1904, February, May and August of the present year. At the November session five opinions were rendered and the By-Laws from thirty Subordinate and ten Rebekah Lodges were acted upon. At the February session five opinions were rendered and

the By-Laws from 43 Subordinate and nine Rebekah Lodges were acted upon. At the May session three opinions were rendered and the By-Laws from 45 Subordinate and five Rebekah Lodges were acted upon. At the August session four opinions were rendered and the By-Laws from 28 Subordinate and five Rebekah Lodges acted upon, making a total of 17 opinions rendered and 175 Codes of By-Laws acted upon.

COMMITTEE ON JUDICIARY AND APPEALS, I. O. O. F.

PROCEEDINGS OF THE FIRST SESSION February 21, 1905.

Case No. 328.

Eureka Lodge No. 64, I. O. O. F. } Before Committee on
vs. } Judiciary and Appeals,
Charles S. Harris, G. M., } February Session, 1905.

Opinion by Bro. W. E. P. Anderson, of No. 107.

It appears from the record in this case that in the summer of 1901, Eureka Lodge, acting upon the report of its Visiting Committee (the date is not given), allowed Brother John Snyder, one of its members, but since deceased, weekly benefits from June 9th, 1901, to the amount of \$24.00.

That August 5th, 1901, Brother John M. Archer, a member of said Lodge, appealed from the action thereof to C. W. Smith, Deputy of said Lodge, claiming that the disability of Brother Snyder was of long standing, during which time he was in arrears to said Lodge, and therefore could not pay up during said sickness, and become beneficiary, which said appeal, by the decision of the Deputy, rendered Aug. 17th, 1901, was sustained, and directing the action of the Lodge to be set aside.

While there is nothing in the record before us showing that fact, but by letters from Past Grand Master Harris, of dates February 13th and November 19, 1904, which are among the papers in this case, it appears that on appeal to him as Grand Master, he reversed the decision of the Deputy and ordered the benefits paid.

An appeal from the decision of Grand Master Harris was taken by the Lodge to the Committee on Judiciary and Appeals, which said appeal was by said Committee dismissed on the ground that the appeal should have been taken to the Grand Lodge. (See G. L. Journal 1904, page 169.)

In pursuance of the decision of the Committee, an appeal was taken to the Grand Lodge. (See G. L. Journal 1904, page 197.)

The consideration of appeal cases having come before the Grand Lodge at its session on Thursday morning, Nov. 17th, 1904, the following action was taken:

"Rep. Williams, of 134, moved that the appeal of Eureka Lodge No. 64, in the case under consideration, be sustained."

"Bro. Owen Scott, of 186, moved as a substitute for the motion of Rep. Williams, that this case be referred back to the Committee on Judiciary and Appeals (that they may obtain jurisdiction of it), and that the Committee consider said case, and report their conclusions to the next Grand Lodge Session. (See G. L. Journal, page 307.)

The record in this case as to dates, and facts offered in evidence before the Commissioner, is so meagre and incomplete that it is difficult to arrive at a conclusion entirely satisfactory to us.

Our conclusions, however, are based upon two propositions, which in our opinion determine the merits of the case, viz:

First. Was the disability of which Brother Snyder died of long standing?

Second. Did such a lapse of time intervene between the decision of the Deputy and the appeal to the Grand Master, under the laws of the Order, bar a recovery of the benefit sought?

As to the first proposition, we find from the testimony taken before the Commissioner that Brother Snyder was treated by Doctor J. W. Smith in 1900 for partial paralysis of the muscles of the tongue and throat, from which his death resulted in August, 1901.

That Brother Snyder was in arrears for his dues by the statement of account in the record from January 1st, 1900, to March 2d, 1901. And therefore was not entitled to the benefits allowed by the Lodge in the summer of 1901.

As to the second proposition, not having the decision of Past Grand Master Harris among the papers turned over to us in this case, we do not know the date at which it was rendered, but it is fair to assume not until after November, 1902, when he became Grand Master.

It appears, however, that action was taken by Eureka Lodge in August, 1901. The decision of the Deputy was rendered Aug. 17th, 1901. That a space of fifteen months had elapsed before the appeal was taken to the Grand Master. That a period of two years and five months had elapsed between the decision of the Deputy and the taking of the evidence before the Commissioner. While it is not shown by whom the appeal was taken, it is also fair to assume that the appeal to the Grand Master was taken by some one interested in having the benefits paid. And in this connection it is but just to Past Grand

Master Harris to say that it was insisted before this Committee, on the part of Eureka Lodge, that he did not have all of the evidence in the case before him when he rendered his decision.

The decision of the Deputy was in effect a refusal on the part of the Lodge to pay the benefits; that being the case, the appeal to the Grand Master should have been taken within three months after Aug. 17, 1901. (Thornton's Code 1896, Sec. 1518). (See also section of same Code 2017.)

So that, after having given the case careful consideration in the light of the record as we find it, our conclusions are that the appeal of Eureka Lodge should be sustained and the decision of its Lodge Deputy affirmed.

Case No. 339.

Dewey Lodge No. 794, I. O. O. F.	}	Before Committee on Judiciary and Appeals, February Session, 1905.
vs.		
M. C. Adrian.		

Opinion by Bro. Henry A. Stone, P. G. M., of No. 122.

This is an appeal from the action of the Lodge in expelling him from the Order on a charge of "Falsifying." Specification: That he was owing the Lodge a note for \$100.00. That two of the Trustees went to see him at his farm about payment. That he (Adrian) promised them he would go in to Lodge on a certain date and fix it up and that he failed to make good his promise. The certified records of the Lodge show that the above charge and specification were made, but do not show on what date. That the Secretary sent a copy of the charges and specification to defendant September 10, 1904, citing him to appear at the second regular meeting thereafter. That on the 23d of September, 1904, Bro. Adrian appeared before Lodge, acknowledging citation, and plead *not guilty*. On the same evening the Noble Grand appointed and obligated a Commissioner, but does not give his name, neither is it given in any part of the records submitted. That on October 7th 1904, a so-called trial was held and the Noble Grand declared the charges sustained, and by vote of 7 to 3 he was declared expelled from the Order.

From this action of the Lodge Brother M. C. Adrian appeals, and assigns the following as grounds for such appeal:

1. The Lodge, through its Secretary, refused to submit its Lodge records in the case, to any one, saying that not even the Grand Master could see them.

2. That under the laws of the Order they cannot bring charges against a brother for falsifying in pecuniary matters of a civil nature.

3. That he made motion for Commissioner to recommend to Lodge an acquittal on the grounds that they had no cause for action under our laws.

And asks that he be reinstated on the grounds that under our laws they had no cause for action.

STATEMENT.

The records in this case are very incomplete, and if there was any cause for action amenable to our laws, before action of this committee, they would have to be referred back for a new trial and a more complete record. This, however, is unnecessary from the nature of the case.

Busbee's Digest of Sovereign Grand Lodge, 1903, Section 1984, specifying what *are not offenses*, says: "Members of the Order should not be held amenable to its penalties for a failure to comply with promises to pay pecuniary obligations. All grievances of this character are properly referable to the courts of competent jurisdiction for a full and complete remedy. An attempt to collect debts or to enforce any kind of pecuniary obligation through the instrumentality of our Code of trials is subversive of justice and against the spirit and teachings of our Order, unless the obligation was incorrect through some false pretense or the transaction involves some act of personal dishonesty, subjecting the offender to a prosecution and conviction under the laws of the land." There is no evidence produced to show, neither does the Lodge claim, that this \$100.00 borrowed from the Lodge was secured through any misrepresentation.

There is no evidence in the record whatever that Brother Adrian is able to pay this indebtedness to the Lodge; that either he or his wife have any property at all, or that they are able financially to fix it up. Indeed, there is no charge of any kind against Brother Adrian in this record, except that he promised to attend Lodge on the night of June 24th and fix it up, and that he did not come. This charge, if proven or admitted, was not, in the opinion of this committee, sufficient to expel the brother from the Order.

It is the judgment of this Committee that the Appeal is sustained, and the Lodge instructed to reinstate Brother M. C. Adrian to membership, without prejudice.

Appeal sustained, action of Lodge set aside.

Case No. 340.

Sciota Lodge No. 552, I. O. O. F.	}	Before Committee on
vs		Judiciary and Appeals,
H. H. Charter.		February Session, 1905.

Opinion by Bro. Henry A. Stone, P. G. M., of No. 122.

This is an appeal by E. E. Sapp and seventeen other members of Sciota Lodge No. 552, I. O. O. F., against the action of said Lodge in expelling Brother H. H. Charter, a member of said Lodge.

The records in this case show that the finance committee, being unable to make the Secretary, Treasurer and Lodge records agree in finances, the trustees were instructed, on April 30th, 1904, to employ a competent man to audit the books. Brother H. H. Charter was the Secretary of the Lodge from 1897 to 1902.

On June 4th, 1904, the trustees reported to the Lodge that on May 24th they employed one J. A. Spangler to examine the books, and he commenced work on May 30th and finished with his report June 4th, 1904. And that he found errors in the books, showing the Lodge owed Brother D. H. Clark, the Treasurer, \$51.52, and that Brother H. H. Charter, ex-Secretary, was owing the Lodge \$25.35.

June 25, 1904, Secretary was instructed to notify Bro. H. H. Charter to appear next Saturday night and make settlement.

July 24, 1904, Bro. H. H. Charter answered summons and stated he would pay any shortage found against him, but that he would not ask anyone to go on his note. Neither would he give a mortgage on his real estate to make good his shortage, but would pay it as fast as he could, and might pay it all in sixty days.

The Record shows without any date attached, Noble Grand certifies he had due notice of Bro. H. H. Charter violating the laws of the Order, and appointed an investigating committee of three.

The Record further shows without date that the investigating committee reported a charge of *Embezzlement*, with specifications of divers differences in the Secretary's receipts of lodge meetings as shown by records and his Cash Book, running from September 28th, 1897, to April 1st, 1902, a period of 4 years and 7 months, in amounts from 5 cents to \$3.00, in all amounting to \$25.35.

The Secretary was instructed to send Bro. Charter a copy of the charges and specifications and cite him to appear at the second regular meeting thereafter to plead.

August 27th, 1904, Record shows Bro. H. H. Charter appeared at second regular meeting thereafter and plead not guilty to the charges. The Noble Grand appointed and obligated Bro. W. A. England as Commissioner, and Bro. Charter cited for trial.

On the night of trial (which in the record before us is not dated) there were present and voting 28 members. After hearing the evidence

read, the prosecuting committee offered in evidence the Records of the Lodge, showing Bro. Charter's election as Secretary prior to September 25, 1897, and all books, etc.

Bro. H. H. Charter offered in evidence receipts from Secretary of Lodge No. 552 for \$25.35, as follows:

July 2, 1904.....	\$5.35 on book shortage.
July 16, 1904.....	5.00 on book shortage.
July 30, 1904.....	5.00 on book shortage.
Aug. 27, 1904.....	5.00 on book shortage.
Sept. 10, 1904.....	5.00 on book shortage.

\$25.35

The ballot was then taken on the charge, and 21 voted for sustaining the charge and 7 against.

On Specification 1: For sustaining specification, 22; against, 6.

On Specification 2: For sustaining specification, 22; against, 6.

Vote was then taken on highest penalty, expulsion, 22 voting for expulsion and 6 against, and the Noble Grand declared him expelled from the Order. From this decision of the Lodge, Bro. E. E. Sapp and 17 other members of the Lodge appealed to this Committee.

OPINION.

We have carefully read the entire record in this case and fail to find any evidence to warrant an expulsion from the Order. On the contrary, we do find evidence showing willingness to pay the debt when it was shown to him he was short, and as evidence of same the record shows every dollar refunded to the Lodge within a little over 60 days and all was paid in evidently before date of trial. While the books were not properly kept and show evidence of carelessness, there is no evidence of an intent to cover any shortage by fixing his books so that they might have corresponded with amounts of receipts. We can find nothing to sustain the charge of embezzlement, and it is the judgment of this committee that the appeal should be sustained. The appeal is sustained and Lodge directed to reinstate Bro. H. H. Charter without prejudice.

Case No. 341.

Humboldt Park Lodge No. 658, I. O. O. F.	} Before Committee on Judiciary and Appeals, February Session, 1905.
vs. John J. Brown, Grand Master.	

Opinion by Brother Henry Phillips, P. G. M., of No. 16.

From the record and papers before us, it appears that in May, 1902, Mrs. McKean, widow of Bro. John McKean, was, upon the application of Humboldt Park Lodge, admitted as an inmate of the "Old Folks' Home," I. O. O. F., at Mattoon, Ill., subject to the rules and regulations

made for its government. That on the 27th day of June, 1902, Mrs. McKean died at the Home. Upon the death of an inmate of the Home, the Lodge to which the inmate belonged, or some person supposed to be responsible for such inmate either as a relative, friend or a Lodge, are immediately notified by the Superintendent's office of such death, and instructions asked as to the disposition of the body. And the body is immediately prepared for burial at Mattoon, or for shipment as may be required, but no body is removed from the "Home" until after proper funeral services are held as may be deemed proper. It is one of the fundamental principles of our Order and a command that we bury our dead. We take it this means our dead shall be buried decently, and in order that this should be done, the authorities of the Home make a contract with a responsible firm of undertakers at Mattoon whereby the body of a deceased inmate is prepared, by embalming and proper dressing, and placed in a suitable casket or coffin, and carried in a hearse, either to the cemetery or depot, for burial or shipment, at a regular price, which price the Lodge responsible for the support of the inmate is required to pay. Such were the rules and regulations of the "Home" in May, 1902, when Mrs. McKean was admitted to the Home, and in June, 1902, when she died, and Humboldt Park Lodge was, or could have been, familiar with them. Humboldt Park Lodge accepted the proposition and terms of the Trustees of the "Home" for the admission of Mrs. McKean to the "Home" as an inmate, on the 30th day of April, 1902, in a communication under the seal of the Lodge. There appears to be no other communications from the Lodge under its seal concerning Mrs. McKean to the "Home" or any of its officers, until in January, 1904. On the 2d day of May, 1902, a letter was received bearing such date addressed to "C. F. Mansfield, Sec'y of Old Folks' Home, I. O. O. F.," written on the office stationery of Chas. E. Scharlan, Attorney at Law, 59 Dearborn street, Chicago, Ill., stating that "Mrs. McKean will leave Chicago tomorrow, Saturday the 3d inst., at 8:30 a. m., and will arrive at Mattoon at 12:55 p. m. I have this day notified Mrs. Lola L. Rickard, Superintendent of the Home at Mattoon."

(Signed)

Charles E. Scharlan.

At same date another letter written to C. F. Mansfield, Sec'y, on the same office stationery, signed by "Charles E. Scharlan" was received, stating that: "Enclosed please find acceptance of the terms of the Board of Trustees of the I. O. O. F. Old Folks' Home at Mattoon, Ill., by Humboldt Park Lodge No. 658, I. O. O. F., in regard to the widow of John McKean, former member of our Lodge. We intend to send Mrs. McKean tomorrow morning and will notify Superintendent of the Home."

"P. S.—Will you please notify Superintendent of the Home that Humboldt Park Lodge has accepted the terms of the Board of Trustees?"

(Signed)

"Scharlan."

Upon the death of Mrs. McKean the following telegram was sent, June 27th: "Charles Scharlan, room 209, 59 Dearborn street, Chicago, Ill.: Sister McKean just passed away. Wire disposition of remains. Lola L. Rickard, Supt."

The undertaker at Mattoon was immediately notified and came out same day, June 27th, 1902, and prepared the body and trimmed the casket in which to ship or bury the body according to the contract with Trustees of the "Home." On Sunday following, this dispatch was received at the "Home":

"Chicago, Ill., June 27, 1902. Lola L. Rickard, Supt. I. O. O. F. Old Folks' Home. Brother Dettler of our Lodge will call for remains of Mrs. McKean."

(Signed)

"Charles E. Scharlan."

On same date the following telegram was sent: "Mattoon, 6-27-1902. To Charles E. Scharlan, Sec'y, 59 Dearborn street, Chicago, Ill. Funeral expenses Mrs. Abigail McKean incurred by Home must be paid by your Lodge. On this condition will deliver remains to Bro. Dettler."

(Signed)

"Lola L. Rickard, Supt. Home."

On the morning of the 28th of June Brother Dettler came to our "Home" and asked for the body of Mrs. McKean. With him was an old wagon and in the wagon a box which extended out behind the end of the wagon about eighteen inches. Said he was an undertaker and presented to the Superintendent a letter, written on Scharlan's office stationery, as follows:

"Chicago, 6-27-1902.

"Lola L. Rickard, Supt. I. O. O. F. Old Folks' Home, Mattoon, Ill.:

"Dear Madam: This will introduce to you Brother Frank Dettler of our Lodge, who is to take charge of the remains of Mrs. McKean. Kindly give the trunk and the personal property which belongs to Mrs. McKean to Mr. Dettler, also kindly send your bill, and Humboldt Park Lodge No. 658 will gladly pay the bill. Many thanks for the pains and trouble you had with Mrs. McKean. We know you did everything you could for her.

"Yours in F., L. & T.,

"Charles Scharlan."

"For the reason that the undertakers at Mattoon had performed a part of their duties under their contract by preparing the body and were then engaged in trimming the coffin, and also for the reason that Bro. Dettler proposed to carry away the remains in the manner he did, and without the usual religious services, and because of fear on the part of "Home" authorities that such disposition of the remains of an inmate would do harm to the remaining inmates of the "Home," Bro. Dettler was not permitted to take charge of the remains at the "Home," but it was proposed that the remains would be conveyed in a hearse to the railroad station and there delivered to the care of Brother Dettler.

This Brother Dettler refused to do, and the following dispatch was sent on the 28th of June to "Charles E. Scharlan, 59 Dearborn St., Chicago, Ill.: "Brother Dettler refuses remains. Will your Lodge pay expenses if shipped to Chicago?"

(Signed)

"Lola L. Rickard."

About 2 p. m. same day Sister Rickard received the following message:

"What are expenses incurred? Ask Brother Dettler to wait for answer. Answer at once."

(Signed)

"Charles E. Scharlan."

Answer was immediately wired to Scharlan. The expense would be \$50.00. About 5 p. m. of same date the following message was received:

"Chicago, Ill., June 28th, 1902.

"Lola L. Rickard, Supt. I. O. O. F. Old Folks' Home:

"Ship remains alone to Dettler, 670 West Division street, Chicago, Ill. Answer me when you ship them. I will pay."

(Signed)

"Charles E. Scharlan."

And the body was shipped according to instructions, was received by the Lodge in Chicago and buried by it. The "Home" sent its bill to the lodge as follows:

Maintenance from May 3 to June 27, 1902.....	\$11 80
Expenses of coffin, etc.....	35 25
Expenses of body to Chicago, telephone and tele-	
graph	12 25

\$59 30

The Lodge refused to pay the bill except as to the item of maintenance, \$11.80; one fare to Chicago, \$5.20, and telegrams, \$1.00, being a total of \$18, which the Lodge was willing to pay, leaving \$43.30 which it refused. This whole matter was then referred to Grand Master Brown, who directed the Lodge to pay the whole bill, and an appeal was taken to the Grand Lodge and by the Grand Lodge referred to this Committee.

We have taken too much space, perhaps, in the statement of the facts of this case, but it seemed unavoidable because of the character of the defense set up by the Lodge against the payment of the bill. The Lodge claims the telegrams sent and received and quoted above are not genuine. Then they must be considered frauds or counterfeits; and further claims that it was not bound by the action or doings of Charles E. Scharlan. The Lodge admits it is liable for the maintenance of Mrs. McKean at the "Home," and yet the acceptance of the terms and conditions of the trustees for her admission is confided to Scharlan, and by him given to the "Home." It admits that the Lodge received a telegram from the "Home" telling of the death of Mrs. McKean, which the Lodge answered, and that the Lodge would send a brother undertaker to the "Home" to take charge of the body and bring it to Chicago, and that it did so,

and buried the same; but nowhere in a. this record does it appear that the Lodge, by its Secretary, ever sent a word to the "Home" concerning Mrs. McKean during her life or after her death, unless it be the acceptance of the proposition for her admission, which is not before us. All else was done by and through Scharlan. The telegram announcing the death was sent to Scharlan, and by him communicated to the Lodge, and the Lodge accepted and acted upon such information. The letter introducing Brother Dettler to the officers of the "Home" and directing the disposition of the trunk and property of the deceased inmate was written by Scharlan. Now which of all these letters and telegrams are fraudulent or counterfeit? If liable at all for any part of these charges and expenses, and the Lodge admits it is liable for a portion of them, it must be because it made Scharlan its agent or mouthpiece in this matter, and accepted his actions as its own. We find nothing unreasonable or unnatural done by Scharlan in all this correspondence, and the Committee find that the Lodge is responsible for the acts of Brother Scharlan in the matter. As to the remaining defense to this claim, the Lodge insists that because the "Home" was notified that Brother Dettler was coming to get the body, that all expense made after such notice was improperly made. It seems that Brother Dettler was an undertaker and brought a coffin or box with him. There is not a hint in all the instruction given or requests made by this Lodge or by Brother Scharlan that Brother Dettler would come prepared to perform the duties of embalming the body or provide a coffin or casket, and no word concerning him was received at the "Home" until late on the 27th. Now what was reasonable and proper to be done in the case? Was the body to remain uncared for from the time of death until the following morning, which was the earliest time an undertaker could reach Mattoon from Chicago? The time was in June. Were the old people to be permitted to look upon the neglected corpse of their former companion for eighteen or twenty hours and be forced to believe that such would be the end with them? Odd Fellowship will not permit such a condition to exist concerning the bodies of its dead, and will demand that all proper respect shall be paid to the burial of those for whom it has cared in life. The "Home" did its duty under its rules and regulations, which are reasonable and proper. We hold that the Lodge is in all fairness and justice responsible for this claim, and should pay it. We therefore hold that the order of the Grand Master be sustained, and that the Lodge pay the bill. Appeal dismissed.

Case No. 344.

Mrs. William M. Clegg
vs.
DeWitt Lodge No. 183, I. O. O. F. } Decision of Arbitrators,
Feb. 21, 1905.

Opinion by Bro. M. P. Berry, P. G. M., of 412.

William M. Clegg, during his lifetime, was a member of DeWitt Lodge No. 183, located at Parnell, Ill., but, for two or three years prior to his death, lived near Tower Hill, Illinois, under the jurisdiction of Chromo Lodge, No. 512. Some time in the latter part of 1902 Brother Clegg took sick with a disease that finally resulted in his death in May, 1904. Brother Clegg made no demands for sick benefits from his Lodge until December, 1903, when Chromo Lodge took up the matter for him, and considerable feeling arose between the two Lodges, DeWitt Lodge claiming it was not liable for either sick or funeral benefits for the reason, as it claimed, Brother Clegg was not a beneficial member when he took sick and when he died. The difficulty was laid before Grand Master Brown, but no settlement was reached during his administration, and Brother Lucas inherited the trouble. At his suggestion, both Mrs. Clegg and DeWitt Lodge agreed to arbitrate the matter and abide by the decision of the arbitrators. Grand Master Lucas, with the consent in writing of all the parties, referred the matter in controversy to the members of the Judiciary and Appeals Committee, not as a Committee, but as individuals, and we assume the unpleasant duty of deciding it. All of the Arbitrators were present except Bro. Thornton. We read carefully all the evidence submitted to us, and listened with interest to the representatives of the different parties as they ably presented their respective sides of the case, and after due consideration have reached a decision, in which all of the Arbitrators agree. In the consideration of the vexed problems submitted to us in this case, we have endeavored to govern ourselves by the principles of our Order, as well as by its rules and laws, but we have not permitted any technical rule of law to supersede the broad principles of justice and equity that are the foundation stones of Odd Fellowship. Odd Fellowship is too broad a principle to be governed or controlled by any law, save alone the law of love to our fellow man. The real question is, was Bro. Wm. Clegg a beneficial member of DeWitt Lodge when he claimed sick benefits? It is agreed by all parties that Brother Clegg held a receipt from DeWitt Lodge showing that his dues were paid in full to July 1st, 1903. This would keep him a beneficial member until October 1st, 1903. During the fall of 1903 the Lodge room of DeWitt Lodge burned, and all the books were destroyed. In order to start out even again, the Lodge passed a resolution crediting every member with their dues in full up to October 1st, 1903. The effect of this resolution was the same as if Brother Clegg had paid in cash to the Secretary his dues up to October 1st, 1903. This would keep Brother Clegg in good standing until January 1st, 1904, but

if nothing more had been paid, he would have been non-beneficial January 1st, 1904. The action of the Lodge kept Brother Clegg in good standing up to January 1st, 1904. Did Brother Clegg pay any more dues to his Lodge before January 1st, 1904? We believe from the record he did. On December 21st Brother Clegg told his wife and daughter, Cecil, that he had before that time sent two dollars to his Lodge in an envelope, and thought strange he had never heard from it. Both of them swear to this statement. We must believe Brother Clegg made the statement, and in view of the circumstances under which it was said we are forced to the belief that the statement was true. Brother Clegg on that day, December 21st, had been examined by a physician, and was told he could only live a short time. The statement was made when Brother Clegg knew he would soon stand at the bar of Him who knows all things. It has almost the effect of a dying statement; that is, received as evidence in any court. If that \$2.00 reached DeWitt Lodge before January 1st, 1904, it would keep him in good standing until April 1st, 1904. It did reach the Lodge. Brother Clegg told the truth when he said he sent it, and we believe he told the truth as to the time he sent it. If he sent it before December 21st, it reached the Lodge before January 1st. Brother Waldo Jones, Secretary of DeWitt Lodge, in his letter, dated December 23d, 1904, to the Secretary of Chromo Lodge, says: "Brother Clegg was credited on our books with a payment of \$2.00 *about* January 1st." Here is the \$2.00 sent by Brother Clegg before Dec. 21st, 1903. We confess we do not like the use of the word "*about* January 1st." It is just as likely to mean a week or two before January 1st as it is afterwards. The Secretary ought to know, and the records ought to show, when it was received. But a receipt was issued to Brother Clegg for this \$2.00, which was received about January 1st, but the receipt bears date January 25th, 1904. We accuse no one of wrong doing. We cannot for a moment believe anyone thought of such a thing, but this was carelessness in the officers of DeWitt Lodge and not good business methods. However, we know they were acting under very adverse circumstances, having no place to meet, and we must make allowance for this fact. From the above facts, we must reach the conclusion that at no time prior to April 1st, 1904, was Brother Clegg thirteen weeks in arrears for his dues, and that he was during all that time a beneficial member of his Lodge. The whole record shows that Brother Clegg was not an Odd Fellow for financial gain. Under the evidence in this record, he was clearly entitled to sick benefits during the summer and fall of 1903. He was a sick man. Sick with a disease that was rapidly preying upon his vitals. Never for a moment after he was taken with that disease was he a well man. Dr. Humphreys swears that from April 11th, 1902, until February, 1904, he attended Brother Clegg; that all of this time he was a sick man in a dangerous condition, and unable to do manual labor. Dr. Corby swears that he treated him from July 21st, 1903, until he died; that he had a tubercular hip joint and a tubercular

abscess; that he was a great sufferer and unable to attend to his business. Brother Cannon, chairman of the Visiting Committee of Chromo Lodge, swears he visited Brother Clegg at least once a week from July 1st, 1903, to October 1st, 1903. Brother Hunter, also a member of the Visiting Committee, swears to the same thing; also Mr. R. H. Bullington, a neighbor and friend. We cannot doubt it. But Brother Clegg is dead. Died in May, 1904, with the disease. Death removes all doubt. He may have been to the State Fair in October, and at the elevator, weighing grain and coal in November, but he was not a well man. The disease that took his life was then numbering his days on earth, and he knew it. That Brother Clegg was in good standing in DeWitt Lodge when he took sick, and for several months afterward, no one could deny. The evidence in this record clearly shows that he was entitled to sick benefits during the summer and fall of 1903, but that he did not claim them. He ought not in the spirit of Odd Fellowship to be permitted to become non-beneficial *while he is sick*, even if he had not paid one dollar, and he had no thought or intention of not paying his dues. To visit the sick and to relieve, as far as possible, their distresses, are fundamental principles of Odd Fellowship, and should be practiced in the true spirit of fraternity. We cannot escape the conclusion from the evidence submitted to us, and from all the surroundings of this case, that DeWitt Lodge is morally and legally bound to pay this claim. We believe Brother Clegg was entitled to sick benefits from this Lodge from the time he claimed them, December 21st, 1903, to the date of his death, in May, 1904, and in addition thereto that his widow is entitled to the funeral benefit of \$20.00. He made this claim, as was his duty, to Chromo Lodge, and it seems to have done all in its power to convey the information to DeWitt Lodge. The time from December 21st, 1903, to May 31st, 1904, is twenty-four weeks, and while it does not appear in the evidence, we believe it was conceded that DeWitt Lodge pays \$3.00 a week sick benefits. Therefore, we decide that DeWitt Lodge should pay to Mrs. William M. Clegg \$3.00 a week for twenty-four weeks, \$72.00, and a funeral benefit of \$20.00, in all \$92.00.

S. Berkowitz, of No. 328, I. O. O. F.	} Before Committee on	
vs.		Judiciary and Appeals.
John J. Brown, Grand Master.		May Session, 1905.

Opinion by Bro. W. E. P. Anderson, of No. 107.

This is an appeal from a decision rendered by Grand Master Brown in the matter of a fine assessed against Brother Berkowitz for failure to visit a sick brother and report to the Lodge, and appealed to the Grand Lodge and referred to the Committee on Judiciary and Appeals, Grand Lodge Journal, 1904, pages 37 and 311. The record is rather voluminous and the Committee cannot see that any good purpose would be subserved by embodying the record in the opinion. The facts are, however, that the Lodge imposed a fine upon Brother Berkowitz in the sum of \$1.00. Upon appeal by him to the Deputy of the Lodge, the action of the Lodge was sustained. Upon an appeal to the Grand Master, the action of the Lodge was in part reversed and the Grand Master ordered that a fine of \$0.50 be imposed, instead of \$1.00.

Upon a careful examination of the records, this Committee sustains the action of Grand Master Brown and orders the dismissal of the appeal.

Case No. 345.

John Slonaker, et al.,	}	Before Committee on
vs.		Judiciary and Appeals,
Dove Lodge No. 600, I. O. O. F.		May Session, 1905.

Opinion by Brother Henry Phillips of No. 16.

Brother Harvey Buckley was elected to become a member of Dove Lodge No. 600, December 20, 1904. Under the constitution of Subordinate Lodges in this Jurisdiction, this election or ballot "Entitled the applicant to receive any degree or degrees of the Subordinate Lodge not previously attained without further ballot, unless written objections, signed by at least two members of the Lodge, shall be filed with the Noble Grand prior to the conferring of the same, in which case the Noble Grand shall announce the fact to the Lodge, when further action shall be deferred to the next regular meeting, at which meeting a ballot shall be had in all respects as hereinbefore provided. If said ballot be favorable, the candidate shall be entitled to the degrees, etc., but if unfavorable, the degrees shall not be conferred until a period of six months shall have expired, and then only after a favorable ballot, as above provided." (Sub. Constitution, Sec. 6, Art. 2.) Such seems to be the law as it now stands. Why it should be so, seems hard to understand. When the candidate is initiated into the Order, he is told "that he is now a member of the Lodge." He is now a member of the Order, and the only way he can be separated from it is by withdrawal, resignation, being dropped for non-payment of his dues, or expelled. The first three are by his own voluntary act; the last, only after opportunity is given him to be heard. All work, so far as the business of the Lodge is concerned, is conducted during the opening of the Lodge in the third degree. Perhaps the most important lessons and teachings of the Order are learned in the three degrees. The life of the Lodge is lived in the third degree, and every member is urged to prepare himself to take part in that life as rapidly as possible. When the candidate made his application to become a member, he knew his past life would be made a subject of careful investigation in order to determine whether his manhood, thus far, would entitle him to the confidence and fellowship of those whom he desired to call brothers. Each member of the Lodge is presumed to know who is asking admission to their Lodge family, and every true and manly member is under the highest moral responsibility, if he knows or has any reason to believe that the applicant is unworthy

of fellowship, to give such information to the Committee of investigation before its report is made. When a brother has received his third degree no kind or manner of charge or objection can be heard or made against him in the Lodge, without his being given an opportunity to be heard concerning it, and yet, under the law as it seems to be, although a member of the Order, when he asks for a degree to be conferred upon him he is at the mercy of any two members, who perhaps without reason, by giving a notice in writing to the Noble Grand that they object to their brother (for he is their brother) gaining further instruction and moral power from the lessons of our Order, have the power to say "thus far shalt thou go," and are under no obligations to give any reason for their "holdup." This is not right. It is not in harmony with the principles of Friendship, Love and Truth. True manhood demands that every brother should have the privilege of defending himself against any charge or intimation of unmanly conduct or character.

It would seem that the law should be that when objections are filed to a brother's receiving the degree, that there should be with those objections given the reasons for the same, in order that the brother may give a proper explanation, or otherwise free the minds of others, either from a wrong or false impression, or perhaps even a prejudice. It does not seem right or proper, or in harmony with the principles of our Order, that the brother should be liable to be kept from advancement or from participating in the real and actual work of the organization (which may be done as the law now seems to stand) by this manner of unstated and unknown objections. It is hard enough to defend oneself against charges or statements when the same are clearly and distinctly stated. When one is called upon to defend himself against unnamed objections or charges, it is like a blind man attempting to defend himself against the attack of enemies, none of whom he can see.

In this case objections were filed to the conferring of degrees on Brother Buckley, and we judge from the record that there were a sufficient number who voted upon this question to prevent the conferring of the degrees. Because of the law as it now stands, and *not* because of its justice or its reason, we must sustain the action of the Lodge, and dismiss the appeal, which is hereby accordingly done.

Opinion by Brother Henry A. Stone, of No. 122.

It appears from the record in this case that charges were preferred against Brother Frakes for drunkenness; that he had been properly summoned to appear for trial, that he failed to appear in obedience to said summons, and therefore subjected himself to expulsion, in consequence of which he was expelled by the Noble Grand, and, as we hold, properly so. See Thornton's Code of 1896, Sec. 1943, page 449, also Sovereign Grand Lodge Journal of 1902, at page 870. It is therefore ordered that the action of the Noble Grand be sustained and the appeal dismissed.

PROCEEDINGS OF THE THIRD SESSION August 15, 1905.

Case No. 347.

Park Lodge No. 645, I. O. O. F.,	} Before Committee on Judiciary and Appeals, August Session, 1905.
vs.	
M. G. Miller.	

Opinion by Bro. Henry Phillips, of No. 16.

From the papers before us it appears that Bro. M. G. Miller was the Treasurer of the Lodge, and that during the time he was such Treasurer he used for his own purposes the money of the Lodge to a considerable extent; that a committee was appointed by the Lodge directed to obtain from Bro. Miller the books and property of the Lodge in his possession, and that he failed or refused to do so. Charges were preferred against him, charging him with dishonesty, contempt, and conduct unbecoming an Odd Fellow, and on the date set for trial, Bro. Miller appeared and plead guilty, but denied the charge of contempt.

In fact he admitted the greater, and denied the lesser offense. There can be but few things done, which will show a bad heart more plainly than the improper use of the funds of an order devoted to the aid of the helpless and unfortunate. The defendant by his plea admitted that he had done this. The lodge as a penalty suspended him for one year. We cannot agree with this Lodge in offering almost a premium for great wrongdoing. There may be facts, circumstances, or reasons which do not appear in the record before us which induced the Lodge to take the action it did, with such we have nothing to do. Any person guilty of doing as this brother admits he did is not entitled to the friendship and association of Odd Fellows. We therefore hold and direct that the appeal herein be sustained; that the action of the Lodge in suspending the brother be set aside, and that the Lodge enforce a penalty which will not permit members of an Odd Fellows' Lodge to convert its funds to their own use improperly. He should be expelled.

Case No. 349.

Flora Lodge No. 151, I. O. O. F.,
vs.
F. M. Dunbar.

{ Before Committee on
Judiciary and Appeals,
August Session, 1905.

Opinion by Bro. W. E. P. Anderson, of No. 107.

The record in this case shows that complaint had been made to Richland Lodge No. 180, I. O. O. F., at Olney, Ill., that Brother F. M. Dunbar, a member of Flora Lodge No. 151, at Flora, Ill., has been and is at this time engaged in the saloon business at Olney contrary to the laws of our Order; that by reason of said Richland Lodge having no jurisdiction to try Brother Dunbar, the complaint was transferred to Flora Lodge for its action; that Brother Dunbar was initiated and became a member of Altamont Lodge No. 500, at Altamont, Ill., on the 30th day of January, 1894; that he afterwards took a withdrawal card from that Lodge and deposited it in Flora Lodge on January 5th, 1901, where he still held his membership at the time of the trial herein; that Brother Dunbar had been in the saloon business previous to January 30th, 1894, at Clay City, Illinois, and continued in that business at that place until on or about the first day of May 1904; his license expiring, he closed his saloon at that place and by a previous arrangement made on or about April 1st, 1904, he bought out the interest of one J. C. Brockmann, a saloon keeper at Olney, Ill., taking a transfer of the license theretofore issued by the city of Olney to the said Brockmann.

Upon the charges contained in the complaint, Brother Dunbar was tried by his Flora Lodge, and found not guilty. The appeal in this case is taken from the action of Flora Lodge by Richland Lodge No. 180, and assigns as a ground for said appeal that the decision of said Flora Lodge was not in accordance with the evidence. The point made in the appeal is that from the expiration of Brother Dunbar's license at Clay City, Ill., he was out of the saloon business.

It is conceded that at the time of his initiation into the Altamont Lodge he was in the saloon business; that he was in the same business when he deposited his withdrawal card in Flora Lodge, and that he continued in said saloon business in Clay City, or elsewhere, from about January, 1904, until his license expired at Clay City in April or May, 1904. At his initiation in Altamont Lodge he was eligible to membership, so that the issue is narrowed down to the question whether he violated the law of the Order by engaging in the saloon business at Olney, Ill. There is no evidence tending to show that Brother Dunbar from the time of his initiation has ever been engaged in any other business, and can it be said that during the interim when his license expired at Clay City and his purchasing Brockmann out, that he had abandoned the saloon business or ceased to be a saloon keeper? In our judgment it cannot.

Under the new Section 5 of Article XVI of the Sovereign Grand Lodge Constitution, a brother is liable to charges who, not being engaged

as a saloon keeper or bartender at the time the law was passed, has since engaged in it. So also when a brother gives up the business he cannot again return to it without violating the law.

Illinois Code, I. O. O. F., 1896, page 421, Sec. 1832.

Under the above section we do not think that it is good law to hold that by reason of Brother Dunbar's letting his license forfeit at Clay City and going into the same business at another place within the space of thirty days to hold that it was a giving up of his business.

We therefore find that under the evidence Flora Lodge acted within the law in finding Brother Dunbar not guilty, but this alone does not determine the merits of the appeal in this case.

This appeal is prosecuted by Richland Lodge No. 180, which, in our opinion, is not a party to this case.

Section 1997, page 460, of the Illinois Code, provides that in all cases where a member of a lodge has been fined, reprimanded, suspended or expelled by his lodge, he may appeal to the Committee on Judiciary and Appeals of the Grand Lodge, etc., that two or more members may unite in the same appeal, etc.

Section 1999, page 460, same Code, provides that in all cases in which three members of a lodge shall regard any proceedings of their lodge in a matter of discipline or grievance as illegal or unjust, they may in like manner appeal, whether they are parties to the proceedings or not.

So that from the foregoing sections the right of appeal is limited to the defendant himself or to the members of his Lodge as provided. And it is therefore ordered that the action of Flora Lodge in this case be sustained, and that the appeal of Richland Lodge No. 180 from the action of said Flora Lodge be and is hereby dismissed.

Veitch Lodge No. 136, I. O. O. F.,	}	Before Committee on
vs.		Judiciary and Appeals,
Isaiah W. Saunders.		August Session, 1905.

Opinion by Bro. C. B. Samson, of No. 440.

On April 8, 1905, Bro. Saunders, then a member of Veitch Lodge, had presented to said Lodge his resignation of membership in the Order. The Lodge, on a vote being taken, refused to accept the resignation.

April 15, 1905, Bro. Lawrence, a member of the Lodge, "preferred charges against Bro. I. W. Saunders in open Lodge, specification bartender." No written charges appear to have been made against Bro. Saunders.

Proceedings were had on the verbal complaint, and Bro. Saunders was expelled. From such action of the Lodge, Bro. Saunders appeals to this committee.

We are of the opinion that the resignation of Bro. Saunders became operative the night it was presented, as no charges were pending against him at the time, and none were presented on the evening the resignation was before the Lodge.

A resignation of membership takes effect from the time it is presented to the Lodge at a regular meeting.—Section 1033, Sovereign Grand Lodge Digest, 1903.

A member in good standing can resign at any time before charges have been preferred against him, except where resignation and charges preferred are made at the same meeting.—Section 1032, Sovereign Grand Lodge Digest, 1903.

In our opinion the action of the Lodge taken at a subsequent meeting after the resignation of Bro. Saunders was presented was null and void.

The action of the Lodge in expelling Bro. I. W. Saunders is therefore set aside and the Lodge is directed to have its records show that Bro. Saunders resigned his membership in the Order on April 8, 1905.

Galatia Lodge No. 433, I. O. O. F.,	} Before Committee on Judiciary and Appeals, August Session, 1905.
vs.	
A. E. Malone.	

Opinion by Bro. W. E. P. Anderson, of No. 107.

This is a case where Bro. A. E. Malone, of Galatia Lodge No. 433, was tried in due form by his Lodge and expelled therefrom on the report of its investigating committee finding that Bro. Malone may be and probably is guilty of conduct unbecoming an Odd Fellow, upon charges which are substantially as follows:

Specification 1. That he did on or about the fourteenth day of September, 1904, accompany the wife of a brother to the city of Marion.

Specification 2. That he did on or about the fifteenth day of September, 1904, accompany the wife of the said brother to St. Louis and there remained several days and nights.

Specification 3. That he has visited the said wife of said brother at Galatia at various times, and that thereby the said brother was grieved and offended and the Order scandalized.

Several witnesses testified in the case, including the husband of the woman, and we have carefully read the evidence and find that so far as Specification 2 is concerned, which, in our judgment, is the most serious of either of the charges, that there was absolutely no testimony offered

to sustain the same. That as to the first and third specifications, there is no evidence tending to show any conduct between Bro. Malone and this woman immoral.

Bro. Malone appeals from the action of the Lodge in expelling him, and we think properly, and it is therefore ordered that the action of the Lodge in inflicting the penalty of expulsion be set aside and that the said Galatia Lodge No. 433 reinstate said brother.

vs.		
Fort Dearborn Lodge No. 214, I. O. O. F.		

Opinion by Bro. C. B. Samson, of No. 440.

In March, 1905, Bro. L. W. Lincoln, a member in good standing in Fort Dearborn Lodge, was taken suddenly ill. He was attended by

two physicians, who decided that an immediate operation was necessary. The Brother was removed at once to Grace Hospital, where the operation was performed. The Brother had a private room in the hospital, where he remained three weeks. He appears to have been attended by one of the regular hospital nurses, who had charge of the room occupied by him in connection with other private rooms occupied by other patients. The Bylaws of the Lodge provide for a Visiting Committee consisting of seven members, whose duty it was to visit sick or disabled brothers and to render them such assistance during their disability as the law allows and true fraternity requires. Section 2 of Article IV. of the Bylaws is as follows:

"Sec. 2. The Emergency Fund shall consist of moneys received from assessments laid upon members in accordance with Sections 4 and 5 of Article II., of these Bylaws.

"The Emergency Fund shall be drawn upon only for the purpose of paying funeral expenses, and in providing watchers for the sick, when in the judgment of the Visiting Committee such watchers are necessary, provided that the amount paid for such services shall not exceed the sum of \$1.50 per night. The Visiting Committee may at its discretion provide a bed at a hospital in place of watchers."

Members of the Visiting Committee visited the sick brother as occasion required. Subsequently at a meeting of the Visiting Committee a majority of them voted to recommend three weeks' benefits for Bro. Lincoln for a bed in the hospital at \$10.50 per week in place of watchers. (This was in addition to the regular weekly sick benefits.) It does not appear that any watchers were required or would have been allowed at the hospital. When the matter was brought before the Lodge a verbal report was made by the Visiting Committee, recommending the payment of the sum above mentioned. Some discussion was had, whereupon two of the members of the Visiting Committee withdrew their recommendation from the verbal report, leaving only three members of the committee who recommended it. A vote was had upon the question by the Lodge, and the benefits for the bed at hospital were refused. An appeal was taken by the three members of the committee who had not withdrawn their recommendation to the report to the Lodge Deputy, who, after setting forth the facts in his statement of the case, decided that the Lodge was right, and overruled the appeal; whereupon Bro. Shattuck and two other brothers appealed to the Grand Master. The Grand Master referred the case to this committee for investigation and decision.

The brother was taken to the hospital without any action of the Lodge or its Visiting Committee, and the Visiting Committee did not take any action whatever looking to the providing of a bed in the hospital in place of watchers, nor does it appear that the Visiting

Committee decided that watches were necessary. Under the section of Bylaws above set forth, it was discretionary with the Visiting Committee whether a bed should be provided in the hospital or not. The act of providing a bed in the hospital for the brother at the expense of the Lodge must necessarily have been determined upon by a majority of the committee. But the Visiting Committee did not provide the bed. After the brother's recovery they decided to recommend the payment by the Lodge of the maximum amount that could be paid for watchers. The report to the Lodge being verbal, it is the opinion of this committee that before any action was taken thereon members of the Visiting Committee might withdraw a recommendation previously made by them. They did so, thus leaving the report recommended only by a minority of the Visiting Committee. We believe it was optional with the Lodge, under all the facts, to decide whether or not the money should be paid to Bro. Lincoln. It does not appear to us that the payment of \$1.50 per night for watchers was obligatory upon the Lodge in this case, and, as the bed in the hospital was not provided by the Lodge or the Visiting Committee, we are of the opinion that the decision of the Lodge ought not to be disturbed. The appeal is therefore dismissed and the action of the Lodge confirmed.

vs.		Judiciary and Appeals,
Veritas Lodge No. 478, I. O. O. F.		November Session, 1905.

Opinion by Bro. W. E. P. Anderson, of No. 107.

This is a case of long standing, having by appeal been before Grand Master John J. Brown, once before the Grand Lodge, and twice before this committee.

The record is so voluminous that we will not attempt to set it out in detail.

The facts are, in substance, that Bro. Husted filed certain claims at different times against his Lodge for certain sick benefits, and for the purpose of bringing about an amicable adjustment of the matter; the following written agreement was entered into by Bro. Husted and the Lodge, to-wit:

Agreement.

"This article of agreement, entered into this 9th day of June, 1904, by and between Veritas Lodge, No. 478, I. O. O. F., of Galesburg, Illinois, of the first part, and H. H. Husted, a member of said Lodge of the second part, Witnesseth:

"That, whereas the said Bro. Husted has presented to this Lodge a claim for benefits for sickness from June 20 to Sept. 28, 1903; it is hereby agreed by this Veritas Lodge and Bro. Husted that the whole matter of the claim of Bro. Husted shall be decided by arbitration, viz: The Lodge shall appoint one, Bro. Husted one, and these two a third, which committee shall be selected from the members of the Lodge; that this committee shall, upon the laws and evidence, decide how much, if any, benefits are due Bro. Husted, and said Veritas Lodge agrees to pay to said Bro. Husted such amount as may be decided upon, and said Husted agrees to accept the decision of said committee as a final disposition and settlement of all claims against said Lodge."

"In pursuance of the above I select Bro. W. N. Hartgrove, N. G."

(Signed) "H. H. Husted."

Accepted by the Lodge, June 16, 1904.

(SEAL)

(Signed) "N. T. Allen, Sec'y."

It appears that in pursuance of said agreement Bro. W. N. Hartgrove was selected by Bro. Husted, Bro. N. T. Allen was selected by the Lodge, and Bro. H. Mars was selected by these two; that said committee proceeded to take the evidence offered by each party in due form, and, after fully considering the same, rendered the following decision in writing:

"Galesburg, Ill., July 7, 1904."

"To the Officers and Members of Veritas Lodge No. 478, I. O. O. F.

"We, the Committee of Arbitration, chosen jointly by Bro. H. H. Husted and Veritas Lodge, No. 478, I. O. O. F., to settle the matter of claims made by Bro. Husted for sick benefits, do find, after carefully examining the evidence, law and decisions of the Grand Lodge bearing on said claims, that neither the evidence, law nor decisions warrant us in allowing the claims, and therefore recommend that they be not paid.

"The committee found upon examination of the evidence that a physician's certificate, dated April 21, 1904, certified that Bro. Husted had been sick since 1901. They also found that during this time Bro. Husted had been declared off the sick list by his own request, he declaring that he was a well man and had fully recovered from his former sickness. The facts being, therefore, in direct variance with the said physician's certificate.

"The only decision cited that bears directly on this case is found in the Journal of the Grand Lodge for the year 1899, page 113, Case 230, Winchester Hall vs. Excelsior Lodge, No. 22, I. O. O. F.

"It appears that the evidence upon which this case was decided rested primarily upon a physician's certificate, and the facts. This certificate shows that Bro. Hall had been continuously sick from August 15, 1896, until July 22, 1898, but the facts are that during that time he had sufficiently recovered to be able to do some light work, but had never been a well man, and had claimed to be sick all the time and entitled to the benefits due from his Lodge.

"The difference between this case and that of Bro. Husted being that Bro. Husted, having declared himself to have entirely recovered at different times, would not be entitled to benefits."

Respectfully submitted, in F. L. T.

Committee."

From the decision of this Committee Bro. Husted has prosecuted his appeal.

In view of the fact that his claims were given a deliberate and impartial trial, we can conceive of no good reason, either in morals or law, why Bro. Husted should not be held bound by his agreement solemnly entered into.

It is therefore ordered that said appeal be, and the same is hereby, dismissed.

APPEALS TO THE GRAND LODGE.

John Blakeley and James Combe	} Opinion Rendered by Grand
vs.	
J. B. Turner Lodge No. 420, I.O.O.F.	
	} Master Charles S. Harris,
	} November 11, 1903.

An opinion in the above entitled case was rendered by Grand Master Charles S. Harris just previous to the session of the Grand Lodge in the year 1903.

From this decision, an appeal was taken to the Grand Lodge on November 26, 1903, subsequent to the Grand Lodge Session. The formal appeal, together with all documents were forwarded to the newly elected Grand Master, Brother John J. Brown. At the close of his administration, this appeal taken from a decision rendered by his predecessor, Past Grand Master Charles S. Harris, was not reported to the Grand Lodge Session of 1904, and for this reason, it is submitted to the present session.

Following is the decision of Past Grand Master Harris, from which this appeal is taken:

"November 11, 1903.

"To the Officers and Members of J. B. Turner Lodge No. 420, I.O.O.F., West Chicago, Ill.

Dear Brothers: In the matter of the claims of John Blakeley and James Combe against your Lodge for return of amount paid by them for dues from the date of the order of their expulsion, which is on the part of John Blakeley the sum of \$16.90, and on the part of James

Combe for the same amount, I have examined the records and find that on September 22, 1898 the Noble Grand was instructed to pronounce expulsion against these members. The case was taken by appeal to the Committee on Judiciary and Appeals, which reversed the action of the Lodge. It was taken from there to the Grand Lodge, where the action of the Lodge was sustained. It was then taken to the Sovereign Grand Lodge, where the action of the Lodge was sustained.

"As the matter now stands these brothers were expelled from the date of the action of the Lodge. Dues which have been paid by them subsequent to that time should be refunded to them. I have not computed the amount, but the claim made by them of \$16.90 is undisputed by the Lodge. I, therefore, direct that the Lodge refund to John Blakeley and James Combe, each, the sum of \$16.90 for dues paid by them subsequent to the date of their expulsion.

"Fraternally and sincerely yours,

"CHAS. S. HARRIS, Grand Master."

CASE NO. 334.

William Trabing,	}	Before Committee on
vs.		Judiciary and Appeals,
Ottawa Lodge No. 41, I.O.O.F.		November Session, 1904.

Opinion by Bro. M. P. Berry, of No. 412.

The appellant, William Trabing, is a member of Ottawa Lodge No. 41, and has been since 1866. From the evidence, it appears he was a merchant tailor and did most of the cutting in his tailor shop, although at times he sewed garments.

On or about April 15, 1902, he appears to have had a paralytic stroke which affected his right arm and right leg. He was no doubt at that time reported to the Lodge as sick, although the record does not show it; but the records do show that at the regular meeting on the evening of May 1, the brother was reported as better. On May 8, at the regular meeting of the Lodge, Bro. Trabing was reported sick. On May 15 the Lodge voted him three weeks' sick benefits. On May 28, at the regular meeting of the Lodge, the Visiting Committee reported to the Lodge that, after investigation, they did not believe Bro. Trabing was entitled to sick benefits; but the Lodge, at that time, voted him a donation of five dollars (\$5.00). The Lodge then notified Bro. Trabing that his claim for benefits was not in proper shape, and asked him to file a new one, which he seems to have done, claiming benefits from April 15, 1902, to December 31, 1903, in amount \$91.00.

A Commissioner was then appointed by the Noble Grand of the Lodge to take testimony, both on the part of the appellant, Bro.

Trabing, and the Lodge. This testimony was taken in due time, properly certified to, and submitted to the Lodge, and on March 31, after hearing the evidence read, the Lodge voted against allowing the claim—seventeen (17) voting against and none for it. Bro. Trabing in due time took his appeal to this Committee. While the amount of this claim is not large, on account of its importance, both to the appellant and to the Lodge, we have given it careful attention. There is no question but that on April 15, 1902, Bro. Trabing was a member in good standing in this Lodge, and that he had, on or about that date, a paralytic stroke, seriously affecting his right side and rendering him incapable of working at his trade, either cutting or sewing.

The testimony shows conclusively that Bro. Trabing did not go back to his place of business or work any more after having received this stroke, and in his testimony he states clearly and positively that, during the period for which he claims benefits, he was not able to do work of any kind and did not undertake to do anything.

To substantiate his claim, he filed as a part of his evidence the certificate of his family physician. The physician states clearly and positively that, on account of this paralytic stroke, which was not brought about by intoxication or any immoral conduct on his part, he was unable, during this period, to do any work at his trade or work of any kind.

There has been no attempt on the part of the Lodge to contradict the statement of this physician, and we cannot help but give it considerable weight.

The testimony on the part of the Lodge only tends to show that during this period Bro. Trabing was walking about; that he was down town and often seen at different places. These facts are not denied by appellant. On the contrary, he states that his physician directed him to do all the walking that he could, in order to improve his condition; and the facts, as shown by the Lodge, do not disprove, in our judgment, the right of Bro. Trabing to the benefits claimed by him. This committee is of the opinion that Bro. Trabing has fully substantiated his claim, and that, under the testimony and laws of the Order, he is entitled to the benefits asked for. We are of the opinion that the Lodge was in error when it refused to pay the claim. We, therefore, sustain the appeal of Bro. Trabing, and direct the Lodge, upon receipt of a copy of this opinion, to allow him the claim as presented to the Lodge and pay the same.

This case, having come to us from the Lodge to which Brother McDougall belongs, he has taken no part whatever in the trial of this cause.

APPEAL TO THE SOVEREIGN GRAND LODGE.

Permission was granted by the Grand Lodge of Illinois to appeal the case of J. B. Turner Lodge No. 420, I.O.O.F. vs. J. K. Thompson to the Sovereign Grand Lodge from the decision of this body. The appeal was perfected with the result that the action of the Grand Lodge of Illinois was sustained. The action of the S. G. L. will be found in the Grand Representative's report.

Proposed new Article, to be known as Article XI:

ARTICLE XI.—CONSOLIDATION OF LODGES.

Section 1. Any two or more neighboring Subordinate or Rebekah Lodges working under the jurisdiction of this Grand Body may, by permission of the Grand Lodge, or of the Grand Master in vacation, consolidate their membership into one Lodge, under the following regulations.

Section 2. The provisions of such consolidation shall be submitted to each Lodge interested, in writing, signed by not less than ten per cent of the membership of each Lodge, giving the name and number of the charter under which the proposed consolidated Lodge shall work, which may be the charter name and number of either Lodge, or charter name of one and number of another, or an entirely new name and such number as the Grand Master or the Grand Lodge may award them, together with any other agreements desired between such Lodges.

Section 3. A written or printed copy of the proposed provisions for such consolidation shall be mailed within three days to the last known address, as shown on the books of the Lodge, to all members of each Lodge by the Secretary thereof, stating that a vote will be taken on such provisions at the second regular meeting after their presentation, unless at such second regular meeting a later regular meeting, not exceeding four weeks, shall be fixed as the time for voting on such provisions.

Section 4. At such second regular meeting, or such other time as may be then and there fixed, a vote by yeas and nays shall be taken and the result duly recorded, and a certified transcript of the entire action taken shall, under seal, be sent immediately to the Grand Master.

Section 5. The Grand Master, at his discretion, or the Grand Lodge, at its discretion, shall grant and issue the necessary dispensation, provided that no Lodge has reported more than four members voting against the written proposition providing for the consolidation, but not otherwise.

Section 6. The consolidation, if authorized, shall be effected by the Grand Master or his duly authorized Deputy, whose duty it shall be to

receive from each Lodge its charter, rituals, books, and property of whatsoever kind, together with full and complete separate lists of members of each Lodge, including dropped, suspended, expelled and deceased members, all of whom shall sustain to the consolidated Lodge the same relations, in every respect, as they did to their former Lodge.

On receiving such property and lists of membership, the Grand Master or his Deputy shall proclaim the Lodges duly consolidated, and proceed forthwith to the election and installation of duly qualified members to the various offices, as in the case of other Lodges. After such installation, he shall turn over to the consolidated Lodge everything, that came into his possession, except that he shall not turn over more than four Rituals, one Charter, and one Seal, the excess number being sent to the Grand Secretary, and a full report of all his actions to the Grand Master. The Deputy shall not require any one to sign or re-sign any Constitution.

Section 7. All officers of the consolidated Lodges who shall have served a majority of the regular meetings of the current term prior to such consolidation, if more than one-half of such term shall have expired, shall be entitled to the honors of the offices in which they have so served; but if they shall not have served a majority of all such meetings, or if not more than one-half of the current term shall have expired at the time of such consolidation, then, and in that case, they shall not be entitled to such honors.

Your committee further recommend that all laws or parts of laws in conflict with the foregoing, be and hereby are repealed; also, that present Article XI be known as Article XII.

Fraternally submitted,

Signed by the Committee.

PROPOSED AMENDMENTS TO THE SUBORDINATE CONSTITUTION.

ORIGINAL SECTION.

Art. 5, Sec. 4. The elective officers, except the Treasurer and Financial Secretary, shall be chosen at the first regular meetings in March and September, and shall hold their respective offices for six months and until their successors shall have been installed. They shall be installed at the first meetings in April and October. The Treasurer and Financial Secretary, if there be one, shall be elected in March, and shall be installed at the first meeting in April, and both shall serve for one year. If a public installation of officers be had, it may be at another time than that specified above, but not prior to the first meetings in April and October.

AMENDMENT.

Art. 5, Sec. 4. *Resolved*, That the Committee on Legislation be directed so to amend the Constitution governing Subordinate Lodges

as to provide that the Subordinate Lodge officers shall be elected for terms of one year instead of six months.

ORIGINAL SECTION.

Art. 3, Sec. 6. The Financial Secretary (if any be had) shall be chosen annually, at the election in March. He shall keep the accounts between the Lodge and its members. He shall pay over to the Treasurer immediately all moneys received by him, and shall inform the Treasurer from time to time, or at the last payment in each term, how much of the money paid to him belongs to any special fund of the Lodge. He shall notify all members who are at any time in arrears for eleven months' dues, delivering the notice in person, if practicable, but, if not, then mailing it to the member's last known address; and at the expiration of the next succeeding month, if said member's account is not settled in whole or in part, sufficient to reduce his arrears to less than one full year's dues, he shall present the name of such member to the Lodge. Prior to the last meeting in March, June, September and December, respectively, he shall notify all members who are in arrears for one quarter's dues. He shall at the close of each term make to the Lodge a detailed report of the business of his office, and have his books written up for the Finance Committee, whom he shall meet prior to the first meeting in the next succeeding term to exhibit his books and papers, and to aid them in the examination thereof; and at the first regular meeting of the new term he shall present his report to the Lodge, with a statement of the balance of account of each unsuspended member. He shall make out the Annual Report to the Grand Lodge, as required by Article XI, and shall deliver to the Secretary for record and for forwarding to the Grand Lodge. He shall be exempt from all dues, and receive such further compensation as the Lodge may have fixed prior to his election.

AMENDMENT.

Art. 3, Sec. 6. Amend to read as follows: "He shall notify in writing all members who are at any time in arrears for eleven months' dues," etc., etc., etc.

PROPOSED AMENDMENTS TO RULES GOVERNING THE OLD
FOLKS' HOME.

The following resolutions were referred by the Grand Lodge to the Finance Committee to formulate a plan and present the same to this Session.

Resolved, That the Board of Trustees of the Old Folks' Home be instructed to abolish the rule of charging the Subordinate Lodges the sum of one dollar and a half (\$1.50) for each inmate, as we consider the capitation tax sufficient to cover the expenses of the Home under careful and judicious management; and further, it is a great burden

on some of the Lodges to meet this tax, which they can ill afford to carry.

Resolved, That Article VI of the Rules for the government of the Old Folks' Home be so amended as to read "there shall be a sum not exceeding \$1.00 per week paid for the maintenance of a member of said Home by Lodges having members therein."

RESOLUTION PERTAINING TO THE ILLINOIS ODD FELLOWS' LEAGUE.

WHEREAS, It is desired to bring more fully to the notice of the Grand Lodge the workings of the Illinois Odd Fellows' League; therefore, be it

Resolved, That our incoming Grand Master appoint a committee of three to report to the next Grand Lodge concerning the work of the League, said committee to act without expense to this Grand Body.

CONCLUSION.

While Grand Officers can do much by words of encouragement, counsel and example, the success or failure of the Order must ever rest with the membership at large, and as a general is powerless without his army, so are the Grand Officers without the assistance and cooperation of the 70,000 brothers in the ranks; and, as your Secretary, I desire to express my thanks for the uniform courtesy, and helpfulness received at your hands.

Much of the prosperity that attends our Order is due to our able and enthusiastic Grand Master in the person of Dr. J. A. Lucas.

The relationship existing between this office and all departments of Odd Fellowship has been most cordial, and to Major-General Jas. Henry Harris, Department Commander Patriarchs Militant; Grand Patriarch Chas. M. Seckner; Grand Scribe Henry C. Feltman; President of the Rebekah Assembly Sister Lola L. Rickard, and to Sister Effie A. Glazier, Secretary of the Assembly, I extend sincere thanks for their cooperation in the upbuilding of the greatest of Fraternal Organizations, the Independent Order of Odd Fellows.

GRAND REPRESENTATIVES' REPORT.

To the Grand Lodge of the State of Illinois, I.O.O.F.:

Brethren:—After a member of this Grand Lodge has been selected as Sovereign Grand Lodge Representative and has the honor of attending the Sovereign Grand Lodge Convention, taking a part in the proceedings thereof, he more fully realizes the great honor of being a representative from a Grand Jurisdiction like Illinois.

The sessions from the 18th day of September to the 23rd were filled with interest to every Odd Fellow. A more dignified body of gentlemen, or a more attentive one to business, does not convene on American soil. Your representatives were present at every session, and they endeavored to merit the high honor which had been conferred upon them by you.

The City of Philadelphia is a historical spot. Liberty Bell, the building wherein the Declaration was written and read, as well as the Constitution, buildings where the First Continental Congress and the first Supreme Court were held, were places where all the representatives visited, and were impressed with the great strides that our country had made since our forefathers had passed through those perilous times, making liberty so dear to them and so treasured to us as their children.

The representatives of the Sovereign Grand Lodge who do their duty were occupied most of the time in the sessions and on committee work, but the pleasure of being associated with men of ability from all over the United States highly pays for the work done.

Owing to the illness of Robert E. Wright, Grand Sire, the Deputy Grand Sire, E. S. Conway, from Illinois, presided. It was a very great pleasure for the representatives from this Grand Lodge to hear compliments, so well merited, concerning the Deputy Grand Sire for his fairness, dignity and ability in controlling so great a body of men. Brother Conway has already won distinction by his past record made in the Sovereign Grand Lodge, but, on account of the disability of the Grand Sire, greater responsibilities have been imposed upon him in his present office that any other Deputy Grand Sire has been compelled to carry. The great jurisdiction of Illinois has been honored by the trust and fidelity shown toward Brother Conway. He carries his honors and responsibility in such a way as to reflect credit upon us all, and Illinois, as ever,

takes a high place in the Sovereign Grand Lodge, because the representatives heretofore sent have always been able to be in the front ranks among men of the Sovereign Grand Lodge.

The session being held in the City of Brotherly Love, it was quite different in its entertainment and attention than that held upon the Western coast. In San Francisco the impression of Odd Fellowship had been heralded long before the meeting of the Sovereign Grand Lodge. In the East, while brotherly love abounds, they did not seem to comprehend the great power and force of the Order. After the parade on Tuesday, the 19th day of September, where more than one-half million men, women and children viewed the parade, we verily believe that Odd Fellowship held a higher rank in the hearts of all the people who watched the thousands of marching Odd Fellows through the beautiful streets of Philadelphia, and before the sessions of the Sovereign Grand Lodge were ended, it was upon the lips of all, that the Order of Odd Fellows and Rebekahs was the great growing, charitable Order of the World.

The following Grand Officers were present:

C. H. Lyman	Grand Messenger.

PAST GRAND SIRES.

Milton J. Durham	Kentucky.
John C. Underwood	Kentucky.
C. M. Busbee	North Carolina.
Cl. T. Campbell	Ontario.
Fred Carleton	Texas.
Alfred S. Pinkerton	Massachusetts.
A. C. Cable	Ohio.
John B. Goodwin	Georgia.

Your representatives were placed upon the following committees: Brown, on the Committee on Legislation; Yantis, on the Degree of Rebekah, and also on one of the most important special committees of the Sovereign Grand Lodge, as follows: The committee appointed to investigate the fact as to whether the Sovereign Grand Lodge should be divorced from the Patriarchs Militant rank. The resolution below will explain the importance of the committee:

Rep. Buckley, of Kentucky, moved the following, for which he asked immediate consideration:

Resolved, That the Chair appoint a Special Committee, which shall consist of seven members of this body, whose duty it shall be to carefully examine into and report upon, at the present session of the Sovereign Grand Lodge, the practicability and advisability of divorcing the body of Patriarchs Militant from the Sovereign Grand Lodge, in whole or in part, thus allowing the P. M. Branch to enact laws for its own body, raise and disburse its own revenues, and otherwise making it independent of this Sovereign Grand Lodge.

The question being on the resolution, it was referred to the Committee on Legislation.

The Committee on Legislation reported this resolution back to the Sovereign Grand Lodge, with the direction that the Grand Sire appoint a special committee to investigate thoroughly during the coming year as to whether it would be practicable to separate the Patriarchs Militant from the Sovereign Grand Lodge. The gentlemen who composed this committee are well known in the realm of Odd Fellowship. They are as follows: Reps. Buckley, Kentucky; Alexander, Massachusetts; Yantis, Illinois; Goudy, Colorado; Trautmann, New York; Kuykendahl, Wyoming; Hughes, Ohio.

The above matter being of such grave importance, the Sovereign Grand Lodge did not act upon it, but gave the above committee full power to investigate and report at the next session of the Sovereign Grand Lodge.

The jurisdiction of Illinois was also honored by the appointment of Past Grand Master Henry A. Stone as Assistant Door Keeper of the Sovereign Grand Lodge.

J. B. TURNER LODGE.

J. B. Turner Lodge, No. 420, of Illinois, against John K. Thompson.

This case having been before the Grand Lodge of the State of Illinois, we believed it would be of interest to place it in our report showing that the Grand Lodge of Illinois had been sustained, and that the appeal was dismissed.

Report 28. By Rep. Brown, of Kansas, from the Committee on Appeals:

To The Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your Committee on Appeals, to whom was referred the appeal of J. B. Turner Lodge, No. 420, of Illinois, against John K. Thompson, respectfully report:

Only one question arises on this record, viz.: Ought the appeal voluntarily withdrawn from the Grand Lodge of Illinois, at its November session, 1899, by the concurring action of the attorney and representative of the Lodge, to be reinstated and the action of the Lodge sustained?

STATEMENT OF FACTS.

J. B. Turner Lodge, No. 420, expelled or tried to expel, Brother Thompson for contempt. Brother Thompson appealed to the Grand Lodge and his appeal was referred to the Judiciary and Appeals Committee of such Grand Lodge. The appellant's contention was upheld by the committee. From this decision J. B. Turner Lodge appealed to the Grand Lodge. This was in 1899. When the Grand Lodge met, J. B. Turner Lodge, through its attorney, Charles H. Glos, withdrew the appeal, and nothing more was heard of it until 1902, being a few days less than three years after said appeal had been withdrawn, when a resolution was introduced by the representative of J. B. Turner Lodge, asking the Grand Lodge to proceed with the trial of the case, which had been so withdrawn three years before. The resolution was referred to the Judiciary and Appeals Committee, who, in an able and comprehensive report, denied the right of the Lodge to bring the matter before the Grand Lodge. From the decision of the committee an appeal was taken to the Grand Lodge, which refused the appeal and sustained the Judiciary and Appeals Committee. From the decision of the Grand Lodge of Illinois, J. B. Turner Lodge, No. 420, appeals to this Sovereign Grand Lodge.

THE LAW.

In 1877, T. B. Robinson, of Templar Lodge, No. 17, of California, claimed from his lodge certain benefits, which the Lodge refused to pay. Robinson appealed to the Grand Lodge, where the action of Templar Lodge was sustained. Robinson took a further appeal to the Sovereign Grand Lodge, where in 1878 the action of the Grand Lodge was sustained. Three years later Robinson memorialized the Sovereign Grand Lodge to reopen the decision of 1878, retry the case and render a decision in his favor. In the opinion prepared by the Judiciary and Appeals Committee and adoption by the Sovereign Grand Lodge (S. G. L. J., 1881, pp. 8736-7), it is said: "This can not be done in this case. The decision, by the adjournment of the Sovereign Grand Lodge, became a final, conclusive and binding judgment in favor of Templar Lodge, which this Grand Body at no subsequent session could set aside or annul, except in a case of gross fraud or mistake, which the appellant used due diligence and took the proper steps to have corrected. Without passing upon the merits of this case, without saying whether the decision of the Grand Lodge of California was right or wrong, and without determining whether the memorialist obtained such a record as he was entitled to from the Grand Lodge of California, your committee is of the opinion this application comes too late. For full three years the appellant has had full knowledge of all frauds or mistakes of which he could take advantage, if there were any, and thus by his laches has lost his right to attack or reopen that decision.

"That decision is now *res judicata* as to the specific benefits it relieved Templar Lodge from paying to Appellant Robinson. It is a vested right of that Lodge, which this Lodge can not now disturb upon such a case as made by the memorialist.

"The decision of this Grand Lodge, now opening and reversing the decision of 1878, would furnish an authority and precedent for Templar Lodge three years later, to file its memorial and have reopened the decision rendered at this session of the Sovereign Grand Lodge, thus indefinitely extending the time for contests and controversies between subordinate Lodges and their members."

In 1854, Bro. G. W. Woodburn, of Conondogonet Lodge, of Pennsylvania, made a claim for funeral benefits accruing on account of the death of his wife. Payment was refused. In January, 1858, three and one-half years later, he presented a claim for sick benefits. Payment was refused on the ground that he was in arrears, and, therefore, not entitled to benefits. He answered that the Lodge was indebted to him in the sum of fifteen dollars for funeral benefits and, therefore, that he was not in arrears. If the Lodge was indebted to him for funeral benefits, as claimed, he was not in arrears, and, therefore was entitled to the benefits. The Lodge appointed a special committee and it reported against the claim, on the ground that the Lodge was not indebted for funeral benefits; that claimant was in arrears, and, therefore not beneficial, and this report was adopted by the Lodge. On appeal, this action was held to be a mere reiteration of the action of more than three years before. An appeal was taken to the Grand Lodge, and the Grand Lodge, while inclined to hold that the claimant was entitled to the funeral benefits of his wife, disallowed the appeal, on the ground that it was taken too late. The by-laws of the jurisdiction of Pennsylvania required appeals to be taken within three months of the date of the action appealed from. In 1860, Brother Woodburn having deceased, his widow memorialized the Grand Lodge to review and overrule the decision of 1858, and to require the Lodge to pay her the funeral benefits of her husband's first wife, with sick benefits claimed to have been due her husband and for funeral benefits, amounting to \$185. Three separate resolutions were passed by the Grand Lodge, directing the Lodge to make these three several payments. From this action of the Grand Lodge the Lodge appealed to the Sovereign Grand Lodge. In passing upon the resolutions directing the payment of the funeral benefits of the first wife and the sick benefits, the Sovereign Grand Lodge said (S. G. L. J., 1861, pp. 3381-2): "Your committee can not recognize the right of a brother to sleep upon a claim which he may have, or suppose himself to have, for three and one-half years, and deal with the Lodge all the time by payments made by him to his Lodge, as if no such claim existed, or was supposed to exist, as was the fact in this case, and then come in and revive the claim thus long before denied by his Lodge, and abandoned or ignored by himself—for if allowed after three years, it may be after ten or twenty years. Any such ruling as would establish this right would, in the opinion of the committee, practically nullify all provisions designed to limit controversy, and unsettle all the business and jeopardize the interests of every Subordinate Lodge and Encampment in the Order." The report of the committee was adopted.

P. G. Robert Glenn, a member of Empire Lodge, No. 64, of Southern New York, died February 17, 1856. May 12, 1856, his widow applied for funeral benefits. Payment was denied. January 25, 1858, the claim was renewed. Payment was again denied. August, 1861, an appeal was taken by "Widow Glenn" to the Grand Lodge, which appeal was sustained and the Lodge ordered to make payment. From this action the Lodge appealed to the Sovereign Grand Lodge, on the ground that the appeal to the Grand Lodge was not taken within the time allowed by the by-laws. Appeals were required to be taken within twelve months, whereas the appeal was not taken until after the lapse of two and one-half years. In the opinion sustaining the appeal and reversing the action of the Grand Lodge, the Sovereign Grand Lodge said (S. G. L. J., 1861, p. 3468): "Your committee can not recognize the right of the Grand Lodge of Southern New York or any other to disregard its

own by-laws as in this case. To do so would be to open the doors to all latent claims, thereby involving Lodges and Encampments in difficulties and probable ruin." This report of the committee was adopted.

In 1885, the Sovereign Grand Lodge, having under consideration a memorial from the Grand Lodge of Indiana, in behalf of Magnolia Lodge, No. 80, seeking to "Reopen the case" of Abraham Driesbaugh vs. The Grand Lodge of Indiana, determined at the session of 1884, and "award a new trial on its merits," reasserted the doctrine in the T. B. Robinson case, *supra*, saying: "The principle enunciated by this Grand Lodge in 1881 (Journal, 8737) is that the decision by the adjournment of the Sovereign Grand Lodge became a final, conclusive and binding judgment, which this Grand Body at no subsequent session could set aside or annul, except in a case of gross fraud or mistake, in which the appellant used due diligence and took the proper steps to have corrected." This rule rests upon the most firmly settled principles of law and justice, and is the only rule by which all courts are compelled to protect themselves and parties from endless litigation. (S. G. L. J., 1885, p. 10011.)

See also appeal of John J. Manderscheid (S. G. L. J., 1895, p. 14464); Mrs. Burkhard (widow) vs. Homer Lodge, No. 252, (G. L. J. of Ill., 1884, p. 891), and White's New Digest (1895), Sections 1693, 1696 and 1730.

OPINION.

In the opinion of your committee, a reversal of the opinion given by the Grand Lodge of Illinois would establish a precedent for continuous and never-ending litigation and appeals, and make it impossible for Grand Bodies and members or Lodges to adjudicate differences or have them settled. All courts recognize this very essential and sane rule in the disposition of business, and as a salutary one for the protection of our citizenship from annoying, expensive and oftentimes useless litigation. Your committee offers the following:

Resolved, That the appeal of J. B. Turner Lodge, No. 420, be dismissed and the action of the Grand Lodge of Illinois be sustained.

Signed by the Committee.

The following resolution was presented by the representatives from Illinois and referred to the Committee on Petitions:

Resolved, Inasmuch as the charters of the Grand Lodge and Grand Encampment of the Jurisdiction of Illinois are missing and have been for many years, and those who had them in possession are long since deceased, and at this time they are not to be found, and so long as the laws require the charter to be in the Lodge room during session, we, the Grand Representatives, would pray that this Sovereign Grand Body issue duplicate charters to the Grand Lodge and Grand Encampment of Illinois.

This resolution was acted upon favorably by the committee, and duplicate charters will be granted to the Grand Lodge and Grand Encampment of the Jurisdiction of Illinois.

A great deal of discussion was had before the Committee on Legislation in reference to report made in the Sovereign Grand Lodge. It is known as Report Number 30, beginning on page 757 and ending on

page 761, and has reference to the Transfer of Membership by card or certificate. The resolution adopted at the session of the Sovereign Grand Lodge in 1904 was as follows:

Resolved, That a member of the Order entitled to a withdrawal card, changing his residence from the vicinity of his own Lodge to the vicinity of another, and desiring to unite with a Lodge at his new place of residence, upon so stating in his application for membership, and being elected by ball ballot, as provided by local law, shall be entitled, upon notice being sent to his old Lodge by the new Lodge, to receive a withdrawal card at the actual cost of the card to the Lodge, and to admission to his new Lodge without being required to pay a card or admission fee; but where a physician's certificate is required, he must pay the expense of the same.

Signed by the Committee.

Many resolutions were referred to the Committee on Legislation, but the Committee decided that the law should be given a trial for another year, and the following is a report of the committee:

Report 119. By Rep. Garver, of Ohio, from the Committee on Legislation:

To The Sovereign Grand Lodge of the Independent Order of Odd Fellows:

Your Committee on Legislation, to whom were referred Resolutions No. 2, appearing on page 19 of the Daily Journal; No. 5, on page 20; No. 12, on page 41; No. 25 on page 46; No. 31, on page 65; No. 45, on page 70; No. 49, on page 72; No. 62, on page —; No. 73, on page —; No. 78, on page —, and all relating either to the modification or repeal of Report No. 30, found on page 761 of 1904 Journal, and known as "Transfer of Membership," beg leave to state that we have considered said resolutions as fully as our limited time would permit.

Owing to the fact that the existing law has been in force but a short time, and that another year's experience may prove it to be a wise measure, or its present friends may be convinced that it is not and should be amended or repealed; and while your committee are not in full accord as to the final disposition of the resolutions; yet, under all the circumstances, we deem it proper and do respectfully submit the following and recommend its adoption:

Resolved, That the further consideration of the above described resolutions be postponed until the next annual session of this Sovereign Grand Lodge, and at which time said resolutions shall be deemed pending before the Committee on Legislation as then constituted.

Signed by the Committee.

When this report was submitted to the Sovereign Grand Lodge, Brother Pinkerton, Past Grand Sire, moved that the report relative to the "Transfer of Membership" law, together with all pending resolutions relative thereto, and all proposed amendments to said law, be referred to a special committee of three, which shall, without expense to the Sovereign Grand Lodge, consider the same and report the findings at the next session.

In looking over the Grand Sire's decisions, you will find that many of them are relative to this law, and many resolutions, as above indicated, were introduced concerning it. We trust that by the next ses-

sion of the Sovereign Grand Lodge this matter, which has caused so much discussion and given the Grand Sire so much trouble, will be fully and finally settled.

The following was adopted by a vote of 145 yeas to 38 nays: Amend Section 1, Article IX., so that the said section, when amended, shall read as follows, to-wit:

"Section 1. Grand Representatives shall be chosen by the several State, District and Territorial Grand Lodges and Grand Encampments for the term of two years, and shall be divided into two classes, whose seats shall be vacated annually by rotation; Provided, however, that State, District and Territorial Grand Lodges and Grand Encampments, which are now or may hereafter be entitled to two Grand Representatives, may provide by general law for the election of one of such Grand Representatives to serve for one year, his successor to be elected annually by such Grand Lodge or Grand Encampment. In case of a vacancy by death, resignation or otherwise during the recess of the Grand Lodge or Grand Encampment, such vacancy shall be filled for the unexpired term of the Grand Representative filling such office at the time such vacancy shall occur in the manner set out in the Constitution of such State, District or Territorial Grand Lodge or Grand Encampment."

Section 1, Article IV., was amended by striking out that portion which prevented the Grand Sire from deciding questions "arising out of the constitutions of the several State, District or Territorial Grand Lodges or Grand Encampments." The words here quoted were stricken out of the Section, and the Section as amended is as follows:

ARTICLE IV.

Section 1. Duties of Grand Sire—The Grand Sire shall preside at all meetings of The Sovereign Grand Lodge, preserve order and enforce the laws thereof. He shall have the casting vote whenever the Sovereign Grand Lodge shall be equally divided, other than upon a ballot for officers, but shall not vote upon any other occasion. He shall appoint all committees not required to be raised by ballot, and appoint all District Deputy Grand Sires. During the recess of this Sovereign Grand Lodge he shall have a general superintendence of the interests of the Order. He may hear and decide such questions as may be submitted to him by the several State Grand Lodges and Grand Encampments, or by the subordinate Lodges or encampments under immediate jurisdiction of this Sovereign Grand Lodge. He may hear and decide such questions as may be submitted to him by the several State Grand Lodges and Grand Encampments, or by the Grand Masters or Grand Patriarchs thereof, or by the Grand Representatives, or by the Subordinate Lodges or Encampments under immediate jurisdiction of this Sovereign Grand Lodge. And his decision upon all appeals and questions so submitted to him shall be binding upon the bodies or persons submitting the same until reversed by this Sovereign Grand Lodge. He is empowered to receive petitions and grant warrants for the opening of new Lodges and Encampments, Grand or Subordinate, in places where Grand Bodies established by this Sovereign Grand Lodge may not exist; and all warrants so granted by him shall be of force until recalled by this Sovereign Grand Lodge. At every communication of this Sovereign Grand Lodge he shall make a report in writing of all his official acts and decisions during the recess.

PROPOSED AMENDMENTS.

The following amendments were proposed for consideration next year:

To provide for the admission of members at the age of 18 years.

To provide for the election of Sovereign Grand Lodge Officers annually.

To fix the term of officers appointed to fill vacancy until the next session of the S. G. L. immediately following such vacancy.

To make the sessions of the Sovereign Grand Lodge biennial instead of annual.

To change the title of certain S. G. L. officers to Sovereign Secretary, Sovereign Treasurer, etc.

To make qualification in a Canton a qualification for Grand Representatives.

PAST PRESIDENTS' OF REBEKAH ASSEMBLIES BADGE.

A badge was adopted to be worn by Past Presidents of Rebekah Assemblies. The jewel is to be circular in form and 2 1-8 inches in diameter.

We herewith submit portions of the Sovereign Grand Lodge Officers' reports, which we believe will be of most interest to you concerning the growth of our Order:

REPORT OF THE GRAND SIRE AND COMMANDER-IN-CHIEF.

To The Sovereign Grand Lodge of the Independent Order of Odd Fellows, Officers and Representatives:

The fact that the place of meeting of The Sovereign Grand Lodge at this, its eighty-first annual session, happens to be the Jurisdiction which is the home of the present Grand Sire, induces me to refrain from an elaboration of the marvelous growth of the Order in the Jurisdiction of Pennsylvania since its last meeting in Philadelphia, in 1876.

It is natural that the Odd Fellows of this State should boast of the fact that Pennsylvania still leads largely in her Odd Fellow membership; even while she takes pride in the rapid growth of her sister Jurisdictions.

In making a short retrospect, therefore, of the growth of Odd Fellowship since 1876, I shall speak of its growth as a whole, and not of its development in particular localities. I have before me the report made at the session in Philadelphia, in 1876, by our distinguished, beloved and respected Grand Sire Durham, who then presided over its deliberations, and is to-day the oldest living Past Grand Sire of our Order. Comparing the figures of that report with those presented to you now develops most remarkable evidences of prosperity. I shall refer to but few of them. Then your total subordinate Lodge member-

ship was 454,689; to-day it is 1,217,145. Your Encampment membership was 87,450; to-day it is 177,839. The Rebekah membership was not reported; to-day it is 474,059. The number of subordinate Lodges, 6,395; now it is 14,345. The total relief reported for that year was \$1,698,868.92; last year it was \$4,633,649.05. The total revenues then were \$4,714,241.70;; while last year they were \$13,638,791.78. The total resources of the various branches of our Order in 1904 were \$37,645,071.10; while the aggregate amount of relief expended by the Order from 1830 to 1904, inclusive, has reached the enormous sum of \$105,425,773.56. The growth in every department of the Order's work has been more than marvelous. In each year these advancing strides have put the Order far in advance of all other similar societies as the largest, the richest, and most effective of all secular benevolent institutions in the world.

The record of the last year has been no exception to this history of progress. The increase in membership of our subordinate Lodges was 65,724; in the Encampment branch, 9,990; in the Rebekah branch, 26,391, making a total increase of 102,105. The Patriarchs Militant will show a decrease in membership, but that decrease is only nominal and doubtless results from a clearing out of names that really did not represent active members of that branch. The increase in receipts for the year was \$751,077.56. The increase in resources, \$2,974,951.50, and the increase in relief was \$307,139.95.

Surely an overruling Providence is looking with approbation upon the efforts of our Order to ameliorate the condition of suffering humanity.

As representing in detail the condition of our Order, I submit the following statement in respect to

ODD FELLOWSHIP IN THE WORLD.

It is also to be noted with gratification that the growth of Odd Fellowship is uniform wherever it has been introduced. Every Grand Jurisdiction on the Continent of America shows an increase in subordinate Lodge membership; and in the entire world of Odd Fellows, but two Grand Jurisdictions show a loss for the year, namely—the Netherlands a loss of 32, and Switzerland a loss of 4.

The finances of The Sovereign Grand Lodge are in excellent condition. The revenues for the year will be approximately \$8,000 higher than those of the previous year, and a substantial increase in net results would have been reported, but for the fact that the expense of the meeting of The Sovereign Grand Lodge at San Francisco was \$27,610.29 higher than the expense of meeting at Baltimore.

FRATERNAL PRESS.

I feel that I can not speak too strongly in commendation of the fraternal press of our Order. The number of periodicals published in its interest seems to be increasing, and all the existing publications are improving. They are not only important in disseminating to the Order all the current news in relation to its work, but keep alive the interest of the membership in it. Some one or more of our fraternal journals ought to be in the hands of every Odd Fellow who feels any reasonable interest in the work of Odd Fellowship. I am glad to note the decided improvement in the tone of editorial comment upon the Order's work. The editors of these journals seem now to recognize the difference between independence of thought and discretion, as against captious criticism and complaint. While these journals do not hesitate to express their opinions on all important propositions, and to criticise where criticism is proper, they have ceased to find fault simply for the pleasure of it; and even if on all questions their views are not correct, they are honest, independent and intended for good.

ACKNOWLEDGMENT.

I beg leave to thank my fellow-officers of The Sovereign Grand Lodge for their helpful kindness and consideration to me during the first year of my administration. Laboring, as I have, under physical disability, I was compelled to some extent to rely upon them for aid. To the office of the Grand Secretary, especially to our lamented Brother Grant and his assistant, Brother Curry, and to the new Grand Secretary, Brother Goodwin, I am under obligations so great that I can not find language strong enough to express my appreciation for their assistance. In truth, to all the members of The Sovereign Grand Lodge and to the Order generally I feel that I am under special obligations for their more than kindness at the San Francisco session, and for all the evidences of their good-will I have received since. I hope I shall in some small way be able to prove my appreciation of all that they have done and said.

OFFICIAL VISITATION.

My physical condition during the past year has made it impossible for me to make any official visitations, even if I had so desired. The surprising thing to me was that so few requests have been made for visitations to Grand Lodges by the officers of The Sovereign Grand Lodge. I think that during the entire year not more than three such invitations have reached me, all of which I was compelled to decline. This fact has caused me to consider very much this question of official visitations.

I want to say that in the appointment of our Grand Secretary I was very glad to be able to make such an appointment as would be in line with my thoughts on the subject.

I believe it is of the utmost importance and desirability that the officers of The Sovereign Grand Lodge should come in closer and more frequent contact with the Grand Lodges of the various Jurisdictions. This can only be done by these official visitations. I think I am correct in saying that there are some Grand Lodges that have not had the presence of an officer of The Sovereign Grand Lodge at any of their annual sessions, and many of the more important ones have not had more than one, or perhaps two, such visitations in a quarter of a century. Of course, it is not to be expected that the Grand Sire should make many visitations. His term of office is short. Usually the Grand Sire is a man of business or professional pursuits, whose time is much occupied in other directions, and he can only devote a small portion of his time to the work of The Sovereign Grand Lodge. In the short term of two years, therefore, many visitations from him could not be expected.

I have been impressed with the thought that the Grand Secretary of

The Sovereign Grand Lodge ought to hold to the various Grand Lodges the same relation that the Grand Secretaries of the various Jurisdictions hold to the subordinate Lodges therein. He, the Grand Secretary, ought to be the almost ever-present Representative of The Sovereign Grand Lodge, and much of his time should be spent in making visitations to the various Grand Lodges when they are in session. He could accomplish more this way in one year than five Grand Sires could accomplish in ten years. Of course, if this thought were carried out, it would increase the importance of having a man of the highest ability to fill that office. He should be the spokesman of the Order, its leader, the exponent of its principles, and the exemplar of its achievements. His work should be to meet the various Grand Lodges and by his presence and ability carry on throughout the world the public work of Odd Fellowship.

With the idea, therefore, that possibly The Sovereign Grand Lodge might feel as I do on this subject, I was especially gratified when I found it possible to secure the ability of Past Grand Sire Goodwin in the position he now occupies. Why should he not become the new Ridgely of the Order? It is true that this plan might, and probably would, involve an increase in the clerical force and general expenses of the Grand Secretary's office, to the end that the routine work might be done by others, leaving to him ample opportunity for the greater and more important work. I beg to submit this thought for your serious consideration. I believe money expended in this direction would be repaid to the Order a hundredfold.

In the Appendix to this report (Exhibits C and D) will be found correspondence between Grand Secretary Goodwin and myself on the subject of visitations. Many of the visitations which he speaks of were not to State Grand Lodges. In my judgment every State Grand Lodge should have a visitation at least once in every four or five years when in session.

SANTO DOMINGO, PORTO RICO, AND SCOTLAND.

During the year communications were had (in one case a formal application) relating to the establishment of our Order in Santo Domingo, Porto Rico, and also in Scotland. The question of the establishment of Odd Fellowship in these countries, especially in the tropical countries named, being of more than passing importance, I felt that the Grand Sire should not act of his own mind, but that the whole subject should be referred to The Sovereign Grand Lodge, and by it to a proper committee to consider the advisability of this extension of the field of our work.

The correspondence is not of such a character as permits me to publish it in its entirety in this report, or its appendix. I, therefore, pre-

sent to The Sovereign Grand Lodge the original correspondence for such reference and action as you may deem proper.

THE ORDER IN JAPAN.

Some correspondence was had with the Secretary of Far East Lodge, No. 1, of Yokohama, Japan, and with Dr. C. H. H. Hall, District Deputy Grand Sire in that Jurisdiction, which I deem of sufficient interest to print as a part of the appendix to this report.

The letters are marked respectively as Exhibits "G," "H" and "I."

SPECIAL COMMITTEE.

Under Resolution No. 29, page 743, found in the Journal of Proceedings of The Sovereign Grand Lodge, session of 1904, and report No. 160, found on page 869 of that journal, I appointed Representatives Hughes and Hoskins, of Ohio, and Hall, of Pennsylvania, a Special Committee to design and draft a suitable jewel to indicate the rank of Past President of Rebekah Assemblies, to be worn by such officers, and to report the form and design of such jewel to The Sovereign Grand Lodge; said committee to serve without compensation.

ODD FELLOWS' HOMES.

It strikes me that we should bring more to the attention of the public and the Order the work that is being done by Odd Fellows in the maintenance of Homes for the indigent, the widowed, and the orphaned Odd Fellows. While statistics on the subject are not complete, it is approximately correct to say that at this time the Order is maintaining on the continent of North America upwards of 40 homes of this kind, constructed at a cost of about a million dollars, and caring for upwards of 2,000 persons. These homes are growing in strength and number, and each year are becoming a more important field of the work of Odd Fellowship.

CONCLUSION.

The foregoing report covers, in a brief way, the record of the work of the Grand Sire's office during the year that has just passed. I have endeavored to meet all the problems that arose during the year and to dispose of them with an eye single to the truth and to the best interests of Odd Fellowship. That I have fallen short in a great many cases I doubt not, but I have endeavored to fulfill the duties of my position as best I could.

I appreciate more fully than I can express the great honor that has come to me in my elevation to the position I now occupy, and trust that in my administration there will be found something without blame.

That the Order has continued to grow, and grow substantially, during this year is a cause for universal congratulation; but, of course, I do

not claim, to the slightest extent, that any effort of mine has been instrumental in bringing this about. Odd Fellowship grows, because it deserves to grow, because it fills a great field in the human life. Its growth and spread is one of the marvels of the age. A few short years ago all of its members within the bounds of this vast continent were easily and comfortably seated in an upper chamber of an humble dwelling in the City of Baltimore. A few years ago its principles and practices controlled the conduct and ameliorated the condition of less than 100 persons. Now a million and a half of men walk by its holy precepts, while millions more are blessed by its beneficent influence. The grain of mustard seed sown in silence and in fear has grown into a mighty tree beneath whose shadow millions gather for protection and relief. The little rill that bubbled up, unnoticed and almost unknown, in the City of Monuments, has spread into mighty lakes and rivers, blessing and beautifying every city, town and hamlet in the land. Its votaries are found in every clime, its halls in every village, its principles and mottoes in every holy creed, its charities in every hut. If we remain pure in heart and are honest in our devotion to the work of the Order; if we adhere in perfect good faith to the sublime lessons which its rituals teach, this glorious temple of benevolence will grow despite all human opposition, until its walls shall enclose the whole family of mankind and its summit shall glitter in the sunlight of every clime. Let the trust we received from our fathers in the rituals of our Order be transmitted to our children. Let the stream of benevolence pass by us as pure as when it reached us, that those who come after us may use and enjoy it unadulterated by any act of ours; let the Lodge rooms of your Order be the centers around which the wise and good of every community may gather in works of human benefaction. Let the widows and orphans, and all the worthy poor around you, feel its beneficent influence; let vice be discouraged and virtue be respected, regardless of the robes or rags with which they are invested; let us not imagine that our task is finished. In the language of our lamented Nicholson, let us remember that—

"Our work is not done; we are still stumbling with timid pace over the broken arches of the bridge of time; the wail of the fallen and sinking reaches our ears at every step, and we must help them or they perish. There is a mighty sorrow in the land; the widowed, the orphaned, and distressed demand our care, our sympathy, and our relief. Here is a work worthy of you, a work in which Wildey in his younger days would have led you. Go hence to your respective Jurisdictions, thrust your sickles into the great harvest of human benefaction, and reap flowers perennial, that will bloom in immortal fragrance when the things of earth shall have passed away."

Fraternally submitted.

R. E. WRIGHT, Grand Sire.

GRAND SIRE'S DECISIONS.

The following decisions were all approved without amendment or alteration, except as noted after decisions so changed:

SUBORDINATE LODGE DECISIONS.

No. 1.—No consolidation of lodges can be made so long as the number of members in one of the lodges desiring to retain the charter and work thereunder is equal to that prescribed by law as the minimum number of applicants or petitioners to whom a charter will be given. See Busbee's Digest, Section 1781.—Approved.

2. Decision.—When a Grand Officer is visiting officially a Subordinate Lodge he should be introduced after he has addressed the Chairs, and should then be received with the honors of the Order. See Busbee's Digest, Sections 1246 and 1247; and Journal of 1899, pages 23-365-394.—Approved.

An error has crept into Busbee's Digest on this subject.

The last clause of Section 1247 reads as follows:

"A Grand Officer when visiting officially should be introduced after he has addressed the Chairs, and been given the honors of the Order."

The Digest refers as authority for this statement to the Journal of 1899, pages 23-365-394. On turning to page 23 of the Journal of 1899 we find that the decision of Grand Sire Pinkerton, which was approved (see Journal, 365 and 394), has been misquoted by the Digest. It reads as set forth in the foregoing decision and not as stated in the Digest.

4. Statement.—At the last session of our Grand Lodge, the Committee on the State of the Order recommended, with a view to stimulating interest, that the officers of all the Subordinate Lodges be installed the same evening, jointly, in the large Auditorium of Odd Fellows' Hall, the form for public installation to be used so that gentlemen friends of members may be admitted; interspersing the ceremony with such music and other features as may be deemed appropriate and entertaining. It is proposed to have such installation conducted by the officers of the Grand Lodge on some night during the first week in January.

Question.—Would it be legally possible to hold such installation, for example, on Friday, January 2, after some lodge whose regular meeting night is Friday shall have met and complied with the requirements for such public installation, regardless of the fact that most of the lodges meet on other nights?

Answer.—Yes. See Busbee's Digest, Sections 1424 to 1431, inclusive.—Approved.

However, the form for public installation must be used, and while that form may be preceded or followed by other proper ceremonies, such as music and other features that may be deemed appropriate and entertaining, these additional features should not be interjected between the parts of the form of public installation so as to mar its entirety, in any way.

5. Question.—Would it be legal for the Grand Lodge to meet for that purpose, take a recess to admit those not members, conduct the installation of all the lodges, and permit the terms of the new officers to begin on their next respective meeting nights, without further ceremony?

Answer.—Yes. Approved with special reference to Busbee's Digest, sections 1424 to 1431, and the following statement:

The foregoing answers are predicated on the condition that the Grand Lodge or Encampment has given its consent to the public installation proposed; that the form for public installation is used; that the ceremony be conducted by an officer of the Grand Body, a D. D. Grand Master, or a D. D. Grand Patriarch, or by a P. G. or P. C. P. or P. N. G. duly authorized by the Grand Master or Grand Patriarch.

The installation must be conducted under the conditions and in the manner set forth in the decisions of The Sovereign Grand Lodge on this subject, as found in the foregoing sections of the Digest.

6. Question.—Is the word "Odd Fellows" as used in Section 2 of the Rebekah Code and in the decision of Grand Sire Pinkerton (No. 85, Session of 1899) of the same meaning as used in the resolution of The Sovereign Grand Lodge of 1903, in relation to the sale of cipher keys. In other words, can those keys be sold to an Odd Fellow who has only received the Initiatory Degree?

Answer.—No.—Approved.

7. Question.—Can Grand Secretaries under the resolution of 1903 sell a number of these cipher keys to the secretaries of Subordinate Lodges upon their order?

Answer.—Yes.—Approved.

8. Question.—If the Grand Secretary is permitted to sell a number

of these keys to the Secretary of a Subordinate Lodge, can the Secretary of the Subordinate Lodge sell them to members of his Lodge?

Answer.—Yes; but to Third Degree members only.—Approved.

9. Question.—Can any Odd Fellow, except one who has obtained the Third Degree, buy or have one of these keys?

Answer.—No.—Approved.

10.—Question.—Can a Grand Secretary sell these keys to any Odd Fellow in good standing, or must he sell them to Secretaries of Subordinate Lodges only?

Answer.—To Secretaries of Subordinate Lodges only.—Approved.

11. Question.—Is it a violation of the laws for a brother who has but one of these keys to sell it to another brother, or to give it or lend it to another brother?

Answer.—Yes; although there is no specific legislation on this subject.—Question changed by striking out words "or lend it" and answer approved.

12. Statement.—The laws of the Grand Lodge of Idaho require that a brother shall be proficient in the degree previously taken before he can advance to the next degree. It is our custom that a brother be designated by the Noble Grand of the Lodge to instruct a brother in the work.

Question.—Would this brother as Instructor violate any law if he should put his key in the possession of the brother learning the work to enable him to memorize the work in the presence of the instructor?

Answer.—If the key is left in the possession of the brother endeavoring to memorize the work and in his control, apart from the presence of the instructor, the answer would be Yes. If, however, in the process of instruction it is simply handed to the brother by the instructor temporarily, and the brother's examination confined to the work of memorizing the work of the degree he has received, the answer would be No.

13. Question.—Would the instructor violate any law if he should give this key to the brother and permit him to have it in his possession and away from the instructor?

Answer.—Yes; this would be a violation of the law, although there is no specific legislation on the subject.

14. Question.—Where the Grand Lodge of a Jurisdiction limits the jurisdiction of its subordinates to one-half the distance in a straight line to the nearest Lodge, can a member of the Scarlet Degree deposit his card in a Lodge other than the Lodge within the Jurisdiction of which he resides and if elected become a legal member of such distant Lodge, unless the Lodge or Lodges in whose Jurisdiction he resides shall waive jurisdiction?

Answer.—No; unless the legislation of the Grand Lodge of the Jurisdiction so permits. See Busbee's Digest, Sections 906 to 910.

16. Question.—Is the resolution to be found at the end of Report No. 30, and on page 64 of the Daily Journal of The Sovereign Grand Lodge for the session of 1904 a constitutional and binding law after January 1, 1905; or is it unconstitutional and void as encroaching upon the jurisdiction of the Grand and Subordinate Lodges of the Order?

The resolution referred to reads as follows:—

"Resolved, that a member of the Order entitled to a withdrawal card, changing his residence from the vicinity of his own Lodge to the vicinity of another, and desiring to unite with a Lodge at his new place of residence, upon so stating in his application for membership, and being elected by ball ballot as provided by local law, shall be entitled upon notice being sent to his Lodge by the new Lodge to receive a withdrawal card at the actual cost of the card to the Lodge, and to admission to his new Lodge without being required to pay a card or admission fee; but where a physician's certificate is required he must pay the expense of the same."

Answer.—It is a constitutional and binding law in operation after January 1, 1905.

An able and elaborate brief has been submitted to me to the point that this resolution is violative of the Constitution of The Sovereign Grand Lodge and encroaches upon the rights of the Grand and Subordinate Lodges of the Order.

Even if I were of this opinion, in my judgment, it is not within the province of the Grand Sire, except perhaps in extreme and clear cases, to attempt to nullify on constitutional grounds the deliberate action of The Sovereign Grand Lodge, acting through its Grand Sire, Committee and the Body itself; and particularly where, as in this case, the question of the constitutionality of the resolution was before The Sovereign Grand Lodge and was discussed at its preceding sessions in the various reports on this subject.

I am of opinion, however, that the law is constitutional, and is within the powers granted to The Sovereign Grand Lodge in its Constitution in Article I, Section 8.

17. Question. Does the law passed at the recent session of The

Sovereign Grand Lodge, page 60, Journal of Proceedings, relating to Transfer of Membership by Card or Certificate become a law without action of our Grand Lodge?

Answer.—I assume that you refer to the legislation embodied in the resolution found on page 64 of the Daily Proceedings of the session of The Sovereign Grand Lodge, at San Francisco, September, 1904, embodied in Report No. 30 and submitted by Representative Thomas, of Utah; he being a member of the special committee on "Transfer of Membership by Card or Certificate."

So understanding, I answer "Yes."

18. Question.—Does the said law apply to Rebekah Lodges as well as Subordinate Lodges?

Answer.—No.

19. Question.—Does the said law apply to a person who shall change his residence from one city or town to another as well as from one State to another?

Answer.—Yes.

20. Question.—Does the said law apply to a person who shall change his residence from the vicinity of his own Lodge to the vicinity of another Lodge in the same town or city of his residence?

Answer.—Yes.

21. Decision No. 35 of the Grand Sire of 1904, was simply intended to pass upon the legality of the By-Laws referred to in the decision, and not as laying down any general rule on the subject of legal assessments for Lodges.

22. Question.—Does the new law in regard to transfer of membership apply to Encampments and Rebekah Lodges?

Answer.—I assume that you have reference to the resolution to be found on page 64 of the Daily Journal of The Sovereign Grand Lodge of 1904, appended to Report No. 30, presented by Representative Thomas, of Utah, from the special committee on "Transfer of Membership by Card or Certificate."

So understanding, my answer is "No."

23. Question.—Has a Lodge a right to provide by By-Law a fee to be charged brothers who do not signify, under the provisions of the new law, their intention of joining another Lodge?

Answer.—No. The law of 1904 does not become applicable until the member applies for admission to the Lodge of his new residence.

24. Question.—Does the new law in any way affect the holder of an expired card or dismissal certificate?

Answer.—No.

25. Question.—Should the holder of a withdrawal card, in date, when petitioning for a charter for a new Lodge pay any fee into the treasury of the new Lodge?

Answer.—Yes; whatever fee the local law provides.

26. Question.—When, does, or did, the new law in regard to transfer of membership go into effect?

Answer.—It went into effect on January 1, 1905.

27. Question.—Does the "Transfer of Membership" law adopted at the last session of The Sovereign Grand Lodge apply to those only who shall apply for membership by deposit of official certificate or visiting card?

Answer.—The law to which you refer is contained in resolution reported by the special committee and found at the bottom of page 761 of the revised Journal of 1904. The question as to who this legislation applies to can best be answered by an examination of the resolution. Of course it applies only to those who come within its provisions, namely, to a brother who being entitled to a withdrawal card changes his residence from the vicinity of his own Lodge to the vicinity of another, and desires to unite with a Lodge at the new place of residence. Upon his so stating in his application for membership and being elected by ball ballot as provided by local law, he shall be entitled upon notice being sent to his old Lodge by the new Lodge to receive a withdrawal card at the actual cost of the card to the Lodge, and to admission to his new Lodge without being required to pay a card or admission fee; but where a physician's certificate is required he must pay the expense of the same. The new law applies only to members coming within the above designation and complying with the requirements recited.

28. Question.—Does the resolution found on page 761, Report No. 30, of the revised Journal of the session of The Sovereign Grand Lodge of 1904, refer to a member where there are two or more Lodges in the same city, and he does not change his residence. Also, does certificate mean dismissal certificate. I mean can a member make application in the same town without changing his residence and be admitted for the cost of the card?

Answer.—No. The language of the resolution is explicit in describing the conditions under which and the persons who are entitled to its benefits and advantages.

29. Question.—A brother residing in the city of Boston changes his residence from the ward in which his Lodge is located to a ward ten miles distant from his former residence. He is within a minute's walk of a Lodge located at his new place of residence, and he has removed from the vicinity or neighborhood of the lodge in which he holds membership. Does this new law apply to his case?

Answer.—Yes.

30. Question.—A lodge-room in the city of Somerville is within a stone's throw of a lodge-room in the city of Cambridge. A brother residing in Somerville lives midway between the two halls. He is in the immediate vicinity of both Lodges. Is this law to be construed as applying to territorial limits of a city or town, and is this brother eligible for admission to the Lodge in Cambridge under the new law?

Answer.—I do not know what you mean by the question whether the new law is to be construed as applying to the territorial limits of a city or town. Under the facts as you state them I should say that the law is not applicable to a brother in the position you describe.

31. Statement.—Section 995, Busbee's Digest, reads as follows:—

"After a brother has become sixty years of age, and has been a contributing member for twenty-five consecutive years, his name shall not be dropped from the roll by virtue of his being more than one year in arrears for non-payment of dues, but he shall be retained as a non-beneficial member, and as such shall be entitled to the password and fellowship of Lodges. Such non-beneficial members shall have all the privileges of active members except benefits, and Subordinate Lodges shall not be compelled to pay per capita tax on such non-beneficial members."

Question.—Is a non-beneficial member as above eligible to election as Noble Grand or any other elective office in a Subordinate Lodge?

Answer.—Yes. The language of the law is that "such non-beneficial members shall have all the privileges of active members, except benefits."

32. Decision.—The resolution found on page 761 of the revised Journal of 1904, in relation to the transfer of membership from one Lodge to another by Odd Fellows changing their place of residence, became operative as to the entire jurisdiction on January 1, 1905. After that date no other charge can be made for admission under the circumstances named beyond the charge designated in the resolution. The resolution, however, only applies to brothers coming strictly within the conditions and facts set forth and described in the resolution.

33. Statement.—A brother over sixty years of age has been a contributing member for twenty-five years consecutively; is dropped for non-payment of dues, to the grade of a non-beneficial member.

Question.—Can he at any time be restored to the grade of a beneficial member by paying all arrearages?

Answer.—Such non-beneficial member may be reinstated in the manner provided for the reinstatement of dropped members by the Constitution and By-Laws of the several Jurisdictions. See Busbee's Digest, Sec. 1012.

34. Decision.—Initiation of members in Subordinate Lodges must take place in the Subordinate Lodge to which the applicant is elected. By "the Lodge" to which he is elected is meant not merely the members composing that Lodge wherever they may be assembled, but those members, or a quorum of them, regularly assembled at a legally authorized time and place. Members of the Lodge to which the candidate is elected can not take the applicant into the hall of a neighboring Lodge and have the initiation take place there by a staff of that Lodge.

35. Decision.—The resolution of The Sovereign Grand Lodge at the session of 1904, found on page 761 of the revised Journal of Proceedings of that year, on the subject of transfer of membership from one Lodge to another, became operative throughout all jurisdictions of The Sovereign Grand Lodge on January 1, 1905, and does not require any legislation by the Jurisdiction to put its provisions in force. The resolution does not apply to applicants on dismissal certificates, but its operation must be confined entirely to members coming within the language of the resolution. In order that a member of the Order shall be entitled to the benefits conferred by this resolution, the following facts, at least, must exist:—

1. He must be a member of the Order entitled to a withdrawal card.
2. He must change his residence from the vicinity of his own Lodge to the vicinity of another.
3. Desiring to unite with a Lodge at his new place of residence, and upon so stating in his application for membership, and upon being elected by ball ballot as provided by local law, he shall be entitled upon notice being sent to his old Lodge by the new Lodge to receive a withdrawal card, at the actual cost of the card to the Lodge.

4. Having so received the withdrawal card from his old Lodge, he may deposit it with the new Lodge he desires to join in the vicinity of his new place of residence, without being required to pay a card or admission fee; except that where a physician's certificate is required he must pay the expense of the same.

This new method of the transfer of membership from one Lodge to another is only available where the conditions mentioned in the resolution actually exist and its provisions are complied with.

36. Statement.—The Sovereign Grand Lodge at the San Francisco session of 1904, adopted the following resolution, which is found on page 761 of the Journal. (The resolution relative to transfer of membership is here quoted.)

Question.—Does the above-mentioned law apply only to the transferring of membership by means of deposit of unexpired withdrawal cards, deposit of official certificates or traveling cards (I take it for granted the law includes the two latter), or does it apply to dismissal certificates, expired withdrawal cards, and Grand Lodge cards, as well?

Answer.—The resolution referred to applies only to members, and is available only on the conditions specifically set forth in the resolution. Thus, in order that a member of the Order shall be entitled to the benefits conferred by the resolution, the following facts, at least, must exist:—

1. He must be a member of the Order entitled to a withdrawal card.

2. He must change his residence from the vicinity of his own Lodge to the vicinity of another.

3. Desiring to unite with a Lodge at his new place of residence, and upon so stating in his application for membership, and upon being elected by ball ballot, as provided by local law, he shall be entitled, upon notice being sent to his old Lodge by the new Lodge, to receive a withdrawal card at the actual cost of the card to the Lodge.

4. Having so received the withdrawal card from his old Lodge, he may deposit it with the new Lodge he desires to join in the vicinity of his new place of residence, without being required to pay a card or admission fee; except that where a physician's certificate is required he must pay the expense of the same. I repeat, this new method of the transfer of membership from one Lodge to another is only available where the conditions mentioned in the resolution exist, and such provisions are complied with.

37. Question.—Does the above law apply to those who desire to transfer their membership from one Lodge to another in the same town or city, or does it apply only to those who change their residence from one town, city or vicinity to another?

Answer.—The word "Vicinity" in the resolution is to receive a reasonable interpretation in view of the purpose of the resolution. It cannot be defined geographically as meaning a removal from one town, city, county, state, or territory to another. The language of the resolution is "changing his residence from the vicinity of his own Lodge to the vicinity of another, and desiring to unite with a Lodge at his new place of residence."

I have decided that a member comes within the provision of the resolution when, residing in one section of a city close to his Lodge, he removes to another location in a city 10 miles away and close to another Lodge. Each case should depend upon the peculiar circumstance, keeping in view the purpose of the resolution. If the Sovereign Grand Lodge had intended that the word "Vicinity" should be defined by territorial limits, namely, by lines dividing cities, wards, counties, and states, it would have been very easy to use language indicating that intent. That they did not so intend is obvious. The word "Vicinity" in an agricultural sparsely settled district would have a very different meaning from the word when applied to Lodges within the limits of a city. In some country districts 10 miles would be considered in the same vicinity. It would hardly be so in a compactly built city. I decide, therefore, again that the resolution does apply to a change of residence from one point in the same city to another not in the same vicinity, when all the other points in the resolution are found to exist.

38. Question.—A brother removed from an eastern jurisdiction to the city of Chicago, having taken a withdrawal card prior to changing his residence. He desires to unite with a Lodge in Chicago, and for this purpose presents a petition accompanied by his withdrawal card. Does this application come within the new law, and should he be admitted to a Lodge in Chicago without a fee?

Answer.—This question does not state all the conditions necessary to make the law applicable to the case, etc. (See answer to No. 36, above.)

39. Question.—Does the new law in the matter of transferring membership by withdrawal card, passed by the recent session of The Sovereign Grand Lodge, apply in cities having more than one Lodge, when the applicant desires to change his membership from one Lodge to another in the same city?

This question assumes that the applicant has changed his residence in the city, and that his second residence is nearer to the Lodge which he desires to join than it is to his former Lodge.

Answer.—Yes; provided all the requirements of the resolution as to the transfer of membership are complied with. I have decided that this resolution does not apply either to the Encampment or the Rebekah branch of the Order.

40. Question.—Is it the proper construction of the new law to say that in order to avoid the payment of a fee to join another Lodge by card, a brother must apply only in the manner prescribed in the resolution of 1904, and if he does not, then he must pay the fee prescribed by the local law?

Answer.—Yes; he must bring himself strictly within the conditions prescribed in the resolution of 1904, before he is entitled to the benefits of that legislation.

41. Question.—Suppose a brother takes a withdrawal card from his Lodge without first applying for membership to another Lodge on his official certificate or visiting card, but does apply within one year of the date of issue of his card, on that card. Is he required to pay any fee?

Answer.—Yes; I know of no law that would relieve him from such payment. The resolution of 1904 on this subject would not apply to the case you state in the question. It does not appear that he changed his residence.

42. Question.—An applicant for membership in a Lodge in Halifax holds an expired withdrawal card issued by a Lodge in the United States about two years ago. Does such applicant come under the law of 1904 on "Transfer of Membership by Card or Certificate," Report No. 30, pages 757, 845, Journal, 1904?

Answer.—No; the legislation you refer to applies only to those who come strictly within the provisions as set forth in the resolution, and who comply with all the conditions required by the resolution.

43. Question.—Does a member of the Order transferring his membership from one Lodge to another in the same city, without changing his residence, come under said law?

Answer.—No; but I have decided in a case in the city of Boston, that where a member living within a stone's throw of his Lodge, moved to a point in the city of Boston about 10 miles distant from his old Lodge, and close to the location of the new Lodge which he desired to join, he comes within the provisions of the law on complying with the conditions of the resolution.

44. Question.—A brother changes his residence and complies with all the conditions of the resolution on transfer of membership, passed by The Sovereign Grand Lodge session of 1904, except that he receives a withdrawal card from his old Lodge at the time of his removal, and presents it with his application for membership to the Lodge of his new residence while it is still good for visiting purposes, and is elected to membership thereon. Is the old Lodge permitted to charge him any fee other than the cost to the Lodge of the withdrawal card, and is the new Lodge permitted to charge him an admission fee in addition to the cost to it of a medical certificate of health, if one is required?

Answer.—No; of course the old Lodge cannot charge any fee for the withdrawal card, because your question assumes that the brother already has a withdrawal card, in full force. If he complies with all the other conditions he can use that card. The new Lodge, if it elects him to membership, cannot charge an admission fee beyond the cost of the medical certificate, when it is required.

45. Question.—If the brother holds the withdrawal card thus secured for more than one year before he presents it to the Lodge of his new residence for membership, does the resolution of 1904 still apply, and should he be admitted without fee?

Answer.—No; the new law would not apply to him, unless he procures a new card. (Amended by striking out the words "unless he procures a new card" and approved as amended.)

46. Question.—A brother who has lived for years away from his old Lodge keeping himself in good standing so that he would be entitled to a withdrawal card at any time, concludes finally to transfer his membership to the Lodge of his present residence. Does the resolution of 1904 apply to him the same as though he had but just changed his residence, or in other words how soon after change of residence must application for membership be made to the Lodge at the new home?

Answer.—The new law applies to such a member without regard to the time at which he changed his place of residence, provided such change was after he became a member of the Lodge he now proposes to leave.

47. Question.—In a large city of many Lodges, some very many miles distant from others, but all under local law having concurrent jurisdiction

over the whole city, a brother lives nearer another Lodge than his own. Can he, if entitled to a withdrawal card, transfer his membership under the resolution of 1904 as he might, had he removed his residence to another city, and if he can, is he obliged to apply to the nearest one to his home, or may he apply to any Lodge in the city having concurrent jurisdiction with the one nearest his home?

Answer.—The law of 1904 does not apply to a brother so situated, or under the conditions stated.

48. Statement.—A Lodge has a member who is residing in another city, who reports himself sick to his Lodge; a committee was appointed by the brother's Lodge to wait upon the brother, and this committee upon investigation found that the brother reporting himself as sick had gone into the saloon business, and in performing work pertaining to such business, mashed one of his fingers between two barrels of beer and thereby disabled himself from doing any work. According to law the brother laid himself liable to charges for conduct unbecoming an Odd Fellow when he entered into such prohibited occupation, and then got hurt.

Question.—Is said brother entitled to his weekly sick benefits?

Answer.—No; under the statement of facts I assume that he entered into the saloon business after the prohibitory legislation on that subject by The Sovereign Grand Lodge, and while engaged in that business as a consequence thereof he became injured. Under the legislation of The Sovereign Grand Lodge on the subject of saloon keeping, and the decisions under that legislation, the engaging in such business by an Odd Fellow must be assumed to be immoral conduct, and if an ailment or injury is received in or consequent upon such business he would not be entitled to benefits. See Busbee's Digest, Section 99.

49. Question.—Can the Lodge grant to said brother a withdrawal card, while he is working under a prohibitory occupation as above stated?

Answer.—Yes; the question of the granting of the withdrawal card is in the discretion of the Lodge. Under the circumstances it could refuse it.

50. Question.—Can a brother who changed his residence before the enactment of said law make application under said law?

Answer.—Yes.

51. Question.—Can a brother who changed his residence after the enactment of said law, but before it took effect, make application under said law?

Answer.—Yes.

52. Question.—Can a brother who has changed or shall change his residence make application under said law at any time after such change of residence; or is there some reasonable time after change of residence within which he must apply, in order to take advantage thereof.

Answer.—Yes; I find no limit in the resolution as to the time within which the application must be made after the change of residence. It is possible that by analogous decision or by legislation it should be held that such application must be made within a reasonable time, which has heretofore on kindred subjects been held to be one year. Amended by striking out all except the first sentence and approved as amended.

53. Question.—If there be such limit of time after change of residence within which such application should be made, what is that limit?

Answer.—The resolution fixes no limit and therefore there is none.

54. Statement.—On February, —, 1902, after due trial, a brother of one of our Lodges was suspended for a period of five years for conduct unbecoming an Odd Fellow. Three years have elapsed since his suspension, and he has applied for re-instatement with the request that the remaining period of his suspension be remitted, and his lodge is anxious for his reinstatement because of his good behavior.

Question.—As there appears to be no law whatever providing for the re-instatement of brothers suspended for "cause" prior to the termination of the period of suspension, would it be a violation of the general usage of the Order, or perchance of law, for the Grand Master to grant the Lodge a dispensation to reinstate the brother and remit the unexpired time of suspension, in view of the Lodge's perfect willingness to do so, and the fact that the Grand Lodge meeting was two months in the future when such request was made?

Answer.—Unless there is something in your local law to the contrary, the Lodge can reinstate a suspended brother upon a dispensation from or consent of the Grand Master. The following decisions reported in the Digest have some analogy to the foregoing question, to-wit:—Busbee's Digest, Sections 1069, 1070, 1071, 1072 and 1073.

55. Question.—In the matter of the organization of new Lodges where the charter members meet and organize by electing a chairman and secretary, and a sufficient number of members in good standing in their Lodges decide

to procure a charter for a new Lodge and authorize the secretary of the meeting, in writing, to procure for them a withdrawal card from their Lodge, and deposit with him their official receipt, showing dues paid up beyond the date of presentation of their receipt, are such members required to pay for admission as charter members, under the above conditions, the minimum fee of \$5.00, or can they become such charter members under the provisions of the law passed by the last Sovereign Grand Lodge, which took effect January 1, 1905?

Answer.—The resolution passed at the San Francisco session of The Sovereign Grand Lodge in 1904, on the question of transfer of membership by withdrawal card on change of residence, has no application whatever to the case stated in the question. The law as it existed before the passage of that resolution governs the case.

61. Statement.—On August 2, 1901, a Subordinate Lodge was instituted, and a Brother A., was commissioned by the Grand Master to institute said Lodge. Upon the day prior to the institution of the Lodge, the instituting officer visited the village where the Lodge was instituted and called at the place of business of one B., and asked him to become a member of the new Lodge. B. was running a general merchandise store in the front of the building, and in the rear of the building a saloon, selling liquor by the drink. B. himself did not act as bartender, or have anything to do with the saloon more than to own it and give it his general supervision. The instituting officer knew exactly his business before he invited him to become a member of the Lodge. When this invitation was given, B. said to the officer, "Isn't there a law of the Odd Fellows that a man who is selling liquor cannot become a member; if so I could not become a member. I would like to be an Odd Fellow, but you see my business here?" A., the instituting officer, then assured him that the law did not apply to him on account of his having the store, but only to men whose principal business was saloon-keeping. After A.'s explanation, B. signed the application, and at A.'s suggestion put in his business as "merchant." At the night of instituting, he was initiated into the Order, has passed through the Chairs of the Lodge, attended as Representative of his own Lodge two sessions of the Grand Lodge, and for two years was, on the recommendation of his Lodge, appointed District Deputy Grand Master by the Grand Master. Lately the question has been raised as to whether or not he was illegally initiated into the Order, and if his initiation was illegal, whether under the circumstances he can be permitted to remain. It is further stated that he has been an attentive member of the Lodge, has taken an interest in Odd Fellowship, and has the esteem and confidence of the members of his Lodge.

Question.—Was his initiation and his membership illegal. Should he be permitted to remain in the Order, and if not, what action should be taken?

Answer.—Unquestionably this brother was not eligible to election or initiation into Odd Fellowship, and if the question had been raised at the proper time, undoubtedly that would have been the decision. However, it appears that the election and the initiation (illegal in themselves) occurred without any fault, misrepresentation, or bad faith on the part of the applicant. It appears from the statement that he made a full disclosure of all the conditions, and was advised by the Representative of the Lodge and of the Grand Master that he was eligible to membership. He was elected and initiated into the Lodge, as it appears, with a full knowledge on the part of the Lodge of the conditions above recited. It is, therefore, simply the case of a person being elected to and initiated in the Order, when he was ineligible to such election, but in good faith on his part, and apparently on the part of the Lodge; and secondly, without any fault or misrepresentation on the part of the applicant. I, therefore, decide that while his initiation originally was illegal, that his membership must be recognized and his position in the Order maintained. See Busbee's Digest, Sections 995, 996, 997 and 999.

Amended so as to read as follows:—

"I, therefore, decide that while his initiation originally was illegal, that his membership must be recognized until terminated in a manner provided by law. It is the duty of the Subordinate Lodge to terminate his membership unless the brother has since retired or shall retire from the business in question and thus have removed the constitutional prohibition or shall voluntarily resign his membership.

63. Question.—Is a person of mixed Indian and White blood, who was admitted into the Order under the 1901 enactment, who now holds a withdrawal card in force from the Lodge which he joined, eligible to be a petitioner, or to become a charter member of a new Lodge in this jurisdiction?

Answer.—Yes. See Busbee's Digest for analogous decisions on the general principle that a brother holding a withdrawal card in full force is still a member of the Order, although the withdrawal card severs his connection

John J. Brown

GRAND REPRESENTATIVE.

from the Lodge granting it. Sections 876, 877, 881, 1036, 1630 and 1631. The decisions rendered in 1876 and 1877, quoted in Busbee's Digest, Section 882, were based upon the fact that at that time an Indian was absolutely ineligible to membership. In the case at bar the person referred to was admitted to the Order at a time when his admission under the Constitution, as it then stood, was entirely lawful.

67. Statement.—A brother of the Order owns a Lodge-room rented by an Odd Fellows' Lodge. On the second floor of the building is a dance hall, which he rents with bar privileges. He also rents out a room in the same building for saloon purposes. He claims that it is necessary to take out a saloon license in his own name in order to rent the hall and store-room, but says he only gets the rent money.

Question.—Is he a saloon-keeper?

Answer.—Yes. In the intentment of the laws of the various States in respect to granting of licenses the license is granted to a person because of his peculiar fitness for the business. It must be assumed, therefore, that when the court granted a license to this brother it had in view these facts, and that he was to be the keeper of the saloon, and to exercise the powers and privileges given by the license. If he procures some one else to do the actual work, it does not, in my judgment, change the facts that he is a licensed saloon-keeper.

68. Statement.—The Constitution for Subordinate Lodges in the Jurisdiction of New Hampshire reads:

"The fees for membership when the applicant is forty-five years of age or under, shall be as follows:—For initiation not less than five dollars; by withdrawal card or dismissal certificate, not less than three dollars, with the addition in all cases of one dollar for each year that his age exceeds forty-five years."

Question.—Does the new legislation, "and to admission to his new Lodge without being required to pay a card or admission fee," make the last clause quoted above inoperative in transfer by card?

Answer.—Where the brother transfers his membership from his old Lodge to a new Lodge on a withdrawal card by reason of his change of residence, under the conditions set forth in the resolution of The Sovereign Grand Lodge on this subject passed at the session of 1904, that resolution repeals and overrides the local law as found in Subordinate Lodge Constitutions. This statement of the law, however, applies only to cases that come strictly within the provisions of the resolution of the session of 1904, and where all the conditions set forth in that resolution exist and are complied with.

69. Question.—Does this new legislation of 1904 on the subject of transfer of membership by withdrawal card prevent a Lodge from accepting with his application for transfer of membership by card, fees which had been tendered by the brother who felt a Lodge should not be asked to assume the risk of his benefits without some recompense?

Answer.—There is nothing to prevent the Lodge from accepting a voluntary contribution so made; provided the brother made it as a voluntary payment, and with a full knowledge of his rights in the matter.

70. Statement.—A brother applied for transfer by card, tendering fees as called for by Constitution and By-Laws of the Lodge before this new legislation (same being since January 1) and was accepted, neither the Lodge nor the brother being aware of the new laws.

Question.—Should the Lodge return the fees?

Answer.—If the brother came within the provisions of the resolution of the session of 1904 and complied with all its conditions and the application was made as provided by the resolution, and since January 1, 1905, he would only be liable to pay in accordance with that resolution. Under these conditions and the fees being paid by the brother, they should be returned to him.

75. Statement.—A Lodge acting in accordance with the transfer of membership by card or certificate law adopted at the last session of The Sovereign Grand Lodge, elects a brother to membership upon an official certificate, and certifies his election to the Lodge issuing the official certificate, and asks for a withdrawal card.

Question.—In such case, all fees and dues being paid, can the Noble Grand and Secretary issue the withdrawal card without any formal action of the Lodge?

Answer.—No. The withdrawal card can only be issued by the action and vote of the Lodge. See Busbee's Digest. Sections 259, 264, 265.

76. Question.—If action of the Lodge be required, must the vote of the Lodge be by ball ballot?

Answer.—Yes. See Busbee's Digest, Section 259.

77. Decision.—Under the new law in relation to transfer of membership by withdrawal card found at the bottom of page 761 of the Journal of 1904, I decide as follows:—

A. The law applies to a brother entitled to a withdrawal card or holding a withdrawal card in full force who changes his place of residence from the vicinity of his own Lodge to the vicinity of another, and who desires to unite with a lodge at his new place of residence. The holding of a dismissal certificate or an official receipt is not sufficient. He must hold or be entitled to hold a withdrawal card.

B. The change of residence need not have occurred after the enactment of this legislation, nor after the date of the withdrawal card, but must have been after he joined the Lodge from which he proposed to withdraw. If residing near to one Lodge he lawfully joins another more distant from his residence, he cannot claim the benefit of this law to alter his choice.

C. The change of residence need not necessarily be from one Jurisdiction to another, but may be from one section of a city to another section of the same city, or from one part to another part of the same county. I cannot hold that to move, say one or two miles from one district to another, would entitle the brother to his privilege, and yet a change of ten miles or more, from one section to another of the same city would exclude him from its benefits. The law was intended to enable brothers to belong to Lodges close to their place of residence.

D. The law does not apply to the Rebekah nor to the Encampment branches of the Order.

E. The application to the new Lodge need not be accompanied by a dismissal certificate, an official receipt or a withdrawal card. The facts necessary to support the application must appear in the petition itself, as the resolution provides. This petition in addition to the facts set forth in the ordinary application for membership must state that the applicant is a member of the Order entitled to a withdrawal card from his Lodge (naming it), or that he holds such a card in full force (producing it), that he changed his place of residence from the vicinity of his own Lodge to the vicinity of the one he now desires to join, and that he desires to join such Lodge. If on this petition he is elected, by ball ballot, as provided by local law, notice should be given by the new Lodge to the old Lodge, whereupon he shall be entitled to withdrawal card from his old Lodge (if he does not already hold one in full force), and to admission to the new Lodge on the conditions stated in the resolution of 1904.

78. Question.—Does the law (being resolution appended to Report No. 30, on page 761, of the Journal of 1904) apply to a withdrawal card in possession of a brother, or must the application be made on an official certificate or visiting card, and if elected, the Secretary so notify the old Lodge to which the brother belongs?

Answer.—If a brother holds a withdrawal card in full force, it is of the same effect as though he were "entitled" to one under the provisions of the resolution. He cannot be admitted under this resolution, however, either on an official certificate or a visiting card.

80. Question.—Can a Grand Lodge elect its Grand Master from the floor without previous service in office?

Answer.—Yes; unless there is some provision in your Constitution making him ineligible.

81. Statement.—Section 2168, of Busbee's Digest, contains the following: "A brother who is in possession of a dismissal certificate and the A. T. P. W. may visit a Lodge of his own Jurisdiction, although he be without the P. W. of the current term."

Question.—Is this digesting a correct statement of the law?

Answer.—No. The law is erroneously digested. This portion of paragraph 2168, of Busbee's Digest, is based on Decision No. 76 of the Grand Sire (approved by The Sovereign Grand Lodge), found on page 15,174 of the Journal of 1897. The decision made by the Grand Sire reads as follows:

"Decision No. 76. Question.—Can a brother who is in possession of a certificate and the A. T. P. W. visit a Lodge within the Jurisdiction containing his own Lodge, he being without the P. W. of the current term? Answer.—Yes."

The decision of the Grand Sire evidently referred to an official certificate or receipt, and not to a dismissal certificate. The digesting of Section 2168 on this subject should read as follows: A brother who is in possession of an official certificate or receipt and the A. T. P. W. may visit a Lodge within his own Jurisdiction, although he be without the P. W. of the current term.

85. Question.—Does the law passed by last session of The Sovereign Grand Lodge in the matter of transferring of membership by card or certificate without being required to pay an admission fee apply to cities having two or more Lodges, possessing concurrent jurisdiction, when members desire to transfer from one Lodge to another?

Answer.—You must note that under the resolution of 1904 there can be no transfer of membership on certificate but only on a withdrawal card. The

fact that the two Lodges are located within the same city does not prevent the transfer of membership, provided all the other conditions required by the resolution exist.

87. Question.—Is it conduct unbecoming an Odd Fellow for a man to be a chronic wife-beater and use vile and indecent language to his wife in the presence of his children, who are all minors?

Answer.—Emphatically yes.

91. Question.—A brother becomes a non-beneficial member according to Section 905 of Busbee's Digest. He resides in another Jurisdiction. How can his Lodge proceed in order that he may have the Annual Traveling Pass Word, and what kind of a certificate can they give him that Lodges in other Jurisdictions can receive him as a visitor?

Answer.—The brother should be given a visiting card. The law does not provide any specific form of visiting card in cases of non-beneficial members, as inquiry for them is rarely made. My suggestion would be that you should give him the ordinary visiting card, changed so as to meet his case. That is to say, the statement in the card showing what benefits he is entitled to should be stricken out and, in place thereof, the statement should be made that the brother is a non-beneficial member.

92. Question.—Can a Grand Lodge appropriate from its funds to purchase souvenir badges for Grand Representatives to distribute free at The Sovereign Grand Lodge?

Answer.—I understand that you are now referring to souvenir badges which are given to Grand Representatives to be by them distributed among their friends at The Sovereign Grand Lodge. My answer would be "No," a Grand Lodge has no right so to use its funds, unless its Constitution and By-Laws clearly so provide.

93. Question.—Can a Grand Lodge appropriate funds for a prize to the best-drilled canton?

Answer.—Yes; unless there is something in the Constitution or By-Laws of your Grand Lodge to prevent it.

REBEKAH DECISIONS.

94. Question.—Is it competent for a Grand Lodge to adopt the following resolution:

"Resolved, That hereafter the services of a watcher or nurse furnished to a disabled member by any Rebekah Lodge in this Jurisdiction shall be limited to a period of four weeks in any one disability, or such less time as said services may be needed."

Answer.—Yes.

95. Question.—Does the law providing for the honors of the Order, for elective and past elective officers of a Rebekah Assembly, contemplate that these honors shall be paid to elective and past elective officers of a Rebekah Assembly when visiting a Rebekah Lodge outside of their own Jurisdiction?

Answer.—Yes; provided the visit is on official business, or in an official capacity. See Busbee's Digest, Secs. 1247 and 2216.

96. Question.—Does the resolution recommended by the Special Committee on "transfer of Membership by Card or Certificate," found in Report No. 30, on page 64 of the Daily Journal of Proceedings of The Sovereign Grand Lodge at San Francisco, 1904, and adopted by The Sovereign Grand Lodge (see Daily Journal 161), apply to Rebekah Lodges?

Answer.—No.

97. Question.—Is a married lady, whose husband is not a member of the Order, whose father or brother is a member of the Order, eligible for membership in a Rebekah Lodge?

Answer.—Yes. The Rebekah Degree Code, Sec. 6, states the qualifications for membership in Rebekah Lodges as follows:

1. All persons who have received the Rebekah Degree.

2. All Odd Fellows in good standing; their wives, daughters, sisters and mothers; also the daughters, sisters and mothers of deceased Odd Fellows, who at the time of their death were members of our Order.

3. All unmarried white women, who have attained the age of 18 years.

Under this designation the applicant you speak of is the daughter and sister of a member of the Order in good standing. The fact that she is married to a man who is not an Odd Fellow does not render her ineligible.

98. Question.—Who is responsible for costs of appeal to The Sovereign Grand Lodge? In the case of an appeal where the committee directs the Lodge to pay the widow \$100, who should pay costs; the brother carrying the appeal to The Sovereign Grand Lodge, the Subordinate Lodge, or the Grand Lodge which affirmed the action of the Subordinate Lodge?

Answer.—The law of the Order makes no provision for the recovery of costs of an appeal by one litigant from another; therefore costs made by one

party can not be recovered from the other, no matter what may be the result of the litigation.

99. Question.—Have the officers of a Rebekah Assembly, such as President, Vice-President, Treasurer and Secretary, the right to hold office in their Rebekah Lodge in which they hold membership? If so, what office?

Answer.—Yes; any office. See Busbee's Digest, Sec. 2519.

100. Question.—Has the Grand Master not the privilege to instruct the President of a Rebekah Assembly or a Past Noble Grand to institute a new Rebekah Lodge?

Answer.—This matter is determined entirely by the law of the local Grand Lodge, to which I must refer you for answer.

101. Question.—Can a District Deputy Grand Master assist in instituting a new Rebekah Lodge who is himself not a Rebekah nor willing to be?

Answer.—No. See Sec. 3 of Rebekah Code.

102. Statement.—A married woman, not the wife of an Odd Fellow, who is not eighteen years of age, but is the daughter of an Odd Fellow in good standing, whose mother is a Rebekah and whose father-in-law and mother-in-law are also members of the Order, and whose husband is not old enough to become an Odd Fellow, makes application for membership in a Rebekah Lodge.

Question.—Is she eligible?

Answer.—She is not eligible because she has not attained the age of eighteen years. The eighteen year age-limit applies to all applicants except the wife of an Odd Fellow. See Journal of 1903, pages 427 and 428.

103. Question.—Can a District Deputy Grand Master of a Rebekah Lodge grant a dispensation to receive the application of, ballot upon, and initiate a candidate on one and the same meeting night of the Lodge?

Answer.—No; unless this power is given by local legislation. See Busbee's Digest, Secs. 2530, 2531, 2532.

104. Question.—Can a brother, who is a Noble Grand of his Subordinate Lodge, wear his Noble Grand regalia in the Rebekah Lodge of which he is a member?

Answer.—No. The regalia of a Noble Grand, Vice Grand, or other officer of a Lodge should be worn by the person lawfully occupying the office or chair at the time being. The Noble Grand's regalia is not one that should be worn by the Noble Grand, except when performing some duty of his office.

ENCAMPMENT DECISIONS.

106. Question.—Does the decision reported in Busbee's Digest, Sec. 1816, apply to Grand Encampments? The section of the Digest referred to being as follows:—

"But it is illegal for a Grand Lodge to permit any members of a suspended or expelled Lodge to become members as petitioners or otherwise, who were engaged in the illegal acts that caused the suspension or expulsion.

Answer.—Yes.

107. Question.—Can an encampment legally donate the sum of eight hundred dollars (\$800) for the formation of a Canton of Patriarchs Militant in the City in which Polynesia Encampment is located?

Answer.—No. The resolution adopted by The Sovereign Grand Lodge at the session of 1868, found in the Journal of that year on page 4423, and digested in Busbee's Digest, Sec. 514, is not broad enough to cover this proposition.

108. Question.—Is there any general law of the Order requiring encampments to pay funeral benefits?

Answer.—No. This is a matter regulated by local legislation in each jurisdiction.

109. Question.—Does the new legislation regarding joining Lodges on withdrawal card without expense, except for the card, apply as well to encampments?

Answer.—I assume you refer to the resolution of 1904, found on page 761 of the revised Journal. My answer is "No," the resolution does not apply to encampments.

112. Question.—Can an encampment initiate or advance a brother of the Scarlet Degree to the Patriarchal Degree by merely obligating him and instructing him in the secret work, without conferring upon him the ritualistic charges and lectures in the encampment by the proper officers by simply sending out a Past Chief Patriarch to administer the obligation in the ante-room?

Answer.—No.

DELAYED MISCELLANEOUS DECISIONS.

113. Question.—Does the resolution (1904 session as to transfer of membership on change of residence) apply to members moving from one vicinity to another in the same jurisdiction, as well as to those moving from one State to another?

Answer.—Yes.

114. Question.—If a member of a Lodge, who has been suspended for non-payment of dues, moves from one vicinity to another and makes application to a Lodge for admission, and is accepted as a member, must the Lodge of which he was first a member cancel all of the brother's back dues and grant him a withdrawal card upon application for the same, or must the brother pay up his indebtedness prior to receiving his withdrawal card?

Answer.—He must be entitled to a withdrawal card under the laws of the Jurisdiction of the Lodge from which he desires to withdraw, and must comply with all the requirements of the law, which are conditions to his being so entitled. When he has become entitled to the card, the Lodge should grant it under the provisions of the resolution of 1904, if the conditions specified in that resolution exist.

115. Question.—If a member has a withdrawal card and deposits the same with his application for membership in another Lodge, is he entitled to be received as a member in the Lodge where he deposits his card without charge as admission fee, the same as a member who makes application prior to receiving his withdrawal card?

Answer.—Yes; provided his withdrawal card is in full force, and provided all the conditions prescribed in the resolution of 1904 exist.

116. Question.—If a brother moves from one vicinity to another, and makes application for membership to a Lodge in the vicinity to which he removes, and is accepted by said Lodge, does the brother or the Lodge that has accepted him to become a member, make application to the former Lodge for a withdrawal card?

Answer.—The application should be made by the brother, but the new Lodge should give notice to the old Lodge of the application for membership.

117. Question.—Can a brother under the resolution of 1904 be proposed on a regular proposition blank by a member of the Lodge which he wishes to join, said proposition blank requiring the proposition fee to accompany it; or must the brother make application in writing, stating his desire to unite with said Lodge?

Answer.—The brother should apply by petition setting forth all the facts necessary to entitle him to the benefits of the resolution of 1904.

118. Question.—Does the resolution prohibit in the future all Lodges from charging an admission fee to members seeking admission in their Lodge by card or certificate?

Answer.—No. The resolution applies only to brothers who come within its descriptive provisions.

122. Question.—A Lodge appoints a special committee to make repairs on the Lodge-room. There is no objection in any way whatever as to the work being done. Has the Lodge the right to appoint such special committee when the Subordinate Constitution provides that the trustees shall "carry out all other acts not otherwise provided for?" Is the Lodge in duty bound to place this matter in the hands of the trustees, or has the Lodge the right to select a special committee for the purpose?

Answer.—The Lodge has the right to appoint a special committee to attend to such special and exceptional work.

EXHIBIT B.

Report of General Commanding, Patriarchs Militant.

ARMY HEADQUARTERS, MARENGO, IOWA, August 5, 1905.

Sir and Sire:—The honor is again had to report to you and through you to The Sovereign Grand Lodge, relative to the forces under this command, not including the statistical tables, detailed reports, general and special orders issued, such as may properly and will be submitted by and included in the report of the Adjutant-General.

Within the past ten months visitations of inspection, encouragement, promotion and instruction have been made with officers, chevaliers, cantons, and department councils, from the Golden Gate to Ply-

mouth Rock, from El Paso to Niagara, and in the concrete it may be said that throughout all departments there is found an interest, desire, and effort for the upbuilding and success of the Militant army, both as to enrollment and proficiency in attainments.

Scarcely three years since not more than half a dozen Department Councils were had, that were regularly attended. Now, as included in this report, it will be noted that twenty-two Departments are so organized, having annual sessions, transacting business appertaining to the Militant degree, conducting schools of instruction, and otherwise materially aiding in the more comprehensive understanding of the Militant features, and the better, more systematic, and thorough organization of such Departments. To which, in the near future, will be added several others. In all cases with the organization of a Department Council and the taking over of the Department management, direction and administration, particularly in the event of active, alert, and enthusiastic officers being selected, is the situation greatly improved and the beneficial results correspondingly increased, because of the greater opportunity thus afforded local officers and broadening their field of operation.

There is no special feature of Militant duty that should be more specifically executed than the proper observation of and participation in Memorial Day exercises, second Tuesday in June. Doing so as an escort to other bodies or in honor and memory of its own chevaliers, assigned to duty where the guard line is ever open and the Grand Council always welcomes. Such exercises should also be reported, the fitting and proper officer to receive such reports being the Department Chaplain, who should present a Department report to the General Staff Chaplain. In Departments where a Department Chaplain is not had, then such report should go directly to the General Staff Chaplain, who in turn, should prepare a proper memorial, with the list of names reported, that same might be included in the report of the General Commanding.

Advance figures kindly given from his report by Adjutant-General John G. Goodwin, give the Militant membership, December 31, 1904, as being 18,537, as against 18,832 reported December 31, 1903. Showing an apparent net decrease of 295. This is not at all surprising from the fact that it was a year of weeding out, counting chevaliers as to enrollment and placing the Militant reports on the actual available strength. That the Militant is on a better basis is had in the showing made of an increase, during the year, of \$36,026.12 in property on hand. As this mainly represents uniforms, personal property of chevaliers, it but confirms the new interest and added enrollment. Also is there had an increase of \$1,979.84 in the amount of money on hand, held in the treasury of the cantons. So that, with prior conditions fully compre-

hended and understood, the year's report is commendatory and of a nature to be quite satisfactory.

May 6, 1905, there was received from the Adjutant-General's office an application for a new canton at Kansas City, Kansas. Such application, with the fees, having been received at Baltimore July 28, 1903. The matter was at once taken up, and on June 1, 1905, thirty chevaliers were mustered into service, the new canton instituted, and officers installed.

While many matters of explanation have been had and inquiries made, yet all have been disposed of by citations and presentations of existing laws and precedent, so that no actual interpretations of law or rulings have been necessary, except in response to the request of Adjutant-General John B. Goodwin, as to the commissioning of staff officers, when the following ruling was made:

All staff officers shall be commissioned for and during the term of commission held by the officers making the appointment, and shall so serve during the pleasure of appointing officer or his period of duty, and until relieved by the commissioning of his successor.

VISITATIONS IN PART.

Enroute homeward from the Grand Jurisdiction, our host and entertainers for the session and cantonment of 1904, California, where, besides the splendid entertainment, many compliments and courtesies extended, much was learned within the Militant circles of great encouragement as to the future of that magnificent Department, and a stop was made at—

El Paso, Texas. A meeting of the canton attended with a number of visitors present. A resultant effect being an awakening that promised good for the local Militant. In fact, to visit the city of El Paso and be entertained by that prince of social life, eminent jurist, and statesman, Judge F. E. Hunter, is but to depart with regrets and ever look forward with pleasant anticipations when one may pass that way again. Attorney Randolph Terry is an accomplished lieutenant in the art of entertainment and contributed much to the pleasures of a trip through Mexico.

Soon after came the Grand Lodge of Iowa, a home meeting of familiar faces, and an annual reunion of great enjoyment. A week of busy handshaking that would not be here mentioned except to make due acknowledgment in return for the many honors, compliments, and courtesies extended.

Then the Grand Lodge of Illinois claimed our attention, and it was a pleasure to participate in the splendid reception accorded the Deputy Grand Sire by the home folks. In a Department with such competent officers, so much enthusiasm, zeal, and energy, having one of the best, most complete, and effective organizations known, there was but little

in the line of duty to be found, so that the time allotted was given to talking "turkey" for the Representatives. The "bird" being on hand in his magnificent proportions, the Thanksgiving was truly one to be remembered.

Responses were then made to a number of requests at different places in Iowa, closing with an enthusiastic Militant meeting at Lake City in company with the Grand Master, Will V. Tufford, where the chevaliers were found to be much in evidence in the accomplishment of all that was good or for the best interests of the Order.

Establishing headquarters at Washington, D. C., and entering on a system of enjoyable events, following closely one after another throughout the district, in all branches of the Order, but served to impress one of the fact that, while of the smallest in size, the Jurisdiction in all branches of Odd Fellowship is one of the very best and The Sovereign Grand Lodge will make no mistake in accepting the invitation for a session at the Capitol City. The inspection, drill, and dress parade by Canton Washington is ever an inspiration to higher ideals, with the thought of a duty well done.

An evening at Alexandria, Virginia, resulted in the establishment of another canton, or rather the resuscitation of an old one, that it is expected to have present at the Philadelphia demonstration.

Several days at Baltimore in company with our lamented Adjutant-General, being with him during his last day in directing affairs for the Order. Then to Philadelphia for a short stay, followed by an encouraging visit to Camden, New Jersey, that will furnish abundant evidence of its beneficial results in the attendance from that Department at Philadelphia in September. A short, but greatly enjoyed, visit was then had to Allentown, and at the home of our worthy Commander-in-Chief, Grand Sire Wright.

The Department of Kansas was visited and old cantons made new at Topeka, Wichita, and Independence, followed by a new organization at Caldwell and Kansas City, Kansas, with several others in contemplation by next year.

Then came a sorrowful announcement and a visit to Kentucky, where as a humble member of the Order and most sincere mourner, attendance was had at the funeral and interment of our subordinate officer, Adjutant-General J. Frank Grant.

In New York, again to Kansas, then to Michigan, attending the Grand Encampment and Department Council, where the zeal for the Order and enthusiasm for the Militant ever makes it an event of pleasure for the guest. The drills had were creditable alike to cantons and Department.

The Department Council of New York was attended and fully demonstrated the fact that the Department, as a whole, is maintaining a

high standing, with increasing enrollment and added Militant interest.

Visits were then made in Massachusetts, at Pittsfield, Springfield, Worcester, Boston, Medford, Malden, and Brockton. The Department Council being in session at the latter place. This Department being in such able hands, so capably officered throughout, and the compliments and courtesies tendered at each place being so overwhelming, with the many pleasant social features, it is but necessary to say that Militant attainments have reached a high standard, with its future assured in Massachusetts.

One day at Concord, New Hampshire, but such a day and such a Militant demonstration, so complete in all details, so many courtesies, but serve to make it one to be ever remembered. Almost sixty per cent of the Militant enrollment present, with a high order of degree exemption. The Militant personal, the high public standing and recognition, compels nothing but compliments and congratulations.

A surprise visit was then made to the field-day meet of the Department of Maine, and attendance had in company with the chevaliers at a clam bake and lobster roast, a picnic and a parade. If there is any one thing that will excel the enthusiasm and capacity of a Maine chevalier more than a clam bake, it is their unsurpassable energy for the Militant and pride in such membership.

Due acknowledgement of courtesies extended at Buffalo and Niagara Falls must be extended, but a meeting was not attended, same not being deemed necessary, as the one hundred or more from that vicinity to be at Philadelphia demonstrates.

Accompanying the Deputy Grand Sire and being present at the corner-stone laying of an Odd Fellow temple in Chicago, was a day of pleasure and enjoyment, particularly in witnessing the excellent appearance of the Militant as an overshadowing feature of the occasion.

The Grand Encampment and Department Council of Ohio, at Canton, presented the opportunity of paying respects at the tomb of a loved President, attending enjoyable sessions of both bodies, and participating in social events. The reorganization spirit, determination to go on, and awakened interest for the Militant, will here be fruitful of good results in the near future.

A number of Subordinate and Rebekah Lodge and general meetings were also attended, but as these come within the scope of duty and pleasures ever to be had by all Odd Fellows and not within the purview of this report, same can not be here detailed.

Brigadier-General H. R. Deitrick, Inspector-General, and Brigadier-General E. W. Bradford, Commissary-General and Secretary of the General Council, favored us with their presence and company during the New England visitations and inspections, adding much to the pleasures and accomplishments of the events. In New England, and at other

points, general staff officers added much, by their personal efforts and presence, in achieving desired results, for all of which great appreciation is felt.

DEPARTMENT COUNCILS.

In the interval since the last report, the Patriarchs Militant, as a whole, has moved steadily to the front, in point of interest, greater proficiency in degree work, higher attainments in military perfection and discipline, increased knowledge of existing rules and regulations, with better observance of same, and has developed a standard of moral and military official personnel commendable beyond measure, and as such an organization may justly be regarded with great pride by every member, whether he be occupying an official station, or be found within the ranks, the position of greatest honor, comfort and enjoyment of any to be had, which can not be otherwise than highly gratifying to those sincerely in interest. All of which is in the main the result of active, energetic enthusiasm, the kind that is contagious in spreading out, discerning new achievements for the betterment of the Militant and the cantons. The enthusiasm that produces lasting, living work is not the enthusiasm that plunges in with a great idea or even the exuberance of novelty or personal gain. It is the enthusiasm that grows and increases as time passes, that feeds on its successes, and grows with its failures. The enthusiasm that, like an express train, by its very rush and sweep, picks up and whirls into life the inertia by the roadside. The enthusiasm that knows how to plod, and puts life into the plodding; that sees possibilities in the impossible and works the miracle of transformation. It is this spirit which makes success, whether it be directed toward the building up or the perfecting of an organization. This spirit seems easy to copy, indeed is often copied for a little while, but can not be successfully imitated for any length of time. And he whose enthusiasm is assumed or not strong enough to live through the winter of difficulties is all the more painful as a failure from the realization which comes with it, that he never was what he seemed.

That the efforts of the past year may have your commendation, with high esteem and compliments, I am chivalrously,

M. A. RANEY, General Commanding.

HON. ROBERT E. WRIGHT, Commander-in-Chief and Grand Sire,
Allentown, Pa.

REPORT OF THE GRAND SECRETARY.

To The Sovereign Grand Lodge of the Independent Order of Odd Fellows:

OFFICERS AND REPRESENTATIVES: In submitting this report a brief statement of the circumstances under which it is made is appropriate.

The death of the late Grand Secretary, Bro. J. Frank Grant, occurred April 12, 1905, and this sad event was and is mourned throughout the world of Odd Fellowship. My appointment to the vacancy by Bro. R. E. Wright, Grand Sire, was made April 19, 1905; but business arrangements could not be made at once to assume the duties of the position, and the installation did not occur until the evening of May 12, 1905, the service being entered upon the morning of May 13, 1905. In the interval of one month between Bro. Grant's death and my installation, Bro. Elvin J. Curry, Assistant Grand Secretary, was the Acting Grand Secretary. In entering upon the service he was designated to continue as assistant, though it is doubtful whether reappointment was necessary as he had been appointed for the present term by the late Grand Secretary and his appointment approved at the last session of The Sovereign Grand Lodge, but that there should be no doubt as to his tenure it was my pleasure to reappoint him. The stenographer and shipping clerk, constituting the other help in the office, were also retained. The experience and service of all have been helpful and satisfactory.

The report, therefore, represents largely and mainly the work of the office under Grand Secretary Grant up to his death, though during his serious illness Bro. Curry was in charge of the office, as he was also after his death from April 12 to May 12.

The membership, relief, and expenditures of the Order for 1904 are shown in the annual report of Grand Bodies and Subordinates, and about half of these were received before, and the other half received and checked since, my incumbency. The fiscal year ended July 31, 1905, and, therefore, the receipts from representative tax, sales of supplies, etc., during the year now reported upon represent only about two months and a half of my service, much the greater volume thereof having been under the administration of the office by my distinguished predecessor. However, as the report is to be made from the records and by the incumbent, at the time it is made; and as it is not practicable without entailing much additional and unnecessary work to separate the matters embraced in it as between the different incumbents during the same year, and as any such divisions could not be as convenient or satisfactory to The Sovereign Grand Lodge and Order; and inasmuch as if any error or mistake should have been made during either incumbency, the records would readily show them and under whom made, with the concurrence of Bro. F. A. Stier, Chairman of the subcommittee on finance, and Bro. Elvin J. Curry, Assistant Grand Secretary with Bro. Grant, and Acting Grand Secretary during the period above stated, the report is submitted as a whole without showing separately the division of work as to time and service of each of the incumbents.

Again the records show the continued growth of the Order in membership, and in the volume of expenditures for benevolent work. This growth in membership and in fraternal and relief work must be gratifying to all. Such steady and marked progress can only be attributable to the principles and work of the Order, and the splendid loyalty and enthusiasm of the membership in carrying them out. This prosperous condition is shared in the subordinate Lodge, encampment, and Rebekah branches, but is more distinctly manifest in subordinates and in Rebekah Lodges. It is also worthy of special mention that in the reports for 1904 from all Grand Lodges on this Continent for subordinate membership there is no net loss from a single one, while from the foreign jurisdictions only two show losses and those exceedingly small.

The net gains are as follows: In subordinate Lodge membership, 65,724; in encampment membership, 9,990; in Rebekah Lodge membership, 25,391; in sisters of Rebekah Lodges, 17,821. The grand total of membership of subordinate Lodges and sisters of Rebekah Lodges being, at the end of 1904, 1,520,621. In this total Patriarchs of the Encampment branch and Brothers of the Rebekah Lodges are not included separately, as they are represented in subordinate Lodge membership. The total relief expenditure reported for 1904 is \$4,630,744.05, being \$304,234.86 in excess of that reported for 1903.

GRAND REPRESENTATIVES.

It is pleasing to note that we again add to our roll call two new Grand Representatives. Through the faithful work of our South Carolina brethren the Grand Encampment of that Jurisdiction has been resuscitated and sends a new Grand Representative. An additional one is sent also from the Grand Encampment of Idaho. These additions make a total of 197 Grand Representatives whose credentials are on file in this office.

CORRESPONDENCE.

It is confidently believed that a careful reading of the following correspondence, being in most instances extracts from letters recently received, will well indicate the condition of the several branches of the Order in the Jurisdictions thus represented, and will prove beneficial because of the suggestions and experiences therein given. These extracts supplement somewhat the annual reports and generally give information nearer in point of time and in different and diversified form. Those here presented are full of good cheer and encouragement, as they have regularly been for years past, and are well worthy of examination.

GRAND LODGES.

ALABAMA—H. C. Weaver, Grand Secretary, writes: "I take pleasure in reporting to you that the Order in this Jurisdiction still continues in a growing and flourishing condition, though we have some few Lodges that are not thriving as well as we would like to have them. The Semi-Annual reports show the Order has made substantial gains in membership, with increased revenue, more Lodge investments, and larger balances in treasuries.

"During the Grand Lodge year from May, 1903 to 1904, (36) thirty-six subordinate Lodges were instituted.

"During the year 1904, from January 1st to December 31st, (49) forty-nine Lodges were instituted; we have to December 31st, 1904, (301) three hundred and one subordinate Lodges, with a membership of (16,450) sixteen thousand four hundred and fifty, and a net gain in membership of (1,220) one thousand two hundred and twenty, and a gain of (45) forty-five Lodges.

"The gains in membership and new Lodges instituted during the past year must be pleasing to all."

ARKANSAS—John P. Paul, Grand Secretary, writes: "Twelve busy months have come and gone, and it is a profound pleasure to me to report that the Order in Arkansas for the past five years has been progressive. We have made a net gain of 10,036 since 1899; and in the year of 1904 we made a net gain of 3,296 in membership, and 54 new Lodges.

"Our lodges are active and enthusiastic, and fully alive to the work we are endeavoring to do. We not only strive to build up new Lodges, but are continually looking after our weak and dormant Lodges. We have a solid column from Lodge No. 1 to Lodge No. 316, all up with their reports and in good standing."

BRITISH COLUMBIA—Fred Davey, Grand Secretary, writes: "I regret that our annual report has not shown a larger increase in membership. It is larger, however, than the preceding year, and we are very sanguine that the near future will add considerably to the prosperity

of the Order in this Province. Meanwhile, we are practically demonstrating the principles of the Order by reciprocal relief and kindly offices to one another in the day of trouble, as our relief report will undeniably prove. We are, however, severely handicapped here by being brought into competition with other kindred societies, who admit young men at eighteen years of age, and who thereby secure the flower of those eligible to membership, before they are old enough to join our Lodges. We are in hope that The Sovereign Grand Lodge will soon see the wisdom of reducing the age limit, so that we may be in a position to meet these rival organizations on an equal footing.

"I was very much surprised and grieved to get the newspaper announcing the death of Bro. Grant; his death is a great loss to the Order."

CALIFORNIA—Geo. T. Shaw, Grand Secretary, writes: "The Order is doing finely in this Jurisdiction, and the present Grand Master, W. W. Phelps, of Riverside, reports that he finds lots of enthusiasm among the Lodges he has visited. Many new halls are under way and we anticipate more than a fair rate of increase in membership during this year."

COLORADO—J. M. Norman, Grand Secretary, writes: "In submitting my report for the year closing December 31, 1904, I beg to say that the industrial condition of Colorado for the last two years has been anything but prosperous. Strikes throughout the State have invaded every avenue of business and impeded progress.

"Our mines have been closed, and the miners have been compelled to seek employment in other States.

"This unfortunate condition has been felt by our Order and retarded its usual growth. But I am more than pleased to say that we have held our own during the year.

"Our skies are brightening now—from all over the Jurisdiction comes the glad news that the Lodges are enjoying a real 'boom,' and I believe 1905 will show a large increase in membership."

CONNECTICUT—Frederick Botsford, Grand Secretary, writes: "That terrible suspension seems to increase, 431 members being suspended in 1904; death rates are also increased. This is accounted for in a great measure by the large number of old members in our Lodges who are dropping off quite rapidly, but I do not know what to think of the suspensions. The only thing I can imagine is that many join who have no love for the Order, and after a while drop off and join some other secret society.

"Another thing which I do not like is the immense expense account. I think a large portion of it is illegally expended for entertainments or something of that nature, for it is not possible that Lodges properly managed could expend so much. I shall call the attention of the Grand

Lodge to the fact in my next report, and ask for a thorough investigation by the committee on State of the Order."

DELAWARE—Isaac W. Hallam, Grand Secretary, writes: "In presenting this report we come as the bearer of good tidings. A most successful issue has welcomed the efforts advanced for an increase in membership. During the year a net gain of one hundred and eleven has been added to the rolls of the several Lodges.

"The financial situation is also most excellent, an increase of receipts, with a decrease of expenses showing a grand total of values, better than ever before in this Jurisdiction—and the good work will surely be continued, with an expectation of securing gratifying results."

DISTRICT OF COLUMBIA—Jos. I. Porter, Grand Secretary, writes: "Our Order shows in this Jurisdiction a steady and healthy growth, both in membership and finances, and while we may not be entirely satisfied, it is only because our ambitions may exceed our abilities to bring about larger results.

"The movement in the District of Columbia to found an Odd Fellows' Home is progressing. This Jurisdiction is small and the undertaking large, but the funds are slowly and surely growing, and it's hoped that 'The Odd Fellows' Home Association of the District of Columbia' may, before many years are passed, be able to say its work has been well done."

FLORIDA—A. M. Cushman, Grand Secretary, writes: "It is with an unusual degree of pleasure that I make my annual report of the condition of the Order in this Jurisdiction.

"During the past year there has been a net gain of nine Lodges and 542 members. Mere figures do not show the actual increase in enthusiasm; the growth in membership, as represented by numbers alone, must not be taken as the best and only index to the practical results of the Order in this Jurisdiction. I am satisfied that it is a healthy growth, and there is every indication that the good work will go on."

GEORGIA—J. S. Tyson, Grand Secretary, writes: "I am sure that you will rejoice with us in the continued prosperity and increase of membership in this State.

"What we may accomplish this year remains to be seen, but the indications now are that as much or more will be done. Since January 1st, seven Lodges have been instituted and dispensations are now out for two more.

"We regret to note so many suspensions for non-payment of dues; we are gratified, however, that it is less than for the preceding year by nearly one hundred; we cherish the hope that the improved conditions will continue and that in a short time these suspensions may be reduced to the minimum.

"It will be seen that during the year our increase was 45 Lodges and 3,563 members.

"December 31, 1899, we had 111 Lodges, with 4,896 members; an increase of 146 Lodges and 15,806 members in five years, we think, will compare favorably with the larger and more prosperous jurisdictions and leads us to believe that it is not beyond the bounds of possibility for Georgia to have fifty thousand within a comparatively short time."

IDAHO—D. S. Badley, Grand Secretary, writes: "I take pleasure in handing to you the annual report from the Jurisdiction of Idaho. While it is not up to the last one in growth, it is, nevertheless, a report that we are proud of. It shows us still growing, and that but feebly reflects the actual advance we have made along the lines of progression. We are getting stronger in knowledge and influence, and are wielding a mighty influence for good in our young and growing State. More than three-fourths of our Lodges either own their own halls or have them in process of building. We own nearly a million dollars' worth of property, and it is constantly gaining in value. Our membership is composed of our best citizens. This is proven by the fact, that more than half of our State, County, Precinct and City Officers are Odd Fellows. Not, as you know, chosen because they are members of the Order, but because our officers are chosen from our foremost and most substantial citizens, and such compose our membership. We are occupying all our territory as it opens up to settlement, and try to keep abreast with its advancement. So far the present year shows greater gains than last. We will engage to keep our beloved State up with the procession, and really think we can get ahead of some of the older ones."

ILLINOIS—John H. Sikes, Grand Secretary, writes: "The Grand Jurisdiction of Illinois is maintaining its excellent reputation as one of the leading States of the Union with reference to Odd Fellowship. We now have 909 subordinate and 625 Rebekah Lodges, representing a subordinate membership of 69,882, and a Rebekah membership of 33,648, the net gain, respectively, being 3,039 and 1,737.

"The Order in this Jurisdiction is experiencing a steady growth, both in members and interest. We are endeavoring to influence the lives of our members in right lines, and our efforts have not been in vain, as is evidenced by the amount of relief extended, as well as by our Orphans' and Old Folks' Homes.

"The capitation tax in this Jurisdiction for the year 1905 is \$0.85 per member, which includes the maintenance of our Homes, the annual session of our Grand Lodge, in which we have Lodge representation, salaries and all other expenses.

"Our two Homes are maintained by appropriations made at each session of the Grand Lodge, which for the present year is \$21,500 for

the Orphans' Home, and \$15,650 for the Old Folks' Home, or computing it on our membership, amounting to \$0.53 per capita.

The stability and growth of the Order is further evidenced by the fact that we have 909 subordinate Lodges in Illinois and but four charters were surrendered during the past year. Our Lodges are well managed and their finances are in good condition, the net worth of our subordinate Lodges being \$2,295,325.42.

"The three branches of Odd Fellowship are maintaining 1,731 organizations in this Jurisdiction, the influence of which can not be estimated. The command to visit the sick, relieve the distressed, bury the dead, and educate the Orphan, is being exemplified by our Lodges, while patriotism and loyalty to country are being instilled at every meeting, and I am persuaded that the cause of good citizenship and good government owes much to the Independent Order of Odd Fellows."

INDIANA—W. H. Leedy, Grand Secretary, writes: "The Order in Indiana is in excellent condition. Our gain for 1904 was 2,575. For the first six months of 1905 it will approximate 2,000, and for the year 1905 may reach 3,000. Our gains have been continuous for many years—have, in fact, averaged, nearly 3,000 per year for the past nine years. It would seem that we are growing likewise in usefulness. We have just completed and paid for an additional building at our Home, which now gives a capacity of about 200 guests. Our two buildings and adjoining improvements cost approximately \$125,000. The Home is the pride of the Order in the State.

"The new law regarding the deposit of withdrawal cards without fee is favorably received. It is believed it should be made to apply to all branches.

"The changes in membership, deposit, and withdrawal, for the term ending June 30, 1905, have greatly increased—probably trebled—because of this law.

"All in all, Indiana is in excellent shape, harmonious and endowed with energy."

INDIAN TERRITORY—G. H. Alexander, Grand Secretary, writes: "The year 1904 was a prosperous one for Indian Territory Odd Fellowship, showing a growth in membership of 854. We are increasing rapidly, both in membership and the number of Lodges. Interest and enthusiasm are unprecedented in this Jurisdiction.

"We are now caring for 25 little orphans in the Home at Checotah. Our Home is the pride of the Order, and we are making arrangements to build an addition to it in the near future.

"The Rebekah branch is also growing rapidly and is doing some good work. At this writing we have 100 Rebekah and 186 Subordinate Lodges, all in good working order and having a splendid growth."

KANSAS—W. H. Kemper, Grand Secretary, writes: "I here inclose

the annual reports of the Grand Lodge and Rebekah Assembly of Kansas, and am glad to be able to make such a good report. We have been gaining rapidly for the past few years and have a bright future before us. Everything in Kansas is in the most prospering condition and Odd Fellowship is in the lead of all organizations."

KENTUCKY—R. G. Elliott, Grand Secretary, writes: "This is the best report in the history of the Grand Lodge. In addition to a number of new Lodges, we have had over three thousand increase, and for last year every Lodge in the State reported.

"The Order in Kentucky has been on the increase for the past three years, and we trust that we will be able to show fine work for the year 1905. You will also notice that the Rebekah report shows a handsome increase."

MAINE—Russell G. Dyer, Grand Secretary, writes: "It is not possible in mid-summer to give other than a guess, or estimate, of the condition of the Order in this State. It is usual for Lodges to make suspensions for non-payment of dues in the last half of the year. It is certain, however, that we have made a material advance, and I believe that when the returns are tabulated next January, they will show more than the ordinary gain. I believe the Order in Maine, at this moment, is in better condition than it ever was since its institution in 1843. We have instituted five Subordinate Lodges and five Rebekah Lodges since the beginning of the Grand Lodge year, a record that has not been duplicated since 1894-95. In addition we have the petition for the sixth Rebekah Lodge. Two Subordinate Lodges have been instituted under the new law passed at the last session of The Sovereign Grand Lodge, where the charter members were not Odd Fellows. This law has been of material assistance in this State, and we believe it a wise measure. The remarkable success this year is due to a 'hustling Grand Master, Bro. Leon S. Merrill.' It is rare that a jurisdiction can find a man who will sacrifice \$1,000 of his own to advance the interests of the Order, but this is what our Grand Master has done. Maine is indeed fortunate in having found such a man. Grand Master Merrill has been able, tactful, and judicial in his administration. This reminds us that never in the history of the Order in this Jurisdiction were the different branches so ably officered as at the present time. What I have said of the Grand Master applies with equal force to Grand Patriarch Herbert W. Sears, who has been indefatigable in his work. Gen. William E. Plummer is one of the best Department Commanders ever elevated to the head of the Patriarchs Militant of Maine, while in the Rebekah Assembly, the President, Minnie F. Spencer, has proved one of the ablest and most lovable women among the distinguished Rebekahs who have presided over the destinies of that branch of our Order."

MANITOBA—D. B. Deering, Grand Secretary, writes: "It is very gratifying to me to report that Odd Fellowship in Manitoba and the Territories is in a very prosperous condition; our gain in Lodges is 10 and in membership 545; the prospect for the present year is equally bright. The Rebekah Lodges made an increase of 176, and have now a membership of 814, and are doing splendid work. Our Home fund now amounts to \$6,651.09."

MARITIME PROVINCES—A. P. Messervey, Grand Secretary, writes: "Regarding the standing of the Order in this Jurisdiction, you will note that during the year five new Lodges were instituted, and a net gain in membership of 338. This is an improvement over the previous year, and the indications are that this year will, at least in membership, be somewhat greater than is now reported.

"It is a pleasure to state we have not had an expulsion or suspension for cause, among our membership, during the past year, which is certainly indicative of the peace, harmony, and good-will that prevails in our midst."

MARYLAND—John M. Jones, Grand Secretary, writes: "The report from the Grand Lodge, I am pleased to say, shows a fair gain in membership during the year, though not as large as we could have desired. However, we feel greatly encouraged by the results of the past year, and have every reason to believe that we shall be able to show a greater prosperity for the coming year.

"Much interest is being manifested among the Lodges throughout the entire Jurisdiction."

MICHIGAN—H. N. Wilder, Grand Secretary, writes: "We are glad to report our Lodges here in Michigan in a flourishing condition, having a net increase of 2,124 for the year, among our 492 Lodges, total membership December 31 last, 41,275, and for the first seven months of this year, since October, twelve new Lodges have been instituted, and the prospects are good for at least one-half dozen more.

"Our membership seems contented and happy, and our record for this year will, according to present indications, be much larger than last.

"We have our new Home for Orphans, aged and indigent Odd Fellows and Rebekahs, nearly paid for, which was dedicated last year, and have at present eleven inmates. We are attempting to make it a haven of rest for the aged and infirm, who have been worn out in the service, as well as a Home for the little ones who have been deprived of the comforts of home by the loss of their parents, and it is indeed a comfort to see the little flock gathered together in this beautiful spot, under the protecting care of our worthy Matron, Sister Peet.

"Memorial services will be held on the grounds on the 18th of June,

when excursions will be run there from all quarters of the State, that can reach here and home again in one day.

"We feel deeply the loss of our esteemed Brother Grant, but we thank God that the home of our Order still lives at Baltimore, and promise you the same support always accorded to Brother Grant. Our united Brotherhood bids you a God speed in the great work."

MISSISSIPPI—Walter S. P. Doty, Grand Secretary, writes: "Odd Fellowship in Mississippi shows substantial gains and fairly prosperous circumstances, with brightening hopes for the future."

J. J. Coman, Grand Master, writes: "At our recent session of the Grand Lodge in this city the Secretary's report showed an increase in membership of twelve hundred. The semi-annual reports for June give a healthy increase in membership. We had a most delightful session of the Grand Lodge, and each delegate pledged me hearty and active co-operation in extending the principles of our grand Order. Up to the present time we have succeeded in instituting four new Lodges, reviving three dormant ones, and have dispensation for two new ones. I have inaugurated a system of district meetings, to be composed of delegates from the several Lodges, and presided over by a D. D. G. M. We recently held one of these meetings at Hattiesburg at which over one hundred members were present. The enthusiasm and interest does not seem to be confined to any special part of our State, and the outlook is indeed encouraging, which, of course, stimulates all concerned."

MISSOURI—E. M. Sloan, Grand Secretary, writes: "Of the subordinate branch, it affords me much pleasure to say that we are still increasing in strength in all respects. Our Order has been upon such a sure foundation in Missouri for so many years, that we look for nothing else but prosperity. While we did not gain so much during the year just closed as we did the previous one, yet there is still cause for congratulation, when, surrounded as we are by a multitude of semi-kindred organizations, we are able to outstrip them all in our rapid increase. I think an examination of the reports will show that we in no sense fall behind any of our sister jurisdictions."

MONTANA—A. J. White, Grand Secretary, writes: "There has not been any gain in the number of Lodges, nor any loss; none instituted, nor any gone defunct or consolidated.

"There is a clear gain of 105 in membership.

"This year I think we will make a better showing. One Lodge instituted last month and a petition out for another."

NEVADA—Wm. Sutherland, Grand Secretary, writes: "The returns for the year ending December 31, 1904, show a gain of membership in this Jurisdiction of five, and the institution of one new Lodge. Owing

to the mining excitement in our State, quite a number of Brothers have moved from their old homes and gone to new fields, and, in the meantime neglected keeping up their standing in the Order, and have been dropped for non-payment of dues. In the course of a short time things will be more settled, and the outlook will be much brighter for our Order."

NEW HAMPSHIRE—Frank L. Way, Grand Secretary, writes: "In accordance with the usual custom, when submitting the annual reports, I am at liberty to make a statement as to the general condition of the Order in this Jurisdiction. New Hampshire continues to maintain a steady growth in Odd Fellowship, and the past year has shown a slight increase over any of the five previous years.

"Two new Lodges have been instituted, which now give us an unbroken chain of 103, and each and every Lodge is as sound and solid as the rock-ribbed hills that nestle them.

"New Hampshire Odd Fellows take a pride in the fact that no ordinary circumstances will cause them to relinquish their affiliation with the Order, when once entered into; and they are proud that the percentage of suspensions for non-payment of dues remains at a minimum, when compared with other jurisdictions."

NEW JERSEY—Lewis Parker, Grand Secretary, writes: "I am happy to report that there is a gain in membership of 299, and an active evidence of benevolence. Throughout our Jurisdiction there is a marked indication of enthusiasm. We are growing in every regard. Our operations are entirely harmonious and the kindest fraternal feeling prevails among us everywhere.

"I also enclose the report of the Rebekah Lodges, which shows a small but steady increase."

NEW MEXICO—N. E. Stevens, Grand Secretary, writes: "Dear Sir and Brother: It gives me great pleasure to report that the Subordinate Lodges in New Mexico, with one or two exceptions, are in a very flourishing condition, and our membership is increasing, as shown by our annual report for 1904, and the prospect is good for a much larger gain for the year 1905."

NEW YORK—Harry Walker, Grand Secretary, writes: "In presenting the annual report of the Grand Lodge of New York, it gives me pleasure to call your attention to the steady increase in membership, which has attended our efforts in the work of the Order. Not only has the membership increased, but the standard of the work has been raised. Our prospects for further development are bright, and we have every reason to suppose that the next year's report will show greater additions to our ranks."

NORTH CAROLINA—B. H. Woodell, Grand Secretary, writes: "I enclose the reports for both the Subordinate and Rebekah branches of the Order, for the year 1904, in this Jurisdiction. While our gains are not phenomenal, they are decided and embrace every department. Taking the circumstances and surroundings of the year into consideration, it has been one of the most successful for our Order that we have ever experienced. Our prospects for 1905 are, in many respects, more flattering than one year ago. We are doing more work in instituting new Lodges than we have ever done, and our Lodges seem to have taken on more life and energy since the political horizon has cleared away. We are not predicting wonders, but we are fully persuaded that our gradual steady growth will continue. We will erect another Home for our aged and infirm members this year, and we think this will stimulate us in our growth. When we do something for others, we reap the benefit ourselves."

NORTH DAKOTA—Don McDonald, Grand Secretary, writes: "This Jurisdiction shows substantial gains in the subordinate branch of the Order. Our Lodges are in healthy condition and show an average increase of about ten per cent. Since January 1 we have instituted five new Lodges. We look forward to a banner year for 1905."

OHIO—C. H. Lyman, Grand Secretary, writes: "We are gratified to report that our gain for 1904 was 1,749. While we have failed to maintain the high percentage of the year preceding in the net gain of membership, we are to be congratulated that our enrollment at the close of the year exceeded the seventy-five thousand mark at which we aimed in last year's report. The gain in membership, coupled as it is with increases in receipts, in relief paid, in investments, and in net assets, make up the most gratifying summary of condition that it has ever been your present Grand Secretary's pleasure to submit to this honorable body. The prospects for 1905 are very flattering, and it would not surprise us that 1905 would be the banner year. Our Subordinate Lodges seem to be 'getting busy and propose to keep busy.' Four new Subordinate Lodges will be instituted during the year. At the 1905 session of the Grand Lodge our laws were so amended that it permits the Grand Master to grant dispensations for new Lodges during the recess of the Grand Body. This will be a great help to our Jurisdiction. Seven different towns are now soliciting Charter lists."

OKLAHOMA—H. L. Strough, Grand Secretary, writes: "Dear Sir and Brother, it is with pleasure that I report the subordinate branch of the Order in Oklahoma to be in a very flourishing condition. The reports for the year ending December 31, 1904, show a total of 198 Lodges with a membership of 10,974, a net gain during the year of 32 Lodges and 1,782 members. Since January 1, 1905, we have instituted 8 new Lodges,

bringing the grand total up to 206, with an approximate membership of 11,300. We think that we have cause to feel proud of our record, which covers a period of less than 16 years, the first Lodge in Oklahoma being organized upon October 24, 1889.

"During the year 1904, the Order in Oklahoma paid out for relief the sum of \$17,195.01, and the subordinate reports show invested funds of \$138,877.42.

"We expect, at the next meeting of the Grand Lodge, to locate and establish an Orphans' Home—we need it and must have it—and we believe that our efforts will be successful this year."

ONTARIO—J. B. King, Grand Secretary, writes: "The progress which has attended the Order in Ontario during the last few years would justify a very much more full report than I have given, but I can assure you that it is with very much gratification that the annual report of the Grand Lodge of Ontario for 1904 is made to The Sovereign Grand Lodge. The past few years have been prosperous indeed, there having been a steady growth in all departments of Odd Fellowship in this Jurisdiction. Quite a number of new Lodges have been added to the roster and the membership very largely increased, which I am satisfied will be as gratifying to you as to this particular Jurisdiction. At the same time the funds have increased correspondingly, so that all the benevolent and charitable work of the Order has been carried on. We have now our Odd Fellows' Home for aged Odd Fellows, widows of Odd Fellows and their orphan children in complete running order. We have a Home for the aged and an Orphanage for the children, about 80 acres of land well stocked with fruit, all in excellent running order. We have six adults and four children in the Home, who are being cared for as only Odd Fellows can attend to such duties. This year, 1905, is the Golden Jubilee of the Order in Ontario, and the Grand Lodge is celebrating the event at Brockville, the town where it was first instituted in 1855, and thus this year completes its first half-century of work. The growth of the Order has been marvelous, and its benefactions have far exceeded the rosiest dreams of its pioneers."

OREGON—E. E. Sharon, Grand Secretary, writes: "Enclosed find annual report of the Grand Lodge of Oregon, for 1904, showing a net increase in membership of 870, and an increase in assets of \$41,785.00. Eight new Lodges have been organized since January 1, and prospects are bright for a large increase in membership during 1905. Our Lodges are all prosperous, in fact, a general air of prosperity pervades the atmosphere of the entire State."

PENNSYLVANIA—Joseph H. Mackey, Grand Secretary, writes: "In summarizing the work of Odd Fellowship in Pennsylvania during the past year, it gives me great pleasure, as well as sincere gratification,

to point to the inherently expansive and progressive development attained with each succeeding year.

"During the year just closed the reports show an increase in membership of 4,114, making our membership at this writing assume a total of 128,176, with a total number of Lodges aggregating 1,133; a truly remarkable statement, since a development such as this gives sufficient and ample proof that Odd Fellowship is destined to survive any and all changes of political or social conditions in our Commonwealth.

"Our growth has not alone followed material lines, but is reaching out to comprehend development to a higher plane, socially and morally. Our homes for the Orphan and aged Odd Fellow and his wife are receiving a degree of attention which must challenge the interest of our entire membership, and secure the very best possible results for the future.

"We have certainly been singularly blessed in every channel of our fraternal work, and I trust we are sufficiently grateful for the exceptional advantages we enjoy."

QUEBEC—T. J. Potter, Grand Secretary, writes: "I am pleased to report an increase of 125 in our membership for the past year. This may seem small to some of our larger jurisdictions, but it requires a lot of hard work on our part to accomplish even this. We are also moving steadily ahead financially, our assets are now \$103,000.00, and while we look back with gratitude at the result of our work, let us remember that we can not too strongly or too frequently emphasize the fact that the Subordinate Lodge room is the generating station of success, and impress upon our members the necessity of attending the meetings."

RHODE ISLAND—Wm. H. T. Mosley, Grand Secretary, writes: "It is with pleasure that I am enabled to report an increase in membership, which is a gratifying indication of an awakened interest throughout the Jurisdiction, and at the same time exhibits the effect of active and vigorous work. Let us hope that this activity will become chronic; that we will be ever ready to take advantage of each opportunity to increase our strength and thus keep pace with the progress that is constantly being made in sister jurisdictions."

SOUTH CAROLINA—S. F. Killingsworth, Grand Secretary, writes: "The Order in this State was never in such a healthy condition. We found the demand was so great that the Grand Master could not give time enough to the Order throughout the State, and the Grand Lodge elected a State organizer and the work is moving along fine. This year promises to be the best year in the history of the Order in this State. Our Orphans' Home will be open in about six months, and we can see the great interest it has created already."

SOUTH DAKOTA—Harvey J. Rice, Grand Secretary, writes: "In regard to Subordinate Lodges, we feel very much gratified over the nice increase of 502 members for the year. Our Lodges are in a good healthy condition, and a great deal of interest is manifested in the work—"the only contention is who best can work?"

"Since January 1, 1905, we have instituted 4 new Lodges, adding nearly a hundred to our membership."

TENNESSEE—J. R. Harwell, Grand Secretary, writes: "The Order in Tennessee is growing and prospering to a degree that is simply amazing. We have not less than 30,000 Subordinate Lodge members in the State. In fact, the Order has more than doubled itself in the past three years. For ten or twelve years we have made a systematic effort to educate the people in the principles and purposes of the Order by the extensive distribution of literature explaining these. Then, the club system adopted in 1902 has had a wonderfully stimulating effect. We now have very few weak Lodges, nearly all being strong and vigorous, and our membership is active and earnest. I believe this prosperity in the 'Volunteer State' has come to stay. Every Odd Fellow in our Jurisdiction is proud of the Order, not only because it is far in the lead of all kindred organizations in the State, but specially for its glorious principles and its noble record."

TEXAS—G. C. Fahm, Grand Secretary, writes: "The semi-annual reports of Subordinate Lodges in this state show a total membership, December 31, 1904, of 21,153, and a net gain of 2,238. There were 43 Subordinate Lodges instituted during the year. There is every reason to be grateful for the good work done in Texas for the year, and we feel encouraged to go on, hoping for still greater results."

UTAH—Peter A. Simpkins, Grand Secretary, writes: "It has been one which has repeated the splendid spirit and record of other years, and a study of the tables will show a continuance of growth and increase in all branches.

"Despite the heavy losses incident to the unhappy industrial disturbances in Carbon county, which are alone responsible for a loss of 150 members, we have shown a growth, and our actual membership April 1 was about 2,500 members. Indeed it is beyond question, that the Jurisdiction is in better condition than ever before."

UTAH—S. E. Straup, Grand Master, says: "It is a matter for congratulation that we can show a decided advance for the year. We have lost by suspensions nearly 325 during the year, and while we report this loss, it is well known that there is a specific and unusual cause for so heavy a drain. Whatever loss was to come because of the local conditions in our Carbon County Lodges has been realized, and we are again upon a solid basis for growth and advance. Professional ties

have prevented my giving that full and continued personal attention to details which I would have given, but I have done my best to raise the standard of the life within the Order, and also to intensify the realization of the value of more perfect work in the conferring of the degrees.

"The remarkable unanimity and concord which have prevailed so notably in preceding years have marked this one also, and not one controversy of importance sufficient to attract the attention of the Grand Master has emerged in the life and work of the year.

"Despite difficulties and serious drains, we have advanced in numbers and strength. Amid conditions in the State inimical to full concord, such as are incident to the National and State elections, the beautiful spirit of Odd Fellowship has burned with unusual brilliance, and perhaps never in the Order's history was more widely manifest than at this time.

"At this time, too, a wave of new interest is evidenced in the addition to the rosters of almost all our Lodges of lists of new names, and it is safe to assert that, as never before, the work of initiation and conferring degrees is being done in that dignified and impressive manner calculated to carry the deep lessons of the work to the hearts of the new brothers."

VERMONT—H. E. Parker, Grand Secretary, writes: "The Green Mountain Jurisdiction shows a very healthy growth, both in membership and financial standing.

Total membership, Subordinate Lodges, January 1, was 6,505, a net gain of 272.

"Amount paid for relief during the year 1904 was \$14,360.07.

"Financial valuation of the 72 Lodges, \$130,184.25.

"The Gill Home at Ludlow is prospering and being managed economically and to the satisfaction and comfort of the residents therein.

"All in all, Vermont Odd Fellows are to be congratulated on the good work they are doing in behalf of the Order, and the prospect for still greater results in the future."

VIRGINIA—T. Wiley Davis, Grand Secretary, writes: "Our report does not show quite as many initiations as during the year 1903, yet it shows a very encouraging increase in nearly all items that have to be reported to the Sovereign Grand Body.

"Increase in the number of Lodges, 15; in number of members, 2,488; in Lodge receipts, \$9,504.73; in relief, \$2,812.62.

"The number dropped for non-payment of dues is rather greater than during the preceding year, because, I suppose, we had a larger membership than ever before.

"The subject of suspension for non-payment of dues in this Jurisdiction is one that gives this office and each Grand Master much concern, and we find it a very difficult question to answer with any degree of satisfaction. In fact, I am convinced after much experience in the office of Grand Secretary, that the nearest approach we have for a remedy is, or will be found, in urging the membership to a more prompt and constant attendance upon the regular Lodge meetings.

"In my experience of 31 years as the Secretary of my Subordinate Lodge, I always noticed that those who attended the meetings regularly were likely to keep their dues fully paid up."

WASHINGTON—Louis F. Hart, Grand Secretary, writes: "The Order in our Jurisdiction enjoys, with our entire citizenship, the general prosperity with which our country appears to be blessed.

"Our Lodges are all in good healthy condition; and the net increase of 1,201 members for the year 1904 is quite satisfactory.

"A number of Lodges have built, during the past year, and others are now building their own Lodge halls.

"It is the proud boast of the fraternity in the evergreen Jurisdiction that the Odd Fellows own more Lodge buildings in the State than all other Fraternal Orders combined.

"The best part of this is, that all are either out of debt or so nearly so as to make the possibility of loss well nigh *nil*.

"The Lodges are all doing well; and I have every reason to believe that our membership will pass the 15,000 mark by June 30, 1905."

WEST VIRGINIA—E. A. Billingslea, Grand Secretary, writes: "I am much pleased to report to you that the Grand Jurisdiction of West Virginia did nobly during the year 1904, having added to its roll of membership the magnificent gain of one thousand eight hundred and sixty-eight (1,868) members, and to the roll of Lodges twenty-four (24). We feel that we have cause for rejoicing."

WISCONSIN—Richard Hoe, Grand Secretary, writes: "The gain is small as you will see, not as good as we had hoped it would be. But we are not discouraged. I think there has been more activity among the Lodges the past year than at any time during the past sixteen years."

ACKNOWLEDGMENTS.

On the threshold of my service as Grand Secretary and Adjutant-General, an ever generous brotherhood extended co-operation and encouragement, for which it is a pleasure to render grateful acknowledgment. My thanks are especially due the able and distinguished executive head of the Order, Bro. R. E. Wright, Grand Sire, for his assistance, co-operation, and courtesy in official relations. Correspondence between his office and this on the manifold subjects relating to the work and interest of the Order is almost daily, and frequently on various subjects daily, and have always found his suggestions valuable and helpful. He will here learn for the first time, and will pardon the statement, that the encouragement of his approval manifested by the selection had large influence in finally determining me to enter upon the duties of this office. When the appointment was made he was justified in understanding that I would expect to serve, but candidly, after it came, and when arranging for and confronting the great change of work and location and at times almost undecided in the balance as to my course, this, together with expressions from many, and a conviction of duty and love for the Order, and active work in it, enabled me, after a necessary delay of three weeks, to report at Baltimore for installation. I crave the indulgence of all for this personal reference.

THE MEETING IN PENNSYLVANIA.

For the first time since 1876—the centennial year of this great Republic—a meeting of The Sovereign Grand Lodge is held in the splendid and historic city of Philadelphia, and in the Jurisdiction of Pennsylvania, now and since the early records of the Order, the Gibraltar of Odd Fellowship. Now and since the “time whereof the memory of man runneth not to the contrary,” this Jurisdiction has had the largest number of Subordinate Lodges, and the largest Subordinate membership, having now 1,125 Subordinate Lodges and 128,176 subordinate members, and easily leads all other Jurisdictions in the great cause of fraternity and benevolence. Here the Order is known and respected for its principles and good work rendered, not only through the regular channels, but whenever calamities in other Jurisdictions have occurred the great heart of the membership in Pennsylvania has extended the hand of relief, as at Chicago after the great fire, and in the sections visited by yellow fever more than a quarter of a century since; and as in many more recent instances of fire and flood, while in its own Jurisdiction, in connection with the flood at Johnstown, it made a bright and imperishable record in its prompt and efficient ministrations to the suffering. All honor, therefore, to Pennsylvania Odd Fellows, with whom it is a precious privilege to meet!

Be it remembered that this Jurisdiction has given to the Order six Grand Sires, in the persons of Samuel H. Perkins, Howell Hopkins,

Horn R. Kneass, James B. Nicholson and John W. Stokes, all of whom have passed from earthly scenes and labors to their final rest and reward; and has given as her sixth Grand Sire her worthy and beloved son and brother, R. E. Wright, now serving in that exalted position. Splendid as has been this contribution, it was no more than the large membership and record for good work along all lines entitled the Jurisdiction to have, for Pennsylvania has over one-tenth of the entire Subordinate Lodge membership under the jurisdiction of The Sovereign Grand Lodge. Magnificent commonwealth in population and resources, and in Odd Fellowship! But few of the present generation had acquaintance with Perkins, Hopkins and Kneass, though many will remember the lovable and distinguished Stokes, and nearly all knew Nicholson—great of heart, great of mind, and of commanding form and presence, a colossal figure in Odd Fellowship and in The Sovereign Grand Lodge for over forty years.

With the illustrious record and work of the Fraternity in Pennsylvania, and the lives of some of their representative brothers and leaders before us, and with the progress made and results accomplished by the Order throughout the Jurisdictions generally, there will not be wanting the inspiration and influence to make the eighty-first annual session of The Sovereign Grand Lodge a useful and memorable one.

CONCLUSION.

The record of the past year shown in the foregoing tables and statistics emphasizes more strongly than words can express the permanency and vitality of the Order and the extent of good work being performed through its agencies in the cause of humanity along the various lines of relief provided by its admirable system. Blessed with prosperity throughout its career, it now occupies a higher and stronger position in the field of fraternal, as well as benevolent work than ever before; and year by year its influence for good, in ministrations of relief, extending fraternal principles and inculcating the great truths upon which it is founded, becomes more potent. This result has been accomplished and this position reached, not by chance or accident, but from the steady progress and development which has come through the devoted loyalty and splendid enthusiasm of its membership to the cause and claims of the Order. These elements of strength and these characteristics and this spirit of work seem unconfined and unlimited as to place or jurisdiction, but exist wherever the standard of the Order has been raised. In the midst of this universal prosperity, and as promoting it, grateful hearts go out for the peace and harmony vouchsafed to us as an Order. With continued harmony and fidelity, none may measure or put a limit to the future development and expansion, good work and influence of this Order.

Where there are so many brethren in a Grand Jurisdiction like Illinois, who are competent to represent it, the honor is very great conferred upon any brother selected to perform the duties of a Sovereign Grand Lodge Representative, and more so at this time because the eye of the world of Odd Fellowship is upon the Deputy Grand Sire from Illinois, who, by his distinguished service to the Order, has won the esteem of all.

The work performed by a representative necessitates care and attention to the sessions of The Sovereign Grand Lodge; but where you represent a jurisdiction like Illinois, with its Homes, its Subordinate and Rebekah Lodges, its magnificent membership, and its great growth in the Order, it is a pleasure to represent them. We acknowledge our debt of gratitude to every member of the Grand Lodge in giving us this opportunity to represent them, and we trust we have performed our duty to the Order and with credit to the Great Jurisdiction.

We respectfully submit this report.

DOCUMENT NO. 5.

WHEREAS, It appears that, for years prior to 1902, the salary of the Grand Treasurer of the Sovereign Grand Lodge, I. O. O. F., was fixed at \$500.00 per annum; that in 1902, it was raised from \$500.00 to \$600.00 per annum; that in 1904, it was raised from \$600.00 to \$1,000.00; and

WHEREAS, It does not appear that there was any good reason why said salary should be increased, as above stated; therefore, be it

Resolved, By the Grand Lodge of Illinois, that we ask that the salary of the Grand Treasurer of the Sovereign Grand Lodge be reduced to a sum not exceeding \$600.00 per annum.

On motion of Rep. Saylor, of 6, Chairman of the Committee on Mileage and Perdiem, the committee was instructed to compute the perdiem of this session for three days.

Rep. Fyffe, of 249, offered the following, which was referred to the Committee on Legislation. [See 7th report of that committee.]

DOCUMENT NO. 6.

Resolved, That the Committee on Legislation be directed so to amend the Constitution governing Subordinate Lodges as to permit the admission of ministers of the Gospel free of charge if duly elected, as permitted by S. J. 5480, 5540.

The following paper was presented, and was referred to the Committee on Legislation. [See 8th report of that committee.]

DOCUMENT NO. 7.

WHEREAS, The Independent Order of Odd Fellows has provided that, in the organization of a Subordinate Lodge, four principal chairs shall be provided in the hall, one of which shall be for the Chaplain.

AND, WHEREAS, The "Grand principles of our Order—Friendship, Love and Truth,—which belong to that chain of moral principles that bind us together as a fraternity," are all based on the teachings of the Bible; and that no legal business can be transacted by the Lodge without the presence of the Bible on the Chaplain's desk, thus emphasizing the Chaplain's office; therefore,

Resolved, That it is the sense of this Lodge that provision should be made in our Ritual for a short lecture to be delivered by the Chaplain in the initiation of a candidate and in the conferring of each of the three degrees.

Resolved, second, that our representative to the Grand Lodge of the State of Illinois be instructed to present this matter to our Grand Lodge at its next session, that it may go into the hands of the proper committee to reach the Sovereign Grand Lodge in due time.

DOCUMENT NO. 8.

WHEREAS, In 1900, the Grand Master, of his own motion, employed an attorney to defend the action of the Grand Lodge in the Landes case; and,

WHEREAS, In 1901, the Grand Master was requested to appoint an attorney in the Blakeley and Combe case, and he replied that the Grand Master had no power to appoint an attorney for either side unless directed to do so by the Grand Lodge; and,

WHEREAS, In 1905, the Grand Master employed an attorney to defend the action of the Grand Lodge in the Thompson case without direction from the Grand Lodge to do so; and,

WHEREAS, There is an appearance in these circumstances that the Grand Master appoints an attorney to defend the action of the Grand Lodge only when he is in sympathy with that action: therefore, be it

Resolved, That it is the sentiment of this Grand Lodge that, if it is proper to appoint an attorney to defend the action of the Grand Lodge in one case, it is proper in all cases; and if it is the duty or right of the Grand Master to appoint an attorney to defend the action of the Grand Lodge in one case, it is his duty to do so in all cases; and be it further

Resolved, That it is the sentiment of this Grand Lodge that all litigants should furnish their own attorneys before every tribunal, and that the Grand Lodge should in no case employ an attorney unless it is itself a party to the case; and be it further

Resolved, That it is the sentiment of this Grand Lodge that it is no more proper for the Grand Master to employ an attorney to defend the action of the Grand Lodge than for a circuit judge to employ an attorney to defend the action of his court before a higher court.

Introduced by the undersigned members of J. B. Turner Lodge, No. 420, and also of the Grand Lodge, and indorsed by vote of said J. B. Turner Lodge.

DOCUMENT NO. 9.

[This document, together with the report upon it, was withdrawn by the mover, by consent of the Grand Lodge.]

Questions as follows were propounded by Bro. Fred B. Merrills, Grand Warden, and were referred to the Committee on Judiciary and Appeals. [See 3d report of that committee.]

DOCUMENT NO. 10.

Section 10 of Article X, of the Constitution for the Government of Subordinate Lodges, provides, among other things, as follows:

"In case of the death of a beneficiary member of this Lodge, there shall be allowed not less than twenty dollars as a funeral benefit, and such further sum as may be necessary to pay funeral expenses: *Provided, however,* that in case the Lodge shall have expended money for funeral expenses with the consent of the family, then it may apply the funeral benefit toward the funeral expenses: *And provided further,* that no Lodge shall be held liable for a larger amount than sixty dollars for the funeral expenses of a deceased brother."

1. Will a proper construction of this constitutional provision permit a Lodge by bylaw to provide for the payment of a greater sum than sixty dollars for funeral expenses?

2. Will a proper construction of this constitutional provision permit a Subordinate Lodge to limit the amount of funeral expenses which may be expended by the Lodge to a sum less than sixty dollars?

3. In the event that the Bylaws of a Subordinate Lodge are silent upon this question, is the Lodge bound to expend the sum of sixty dollars for funeral expenses, in case of the death of a brother, or shall it expend only the amount incurred by the family for such purpose, not exceeding the sum of sixty dollars?

The Committee on Judiciary and Appeals has been passing on these questions in the matter of approving and rejecting Bylaws adopted by Subordinate Lodges, but it does not seem that there has been any record made in the Grand Lodge Journals of the construction placed by this committee upon this constitutional provision; hence these queries.

Grand Master Lucas presented the following, which was referred to a Special Committee of three.

SUPPLEMENTAL REPORT OF GRAND MASTER.

Obituaries.

During the past year the Jurisdiction has been very fortunate in being free from loss of life by disaster, and has been unusually healthful. We have been called upon to mourn the loss of some prominent Odd Fellows and Rebekahs, among the number being Bro. H. F. Day, of Moweaqua, a most worthy member of the Order and a brother who has acted as Assistant Grand Secretary for the Grand Lodge for a number of years, and who was always found ready and willing to labor for the advancement of Odd Fellowship.

Many other men and women in lower stations have passed to the great beyond. The Grand Lodge will take such action as may be appropriate with reference to the loved ones who have done their duty in this life and are reaping the reward which they so much deserve.

The following paper was presented, and was referred to the Committee on Judiciary and Appeals. [See 2d report of that committee.]

DOCUMENT NO. 13.

Fifth report, by Bro. James Ewing Davis, of No. 450.

To the Grand Lodge of the State of Illinois, I. O. O. F.

Your Committee on Finance would respectfully report as follows, in regard to resolution (Document No. 14, page 264, Journal, 1904), offered by Bro. George D. Davis, of No. 331, asking that the Trustees of the Old Folks' Home abolish the charge of \$1.50 per week for maintenance of each member of said Home and that the expense of maintenance be raised by capitation tax.

Your committee has carefully considered this resolution and are of the opinion that it would be unwise to abolish the maintenance fees at this time, for the following reasons:

1. The fees charged are purely nominal, and less in most cases than the Lodge would be required to pay for benefits.

2. Should the fees be abolished and the doors of the Home be opened to the Order of the State without any charge, we are of the opinion that the capacity of the Home would be so taxed that the comfort of the members would be seriously threatened and an enormous expenditure of the funds of the Grand Lodge would be necessary to erect additional buildings to meet the increased membership of the Home occasioned by the removal of maintenance fees.

3. Maintenance fees are requisite to keep the membership of the Home within the finances of the Grand Lodge and as a safeguard to the welfare of the Order.

4. We understand that the Trustees of the Home have always admitted worthy members to the Home without exacting maintenance fees where the financial condition of the Lodge would not warrant the payment of fees, so that all Lodges not financially able to care for their members are thus relieved of this burden.

5. In case the Trustees should make a mistake and reject some worthy person because his Lodge was not able to meet this expense, the Grand Lodge of this State has always generously responded to every proper appeal that has been made to it.

6. The Grand Treasurer's Report (see page 183, of this Journal) shows that the total disbursements for the Old Folks' Home were \$20,956.58, and his report also shows that the amount contributed by Lodges for maintenance of their members for the last year was \$4,691.11, so that at the present time the Grand Lodge is paying more than seventy-five per cent of the expense of the Home, and the Lodges less than twenty-five per cent of the expense of the Home.

For the foregoing reasons, your committee recommend that the resolution be not adopted.

Fraternally submitted.

JAMES EWING DAVIS,
N. D. CALKINS,
CICERO J. LINDLY.

The Grand Master announced that Governor Chas. S. Deneen, would visit and address the Grand Lodge at 10 o'clock Wednesday morning.

The Grand Lodge then took a recess, and the Orphans' Home Band was introduced and entertained the audience with several selections from their repertoire.

Two girls from the Home also contributed to the entertainment—one at the piano, accompanied by a member of the band with his horn; the other in a recitation, followed by an encore to which she responded.

The guests having retired, to fill an engagement with the Rebekah Assembly, the Grand Lodge resumed its regular business.

A collection was taken up for the benefit of the boys and girls in the Home, amounting to \$142.36.

The Grand Master announced the appointment of

Committee on Obituaries—Alfred Orendorff, P.G.M.; E. S. Conway, D.G.S.; Owen Scott, of No. 186.

Past Grand Master M. P. Berry presented and read the following, and moved its adoption:

DOCUMENT NO. 14.

The Grand Lodge of the State of Illinois, of the Independent Order of Odd Fellows, in regular annual session at Springfield, Illinois, hereby reaffirms its belief in the Fatherhood of God and the universal Brotherhood of man; which belief is the corner stone upon which our Order securely rests, as well as the motive power which enables us, as an Order, to visit the sick, relieve the distressed, bury the dead, and educate the orphan: we reaffirm our faith in the power of Friendship, Love and Truth, to properly solve the great problems of human life.

We have learned, with deep regret, of the bitter persecution of the Jews in the Russian Empire, of the horrible slaughter of thousands of innocent men, women and children, and of the taking from thousands of the living the necessities of life, leaving them to die of starvation: and we hereby condemn such persecution as being contrary and antagonistic to every principle of our Order, as inhuman and barbarous. Therefore, be it

Resolved, That, as an Order and as individual members of this Order, we extend to this persecuted and afflicted people our deepest sympathy, and assure them of our determination to continue spreading broad-cast in the world the spirit of Fraternity, until one law shall bind

together all nations, tongues and creeds, and that law will be the universal law of Brotherhood; a law that will banish from human hearts forever the spirit of persecution, and render impossible the horrible deeds that are being perpetrated in Russia today. Be it further

Resolved, That, as a token of our sympathy, we donate from our Treasury the sum of one hundred dollars (\$100.00) to assist in relieving the distress of this people, and that an order for that amount, together with a copy of these resolutions, be forwarded at once to Moses E. Greenebaum, Chicago, Ill., Treasurer of such fund.

The resolutions were adopted unanimously, by a rising vote.

The Committee on Finance presented the following report, which was laid on the table, under the rule. [Taken up Wednesday morning and tabled.]

DOCUMENT NO. 15.

Sixth report, by Bro. Cicero J. Lindly, P.G.R., of No. 3.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Finance would respectfully report as follows, in regard to the resolution (Document 15, page 264, Journal 1904, also on page 177 of this Journal), submitted by Bro. J. L. Barnum, P.G.M., asking that Article VI of the Rules of the Old Folks' Home be amended so that "The maximum charge for maintenance at said Home shall be \$1.00 per week." The Grand Lodge has upheld the interpretation of the rules of the Old Folks' Home that where a wife accompanies her husband to the Home the charge for both shall be \$1.50 per week, so that the rule as it now is is very liberal indeed; and as no special reason has been shown why the rule has been a hardship upon any Lodge, for these reasons, and the reasons given in Report No. 5 submitted by us, your committee would recommend that the amendment be not adopted.

Signed by the Committee.

The same committee presented their 7th and 8th reports, as follows, which were laid on the table, under the rule. [Both adopted Wednesday morning.]

DOCUMENT NO. 16.

We now have in the hands of our Grand Treasurer \$4,761.62 more than we had at the last session of the Grand Lodge. This should be very gratifying to our members. All the bonds belonging to the Grand Lodge, we have carefully inspected, and find the same in perfect condition.

We can only reiterate what has previously been said. that the books of the Grand Treasurer have been kept in an excellent condition. and that he has performed his duties in a faithful, efficient, and conscientious manner.

Eighth report, by Bro. N. D. Calkins, of No. 190.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Finance would respectfully report as follows on that part of the Grand Master's Report found on pages 15 and 16 relative to the funds donated for the monument to James R. Miller:

Your Committee would report that the recommendation of Grand Master Lucas be concurred in, and that the sum of \$385.60 be paid by the Grand Treasurer to Mrs. Mary P. Miller, widow of Bro. James R. Miller, deceased, to perpetuate the memory of Bro. Miller as she deems best.

The same committee presented their 9th report, as follows, which was laid on the table, under the rule. [Considered Wednesday morning, and non-adopted.]

DOCUMENT NO. 18.

Ninth report, by Bro. Cicero J. Lindly, P.G.R., of No. 3.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Finance would respectfully report as follows concerning the amendment offered by Bro. A. Huber, of No. 721, known as Document No. 68, page 315 of the Journal of 1904, and found on page 165, Grand Officers' Reports of 1905*, which amendment is as follows:

That we allow each and every representative \$3.00 for each and every day the Grand Lodge shall be in session, and \$0.06 for each and every mile traveled by a representative.

Your Committee is of the opinion that the mileage and per diem should be increased, as the amount allowed at the present time is not sufficient to pay the expenses of certain representatives. Your Committee is of the opinion, however, that the amendment as it is now presented should not be confined exclusively to representatives, but it should be broadened so as to include all Grand Officers, representatives and members of the Grand Lodge Committees. Your Committee recommends the following form of amendment:

Be it resolved, That we amend Art. VI, Sec. 10, of the Constitution of this Grand Lodge so that it will read as follows:

Article VI, Section 10. The Committee on Mileage and Per Diem shall report the number of miles necessarily traveled by the shortest traveled route by each Grand Officer, Representative, and member of the various Grand Lodge Committees, the number of days' attendance of same, and the amount due to each. The committee shall make its estimate by allowing \$0.06 per mile one way and \$3.00 per diem.

* See page 172.

Your committee would recommend the adoption of the amendment as suggested, with the necessary changes.

Fraternally submitted.

Signed by the Committee.

The same committee presented their 10th report, as follows, which was laid on the table, under the rule. [Adopted Wednesday afternoon.]

DOCUMENT NO. 19.

Tenth report, by Bro. James Ewing Davis, of No. 450.

To the Grand Lodge of the State of Illinois. I. O. O. F.:

Your Committee on Finance would respectfully report as follows in regard to the matter of the bill of Grand Treasurer T. B. Needles for the sum of \$100.00 for clerk hire in writing up the reports and keeping his books.

In consideration of the fact that our Grand Treasurer performs the duties of his office in such an eminently satisfactory manner to the entire Order, furnishes a bond without cost to the Grand Lodge, and receives no remuneration whatever for his services, and in view of the fact that his records are kept in such an efficient manner, we recommend that the bill be allowed and voucher ordered therefor.

Fraternally submitted.

Signed by the Committee.

Bro. Henry Phillips, P.G.M., offered the following, which was referred to the Committee on Legislation. [The 18th report of that committee, relating to this document, was withdrawn by consent, before being read to the Grand Lodge.]

If not more than two black balls appear, the candidate shall be elected; but if three or more appear, he shall be rejected. A favorable ballot shall entitle the applicant to receive any degree or degrees of the Subordinate Lodge not previously attained, without further ballot, unless written objection, signed by at least two members of the Lodge, shall be filed with the Noble Grand prior to the conferring of the same; in which case the Noble Grand shall announce the fact to the Lodge, when further action shall be deferred to the next regular meeting, at which meeting a ballot shall be had in all respects as hereinbefore provided. Bro. Thomas E. Wood, P.G.R., offered the following, which was referred to the Committee on Legislation. [See 19th report of that committee.]

DOCUMENT NO. 21.

To amend Section 10 of Article X of the Constitution of Subordinate Lodges, I. O. O. F.

Inasmuch as there are nearly as many constructions placed on Section 10, Article X, of the Subordinate Constitution as there are Lodges in the Jurisdiction of Illinois, and believing it necessary that the language should be changed so as to simplify same, in order that but one construction could be placed on the law, and all Lodges could understand and construe the law alike; therefore be it

Resolved, That Article X, Section 10, of the Subordinate Lodge Constitution, which reads as follows:

Section 10. In case of the death of a beneficiary member of this Lodge there shall be allowed not less than twenty dollars (\$20.00) as a funeral benefit, and such further sum as may be necessary to pay funeral expenses; providing, however, that in case the Lodge shall have expended money for funeral expenses with the consent (in writing) of the family, then it may apply the funeral benefit toward the funeral expense; and providing further, that no Lodge shall be held liable for a larger amount than sixty dollars (\$60.00) for the funeral expenses of a deceased brother. But in case the Lodge has asked of the family or friends of the deceased brother permission to conduct the funeral according to the ritual and usages of this Order, and such permission has been refused, then, and in such case, the Lodge shall not be held liable for any part of the funeral expense, nor shall the Lodge incur any liability aside from the funeral benefit. And providing further, that the persons who are beneficiaries of the funeral benefit are the widow, orphans (under the age of twenty-one years), or the dependent relatives of the deceased, or relatives upon whom the deceased was dependent at the time of his death. In the event of the death of a member in good standing not possessing any of the before named beneficiaries of a funeral benefit and leaving no estate, or assets insufficient to pay the expense of his funeral, the Lodge shall pay the expenses incurred in preparing the body for burial and its removal to the place of burial, the preparation of the grave and the depositing of the body therein, to an amount not to exceed the funeral benefit and expenses named in the By-laws of the Lodge.

Shall be amended so as to read when amended as follows:

Section 10. In case of the death of a beneficiary member of this Lodge, there shall be allowed not less than twenty dollars (\$20.00) as a funeral benefit, and such further sum as the Lodge may incur in giving the deceased brother a decent sepulture; providing, however, that

in case the Lodge shall have expended money for funeral expenses with the consent (in writing) of the family, then it may apply the funeral benefit toward the funeral expense. And provided further, that no Lodge shall expend a larger amount than sixty dollars (\$60.00) for the burial of a deceased brother who held membership in a Lodge aside from the Lodge conducting the funeral, only by the consent of the Lodge where the deceased held membership; but in case the Lodge has asked of the family or friends of the deceased brother permission to conduct the funeral according to the ritual and usages of this Order, and such permission has been refused, then, and in such case, the Lodge shall not be held liable for any part of the funeral expense, nor shall the Lodge incur any liability aside from the funeral benefit. And providing further, that the persons who are beneficiaries of the funeral benefit are the widow, orphans (under the age of twenty-one years), or the dependent relatives of the deceased, or relatives upon whom the deceased was dependent at the time of his death. In the event of the death of a member in good standing not possessing any of the before named beneficiaries of a funeral benefit and leaving no estate, or assets insufficient to pay the expenses of his funeral, the Lodge shall pay the expenses incurred in preparing the body for burial, and its removal to the place of burial, the preparation of the grave, and the depositing of the body therein, and the deceased must have a decent sepulture.

Amend Article II, Section 1, by inserting after the word "Subordinate" the words "or Rebekah," and change the word "Subordinates" in last line to the word "lodges," so that the section as thus amended shall read:

It shall be the duty of all lodges to make out their returns previous to installation.

Amend Section 2 of the same article by striking it out entirely and inserting in lieu thereof the following:

DOCUMENT NO. 28.

Fourth report, by George F. Howard, P.G.M., of No. 664.

To the Grand Lodge of the State of Illinois, I. O. O. F.

Your Committee on Legislation respectfully report the following amendments to the Grand Lodge Constitution, and recommend that they lie on the table until next year, viz:

Article IV, Section 2. Strike out the word "Subordinate" before the words "Lodge to the Lodge Deputy Grand Master," and add to the section the following words: "Provided, this Grand Lodge may, by its Rebekah Assembly Constitution, transfer to the President of the Rebekah Assembly any of the functions or powers with which the Grand Master is herein invested, so far as the laws of the Sovereign Grand Lodge may permit, and with such restrictions and limitations as the Grand Lodge may provide in said Rebekah Assembly Constitution," so that the section when thus amended shall read as follows:

Section 2. The Grand Master shall preside at all meetings of the Grand Lodge, and preserve order and enforce the rules. He shall

appoint all Grand Officers *pro tempore*, and all the Grand Officers who are not elective. He shall name the members of all committees, unless it is otherwise ordered by the Grand Lodge. He shall give the casting vote whenever the Grand Lodge is equally divided. He may call Special Sessions of the Grand Lodge whenever, in his judgment, the good of the Order requires him so to do, and he shall call a Special Session whenever requested so to do in writing by the Representatives of fifty lodges. He shall order the payment by the Grand Treasurer of all moneys voted by the Grand Lodge. In person or by Deputy, he shall confer all Official Degrees, and he shall communicate the necessary passwords to be used in this jurisdiction. During the recess of the Grand Lodge he shall have a general superintendence of the interests of the Order in this State; shall hear and decide any grievance or complaint that may be made to him; pass upon all questions of law and usage which shall have been first submitted on appeal under seal of the lodge to the Lodge Deputy Grand Master, and he shall not be compelled to answer questions submitted by individual members of the Order; grant dispensations to open lodges, and do such other acts as this Grand Lodge might do, excepting that he may not, by virtue of any powers conferred upon him by this section, exercise any of the legislative functions of this Grand Lodge.

At each Annual Session, the Grand Master shall report the dispensations to open lodges granted by him, and such other acts as he may have done in accordance with the authority herein upon him conferred; and when an appeal is taken from any of his decisions, he shall report the decision with the appeal therefrom. All decisions made by the Grand Master shall be binding until reversed, upon appeal, by this Grand Lodge.

Provided, This Grand Lodge may, by its Rebekah Assembly Constitution, transfer to the President of the Rebekah Assembly any of the functions or powers with which the Grand Master is herein invested, so far as the laws of the Sovereign Grand Lodge may permit, and with such restrictions and limitations as the Grand Lodge may provide in said Rebekah Assembly Constitution.

Amend Article V. Section 1, by inserting after the words "Subordinate Lodge" the words "and a duly qualified Past Noble Grand or Past Grand as the Lodge Deputy Grand Master of each Rebekah Lodge," and strike out the word "his," before the word "successor," and insert the article "a," and strike out the words "to him" after the word "submitted"; strike out the words "Subordinate Lodges," and insert the word "lodge"; strike out the word "his" after the word "giving," and insert the word "the," so that the section when thus amended shall read as follows:

Section 1. The Grand Master shall appoint a duly qualified Past Grand as the Lodge Deputy Grand Master for each Subordinate Lodge, and a duly qualified Past Noble Grand or Past Grand as the Lodge

Deputy Grand Master for each Rebekah Lodge, who shall serve as such until a successor shall have been appointed, or until removed by the Grand Master. The Lodge Deputy Grand Master shall obey the commands of the Grand Master, decide all questions of law and usage, when submitted in writing under the seal of the lodge, giving the answer thereto also in writing. Said decision of the Lodge Deputy Grand Master shall be binding upon the Lodge unless an appeal is taken to the Grand Master, in which case the Lodge Deputy Grand Master shall transmit the original papers (being the question and answer) to the Grand Master. The Lodge Deputy Grand Masters shall perform such other duties as may be prescribed for them by the laws of the Order.

Amend Article VI, Section 9, by inserting after the words "Grand Lodge" the words "and Rebekah Assembly," and by changing the word "session" to "sessions," so that the section when thus amended shall read as follows:

Section 9. The Committee on Railroads shall, if possible, procure reduced rates of fare over the several railroads of the State for members of the Grand Lodge and the Rebekah Assembly attending the sessions thereof; and shall report to the Grand Secretary, at least three weeks before any session, the names of railroad companies giving reductions of fare, and all the details of the arrangements made therewith.

Amend Article IX, Section 1, by adding after the words "Subordinate Lodge" in the second and fifth lines the words "or Rebekah Lodge," and change the language in the special commissioner's obligation from "Grand Lodge of the I. O. O. F." to "Grand Lodge of the State of Illinois, I. O. O. F." and the language "number... I. O. O. F. of the State of Illinois," to "number... I. O. O. F. in the State of Illinois," so that the section when thus amended shall read as follows:

Section 1. In all cases where charges have been preferred against a Subordinate Lodge or Rebekah Lodge which may involve the surrender or revocation of the Charter, Warrant or Dispensation under which such lodge exists, it shall become the duty of the Grand Secretary to issue a summons to such Subordinate Lodge or Rebekah Lodge and to the Trustees of such Lodge, commanding them to appear before the Committee on Judiciary and Appeals of this Grand Lodge on a day to be therein named, at the Lodge-room of such Lodge, or such other place as shall be directed by the Grand Master in his order for the issuance of such summons; which summons shall be made returnable not less than twenty days, nor more than ninety days, from and after the date thereof, and shall be served upon the said Lodge by delivering to the Noble Grand, Vice Grand, or Recording Secretary of such Lodge a copy of such summons; and the same shall be served upon the Trustees by delivering to some three or more of them a copy thereof, which service shall be evidenced by the return indorsed thereon by the officer or brother making such service, which service may be made by the Grand Marshal or any Odd Fellow by him so authorized to do, in writing.

Such summons, when so served, shall be returned to the Grand Secretary.

It shall be the duty of the Grand Master, whenever he shall suspend a Lodge, within ten days next thereafter to formulate and file with the Grand Secretary charges and specifications against such Lodge; and in such case, and in all other cases where such charges and specifications shall have been preferred by another, the Grand Master shall fix a time and place for the hearing, by the Committee on Judiciary and Appeals, of such charges, and direct the Grand Secretary to notify the members of the Committee on Judiciary and Appeals of such time and place, and that he prepare and furnish to the Lodge so charged one copy, and to the Trustees of said Lodge one copy, of such charges and specifications. And thereupon, on notice by the Grand Secretary, the Deputy Grand Master shall appoint one competent member of the Order to be a special commissioner to take the testimony of witnesses, and other evidence, all of which, in so far as it may be done, shall be reduced to writing; and all parts of books, papers or other written matters offered in evidence as exhibits, or otherwise, shall be by copy or copies duly examined and attested by the special commissioner, except in cases where the originals shall be so filed; but no testimony of witnesses, or other evidence, shall be so taken, until notice of the time and place of the taking of such evidence shall have been given to the Noble Grand or Secretary, and at least three of the Trustees of the Lodge, at least three days prior to such taking; nor until the special commissioner shall have subscribed in duplicate a pledge or obligation in substantially the following form:

I.....Special Commissioner appointed by the Deputy Grand Master of the Grand Lodge of the State of Illinois, I. O. O. F., to take the evidence under charges and specifications against.....Lodge, No....., I. O. O. F. in the State of Illinois, do pledge my honor as an Odd Fellow that I will discharge the duties of such commissioner fully, fairly, and impartially, to the best of my knowledge and ability.

(Signed)

One copy of which shall be filed with the Grand Secretary as evidence of the acceptance of such appointment, and one copy shall be filed by such commissioner with his report of the evidence by him taken; and such commissioner shall require each witness who is an Odd Fellow to subscribe to a like pledge or obligation to tell the truth, the whole truth, and nothing but the truth, touching the matters in controversy, before such witness shall be examined; and if such witness is not an Odd Fellow, shall require him or her to be sworn before some officer by law authorized to administer oaths to tell the truth, the whole truth, and nothing but the truth, touching the matters in controversy; and all the competent and proper testimony of such witnesses shall be

taken by interrogatories and answers, at which taking of testimony all parties interested shall have the right to appear and examine or cross-examine such witnesses, either in person, or by agent or other counsel.

Provided, That no agent or counsel who is not an Odd Fellow shall be permitted to appear for either or any party, and such commissioner, by the consent of the parties appearing before him, or for good cause shown, or of his own motion, may continue from day to day to take such testimony, or may adjourn the taking thereof to a time and place named by him, which shall be by him publicly announced, and also entered upon his official report of such testimony. When the commissioner shall have completed the taking of the testimony, he shall so certify upon the same, and shall immediately transmit the whole of such testimony, evidence and exhibits, properly marked and attested, to the Grand Secretary, who shall immediately notify the Grand Master and each member of the Committee on Judiciary and Appeals, whose duty it shall be to appear at the time and place named for the trial of said cause, when and where they shall proceed to hear and determine said cause.

Provided, That, for good cause shown, they may postpone such hearing, or continue the hearing to a time and place to be determined by them, and may make and enforce any order not inconsistent with the principles of the Order nor in violation of any law of this Grand Lodge or the Sovereign Grand Lodge, which they may deem proper and consistent with the principles of justice; and in all their proceedings and rulings they, as nearly as may be, shall be governed by the rules and usages of Courts of Equity Jurisdiction in this State. And when they shall have heard and determined the issues presented by such charges and specifications, they shall publicly (that is to members of the Order) announce their judgment, and shall reduce their opinion and judgment to writing, subscribe the same, and thereupon transmit the same, together with all the papers, evidence, etc., in their possession and relating to such cause, to the Grand Secretary; and the finding and judgment so made shall stand and be held to be the judgment of this Grand Lodge.

Provided, That any member of the Order, or such Lodge by any three of its officers or Trustees, shall be permitted to prosecute an appeal to the Grand Lodge, or to the Grand Master if the Grand Lodge is not in session, by giving notice in writing of such appeal within thirty days next after the filing of such judgment, which notice shall be filed with the Grand Secretary.

Provided, That such judgment shall be read to this Grand Lodge at its next session, and shall be subject to review thereby.

Provided, further, That any member of this Lodge so charged may, personally or by agent (being an Odd Fellow), appear before said committee at the time of said trial and enter his personal plea of not guilty of all such charges and specifications; and said committee at such time

and place (after they shall have determined the issues as to said Lodge) as they shall select, shall hear such evidence as such brother or brothers may present tending to prove his or their innocence of the offense charged; and if said committee shall determine that any such brother is in fact innocent of any such offense, they shall enter final judgment acquitting such brother thereof, and shall make such order as will, in so far as may be under the circumstances, restore the brother or brothers to all rights and privileges in the Order, such as issuing to him from the office of the Grand Secretary a card as in the case of a defunct Lodge, etc., and it shall become the duty of the Grand Master to carry into effect and enforce such judgment.

Amend Article X, Section 11, by adding the words "and except for attentive benefits to the sick members of such Subordinate Lodge," so that the section when thus amended shall read as follows:

Section 11. No Lodge receiving such members as above provided shall be liable for the payment of any sick benefits or funeral expenses to or on account of such members, nor shall any such member be required to pay any dues or assessments to such Subordinate Lodge, except for the benefit of the Aged Odd Fellows' Fund, and except for attentive benefits to the sick members of such Subordinate Lodge.

The Grand Lodge then adjourned until 9 o'clock Wednesday morning, and was closed with prayer by the Grand Chaplain.

Wednesday Morning, Nov. 22,

9 O'CLOCK.

The Grand Lodge met, pursuant to adjournment. Grand Master Lucas in the chair.

Present—All the Grand Officers, with a quorum of Representatives.

The Grand Marshal, with his assistants, having examined the members present, reported all correct.

The Daily Journal of yesterday's proceedings was received and distributed.

The Opening Ode was sung, and the Grand Chaplain offered prayer.

The Grand Lodge was then declared regularly opened for the transaction of business.

On motion of Bro. Henry Phillips, P.G.M., the hearing of cases appealed to the Grand Lodge from the Committee on Judiciary and Appeals was made a special order immediately after the opening of the afternoon session to-day.

Unfinished Business lying on the table was taken up.

The report of the Special Committee on Analysis and Distribution of the Reports of Grand Officers (Document No. 1, page 256) was considered and adopted.

The first report of Committee on Finance (page 44) was considered and adopted.

The second report of same committee (page 45) was considered and adopted.

The third report of same committee (page 46) was considered and adopted.

The fourth report of same committee (p. 47) was considered and adopted.

The fifth report of same committee (Doc. No. 13, page 262) was considered.

Bro. Owen Scott, of 186, moved adoption.

Considerable discussion pro and con ensued, at the close of which the question was put and a vote taken, with the result that the report was non-adopted.

Rep. Ludwig, of No. 105, then moved that the resolution referred to in the report (Doc. No. 14, Journal of 1904), be adopted. The motion prevailed, and the resolution was declared adopted.

The resolution is as follows:

Resolved, That the Board of Trustees of the Old Folks' Home be instructed to abolish the rule of charging the Subordinate Lodges the sum of one dollar and a half (\$1.50) for each inmate, as we consider the capitation tax sufficient to cover the expenses of the Home under careful and judicious management; and further, it is a great burden on some of the lodges to meet this tax, which they can ill afford to carry.

On motion of Bro. J. J. Lyell, of 558, it was ordered that the above resolution go into effect January 1, 1906.

The Grand Master announced appointments as follows, to fill vacancies in Standing Committees:

State of the Order—Bros. A. W. Berggren, P.G.M., of 446; Wm. J. Russell, of 328; A. B. Anderson, of 408.

Consideration of Unfinished Business was then resumed.

The sixth report of the Committee on Finance (Doc. 15, page 264) was taken up, and, on motion of Bro. Lindly, P.G.R., was laid on the table.

The seventh report of same committee (Doc. 16, page 264) was considered and adopted.

The eighth report of same committee (Doc. 17, page 266) was considered and adopted.

The ninth report of same committee (Doc. 18, page 266) was considered.

Bro. J. J. Lyell, of 558, moved that the report be adopted.

Discussion ensued, participated in by speakers on both sides of the question, pending which—

It was announced that Bro. Chas. S. Deneen, of Cook County Lodge, No. 240, Governor of the State of Illinois, and Bro. Geo. J. Charlton, of Cicero Lodge No. 217, General Passenger Agent of the Chicago & Alton Railway, were in waiting.

Thereupon the Grand Master declared the Lodge at ease, and the visiting brothers were admitted and conducted to the rostrum.

Each, in turn, was introduced and delivered an address that was highly interesting and entertaining.

Grand Master Lucas and Deputy Grand Sire Conway fittingly responded in brief addresses.

The visitors then retired, and the Grand Lodge resumed consideration of the ninth report of the Committee on Finance.

The discussion having proceeded to considerable length,—

On motion of Bro. Brown, G.R., it was ordered that speeches in discussing questions before the Grand Lodge be limited to five minutes each.

A call for the previous question was sustained, when the following was presented:

W. M. CANNADY,
Chairman of Tellers.

Bro. Joyner's name was dropped, and Bros. Groves and Van Osdol withdrew their names.

Another ballot was ordered and taken.

The Tellers having retired to canvass the vote, the regular order of business was taken up.

The Special Order for this hour being the consideration of Appeal Cases.—

Bro. Henry Phillips, P.G.M., called up Case No. 334—William Trabing vs. Ottawa Lodge, No. 41. (See page 169.)

On motion of Bro. Woodward, of No. 41, the appeal from the decision of the Committee on Judiciary and Appeals was dismissed.

Case No. 340—Sciota Lodge, No. 552, vs. H. H. Charter (pages 146 and 171)—was considered.

On motion of Bro. Phillips, P.G.M., the decision of the

John E. Jennings

GRAND CONDUCTOR.

committee (sustaining the appeal and restoring the brother without prejudice) was affirmed.

A telegram from Washington, D. C., conveying greetings from Bro. Geo. C. Rankin, P.G.M., and regretting his inability to be present at this session, was read.

Consideration of Document 18 (page 266) was resumed, the pending question being upon the adoption of the report by a call of Lodges (Doc. 32, page 286).

The Grand Secretary suggested a more expeditious method of taking the vote, substantially the same as calling the list of lodges: That blanks for ballots be distributed, upon which each Representative shall write his name, the number of the Lodge he represents, and the word "Yes" if his vote be for adoption, the word "No" if it be against adoption.

The plan was fully explained and its advantages set forth by Deputy Grand Master Humphrey.

The suggestion was accepted without a formal vote, and the Grand Marshal and his assistants were instructed by the Grand Master to distribute the blanks, and afterward to collect the ballots, which they proceeded to do.

This having been completed, the poll was declared closed, and the Grand Marshal and assistants retired to canvass and tabulate the vote.

The tally-list returned by the canvassers (with corrections to December 15th) is as follows:

DOCUMENT NO. 60.

Second report by Bro. C. B. Samson, of No. 440.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Judiciary and Appeals, to whom was referred the following demand: "We, the undersigned representatives of Lodges in good standing in the jurisdiction of Illinois, respectfully demand a roll-call of lodges (representatives only), on all questions of a financial nature, or calling for appropriation of the moneys of this Grand Lodge at this session of the Grand Lodge of Illinois, I. O. O. F.,"* which was signed by Brother Charles Thoren and more than ten other representatives of other lodges, beg leave to report that we have duly considered the same, and are of the opinion that the demand is not within the spirit or letter of the Constitution provided for calling of Lodges. Section 4 of Article VII of the Constitution of this Grand Lodge is as follows:

"All questions in the Grand Lodge shall be decided by a majority of the members present and voting, excepting upon a call of Lodges, when representatives only shall vote, and each shall cast the number of votes to which his Lodge may be entitled. A call of Lodges may be required by any ten representatives, and whenever the vote is taken this way the yeas and nays shall be recorded."

This committee is of the opinion that whenever a question is to be put to a vote in this Grand Lodge, any ten representatives who are present in the Grand Lodge may demand a "roll-call" of Lodges on the question then under consideration, and that every question would require a separate demand.

The demand of the brothers is an "omnibus" demand for a call of Lodges "on all questions of a financial nature or calling for the appropriation of the moneys of this Grand Lodge." Just what might or might not be a "question of a financial nature" is, to say the least, very indefinite—one about which there would undoubtedly be a diversity of opinion. If a claim was made that a certain question was one of a "financial nature," and a dispute arose thereon, it would be necessary for the Grand Master to decide that question, or for the Grand Lodge to determine by vote whether a question of a "financial nature" was involved. It does not seem to us that it should require any argument to show that this is too indefinite and uncertain to be worthy of more than a moment's consideration to show the inconsistency thereof. Upon that part of the "demand" for a roll-call upon all questions calling for "appropriation of the moneys of this Grand Lodge," if this demand should be held to be within the letter and spirit of Section 4 above mentioned, not a dollar could be voted to pay a single bill incurred by this Grand Lodge or its committees in carrying forward the necessary work to be done by it, for the support of the various

* See Doc. 12, page 262.

charities of which we are so justly proud, except on a call of Lodges. Nor would it be necessary for the brothers who signed the "demand" to be present in the Grand Lodge. If ten of the brothers who signed this "demand" should return to their homes or absent themselves from the meeting of the Grand Lodge, the demand for the roll-call could not be withdrawn by the remainder of the brothers who signed it, and the Grand Lodge would be required to go on with roll-call after roll-call indefinitely, notwithstanding every member of the Grand Lodge then present was in favor of any question then before the Grand Lodge and referred to in the above demand. With the hands of this Grand Lodge so tied, it does not seem possible that the work of this Grand Lodge could be completed within ten days' time.

We are therefore firmly of the opinion that the true construction, intent, and meaning of Section 4, above set forth, is that the demand for a roll-call should be made just before a vote is taken, by ten or more representatives who are then present in the Grand Lodge. We therefore recommend that the Grand Master and the Grand Lodge disregard this demand for roll-calls as being too vague and indefinite, and as not being within the true construction of the constitutional provision above set forth.

All of which is respectfully submitted.

Third report, by Henry A. Stone, P. G. M., of No. 122.

To the Grand Lodge of the State of Illinois, I. O. O. F.:

Your Committee on Judiciary and Appeals, to whom were referred the "Questions propounded by Fred B. Merrills, Grand Warden,"* as to the construction of constitutional provisions of Section 10 of Article X of the Constitution for the government of Subordinate Lodges, I. O. O. F., of the Jurisdiction of Illinois, beg to report as follows:

Query No. 1—Will a proper construction of this constitutional provision permit a Lodge by By-law to provide for the payment of a greater sum than sixty dollars for funeral expenses?

Answer: Yes.

Query No. 2—Will a proper construction of this constitutional provision permit a Subordinate Lodge to limit the amount of funeral expenses which may be expended by the Lodge to a sum less than sixty dollars?

Answer: No.

* See Doc. 10, page 260.

Query No. 3—In the event that the By-laws of a Subordinate Lodge are silent upon this question, is the Lodge bound to expend the sum of sixty dollars for funeral expenses, in case of the death of a brother, or shall it expend only the amount incurred by the family or Lodge for such purpose, not exceeding the sum of sixty dollars?

Answer—In the absence of any by-law on the subject, it can be held liable for the actual expenses only, not exceeding sixty dollars.

Your committee are unanimous on the above constructions of the law, with the exception as to the answer to Question No. 1, from which answer by four members of your committee Bro. Henry Phillips dissents, and would answer it "No."

DOCUMENT NO. 62.

[From the Rebekah Assembly.]

Resolution passed by the Rebekah Assembly and submitted to the Grand Lodge:

There is small honor in serving as an officer in a Rebekah Lodge unless that office can be conducted with efficiency. We secure good Financial Secretaries and Treasurers by electing them for one year, during which time they thoroughly master the work and manage their respective offices capably.

As provided by our Constitution, we now elect the great majority of officers for a term of six months. We elect a representative for two years in order that the experience gained the first year may be wisely used during the second.

We elect new officers for our lodges at the expiration of six months, just as the old officers are reaching the point where they are of greatest service to the lodge.

The object of electing officers is *not* to confer honors and pass members through the chairs, but to provide a capable management for the lodges.

WHEREAS, It would be a great improvement that our lodges be officered with capable brothers and sisters, and whereas the efficiency of

the force of officers and the lodge in general would be greatly increased by longer terms; therefore, be it

Resolved, That Section 3, Article VI. of the Constitution for Rebekah Lodges of the State of Illinois be changed to read as follows:

Article VI, Section 3. The elective officers shall be chosen at the last regular meeting in December and shall hold their respective offices for one year and until their successors shall be installed. They shall be installed at the first regular meeting in January. If a public installation of officers be had, it may be at another time than that specified above, but not prior to the first meeting in January.

The sufficiency of these sureties is certified to by the Circuit Clerk of Washington County, under the seal of his court, from which, and from our own personal investigation, we conclude that the surety is sufficient, and recommend that it be accepted.

DOCUMENT NO. 66.

Eleventh report, by Bro. Duncan McDougall, of No. 41.

To the Grand Lodge of the State of Illinois, I. O. O. F.

Your Committee on Legislation would respectfully report as follows regarding Document No. 8,* introduced by the representative of J. B. Turner Lodge, No. 420, by direction of said Lodge.

We have carefully considered this preamble and resolution and the matters therein referred to, and are of the opinion that it ought not to be adopted.

This resolution, as in the case of a resolution heretofore adopted by J. B. Turner Lodge, No. 420, touching the matters out of which this resolution grows, and by it furnished for general publication in the

* See page 259.

press of the Order in carefully couched language, has reflected upon the integrity and good faith of officers of this Grand Body, who have borne the heat and burden of the day and received its highest honors; and by so doing J. B. Turner Lodge, No. 420, has subjected itself to the censure of this Grand Body.

By universal usage, the Grand Masters of this Grand Jurisdiction have been accorded the right to exercise certain discretionary powers while the Grand Lodge is not in session, and it is to the credit of this Grand Jurisdiction that these powers have always been exercised with great wisdom, high integrity, and a due regard for the welfare of the Order.

One of the discretionary powers heretofore exercised by the Grand Master has been the employment of counsel in legal controversies in which, in his judgment, the Grand Body was vitally interested.

This preamble and resolution contemplate barring the Grand Master from the further exercise of this power except in such cases as the Grand Lodge may itself be a party, no matter how vitally it may be interested in the legal controversy.

The adoption of the resolution will bar the Grand Master from employing counsel in the matter of appeals from the action of this Grand Body, even though, in his judgment, the matters involved may be of great interest to this Grand Body and an adverse decision have far-reaching detrimental effects.

All of which is respectfully submitted.

Thirteenth report, by Bro. Geo. W. Lemmers, of No. 60.

Your committee recommends that the action of the Grand Master and the Committee on Revision of the Code, as set forth in the Grand Master's Report, on pages 22 to 28 inclusive, be approved; that said Committee be granted further time in which to complete its labors; that when the work of said committee is completed, said committee, acting in conjunction with the Committee on Printing, shall cause an edition of two thousand (2,000) copies to be printed and placed in the hands of the Grand Secretary.

DOCUMENT NO. 69.

Fifteenth report, by Bro. J. R. Kewley, P.G.M., of No. 450.

To the Grand Lodge of the State of Illinois, I. O. O. F.

Your Committee on Legislation respectfully report and recommend the adoption of the following amendments to the Constitution for Subordinate Lodges in Illinois:

Article 1, Section 1. Change the title by changing the word "of" to "in," so that the section when thus amended shall read as follows:

Section 1. This Lodge shall be constituted by at least five members, including one qualified to preside at its meetings, and shall be hailed and entitled Lodge, No., I. O. O. F., in the State of Illinois.

Amend Section 3 of same article by inserting after the word "meeting" the words "and the Noble Grand may call a special meeting at his own discretion," so that the section when thus amended shall read:

Section 3.—Special meetings shall be called by the Noble Grand on the written request of five members, or by order of the Lodge at any regular meeting, and the Noble Grand may call a special meeting at his

own discretion. A special meeting shall not transact any business other than that specified in the call.

Amend Article II, Section 1, by striking out the entire section, and insert the following in lieu thereof:

Section 1.—A candidate for membership by initiation shall be a believer in a Supreme Being, Creator, and Preserver of the Universe. He shall not be a saloon-keeper, bar tender, or professional gambler, nor under 21 years of age at the time of initiation. He shall be a free white male person, shall have resided within the jurisdiction of this Lodge at least six months previous to his application for membership, or have been so long personally known to brothers of the Order, who recommend him.

Amend Section 2 of the same article by adding to said section the following: "Unless jurisdiction has been waived by proper authority": strike out after the word "Lodge" the words "at the time of making the application"; and insert after the word "Withdrawal Card" the words "a Visiting Card or Official Certificate in force", so that the section when thus amended shall read:

Section 2.—A candidate for membership by deposit of Card shall be in possession of an unexpired Withdrawal Card, a Visiting Card or Official Certificate in force, and the A. T. P. W. He shall also be a resident within the jurisdiction of this Lodge, unless jurisdiction has been waived by proper authority.

Amend Section 3 of the same article by adding the words, "He shall not be a saloon-keeper, bartender, or professional gambler," so that the section when thus amended shall read:

Section 3.—A candidate for membership as an Ancient Odd Fellow shall have an expired Withdrawal Card, a Dismissal Certificate, or other satisfactory evidence of having legally terminated his membership; and he shall be a resident as provided in Section 2 of this article. He shall not be a saloon-keeper, bartender, or professional gambler.

Amend Section 4 of the same article by inserting before the figure "3" the figure "2" and the word "or," and strike out the words "for an Ancient Odd Fellow; but the holder of an unexpired Withdrawal Card may be admitted as a non-beneficial member," so that the section when thus amended shall read:

Section 4.—A candidate for non-beneficial membership shall have held membership in the Order for at least five consecutive years, be over fifty years of age, and be otherwise qualified as provided for in Section 2 or 3 of this article.

Amend Section 5 of same article by adding after the word "courts" the words "I am not, in violation of the I. O. O. F. Laws, a saloon-keeper, bartender, or professional gambler," and by inserting after the word "thereafter" the words "and not before except by dispensation of

the Lodge Deputy Grand Master," so that the section when thus amended shall read:

Section 5.—An application for membership shall be in the following form, to-wit.:

To the Officers and Members ofLodge, No., I. O. O. F., working under the jurisdiction of the Grand Lodge of the State of Illinois of the Independent Order of Odd Fellows:

I respectfully request admission into this Lodge*....., and in consideration of such admission, I promise and agree that, if elected, I will conform to the Constitution and By-Laws of your Lodge and those of the Grand Lodge of the State of Illinois, and that I will seek my remedy for all rights on account of said membership or connection therewith in the tribunals of the Order only, without resorting for their enforcement, in any event or for any purpose, to the civil courts. I am not, in violation of the I. O. O. F. laws, a saloonkeeper, bartender, or professional gambler. My age is years, my occupation is , my residence is , and I refer to and

Which shall be signed by the applicant and witnessed by two members of the Lodge to which the application is directed. The application shall be presented to the Lodge at a regular meeting thereof, by a member, and shall be entered in substance on the records and referred to a special committee of three members for investigation, who may, if they all join therein, report at the first regular meeting thereafter, and not before, except by dispensation of the Lodge Deputy Grand Master; otherwise, unless further time be granted, they shall report at the second regular meeting thereafter.

Amend Section 6 of Article II by adding after the words "as herein-before provided" the words "except a majority vote shall decide," so that the section when thus amended shall read as follows:

Section 6.—When the report of the Investigating Committee has been submitted to the Lodge, the ballot shall be held as required by law, after which the box shall be passed by the Warden to the Vice Grand, who shall examine the ballot and inform the Noble Grand whether the ballot is favorable or unfavorable. The Warden shall then pass the box to the Noble Grand, who shall inspect the ballot and announce the result, merely saying that the candidate is elected or rejected. If not more than two black balls appear, the candidate will be elected; but if three or more appear, he shall be rejected. A favorable ballot shall entitle the applicant to receive any degree or degrees of the Subordinate Lodge not previously attained, without further ballot, unless written objections, signed by at least two members of the Lodge, shall be filed with the Noble Grand, prior to the conferring of the same, in

* NOTE—Insert whether "by Initiation," or "by deposit of Card," or "as an Ancient Odd Fellow," or "as a Non-Beneficial member."

which case the Noble Grand shall announce the fact to the Lodge, when further action shall be deferred to the next meeting, at which meeting a ballot shall be had in all respects as hereinbefore provided, except a majority vote shall decide. If said ballot be favorable, the candidate shall be entitled to the degrees upon complying with the requirements of Article VI of this Constitution, but if unfavorable, the degrees shall not be conferred until a period of six months shall have expired, and then only after a favorable ballot as above described.

Amend Section 7 of the same article by striking out the entire section, and insert the following:

Section 7.—A proposition for membership may be withdrawn, without the consent of the Lodge, at any time before the report of the Investigating Committee thereon is read to the Lodge, but not subsequently. With the consent of the Lodge, it may be withdrawn at any time before the balloting thereon. The admission fee shall be returned if the application is refused or withdrawn; but if the candidate shall be elected and fail to appear for admission within six weeks (except for cause adjudged sufficient), the election shall be void, and the deposit may be forfeited to the Lodge.

Amend Section 9 of the same article by adding after the words "Visiting Card" the words "or Official Certificate," and add to the section the words "and signing the Constitution," so that the section when thus amended shall read:

Section 9.—Any member of a Subordinate Lodge holding a Visiting Card or an Official Certificate in force shall have the privilege of applying for membership in this Lodge without having obtained a Withdrawal Card from the Lodge in which membership is held, and may be elected to membership in this Lodge; but such candidate shall not be entitled to full membership, or have any of the privileges of a member of this Lodge, until a Withdrawal Card from the Lodge in which previous membership was held is deposited with the Lodge, nor until the payment of the admission fee required by the By-Laws of this Lodge, and signing the Constitution.

Amend Article III, Section 1, by changing the word "permanent" to "financial," and by inserting (in parentheses) the words "who shall be known as 'recording secretary,'" so that the section when thus amended shall read:

Section 1.—The elective officers of the Lodge shall be a Noble Grand, a Vice Grand, a Secretary (who shall be known as "Recording Secretary" if a Financial Secretary is chosen), and a Treasurer, and, when deemed necessary, a Financial Secretary.

Amend Section 4 of Article III by inserting after the words "shall preside" the words "discharging all the duties of Noble Grand," so that the section when thus amended shall read:

Section 4.—The Vice Grand shall assist the Noble Grand in presiding in the Lodge. He shall appoint his own supporters, and the minority of all committees not otherwise provided for. He shall have special charge of the door, under the Noble Grand. In the absence of the Noble Grand he shall preside, discharging all the duties of Noble Grand, and perform all other duties required by the charges and usage of the Order.

Amend Section 5, same article, by striking out the words "and accurately record the same and the Annual Report in the Register of Reports"; by changing the word "Permanent" to "Financial"; by inserting the word "dismissal" before the word "certificate"; and by adding to the section the words, "he shall be known as Recording Secretary if no Financial Secretary shall be elected," so that the section when thus amended shall read:

Section 5.—The Secretary shall keep an accurate record of the proceedings of the Lodge. He shall write all communications, fill up all certificates and cards granted by the Lodge; issue all summonses or notices required; attest to all moneys ordered paid at regular meetings, and none other. He shall make out at the end of his term the semi-annual reports required by Article XI of this Constitution. He shall also, at the close of his term, make out a report for the Lodge, showing fully its work and condition during the term. He shall perform the duties of Financial Secretary if none be chosen, and be exempt from all dues. He may receive such further compensation as the Lodge may have fixed prior to his election. He shall also keep a list of all warrants drawn on the Treasurer, recording the date, amount, and the name of the person in whose favor drawn; and if the warrant be payable from any special fund, that fact shall appear both on the warrant and on the list. He shall also keep a register of membership, enrolling the names of members of the Lodge, with date of proposal, election, initiation (or signing the Constitution upon admission by card or dismissal certificate), resignation, withdrawal by card, death, suspension, reinstatement, or expulsion; also recording the conferring of degrees and attainment of official rank. He shall be known as Recording Secretary if a Financial Secretary shall be elected.

Amend Section 6 of the same article by changing the word "permanent" to "financial" wherever it occurs and adding the words "He shall give bond as is provided for the Treasurer in the following section," so that the section when amended shall read thus:

Section 6.—The Financial Secretary (if any be had) shall be chosen at the election in March. He shall keep the accounts between the Lodge and the members. He shall pay over to the Treasurer immediately all moneys received by him, and shall inform the Treasurer from time to time, or at the last payment in each term, how much of the money paid to him belongs to any special fund of the Lodge. He shall notify all

members who are at any time in arrears for eleven months' dues, delivering the notice in person, if practicable; but if not, then mailing it to the member's last known address; and at the expiration of the next succeeding month, if said member's account is not settled in whole or in part, sufficient to reduce his arrears to less than one full year's dues, he shall present the name of such member to the Lodge. Prior to the last meeting in March, June, September and December, respectively, he shall notify all members who are in arrears for one quarter's dues. He shall, at the close of each term, make to the Lodge a detailed report of the business of his office, and have his books written up for the Finance Committee, whom he shall meet prior to the first meeting in the next succeeding term to exhibit his books and papers, and to aid them in the examination thereof; and at the first regular meeting of the new term he shall present his report to the Lodge, with a statement of the balance of account of each unsuspended member. He shall make out the Annual Report to the Grand Lodge, as required by Article XI, and shall deliver it to the Recording Secretary for record and for forwarding to the Grand Lodge. He shall be exempt from all dues, and receive such further compensation as the Lodge may have fixed prior to his election. He shall give bond as is provided for the Treasurer in the following section.

Amend Article IV, Section 3, by adding after the word "require" the words "and the laws of the Order permit," and change the word "relief" to the word "visiting," so that the section when thus amended shall read:

Section 3.—The Visiting Committee shall consist of at least three members, one of whom shall be the Noble Grand. They shall keep themselves informed at all times as to the condition of a Brother who has been reported sick; they shall report to the Lodge what benefits he is entitled to; and they shall provide for his care and watch as his case may require and the laws of the Order permit. If a member of another Lodge be sick and apply to this Lodge for relief, his case shall be referred to the Visiting Committee as if he were a member of this Lodge; and if he be entitled to receive benefits from his own Lodge, this Lodge shall advance the sum thus due him, and forward an account of the same to his Lodge without delay. The Lodge may, by by-law, add to the number of this Committee and prescribe more specific details of their duty: Provided that, in cities or towns having more than two Lodges, the Visiting Committees of the different Lodges may, if they see fit, appoint one of their number to act with a like number from the other Lodges in the town or city as a special Visiting Committee, whose duty shall be the care of traveling or sojourning brothers who may be sick or disabled in the town or city where such Lodges exist.

Amend Article V, Section 1, by inserting after the word "dispensation" the words "from the Lodge Deputy," and inserting the word "present" after the word "members," so that the section when amended shall read:

Section 1.—No brother shall be eligible to the chair of the Noble Grand unless he has served a regular term as Vice Grand; nor shall any brother be eligible as Vice Grand unless he has served one term in some inferior office. But if all qualified members present refuse to accept the office of Noble Grand or Vice Grand, a third degree member may, under dispensation from the Lodge Deputy, be elected to either of said offices without previous service.

Amend Section 4 of the same article by changing the word "permanent" to "financial," and by striking out the words "their successor shall have been installed," and inserting in lieu thereof "next regular installation of officers," so that the section when thus amended shall read:

Section 4.—The elective officers, except the Treasurer and Financial Secretary, shall be chosen at the first regular meetings in March and September, and shall hold their respective offices for six months and until the next regular installation of officers. They shall be installed at the first meetings in April and October. The Treasurer and the Financial Secretary (if there be one) shall be elected in March, and shall be installed at the first meeting in April, and both shall serve for one year. If a public installation of officers be had, it may be at another time than that specified above, but not prior to the first meeting in April and October.

Amend Section 6 of the same article by changing the word "successive" to "consecutive," and by inserting before the word "sickness" the word "personal," so that the section when amended shall read:

Section 6.—If any officer shall be absent for three consecutive meetings, except for personal sickness, his office may be declared vacant by vote of the Lodge, if he is an elective officer, but by the officer who appointed him, if he is an appointed officer. All vacancies shall be filled in the manner of the former selection, to serve the residue of the term; and the officer so serving shall be entitled to the full honors of the office.

Amend Article VI, Section 1, by inserting after the word "granted" the words "by the Lodge Deputy Grand Master," and by striking out all after the words "may be dispensed with" and inserting in lieu thereof the words "The dispensation may also permit the conferring of more than one degree at the same meeting," so that the section when amended shall read:

Section 1.—No degree shall be conferred upon a candidate until, by examination in open Lodge, he shall have been found proficient in the highest degree he shall have attained, i. e., in possession of the unwritten work thereof so as to give an intelligent explanation of its uses,

and, as near as may be, in the language of said work: Provided, however, that when urgent necessity is shown, and a dispensation therefor shall have been granted by the Lodge Deputy Grand Master, such examination may be dispensed with. The dispensation may also permit the conferring of more than one degree at the same meeting.

Amend Section 2 of the same article by inserting after the words "the Noble Grand shall" the words "raise the Lodge to the third degree and," and by striking out after the words "vote of the Lodge" the words "while open in that degree," so that the section when thus amended shall read:

Section 2.—A member desiring to receive any degree or degrees shall pay to the Secretary of the Lodge the fee or fees therefor, who shall, under the proper order of business, make known his desire to the Lodge, at a regular meeting thereof, stating which degree or degrees are desired; whereupon (the candidate being in waiting), the Lodge shall be opened in the highest degree the candidate has attained, when he shall be admitted and examined by the Noble Grand, or other brother under his direction, as to his proficiency as required in the preceding section; after which (the candidate having retired), the Noble Grand shall raise the Lodge to the third degree and put the question as to his proficiency to a vote of the Lodge; and if a majority declare him proficient, the degree shall be conferred upon him, but if declared not proficient, it shall not be conferred until, upon further examination, he shall be declared proficient. The conferring of degrees may be done at special meetings called for that purpose.

Amend Section 3 of the same article by striking out after the word "member" the words "absent from," and insert in lieu thereof the word "of," so that the section when amended shall read.

Section 3.—A member of this Lodge who shall have paid the fee or fees for any of the degrees may, upon application, receive a certificate requesting any Lodge to which it may be presented to confer upon him the degree or degrees therein specified.

Amend Art. VII, Section 1, by striking out the entire section and inserting in lieu thereof the following:

Section 1.—Any member who shall become in arrears for the dues and assessments accruing against him during the period of one full year shall, after twenty days' written notice from the Financial Secretary, delivered to him in person, if possible, otherwise mailed to his last known address, be declared by the Noble Grand dropped from membership, unless the Lodge shall otherwise direct, or unless, in the meantime, he shall have paid dues so as to reduce the time of arrearage to less than one full year: Provided, however, that a member sixty years or more of age, who has been a contributing member of the Order for twenty-five consecutive years, who shall become in arrears for dues

and assessments during a full year, shall not be dropped by virtue of such arrearage, but he may be placed upon the list of "non-contributing members." If so placed, he shall thereafter be known as a "non-contributing member"; he shall be entitled to receive all passwords and fellowship of Subordinate Lodges; and, upon payment of the cost to the Lodge, he shall be entitled to receive the special Visiting Card provided by the Sovereign Grand Lodge for non-contributing members. This Lodge shall be exempt from the payment of per capita tax to the Grand Lodge upon all such non-contributing members.

Amend Section 6 of the same article by striking out the entire section, and insert in lieu thereof the following:

Section 6.—If personal service of a copy of the charges and citation can not be had on an accused member, by reason of his permanent absence, concealment, or because of his absconding, the Lodge may regularly proceed with the trial upon proof of the fact that such personal service is rendered impracticable, and that a copy of the charges and citation had been deposited in the postoffice, post paid, directed to him at his last known postoffice address, and that a like copy of the charges and citation shall have been left at his last known place of residence, if the same be within the jurisdiction of the Lodge; Provided, such papers shall be deemed to have been served upon the accused only from the date when the constructive service above described is complete. The Noble Grand shall appoint counsel to defend him, if none appear for him.

Amend Section 11 of the same article by adding the following: "Provided, the penalty upon the conviction of a brother who has been expelled for intoxication, has been reinstated, and shall again be found guilty of intoxication, shall be suspension for not less than three months, and for the next conviction for a like offense he shall be again expelled; and provided, further, that if a representative attending a session of the Grand Lodge shall be found guilty of intoxication at such session, the penalty shall be expulsion," so that the section when thus amended shall read:

Section 11.—The penalty for intoxication is reprimand for the first offense, suspension for the second, and expulsion for the third; and no other penalties are legal. Provided, the penalty upon the conviction of a brother who has been expelled for intoxication, has been reinstated, and shall again become guilty of intoxication, shall be suspension for not less than three months, and for the next conviction for a like offense he shall be again expelled; and provided, further, that if a representative attending a session of the Grand Lodge shall be found guilty of intoxication at such session, the penalty shall be expulsion.

Amend Section 16 of the same article by adding the words "or the

Grand Master," so that the section when thus amended shall read as follows:

Section 16.—Any brother having been suspended or expelled, notice thereof shall be sent without delay to the Grand Secretary and to all Lodges in the same place; and a brother who has been legally expelled shall not be admitted to membership again without consent of the Grand Lodge or the Grand Master.

Amend Section 21 of the same article by striking out the entire section and inserting in lieu thereof the following:

Section 21.—If either the prosecution or the defense shall desire the testimony of a witness whose attendance can not be secured, they shall file with the Secretary of the Lodge the interrogatories they wish to be propounded to the witness, naming him and giving his address. The Secretary shall immediately deliver or cause to be delivered to the opposite party a copy of the interrogatories. The latter party, within one week of such service, may file counter interrogatories with the Secretary. At the expiration of the week, or sooner if counter interrogatories be sooner filed, the Secretary shall forthwith forward them to the Noble Grand of a Lodge near the witness, with a communication under seal, requesting him to take the deposition of the witness named. Upon receipt of the same, the said Noble Grand shall, as soon as possible, take or cause the deposition to be taken by some competent member of the Order, first obligating him as an Odd Fellow, if he be an Odd Fellow, or swearing him or causing him to be sworn, if not an Odd Fellow, causing every interrogatory to be propounded to the witness and the answer to each to be reduced to writing in the presence of the witness; and when the deposition is completed, shall cause the witness to sign the same under his obligation as an Odd Fellow, if he be an Odd Fellow, or be sworn to and sign the same before one authorized to administer oaths, if he be not an Odd Fellow; and then the Noble Grand, or person taking the same, shall certify the same to have been duly taken, and such certificate shall be verified by the seal of the Lodge, and the deposition shall then be sealed and transmitted by mail to this Lodge. Depositions thus taken and certified may be read in evidence in the cause to which they relate.

Amend Article VIII, Section 5, by inserting after the words "Grand Lodge" the words "or in recess to the Grand Master," and strike out the words "same fee that is required from an initiate of the same age" and insert the words "fee provided by the by-laws of this Lodge, not less than one year's dues," so that the section when thus amended shall read:

Section 5.—A member expelled by this Lodge may apply in writing for reinstatement. The application shall be referred to a committee of three, who shall ascertain whether the applicant has made such reform-

ation, reparation or apology as is appropriate, and shall report to the Lodge. After the reception of the report, the Lodge shall ballot on the application. If two-thirds of the members present shall vote in favor of reinstatement, the Secretary shall write to the Grand Lodge, or in recess to the Grand Master, for permission to reinstate him; and if it be granted, he shall be thereby reinstated. No expelled member shall be reinstated without the payment of the fee provided by the By-laws of this Lodge, not less than one year's dues. But members expelled for non-payment before such action was forbidden shall be reinstated as dropped members.

Amend Article IX, Section 5, by striking out the entire section and inserting in lieu thereof the following:

Section 5.—Dismissal certificates shall be granted by this Lodge, and issued by the Noble Grand and Recording Secretary without vote of the Lodge, upon proper application therefor and the payment of one dollar, to any member dropped for non-payment of dues for five years, or to any dropped member who has removed from the State, or is joining with other brothers in petitioning for a new Lodge, unless complaint is filed or charges are preferred against him. Provided, this Lodge may, by vote, grant a Dismissal Certificate before the expiration of the five years.

Amend Article X, Section 2, by adding thereto the words "provided that no admission fee shall be charged a brother who has moved from the vicinity of his own Lodge to the vicinity of this Lodge and is entitled to a Withdrawal Card, or holds an unexpired Withdrawal Card from his old Lodge, except he shall pay for a medical certificate regarding his health, should one be required by the By-laws of this Lodge; and provided, further, that no admission fee shall be charged for an applicant for membership under Article X, Section 6, of the Constitution of the Grand Lodge of the State of Illinois, regarding the 'Aged Odd Fellows' Register"; provided, further, that no fee except the cost of the card shall be charged a member of this Lodge for a Withdrawal Card if he has removed to the vicinity of another Lodge and petitions for membership therein," so that, when thus amended, it shall read as follows:

Section 2.—No person shall be admitted to membership in this Lodge for a less sum than is herein provided, viz.: By initiation, five dollars; by deposit of card, two dollars; as an Ancient Odd Fellow, five dollars; and as a non-beneficial member, five dollars: provided, that no admission fee shall be charged a brother who has moved from the vicinity of his own Lodge to the vicinity of this Lodge and is entitled to a Withdrawal Card, or holds an unexpired Withdrawal Card from his old Lodge, except he shall pay for a medical certificate regarding his health, should one be required by the By-laws of this Lodge; and provided, further, that no admission fee shall be charged for an applicant

for membership under Article X, Section 6, of the Constitution of the Grand Lodge of the State of Illinois, regarding the "Aged Odd Fellows' Register"; provided, further that no fee except the cost of the card shall be charged a member of this Lodge for a Withdrawal Card if he has removed to the vicinity of another Lodge and petitions for membership therein.

Amend Section 5 of the same article by adding the words "members resident of the I. O. O. F. Old Folks' Home may be, by By-law, exempt from the payment of weekly dues so long as resident therein," so that the section when thus amended shall read:

Section 5.—The regular contributions to the Lodge fund shall not be at a less rate than seven cents a week, to be determined by the By-laws; but the Lodge shall by its By-laws prescribe some less rate, not exceeding five cents a week, for the dues of non-beneficial members. Provided, members resident of the I. O. O. F. Old Folks' Home may be, by by-law, exempt from the payment of weekly dues so long as resident therein.

Amend Section 8 of the same article by changing the word "beneficiary" after the words "shall not become" to "entitled to weekly benefits," so that the section when thus amended shall read:

Section 8.—A beneficiary member shall be any one who has been for six months a member by initiation of this Lodge (or of the Order, if admitted to membership in this Lodge upon an unexpired withdrawal card), as an Ancient Odd Fellow, or by reinstatement after dropping or expulsion, who is under no complaint or charges of misconduct, and who is not more than thirteen weeks in arrears for dues. A member reinstated after suspension shall be beneficiary immediately upon reinstatement, subject to the provisions herein in relation to dues; provided, however, that this Lodge, by proper by-law, may enact that, if a member shall become non-beneficiary by reason of being more than thirteen weeks in arrears for dues, he shall, before he can become beneficiary, pay all arrears for dues, assessments, and fines; and such by-law may further provide that, as a penalty, such non-beneficiary member shall not become entitled to weekly benefits for a period subsequent to such payment not exceeding thirteen weeks.

Amend Section 10 of the same article by striking out the entire section and inserting in lieu thereof the following:

Section 10.—In case of the death of a beneficiary member of this Lodge there shall be allowed not less than twenty dollars as a funeral benefit to the beneficiary or beneficiaries entitled thereto, and such further sum as may be actually incurred under the laws of the Order, for funeral expenses, not less than sixty dollars, unless shared by another society; liabilities for funeral expenses shall be limited to sixty dollars unless the Lodge, by by-law, assume liabilities for a

larger amount; provided, however, the Lodge may, with the written consent of the funeral beneficiaries, expend the funeral benefits toward the funeral expenses. The beneficiaries of the funeral benefit are the widow, orphans (under the age of 21 years, members of and residing with the family of the deceased), or the dependent relatives of the deceased, or relatives upon whom the deceased was dependent at the time of death. In the event of the death of a beneficiary member of this Lodge not leaving surviving him any of the above named beneficiaries of a funeral benefit, and leaving either no estate or insufficient estate to pay the expenses of the funeral, the Lodge shall pay the funeral expenses, not to exceed the combined funeral benefits and expenses provided by the By-laws of this Lodge.

Amend Section 11 of Article X by striking out the entire section, and inserting in lieu thereof the following:

Section 11.—A member so far in arrears for dues as not to be entitled to weekly benefits shall not be entitled to attentive benefits, but such member shall be visited by the Visiting Committee if within the jurisdiction of this Lodge: provided, however, that the Lodge may provide such brothers attentive benefits not involving the payment of money from the general fund or the nurse fund of this Lodge; and provided, further, that this Lodge may, by proper by-law, limit the time for which the Lodge shall be liable for the payment of night watchers or nurses for any sick or disabled beneficiary member of this Lodge in any one sickness or disability.

Amend Section 12 of the same article by striking out the entire section, and insert in lieu thereof the following:

Section 12.—Non-beneficial and non-contributing members shall be entitled to all the rights, privileges and advantages of membership, except the right to receive financial benefits, and shall be subject to all penalties and liabilities as other members. No financial benefits shall be allowed to any non-beneficial or non-contributing member, nor shall any pecuniary relief be extended to any such member from the funds of the Lodge, except upon the recommendation of some committee; provided, no non-beneficial or non-contributing member shall be assessed for the purpose of raising a fund for the payment of sick or disability benefits.

Amend Article XII, Section 1, by striking out the entire section and inserting in lieu thereof the following:

Section 1.—When doubts arise of the true meaning of any of these articles, it shall be determined by the Noble Grand, his interpretation being subject to an appeal to the Lodge, and its decision being subject to an appeal to the Grand Master, thence to the Grand Lodge; provided, the Grand Master may refer the decision of the Lodge direct to the Committee on Judiciary and Appeals, thence to the Grand Lodge.

Amend Section 2 of the same article by adding the words "except by a four-fifths vote of all members present; provided, said motion shall fully set forth the proposed amendment or alteration and how the whole section or sections would read if amended or altered as proposed," so that the section when thus amended shall read:

Section 2.—These articles, or any part thereof, shall not be altered, amended, suspended or annulled, except on motion made in the Grand Lodge in a regular session, in writing; and such motion shall not be finally acted upon on the day of its presentation, except by a four-fifths vote of all members present; provided, said motion shall fully set forth the proposed amendment or alteration and how the whole section or sections would read if amended or altered as proposed.

Fraternally submitted.

Signed by the Committee.

The Special Committee on Illinois Odd Fellows' League presented the following report, which was laid on the table, under the rule. [Adopted Thursday afternoon.]

DOCUMENT NO. 70.

To the Grand Lodge of the State of Illinois, I. O. O. F.

Your Special Committee on Illinois Odd Fellows' League would respectfully report as follows:

That the undersigned committee, appointed by the Grand Master to report to this Grand Lodge concerning the work of the Illinois Odd Fellows' League, have duly considered this subject and given it proper investigation.

The committee finds that the objects of the League are fully set forth in a report made on said subject to the Grand Lodge of 1903, and that the League and its object are commended by the adoption of said report, and said League is now operating under the sanction of the Grand Lodge of Illinois.

Your committee finds that a large majority of the subordinate lodges of Cook county have affiliated with said League, and that it has the active coöperation of said lodges, and that said League is pursuing its lines of benevolent work in harmony with the local lodges, without friction and to the substantial financial benefit of the Order, not only in Chicago, but in the state and national jurisdictions. Your committee states that the Illinois Odd Fellows' League is always amenable to the Grand Lodge of Illinois, for if, at any time, it is deemed advisable for any reason, the Grand Lodge has the power to rescind its recognition of the League, and could destroy said League by preventing the Odd Fellows of the State from continuing their membership in the League. This is stated not from any fear that such course will ever be necessary, but in answer to any suggestion that the League could do anything injurious to the Order without rendering its own dissolution possible.

The League is not only performing a local work, but, through its hospital, transportation, and other departments, is giving aid and comfort to many non-resident Odd Fellows of this state and nation, who find themselves in Chicago in need of assistance.

The books of the League are carefully kept and a daily journal of the acts is open for the persual of all interested. The officers are zealous in the performance of their duties, which are rendered without compensation and with the spirit of our fraternity.

From the above statement, your committee respectfully report that, in their opinion, the Illinois Odd Fellows' League is performing a commendable work of practical charity, and should receive the hearty

commendation and necessary encouragement from this Grand Jurisdiction.

ALFRED ORENBORFF.

E. E. SKILLIN.

OSCAR D. OLSON.

The following resolution was presented, and was referred to the Committee on Finance. [Reported upon informally Thursday afternoon, and non-adopted.]

DOCUMENT NO. 74.

Twelfth report, by Bro. Alfred Orendorff, P.G.M.

To the Grand Lodge of the State of Illinois, I. O. O. F.

Your Committee on the State of the Order, to whom were referred a resolution* signed by Stewart J. Baker, George Luxton and J. F. McConaughy of Lodge No. 340. and resolutions numbered as Document No. 36.* and resolutions numbered as Document No. 38.* would respectfully report thereon as follows:

Your committee have had under consideration the subject matter of these resolutions involving charges against the Trustees and employes of the Old Folks' Home and the management thereof. Investigation of these charges would require the examination of numerous witnesses, many of whom are not in attendance at this Grand Lodge and whose presence cannot be obtained at this session.

Under the laws of the Order, the Grand Master is clothed with power to remove a trustee for such cause as, on investigation, he may deem proper. In view of the fact that under our laws the Grand Master can protect the Order from the incumbency of any improper person holding the position of trustee of said home, and may investigate the management of our homes and correct any irregularities therein, your committee recommend the passage of the following resolution:

Resolved. That the subject matter contained in the above resolutions be referred to the incoming Grand Master, with the request and direction of this Grand Body that he proceed at once to the investigation of the conduct and competency of the Trustees of said Home, and, in case he finds any or all of them improper persons to hold said positions, he remove them and appoint other persons as Trustees; and that he also investigate the management of the Home and conduct of the Superintendent, Matron, and other employes, and that he dismiss, or cause the Board of Trustees to dismiss, such as are not competent or proper persons to fill such positions, and that he take all necessary measures in his power to secure proper employes for said Home if any of said employes are found incompetent; and he is hereby authorized to make such expenditures of money as he may deem necessary in carry-

The Grand Lodge then adjourned until 9 o'clock Thursday morning, and was closed with prayer by the Grand Chaplain.

Thursday Morning, Nov. 23,

The Grand Lodge met, pursuant to adjournment, Grand Master Lucas in the chair.

Bro. Lindly, P.G.M., moved that the vote by lodges referred to by the Grand Secretary be stricken from the record, and that the roll be called properly.

The motion was laid on the table.

Bro. McKinley, P.G.M., moved that the rule (Rule 3 of Article VI, Rules of Order) requiring reports of committees to lie on the table until the next meeting of the session before consideration be suspended for the remainder of the present session.

The motion prevailed, and it was so ordered.

The Committee on the State of the Order presented the following report, which was considered and adopted.

Resolved, That this Grand Lodge hereby authorizes the formation of General Relief Committees in towns or cities in which are located two or more Subordinate Lodges. Said General Relief Committees shall be vested with all the power and authority to carry out, so far as may be, the requirements for relief found to exist in their jurisdiction, for the maintenance of which they shall have the authority to give entertainments for the purpose of raising funds, and to receive contributions from Lodges or individuals; also to have the authority to levy a per capita assessment on the members of the Lodges represented in such Relief Committees for the purpose of meeting the necessary expenses of the same, and shall make a report annually to the Grand Secretary. We therefore recommend that the sum of \$74,866.16, or so much thereof as may be necessary, be appropriated to provide for the purposes above named, and that the Grand Master and Grand Secretary be authorized to draw Grand Lodge warrants on the Grand Treasurer therefor at such times and in such amounts as may be necessary to pay the legitimate bills of the Grand Lodge as itemized accounts therefor may be presented. .

We further recommend that a per capita tax of ninety (90) cents per member be levied against the Subordinate Lodges—forty-five (45) cents to be payable April 1, 1906, and forty-five (45) cents to be payable October 1, 1906.

Fraternally submitted,

Signed by the Committee.

Bro. Duncan McDougall, of 41, presented the Constitution, etc., of the Rebekah Assembly as amended by that body, and the report of the Committee on Legislation thereon, and asked general consent that the report be acted on without reading the papers as they came from the Assembly. The request was granted.

The foregoing report of the Committee on Legislation was considered and adopted.

Grand Master Lucas resumed the chair.

On request of Bro. Needles, G.Tr., the 20th report of the Committee on Legislation (Doc. 85, p. 342) was taken from the files and read again.

On motion of Bro. Needles, the proposed amendment referred to in the report was laid on the table.

The proposed amendment to Section 4 of Article V of the Constitution for Subordinate Lodges (page 175) was considered and laid on the table.

The proposed amendment to Section 6 of Article III. of the Constitution for Subordinate Lodges (page 176) was considered and laid on the table.

Bro. Scott, of 186, moved that the Grand Lodge continue in session until all business shall have been disposed of, and the motion prevailed.

Past Grand Master Stone spoke of the practice which prevails to some extent of printing business advertisements in the pamphlets containing the Constitution and By-Laws of Subordinate Lodges, and moved that the Grand Lodge forbid the continuance of such practice.

Bro. McDougall, of 41, moved to amend—"that it is the sense of this Grand Lodge that such practice should be discontinued."

A motion by Bro. Needles to postpone action on the subject until the next annual session prevailed on call for a division and count.—Yeas, 105; Nays, 104.

Past Grand Master Brown in the chair.

Bro. Owen Scott, of 186, offered the following, which was adopted unanimously by a rising vote:

DOCUMENT NO. 96.

Resolved, That the thanks of this Grand Lodge are due and are hereby tendered to the Grand Master and other officers for their able, efficient and impartial service during the present session of this Grand Lodge.

That we express our gratitude to the local committees and other Springfield brethren for their many courtesies and brotherly attentions during the present Grand Lodge session.

Grand Master Lucas, having resumed the chair, requested Grand Warden Merrills to wait upon the Rebekah Assembly and ascertain whether that body desired to communicate further with the Grand Lodge. Bro. Merrills, having performed that service, reported that the Assembly had nothing further to communicate.

Past Grand Master Orendorff asked that further time be granted to the Committee on Obituaries to prepare their report, and that the report, when ready, be placed in the hands of the Grand Secretary, to be printed in the Journal of Proceedings as having been adopted by a standing vote.

The request was granted unanimously.

DOCUMENT NO. 97.**REPORT OF THE COMMITTEE ON OBITUARIES.****HENRY F. DAY.**

"There is no death! what seems so is transition;
This life of mortal breath
Is but the suburb of the life elysian,
Whose portal we call death."

Truly a master in Israel has fallen. One of the choicest spirits in Illinois Oddfellowship has returned to God who gave it. Bro. Henry F. Day passed from earth at his home in Moweaqua on Sunday morning, July 16, 1905. Some weeks before he suffered a stroke of paralysis which rendered him helpless, but he retained his mental powers in all their vigor. His family entertained hopes of his partial recovery, but after a week of intense suffering he passed into his eternal day.

WAS WIDELY KNOWN.

Few men were more widely or more favorably known in Central Illinois than Henry F. Day. In business on the same spot in Moweaqua for forty-eight years, he knew almost every man, woman and child in that section. By a long life of faithful service of the public he had as many friends as he had acquaintances. He was always a potent factor in the affairs of the community in which he lived for almost a half century.

NATIVE OF ENGLAND.

He was born in Birmingham, England, March 7, 1835, and had, therefore, reached man's allotted three score and ten. His grandfather was a manufacturer of fine guns, and was a lifelong resident of Birmingham. Bro. Day came to America January 24, 1850, and for five years was engaged as bookkeeper and clerk in Boston. After a year spent in England he returned to this country and located at the newly-formed village of Moweaqua, where he has since resided and been in active mercantile business. Though always modest and never obtrusive, Bro. Day was, nevertheless, actively interested in the affairs of state and nation, being affiliated with the democratic party.

HIS DOMESTIC LIFE.

On the 3d day of June, 1862, Mr. Day was married, at Jacksonville, Ill., to Miss Louisa M. March, who survives him. For more than forty years these two were spared to each other, and a more ideal home is not to be found than that from which the noble husband and loving father has been taken by the silent messenger. Two sons and six daughters constitute the heretofore unbroken family circle. William L. Day is in business in Kansas City. Harry M. Day succeeds his father in charge of the business at Moweaqua. The daughters are Misses Edna, Aileen, Harriet M. and Mrs. E. J. Kilborn, of Moweaqua; Miss Mary C., of Chicago, and Mrs. Frank Homrighous of Assumption. A brother, Thomas Day, of Memphis, Tenn., and a sister, Mrs. Rebecca Elsum, of Moweaqua, also survive.

HIS BUSINESS LIFE.

During the weeks of Bro. Day's sickness he completely adjusted his business, and to him it was a source of great satisfaction in his last days that his business was to be left without a single complication. He was successful, and left a considerable fortune as the result of a life of economy and fair dealing.

HIS SOCIAL LIFE.

He was a man of social disposition, and loved the companionship of his many friends. For years "Henry Day's pig roasts" have been the occasion of an evening of great pleasure in Moweaqua or Decatur, where they have been held. In these he has always been the prince of social hilarity and pleasure unalloyed. A capital story-teller, and endowed with a ready wit and rare common sense, he was easily the very soul of the occasion.

AS AN ODD FELLOW.

Shelby Lodge No. 274, at Moweaqua, was, like many other Lodges in Illinois, in a dormant condition during the civil war. The Lodge

revived, and held its first meeting after the new birth on the evening of November 23, 1865.

Henry F. Day was initiated in this Lodge March 1, 1866, and was elected Secretary in June of that year. He was elected Vice Grand in June, 1868, and Noble Grand in December of the same year; served a regular term in each of those offices, becoming a Past Grand in July, 1869. He was one of the few who kept the Lodge alive during times of adversity.

He represented his Lodge in the Grand Lodge at the session of 1874, and continuously thereafter, for a period of eight years. During this entire period he was also the Deputy Grand Master for his Lodge. He did not attempt to push himself to the front in the Grand Lodge, and therefore was never appointed on any Standing Committee or placed in nomination for any office. The only occasion when his name appears prominently in the Journal of Proceedings was in 1879, when he was appointed Official Instructor for what was then known as the 31st District, composed of Shelby and Effingham counties. In 1881, the last year of his service as Representative, he won a victory over the then Grand Master. As Lodge Deputy he had given a decision from which his Lodge appealed. The Grand Master overruled his decision. He appealed from the Grand Master to the Grand Lodge. The case was referred to the Committee on Judiciary, composed of five members, of whom four were Past Grand Masters. The committee presented a long report reversing the Grand Master and sustaining Bro. Day. The report was adopted.

In 1882 the Grand Secretary secured his services as journal clerk at the annual session. He proved so efficient that he was retained as assistant by the then Grand Secretary and his four successors up to and including the session immediately preceding his death.

IN OTHER ORDERS.

Bro. Day became a member of the Grand Lodge of Illinois of the Knights of Honor in 1879, where he at once took a leading position, in financial affairs especially. In 1886 he was elected Grand Reporter (equivalent to our Grand Secretary) and continued to hold the office to the day of his death. His son has been appointed to fill out his unexpired term. He was also an honored and useful member of the Knights of Pythias.

HIS FUNERAL.

After suitable religious services at his late residence, Bro. Day was laid to rest with the beautiful burial service of the three-link fraternity on the 18th day of July, 1905. The day was a type of the occasion. The showers and shifting clouds of the morning were suggestive of the sorrow of the stricken household and community; while the

beautiful sunshine of the afternoon, as the friends gathered in the city of the dead, typified the joy in heaven over the home-coming of one of the faithful of earth.

Past Grand Master John W. Yantis conducted the service at the grave. His impressive manner and forceful rendition of the solemn ceremonies added much to the exquisite beauty of the ritual.

BUILT HIS OWN MONUMENT.

Bro. Day leaves the rich heritage of a good name and the sweet memory of a man of good deeds and noble impulses. Though no longer able to hear "the sound of a voice that is still" and feel "the touch of a vanished hand", his family, his friends and his brothers can look upon the monument he erected and say he "hath done what he could".

"In death's unrobing room we strip from round us
The garments of mortality and earth,
And breaking from the embryo state that bound us,
Our day of dying is our day of birth."

Fraternally submitted.

The Grand Secretary announced that there was no further business upon his desk.

CONSTITUTION OF THE GRAND LODGE OF ILLINOIS.

ARTICLE I.—NAME.

This Lodge shall be known by the name and style of the "Grand Lodge of the State of Illinois of the Independent Order of Odd Fellows."

ARTICLE II.—POWERS.

This Grand Lodge, under the limitations imposed upon it by its Charter and the Constitution and Laws of the Sovereign Grand Lodge, Independent Order of Odd Fellows, possesses, within the State of Illinois, supreme legislative, executive and judicial authority. It has the right and power (1) to grant dispensations to establish Lodges; (2) to charter Lodges; (3) to suspend or discontinue for cause any Lodge subordinate to it; (4) to hear and determine all appeals from the actions and decisions of its Subordinate Lodges and from the decisions of the Grand Master; (5) to redress grievances of members and Lodges under its jurisdiction; and (6) to do whatever is proper according to the usages of Odd Fellowship and not in contravention of this Constitution or of the Constitution and Laws of the Sovereign Grand Lodge of the Independent Order of Odd Fellows. No Lodge of the Order can exist in this State without its permission.

ARTICLE III.—MEMBERSHIP.

Section 1. This Grand Lodge shall be composed of the following members, viz.: One Representative (who must be a Past Grand in good standing) from each of the Lodges of the State, and all other Past Grands in good standing of Lodges of this jurisdiction. A Past Grand from another jurisdiction, becoming a member of a Lodge in this State, may become a member of this Grand Lodge upon presenting a certificate of his official standing from the Grand Lodge of the jurisdiction from which his membership was transferred; *Provided, however*, that neither a Representative nor other Past Grand shall be a member of this Grand Lodge until he shall have received the Grand Lodge Degree.

Sec. 2. This Grand Lodge shall have power to punish by reprimand, fine or expulsion, any of its members who shall refuse to obey its laws, or who shall be guilty of conduct unbecoming an Odd Fellow.

ARTICLE IV.—OFFICERS.

Section 1. The officers of the Grand Lodge shall be as follows, viz.: Grand Master, Deputy Grand Master, Grand Warden, Grand Sec-

retary, Grand Treasurer, and two Grand Representatives to the Sovereign Grand Lodge of the Independent Order of Odd Fellows; all of whom shall be elected by ballot. Also, Grand Chaplain, Grand Marshal, Grand Conductor, Grand Guardian, and Grand Herald, all of whom shall be appointed.

Sec. 2. The Grand Master shall preside at all meetings of the Grand Lodge, and preserve order and enforce the rules. He shall appoint all Grand Officers *pro tempore*, and all the Grand Officers who are not elective. He shall name the members of all committees, unless it is otherwise ordered by the Grand Lodge. He shall give the casting vote whenever the Grand Lodge is equally divided. He may call special sessions of the Grand Lodge whenever, in his judgment, the good of the Order requires him so to do, and he shall call a special session whenever requested so to do in writing by the representatives of fifty Lodges. He shall order the payment by the Grand Treasurer of all moneys voted by the Grand Lodge. In person or by Deputy, he shall confer all official degrees, and he shall communicate the necessary passwords to be used in this jurisdiction. And within twenty days after the adoption of this amendment, the Grand Master shall appoint a Committee on Judiciary and Appeals, to consist of five members, one of whom shall be appointed for the term of one year, one for the term of two years, one for the term of three years, one for the term of four years, and one for the term of five years; and thereafter at each Annual Session the Grand Master, immediately after the installation of the Grand Officers, shall appoint one member of said Committee for the full term of five years; and shall, whenever a vacancy exists in the membership of said Committee, occasioned by death, resignation, removal or otherwise, fill such

Sec. 2. The Committee on Credentials shall report, without delay, on the credentials of Representatives and Past Grands.

Sec. 3. The Committee on the State of the Order shall report upon the reports of the Grand Master and Grand Secretary, in so far as such reports relate to the State of the Order. All appeals hereafter taken from the final judgment or action of any Subordinate Lodge shall be taken and referred to the said Committee on Judiciary and Appeals. And the decisions and judgments of said Committee shall, unless appealed from within thirty days, be final, and stand as the judgment and decision of this Grand Lodge.

An appeal from the decision or judgment of said Committee to this Grand Lodge shall be allowed, and such appeal shall be considered and determined at the session next after such appeal is taken, except in case such appeal is taken during a session of the Grand Lodge, in which case such appeal may be considered and determined at such time as the Grand Lodge may direct. A notice in writing directed to the Grand Secretary and signed by the member appealing, or the Noble Grand or Secretary of the Lodge, under the seal of the Lodge in all cases where a Lodge appeals, briefly stating the fact of such appeal and the reasons assigned therefor, shall be the only requirements of such appeal.

Sec. 6. The Committee on Finance shall report upon all accounts and claims against the Grand Lodge, previous to such accounts and claims being allowed. It shall audit annually the accounts of the Grand Secretary and Grand Treasurer, and the accounts of all officers and committees intrusted with the receipt and disbursement of funds of the Grand Lodge. It shall, from time to time, suggest such measures of finance as it may deem expedient.

Sec. 7. The Committee on Rebekah Degree shall report upon all matters relating to the Rebekah Degree and Rebekah Lodges referred to it.

They shall sign all bills for which they may have awarded contracts as being correct.

Sec. 9. The Committee on Railroads shall, if possible, procure reduced rates of fare over the several railroads of the State for members of the Grand Lodge attending the sessions thereof; and shall report to the Grand Secretary at least three weeks before any session the names of railroad companies giving reductions of fare, and all the details of the arrangements made therewith.

Sec. 10. The Committee on Mileage and Per Diem shall report the number of miles necessarily traveled by the shortest traveled route by each Grand Officer and Representative and member of the various Grand Lodge Committees, the number of days' attendance of same, and the amount due to each. The Committee shall make its estimate by allowing five cents mileage one way, and two dollars per diem.

Sec. 4. All questions in the Grand Lodge shall be decided by a majority of the members present and voting, excepting upon a call of Lodges, when Representatives only shall vote, and each shall cast the number of votes to which his Lodge may be entitled. A call of Lodges may be required by any ten Representatives, and whenever the vote is taken this way, the yeas and nays shall be recorded.

Sec. 5. Each Lodge shall be entitled, upon a call of Lodges, to one vote for every ten members in good standing at the close of the last preceding semi-annual term; *provided*, that any Lodge with less than ten members shall have one vote.

All applications for charters must be accompanied by the withdrawal cards and the charter fee, to-wit, thirty dollars.

Sec. 2. Every Lodge opened in this jurisdiction shall be instituted by the Grand Master or a Past Grand especially deputed to do the duty, who shall give to the Lodge, with the charter or warrant, the necessary instructions and charges. The expenses of the instituting officer shall be paid by the Lodge instituted.

Sec. 3. Subordinate Lodges shall make such annual, semi-annual and other reports as may from time to time be required by law, blank forms for which shall be furnished from the office of the Grand Secretary.

Sec. 4. No Subordinate Lodge shall initiate any person not twenty-one years of age.

Sec. 5. Every Subordinate Lodge shall pay to the Grand Lodge such capitation tax as may from year to year, or by the By-Laws of this Grand Lodge, be determined upon. *Provided*, however, that there shall never be appropriated from such capitation tax for any one fiscal year a sum to exceed sixty (60) cents per capita tax for the Odd Fellows' Orphans' Home and the Odd-Fellows' Old Folks' Home, for maintenance and all expenses of such homes.

ARTICLE IX.—CHARGES.

Sec. 1. In all cases where charges have been preferred against a Subordinate Lodge, which may involve the surrender or revocation of the Charter, Warrant or Dispensation under which such a Lodge exists, it shall become the duty of the Grand Secretary to issue a summons to such Subordinate Lodge, and to the Trustees of such Lodge, commanding them to appear before the Committee on Judiciary and Appeals of this Grand Lodge on a day to be therein named, at the Lodge room of such Lodge, or such other place as shall be directed by the Grand Master in his order for the issuance of such summons, which summons shall be made returnable not less than twenty days, nor more than

ninety days from and after the date thereof, and shall be served upon the said Lodge by delivering to the Noble Grand, Vice Grand, or Recording Secretary of such Lodge a copy of such summons; and the same shall be served upon the Trustees by delivering to some three or more of them a copy thereof, which service shall be evidenced by their return endorsed thereon by the officer or brother making such service, which service may be made by the Grand Marshal or any Odd-Fellow by him so authorized to do, in writing. Such summons, when so served, shall be returned to the Grand Secretary.

It shall be the duty of the Grand Master, whenever he shall suspend a Lodge to, within ten days next thereafter, formulate and file with the Grand Secretary charges and specifications against such Lodge, and in such case, and in all other cases where such charges and specifications shall have been preferred by another, the Grand Master shall fix a time and place for the hearing, by the Committee on Judiciary and Appeals, of such charges, and to direct the Grand Secretary to notify the members of the Committee on Judiciary and Appeals of such time and place, and that he prepare and furnish to the Lodge so charged one copy and to the Trustees of said Lodge one copy of such charges and specifications. And thereupon, on notice by the Grand Secretary, the Deputy Grand Master shall appoint one competent member of the Order to be a special commissioner, to take the testimony of witnesses, and other evidence, all of which, in so far as it may be done, shall be reduced to writing, and all parts of books, papers, or other written matters offered in evidence as exhibits, or otherwise, shall be by copy or copies duly examined and attested by the special commissioner; except in cases where the originals shall be so filed, but no testimony of witnesses, or other evidence, shall be so taken, until notice of the time and place of the taking of such evidence shall have been given to the Noble Grand or Secretary, and at least three of the Trustees of the Lodge, at least three days prior to such taking; nor until the special commissioner shall have subscribed in duplicate a pledge or obligation in substantially the following form:

I.....Special Commissioner appointed by the Deputy Grand Master of the Grand Lodge of the I. O. O. F. of the State of Illinois, to take the evidence under charges and specifications against.....Lodge, No.....I. O. O. F., of the State of Illinois, do pledge my honor as an Odd Fellow that I will discharge the duties of such commissioner fully, fairly and impartially, to the best of my knowledge and ability.

(Signed)

One copy of which shall be filed with the Grand Secretary as evidence of the acceptance of such appointment, and one copy shall be filed by such commissioner with his report of the evidence by him taken; and such commissioner shall require each witness who is an

Odd Fellow to subscribe to a like pledge or obligation to tell the truth, the whole truth, and nothing but the truth, touching the matter in controversy, before such witness shall be examined; and if such witness is not an Odd-Fellow, shall require him or her to be sworn before some officer by law authorized to administer oaths to tell the truth, the whole truth, and nothing but the truth, touching the matters in controversy, and all the competent and proper testimony of such witnesses shall be taken by interrogatories and answers; at which taking of testimony all parties interested shall have the right to appear and examine or cross-examine such witnesses, either in person or by agent, or other counsel.

Provided, That no agent or counsel who is not an Odd-Fellow shall be permitted to appear for either or any party, and such commissioner, by the consent of the parties appearing before him, or for good cause shown, or of his own motion, may continue from day to day to take such testimony, or may adjourn the taking thereof to a time and place named by him; which shall be by him publicly announced, and also entered upon his official report of such testimony. When the commissioner shall have completed the taking of the testimony, he shall so certify upon the same and shall immediately transmit the whole of such testimony, evidence and exhibits, properly marked and attested, to the Grand Secretary, who shall immediately notify the Grand Master and each member of the Committee on Judiciary and Appeals, whose duty it shall be to appear at the time and place named for the trial of said cause, when and where they shall proceed to hear and determine said cause.

Provided, That for good cause shown they may postpone such hearing, or continue the hearing to a time and place to be determined by them, and may make and enforce any order not inconsistent with the principles of the Order nor in violation of any law of this Grand Lodge or the Sovereign Grand Lodge, which they may deem proper and consistent with the principles of justice, and in all their proceedings and rulings they, as nearly as may be, shall be governed by the rules and usages of Courts of Equity Jurisdiction in this State. And when they shall have heard and determined the issues presented by such charges and specifications, they shall publicly (that is, to members of the Order) announce their judgment, and shall reduce their opinion and judgment to writing, subscribe the same, and thereupon transmit the same, together with all the papers, evidence, etc., in their possession and relating to such cause, to the Grand Secretary, and the finding and judgment so made shall stand and be held to be the judgment of this Grand Lodge.

Provided, That any member of the Order, or such Lodge, by any three of its officers or Trustees, shall be permitted to prosecute an appeal to the Grand Lodge, or to the Grand Master, if the Grand Lodge

is not in session, by giving notice in writing of such appeal within thirty days next after the filing of such judgment, which notice shall be filed with the Grand Secretary.

Provided, That such judgment shall be read to this Grand Lodge at its next session, and shall be subject to review thereby.

Provided, further, That any member of this (the) Lodge so charged may personally or by agent (being an Odd-Fellow) appear before said Committee at the time of said trial and enter his personal plea of not guilty of all such charges and specifications, and said Committee at such time and place (after they shall have determined the issues as to said Lodge) as they shall select, shall hear such evidence as such brother or brothers may present tending to prove his or their innocence of the offense charged, and if said Committee shall determine that any such brother is in fact innocent of any such offense, they shall enter final judgment acquitting such brother thereof, and shall make such order as will, in so far as may be under the circumstances, restore the brother or brothers to all rights and privileges in the Order, such as issuing to him from the office of the Grand Secretary a card, as in the case of a defunct Lodge, etc., and it shall become the duty of the Grand Master to carry into effect and enforce such judgment.

ARTICLE X.—AGED ODD-FELLOWS' FUND AND RELIEF.

Section 1. This Grand Lodge shall create, maintain and disburse an Aged Odd Fellows' Fund under the following provisions:

Sec. 2. Hereafter, all assets of all Subordinate Lodges whose charters have been surrendered shall be placed to the credit of a Fund to be called and known as "Aged Odd-Fellows' Fund." Such fund may also be increased and maintained by voluntary contributions, and by such other means as are not inconsistent with the laws of the Order.

Sec. 3. The Grand Secretary shall keep a register to be known as the "Aged Odd-Fellows' Register."

Sec. 4. Any Odd-Fellow over fifty years of age, who has been in continuous membership for twenty-five (25) years or more, and whose Subordinate Lodge shall surrender its charter, and who would under the laws of the Grand Lodge be entitled to receive a Grand Lodge card, may petition the Grand Lodge to place his name on the Aged Odd-Fellows' Register. Said petition shall be accompanied with a certificate from the Grand Secretary, setting forth the actual standing of the applicant at the time his Lodge surrendered its charter. Upon such petition being granted by this Grand Lodge, the Grand Secretary shall place the name of such petitioner upon the Aged Odd-Fellows' Register.

Sec. 5. Any Odd-Fellow enrolled according to the above provisions may apply for admission to any Subordinate Lodge under the conditions hereinafter set forth.

Sec. 6. Any Odd-Fellow enrolled upon the Aged Odd-Fellows' Register may be admitted to membership in a Subordinate Lodge; he shall pay to the Grand Secretary, through the Lodge to which he has been admitted, an admission fee of five dollars (\$5.00) and shall pay as dues the sum of five dollars and twenty cents (\$5.20) per year. Said admission fee and dues shall be placed to the credit of the Aged Odd-Fellows' Fund.

Sec. 7. Any Odd-Fellow enrolled as above in a Subordinate Lodge as herein provided, who becomes sick or disabled, so as to be incapable of earning a livelihood, shall receive from the Grand Secretary, through the Lodge to which the brother has been admitted, the sum of two dollars (\$2.00) weekly benefits so long as the money collected under the provisions of this Article shall permit the payment of the same.

Sec. 8. The Secretary of the Lodge shall immediately notify the Grand Secretary, in all cases of sickness or disability referred to in the preceding section, of their commencement and termination; and the Grand Secretary shall notify the Lodges having members on the Aged Odd-Fellows' Register when the said fund shall be depleted.

Sec. 9. A member of a Subordinate Lodge admitted under the above provisions shall not be entitled to vote or speak on any question involving a disposition of the funds or property of the Lodge, but shall be entitled to receive the attentive benefits of the Lodge. Also, he shall be liable to watch with the sick members of said Lodge.

Sec. 10. Upon the death of an aged Odd-Fellow enrolled as above, and who shall be entitled to the benefits of this fund, there shall be paid as a funeral expense the sum of \$35.00 so long as the moneys collected under the provisions of the Aged Odd-Fellows' Fund shall permit the payment.

Sec. 11. No Lodge receiving such members as above provided shall be liable for the payment of any sick benefits or funeral expenses to or on account of such members, nor shall any such member be required to pay any dues or assessments to such Subordinate Lodge, except for the benefit of the Aged Odd-Fellows' Fund.

ARTICLE XI.—CONSOLIDATION OF LODGES.

Section 1. Any two or more neighboring Subordinate or Rebekah Lodges working under the jurisdiction of this Grand Body may, by permission of the Grand Lodge, or of the Grand Master in vacation, consolidate their membership into one Lodge, under the following regulations.

Sec. 2. The provisions of such consolidation shall be submitted to each Lodge interested, in writing, signed by not less than ten per cent of the membership of each Lodge, giving the name and number of the charter under which the proposed consolidated Lodge shall work,

which may be the charter name and number of either Lodge, or charter name of one and number of another, or an entirely new name and such number as the Grand Master or the Grand Lodge may award them, together with any other agreements desired between such Lodges.

Sec. 3. A written or printed copy of the proposed provisions for such consolidation shall be mailed within three days to the last known address, as shown on the books of the Lodge, to all members of each Lodge by the Secretary thereof, stating that a vote will be taken on such provisions at the second regular meeting after their presentation, unless at such second regular meeting a later regular meeting, not exceeding four weeks, shall be fixed as the time for voting on such provisions.

Sec. 4. At such second regular meeting, or such other time as may be then and there fixed, a vote by yeas and nays shall be taken and the result duly recorded, and a certified transcript of the entire action taken shall, under seal, be sent immediately to the Grand Master.

Sec. 5. The Grand Master, at his discretion, or the Grand Lodge, at its discretion, shall grant and issue the necessary dispensation, provided that no Lodge has reported more than four members voting against the written proposition providing for the consolidation, but not otherwise.

Sec. 6. The consolidation, if authorized, shall be effected by the Grand Master or his duly authorized Deputy, whose duty it shall be to receive from each Lodge its charter, rituals, books, and property of whatsoever kind, together with full and complete separate lists of members of each Lodge, including dropped, suspended, expelled and deceased members, all of whom shall sustain to the consolidated Lodge the same relations, in every respect, as they did to their former Lodge.

On receiving such property and lists of membership, the Grand Master or his Deputy shall proclaim the Lodges duly consolidated, and proceed forthwith to the election and installation of duly qualified members to the various offices, as in the case of other Lodges. After such installation, he shall turn over to the consolidated Lodge everything, that came into his possession, except that he shall not turn over more than four Rituals, one Charter, and one Seal, the excess number being sent to the Grand Secretary, and a full report of all his actions to the Grand Master. The Deputy shall not require any one to sign or re-sign any Constitution.

Sec. 7. All officers of the consolidated Lodges who shall have served a majority of the regular meetings of the current term prior to such consolidation, if more than one-half of such term shall have expired, shall be entitled to the honors of the offices in which they have so served; but if they shall not have served a majority of all such meetings, or if not more than one-half of the current term shall have

expired at the time of such consolidation, then, and in that case, they shall not be entitled to such honors.

ARTICLE XII.—AMENDMENTS.

Section 1. This Constitution shall be altered or amended only by a proposition therefor in writing, submitted at an Annual Session, which proposition shall set forth the section to be altered or amended as it would read if amended or altered. The proposition shall be entered at length on the Journal, and shall not be acted upon until the next Annual Session, when it may be considered and adopted. But if, by changes in legislation or otherwise, any part of this Constitution shall be found to be contrary to the laws of the S. G. L., such part may, without previous notice, be stricken out or amended to conform to the laws of the S. G. L.

Sec. 2. Two-thirds of all votes cast shall be necessary to adopt an amendment to this Constitution, and the vote shall be taken of the members present by division and count, unless the vote by Lodges be called, in which case the vote shall be according to Article VII, Section 4, of this Constitution.

BY-LAWS OF THE GRAND LODGE.

Section 1. This Grand Lodge shall, at each annual session, convene at 7 o'clock p. m., and adjourn from time to time until the business of the session is completed, unless otherwise ordered specially by a vote of the Grand Lodge.

Sec. 2. In the absence of the Grand Master and Deputy Grand Master, the Chair may be taken, *pro tempore*, by any member of the Grand Lodge who may be called to it by a majority of the members present.

Sec. 3. The meetings of the Grand Lodge shall be opened with prayer.

ARTICLE II.—SUBORDINATES.

Section 1. Should any Subordinate or Rebekah Lodge fail to hold its meetings for six months, or make its returns as required by the Constitution for one year, it shall be deemed an extinct Lodge, and its charter forfeited. It shall be the duty of all Lodges to make out their returns previous to installation.

Sec. 2. In all cases where a Lodge shall have been suspended or expelled, or its charter shall have been forfeited, the charter, funds, books, properties, and effects of all kinds belonging to or owned by such Lodge, shall revert to this Grand Lodge, and it shall be the duty of the last installed officers of such Lodge to deliver them all immediately to the Grand Master, or his Deputy authorized by him to receive them.

Sec. 3. Members of a defunct Lodge who were in good standing at the time of its dissolution, as may appear by the records of such Lodge, or who may have paid to the Grand Lodge all arrearages then due by them, shall, upon application to the Grand Secretary, receive a certificate, under the seal of the Grand Lodge, which shall entitle them to the same privileges as a withdrawal card, and for the same time, to enable them to make application for admission to membership in another Lodge; *Provided*, that no such certificate shall be given to a member of a suspended or expelled Lodge, unless ordered by special vote of the Grand Lodge.

Sec. 4. Any Lodge or member who shall be concerned in organizing, or who shall countenance or support, or who shall knowingly

Sec. 6. Every Subordinate and Rebekah Lodge shall have a suitable seal (a proof-impression of which shall be deposited with the Grand Secretary); and all of its official communications shall be sealed therewith.

Clause 4. When a vacancy arises in the representation of a Lodge, from any cause, the Lodge may, in its discretion, fill the same; but the election for filling such vacancy shall not take place until the next regular meeting after the decision to fill the vacancy has been made; *Provided, however*, that when, on account of such delay of one week, there will not be sufficient or reasonable time allowed to the representative-elect to prepare to attend the next ensuing session of the Grand Lodge or to travel thereto, the Lodge may fill the vacancy forthwith.

Clause 5. The representatives shall be divided into two classes—the first class being those that represent odd-numbered Lodges, and the second class those that represent even-numbered Lodges. The first class shall be elected biennially in odd-numbered years, and the second class biennially in even-numbered years.

Sec. 10. He shall notify all members who are at any time in arerars for eleven months' dues, delivering the notice in person, if practicable; but if not, then mailing it to the member's last known address; and at the expiration of the next succeeding month, if the said member's account is not settled in whole or in part, sufficient to reduce his arrears to less than one full year's dues, he shall present the name of such member to the Lodge. Prior to the last meeting in March, June, September and December, respectively, he shall notify all members who are in arrears for one quarter's dues. He shall, at the close of each term, make to the Lodge a detailed report of the business of his office, and have his books written up for the Finance Committee, whom he shall meet prior to the first meeting in the next succeeding term to exhibit his books and papers, and to aid them in the examination thereof; and at the first regular meeting of the new term he shall present his report to the Lodge, with a statement of the balance of account of each unsuspended member. Sec. 7. The Treasurer shall be elected annually at the election in March, and prior to his installation in office he shall give a joint and several bond to the Trustees of the Lodge, with two sureties to be approved by the Lodge, with such penalties and conditions as from time to time may be prescribed by the Lodge.

Provided. That, in lieu of the bond above mentioned, the Treasurer, at the option of the Lodge, may furnish a bond signed by some surety or guaranty company licensed by the State of Illinois, and that is engaged in the business of furnishing indemnity bonds, the expense of such bond to be defrayed by the Lodge.

Such bond, before being presented to the Lodge, must have been submitted to and approved by a majority of the Trustees. He shall keep the funds, notes and securities of the Lodge; pay all orders drawn on him by the Noble Grand and attested by the Secretary, and none other; keep a full account of all moneys expended, and give the Lodge, at its first meeting in each month, a statement of its funds. ARTICLE IV.—STANDING COMMITTEES.

Section 1. The Standing Committees of this Lodge shall be a Committee of Trustees, a Visiting Committee, a Finance Committee, and such others as may be created by the By-Laws.

Sec. 2. Five Trustees shall annually be chosen by ballot at the regular election in March, and a plurality of votes shall elect. The term of office of Trustees shall begin on April first following their election, after having qualified as hereinbelow provided, and shall hold their office until their successors shall have been elected and qualified by filing certificate of election as herein provided. It shall be the duty of the Recording Secretary, within one week after said election, to file with the County Recorder of the County where such Lodge is located, a certificate of the election of said Trustees, such certificate setting forth also that the term of office of said Trustees begins on April the first following. It shall be the duty of the said newly elected Trustees, when qualified as above, to approve the bonds of the newly elected officers; also to act as an Executive Committee of the Lodge in carrying out all acts not otherwise provided for; to procure Lodge room, fuel, lights, regalia, and all things necessary for the comfort of the Lodge, under its directions. Sec. 3. The Visiting Committee shall consist of at least three members, one of whom shall be the Noble Grand. They shall keep themselves informed at all times as to the condition of a brother who has been reported sick; they shall report to the Lodge what benefits he is entitled to; and they shall provide for his care and watch, as his case may require and the laws of the Order permit. If a member of another Lodge be sick and apply to this Lodge for relief, his case shall be referred to the Visiting Committee as if he were a member of this Lodge; and if he be entitled to receive benefits from his own Lodge, this Lodge shall advance the sum thus due him, and forward an account of the same to his Lodge without delay. The Lodge may, by by-law, add to the number of this Committee and prescribe more specific details of their duty; provided that, in cities or towns having more than two lodges, the Visiting Committees of the different Lodges may, if they see fit, appoint one of their number to act with a like number from the other Lodges in the town or city as a special Visiting Committee, whose duty shall be the care of traveling or sojourning brothers who may be sick or disabled in the town or city where such Lodge exists.

Sec. 4. The Finance Committee shall consist of three members, to be appointed by the Noble Grand on the night of his installation. They shall audit and inspect the accounts, books, securities, bonds, funds, and other property in the hands of the Treasurer, and the books and reports of the Secretaries, and of other officers and committees charged with the receipt and expenditure of money. For this purpose they shall fix a time and place to meet the Secretaries and Treasurer, after the last regular meeting in each semi-annual term, and shall report in writing at the first regular meeting in the next term. They shall also examine all other financial matters referred to them, and report thereon to the Lodge as soon as practicable. Neither the Treasurer, the Secretary, the Financial Secretary, nor any member of the Board of Trustees shall be a member of the Finance Committee.

ARTICLE V.—ELECTIONS, ETC.

Section 1. No brother shall be eligible to the chair of the Noble Grand unless he has served a regular term as Vice Grand; nor shall any brother be eligible as Vice Grand unless he has served one term in some inferior office. But if all qualified members present refuse to accept the office of Noble Grand or Vice Grand, a Third Degree member may, under dispensation from the Lodge Deputy, be elected to either of said offices without previous service.

Sec. 2. All elective and appointed officers must have the Scarlet Degree before they are installed.

Sec. 3. Nominations for elective officers may be made at the regu-

lar meeting next preceding the night of election, and on the night of election immediately previous to the election for each office.

Sec. 4. The elective officers, except the Treasurer and Financial Secretary, shall be chosen at the first regular meetings in March and September, and shall hold their respective offices for six months and until the next regular installation of officers. They shall be installed at the first meetings in April and October. The Treasurer and Financial Secretary (if there be one) shall be elected in March, and shall be installed at the first meeting in April, and both shall serve for one year. If a public installation of officers be had, it may be at another time than that specified above, but not prior to the first meeting in April and October.

Sec. 5. The election of officers shall be by ballot, except in cases where there is but one candidate for an office, when the election may be by acclamation. A majority of all votes cast shall be necessary to an election. Ballots for persons not properly in nomination shall be considered blanks; and blanks shall be counted as votes. When there are several candidates, and there is no choice, at each successive balloting the name of the candidate having the smallest number of votes in the preceding ballot shall be dropped from the nomination.

Sec. 6. If any officer shall be absent for three consecutive meetings, except for personal sickness, his office may be declared vacant by vote of the Lodge, if he is an elective officer, but by the officer who appointed him; if he is an appointed officer. All vacancies shall be filled in the manner of the former selection, to serve the residue of the term; and the officer so serving shall be entitled to the full honors of the office.

ARTICLE VI.—DEGREES.

Section 1. No degree shall be conferred upon a candidate until, by examination in open Lodge, he shall have been found proficient in the highest degree he shall have attained, i. e., in possession of the unwritten work thereof, so as to give an intelligent explanation of its uses, and, as near as may be, in the language of said work; *provided, however,* that when urgent necessity is shown, and a dispensation therefor shall have been granted by the Lodge Deputy Grand Master, such examination may be dispensed with. The dispensation may also permit the conferring of more than one degree at the same meeting.

Sec. 2. A member desiring to receive any degree or degrees shall pay to the Secretary of the Lodge the fee or fees therefor, who shall, under the proper order of business, make known his desire to the Lodge, at a regular meeting thereof, stating which degree or degrees are desired; whereupon (the candidate being in waiting) the Lodge shall be opened in the highest degree the candidate has attained, when he shall be admitted and examined by the Noble Grand, or other

brother under his direction, as to his proficiency, as required in the preceding section; after which (the candidate having retired), the Noble Grand shall raise the Lodge to the third degree and put the question as to his proficiency to a vote of the Lodge; and if a majority declare him proficient, the degree shall be conferred upon him, but if declared not proficient, it shall not be conferred until, upon further examination, he shall be declared proficient. The conferring of degrees may be done at special meetings called for that purpose.

Sec. 3. A member of this Lodge who shall have paid the fee or fees for any of the degrees may, upon application, receive a certificate requesting any Lodge to which it may be presented to confer upon him the degree or degrees therein specified.

ARTICLE VII.—DROPPINGS, TRIALS AND PENALTIES.

Section 1. Any member who shall become in arrears for the dues and assessments accruing against him during the period of one full year shall, after twenty days' written notice from the Financial Secretary, delivered to him in person, if possible, otherwise mailed to his last known address, be declared by the Noble Grand dropped from membership, unless the Lodge shall otherwise direct, or unless, in the meantime, he shall have paid dues so as to reduce the time of arrearage to less than one full year; *provided, however*, that a member sixty years or more of age, who has been a contributing member of the Order for twenty-five consecutive years, who shall become in arrears for dues and assessments during a full year, shall not be dropped by virtue of such arrearage, but he may be placed upon the list of "non-contributing members." If so placed, he shall thereafter be known as a "non-contributing member"; he shall be entitled to receive all passwords and fellowship of Subordinate Lodges; and, upon payment of the cost to the Lodge, he shall be entitled to receive the special visiting card provided by the Sovereign Grand Lodge for non-contributing members. This Lodge shall be exempt from the payment of per capita tax to the Grand Lodge upon all such non-contributing members.

Sec. 2. If any member of this Lodge shall be found guilty of conduct contrary to the laws of the Order, or in violation of its principles as set forth in its lectures, charges and obligations, or shall be found guilty of any dishonest or immoral act or practice, injurious to himself, his family, or to society, or by which the Order may be scandalized, he shall be subjected to such penalty as the laws of this jurisdiction or the discretion of the Lodge may prescribe.

Sec. 3. If any member of this Lodge shall have reason to believe that any other has been guilty of conduct unbecoming an Odd-Fellow, as shown in the preceding section, it shall be his duty immediately to give notice of such violation or offense, in writing, to the Noble

Grand. The Noble Grand shall forthwith refer a copy of such written communication, concealing the name of the informant, to a special committee of three members; which committee shall proceed, without delay, to investigate the matter therein stated; and if, in their opinion, there is just ground therefor, they shall, as early as practicable, prefer a charge, or charges, against the member so accused, specifying therein the particular matter of offense with which he is charged; and the committee shall have charge of the prosecution on the part of the Lodge.

Sec. 4. Any other Lodge in this jurisdiction, or a member of any other Lodge, if his own Lodge will forward his complaint attesting his good standing, or a member of this Lodge, may prefer an open complaint or information against any member of this Lodge; and such complaint shall be treated as complaints or informations mentioned in Section 3, of this Article; but the complaint shall be read in open Lodge and the Committee thereon there appointed.

Sec. 5. Whenever a charge, or charges, are preferred against a member, they shall be read in open Lodge, at a regular meeting. The Secretary shall immediately furnish a copy thereof, under seal of the Lodge, to the member so accused, and at the same time cite said member to appear before the Lodge at the second regular meeting thereafter and plead guilty or not guilty to each charge and specification; and if he pleads not guilty, then the Noble Grand shall appoint a competent member of the Lodge as a commissioner or committee of one to take the evidence, both for the Lodge and the accused, in deposition form, by writing down both the questions and answers in full, and that the said commissioner to take evidence shall be first obligated by the Noble Grand to perform such duty, and he shall be authorized to obligate witnesses who may be members of the Order, and cause such witnesses who may not be members of the Order to be obligated by a proper officer authorized to administer oaths. Said Commissioner shall have power to pass upon the competency of evidence, and if objections are made to his ruling, he shall note said objection, together with the question and answer, in the depositions. If the accused appears when cited and pleads not guilty, the case shall be continued two weeks from the night the citation is returnable, to give each side an opportunity to have the Secretary cite their witnesses to appear before the commissioner. The Commissioner shall have power to continue the taking of said evidence from day to day, and when the evidence is all taken, said Commissioner shall report the same to the Noble Grand over his certificate. The Noble Grand shall rule as to whether said evidence objected to before the Commissioner shall be read to the Lodge, and for the purpose of passing upon the same, he shall, not later than three days before the fourth regular meeting of the Lodge, at a time and place selected by him, after notifying the Committee of the Lodge

having the prosecution in charge, and the accused or his attorney, in writing, of such time and place, hear both the prosecution and defense before passing upon the objected evidence. The Noble Grand, after hearing both sides, shall mark upon the depositions, at the place where the objected evidence may appear, either the word overruled or sustained, as the case may be, and the evidence read to the Lodge shall be only that which the Noble Grand has overruled the objections thereto.

Sec. 6. If personal service of a copy of the charges and citation cannot be had on an accused member, by reason of his permanent absence, concealment, or because of his absconding, the Lodge may regularly proceed with the trial upon proof of the fact that such personal service is rendered impracticable, and that a copy of the charges and citation had been deposited in the Post Office, postpaid, directed to his last known postoffice address, and that a like copy of the charges and citation shall have been left at his last known place of residence, if the same be within the jurisdiction of the Lodge; *provided*, such papers shall be deemed to have been served upon the accused only from the date when the constructive service above described is complete. The Noble Grand shall appoint counsel to defend him, if none appear for him.

Sec. 7. The Lodge, at said fourth regular meeting, or at such other time as may then be fixed, shall open in the highest degree which the accused has attained, if he be not of the Third Degree, and shall listen to the reading of the evidence taken by the Commissioner, both for the Lodge and the accused. The accused shall be heard in his own behalf in person or by counsel, and the committee appointed to prosecute on behalf of the Lodge shall have the right to also address the Lodge. The Lodge shall then proceed to vote upon the charge or charges preferred; but no member shall be entitled to vote unless he were present during the whole of the reading of the testimony and of the arguments thereon. If the charges be sustained, in whole or in part, by a vote of two-thirds of the members entitled to vote on the question, the accused shall retire to the ante-room. The Secretary shall then read to the Lodge the charge or charges, or part or parts thereof, that have been sustained, when the Noble Grand, without motion, shall proceed to put to vote the highest order of punishment—expulsion; and if that be not agreed to, he shall put the next—suspension; and shall so proceed until some order of punishment is agreed to by a vote of two-thirds of the members present. One penalty only shall be inflicted as the result of one trial.

Sec. 8. Whenever the Lodge shall determine upon suspension, a motion may be made to fix the time, and two amendments may be offered thereto, which shall be decided without debate. The Noble Grand shall put them to vote, commencing with the longest period of

time therein named; and if all of them be rejected, a second motion may be made, and two amendments permitted thereto, which shall be put to vote in a like manner; and the Lodge shall so proceed until some period of suspension is agreed to. But suspension of membership shall work no suspension of dues and arrerages, but they shall run on during the time of suspension. If the Lodge shall decide to punish by fine, the same course shall be adopted in determining the amount thereof as is above provided in fixing the time of suspension; and in either case, of fixing the time of suspension or amount of fine, the majority of the members present shall decide the period of time or amount. But no suspension shall be shorter than eight days, nor longer than one year.

Sec. 9. When the misconduct is confessed by the accused brother, the Lodge to which such case is referred may proceed to vote upon his punishment without the formula of a trial.

Sec. 10. The only legal penalties for misconduct are fine, reprimand, suspension and expulsion. Fine is not allowed as penalty for violation of the principles of the Order.

Sec. 11. The penalty for intoxication is reprimand for the first offense, suspension for the second, and expulsion for the third; and no other penalties are legal. *Provided*, the penalty upon the conviction of a brother who has been expelled for intoxication, has been reinstated, and shall again be found guilty of intoxication, shall be suspension for not less than three months, and for the next conviction for a like offense he shall be again expelled; and *provided, further*, that if a Representative attending a session of the Grand Lodge shall be found guilty of intoxication at such session, the penalty shall be expulsion.

Sec. 12. When a definite penalty is fixed by law for any offense, a brother convicted thereof is sentenced without further vote; if alternatives are fixed, the Lodge chooses one of them by vote.

Sec. 13. If any accused member shall evade the receiving of a citation, or, after receiving the same, shall neglect or refuse to attend the Lodge at the time therein fixed, and there remain throughout the investigation or trial of his case, the Lodge may proceed in his absence to expel him for contempt.

Sec. 14. At all stages of the proceedings the accused shall have all opportunity to vindicate himself; and in case of suspension or expulsion following the constructive citation provided for in Section 6, of this Article, or in case of alleged contempt, the accused shall be entitled to a new trial at any time within six months, if he shall show that his absence was produced by unavoidable circumstances, or that injustice was done him.

Sec. 15. The accused or any three members feeling aggrieved by the decision of the Lodge in a trial shall be entitled to an appeal to

the Grand Lodge, which appeal must be entered according to the laws and regulations of the Grand Lodge on the matter of appeals. On command of the Grand Lodge, the brother may be acquitted or tried anew for the same offense.

Sec. 16. Any brother having been suspended or expelled, notice thereof shall be sent without delay to the Grand Secretary and to all Lodges in the same place; and a brother who has been legally expelled shall not be admitted to membership again without consent of the Grand Lodge or the Grand Master.

Sec. 17. If any member of the Lodge shall make to the Noble Grand any accusation against a brother, under Section 3 of this Article, which shall be proved to be without reasonable grounds, or false and malicious, it shall be the duty of the Noble Grand to deliver up the name of the informant to the Lodge, on demand of a majority of the members thereof present, that he may be dealt with accordingly.

Sec. 18. This Lodge shall have a black book, in which shall be entered the names of all persons expelled by this Lodge, or any other Lodge of which they may have received due notice, with the date and cause of each expulsion.

Sec. 19. If at any time before passing upon the objected evidence by the Noble Grand, the accused, or three members of a Lodge in which charges may be preferred against a member, are of the opinion that the accused will not receive an impartial trial at the hands of the Lodge, and present such opinion in writing, such paper, together with such evidence as may be desired bearing upon the question of prejudice in the Lodge, shall be forwarded to the Grand Master; and if he order the court changed to another Lodge, then, when the record of written evidence is reported by the Commissioner, and the case is ready for the Noble Grand to pass upon the objected testimony, if any, the trial shall be removed to the Lodge so designated by the Grand Master; and the Noble Grand of such designated Lodge shall pass upon the objected evidence, as provided for in Section 5 of this Article.

Sec. 20. Upon such removal, the Prosecuting Committee, or some attorney appointed by them, or by the Noble Grand of the removing Lodge, may present the case, and the accused may appear by himself or attorney, as if no such removal had taken place.

Sec. 21. If either the prosecution or the defense shall desire the testimony of a witness whose attendance cannot be secured, they shall file with the Secretary of the Lodge the interrogatories they wish to be propounded to the witness, naming him and giving his address. The Secretary shall immediately deliver or cause to be delivered to the opposite party a copy of the interrogatories. The latter party, within one week of such service, may file counter interrogatories with the Secretary. At the expiration of the week, or sooner, if counter inter-

rogatories be sooner filed, the Secretary shall forthwith forward them to the Noble Grand of a Lodge near the witness, with a communication under seal, requesting him to take the deposition of the witness named. Upon receipt of the same, the said Noble Grand shall, as soon as possible, take or cause the deposition to be taken by some competent member of the Order, first obligating him as an Odd-Fellow, if he be an Odd-Fellow, or swearing him or causing him to be sworn, if not an Odd-Fellow, causing every interrogatory to be propounded to the witness and the answer to each to be reduced to writing in the presence of the witness; and when the deposition is completed, shall cause the witness to sign the same under his obligation as an Odd-Fellow, if he be an Odd-Fellow, or be sworn to and sign the same before one authorized to administer oaths, if he be not an Odd-Fellow; and then the Noble Grand, or person taking the same, shall certify the same to have been duly taken, and such certificate shall be verified by the seal of the Lodge, and the deposition shall then be sealed and transmitted by mail to this Lodge. Depositions thus taken and certified may be read in evidence in the cause to which they relate.

Sec. 22. When the matter has been determined, a copy of the record of the proceedings had thereon, with the register of the evidence, shall be returned to the removing Lodge; and the same shall be filed in its archives, and the judgment entered upon its records. An appeal to the Grand Lodge may be had in case of a removed trial, as in other cases.

Sec. 23. All votes taken under the provisions of this Article shall be by ballot with balls.

Sec. 24. If any member of the Order who shall have been duly notified to appear and give evidence, shall fail to appear as notified, or appearing, shall refuse to answer questions as a witness, he shall be deemed guilty of contempt, and the Lodge may proceed to expel said member for contempt.

ARTICLE VIII.—REINSTATEMENTS.

Section 1. A brother dropped for non-payment of dues from membership in this Lodge may, within one year after being dropped, be reinstated upon application made in open Lodge by a member thereof, which shall be held over until the second meeting thereafter, the Secretary reading the same at each meeting, and be determined affirmatively on a ballot by a majority of the votes cast, and upon payment of such amount as the By-Laws of the Lodge may prescribe.

Sec. 2. If a brother dropped for non-payment of dues from membership in this Lodge shall, after one year from being dropped, make application for reinstatement, his application shall be treated like a proposition for membership by initiation, except that the vote of a majority on ballot shall reinstate him.

Sec. 3. A brother dropped from membership in this Lodge who may have been in membership in the Order for five consecutive years, and who may be over fifty years of age, may be reinstated as a non-beneficial member by a majority on ballot. His application must state age, occupation and residence, and be disposed of as required in the preceding section.

Sec. 4. A member dropped from membership in this Lodge who shall, at any time within five years from being dropped, make written application for reinstatement and a withdrawal card for the purpose of joining another Lodge in Illinois, may be reinstated and granted a withdrawal card by a majority vote upon ballot; and the reinstating vote shall grant the card also without further ballot. But such application may, at the option of the Lodge, be referred to a committee for investigation, and shall be reported upon and acted on as soon thereafter as practicable.

Sec. 5. A member expelled by this Lodge may apply in writing for reinstatement. The application shall be referred to a committee of three, who shall ascertain whether the applicant has made such reformation, reparation or apology as is appropriate, and shall report to the Lodge. After the reception of the report, the Lodge shall ballot on the application. If two-thirds of the members present shall vote in favor of reinstatement, the Secretary shall write to the Grand Lodge, or in recess to the Grand Master, for permission to reinstate him; and if it be granted, he shall thereby be reinstated. No expelled member shall be reinstated without the payment of the fee provided by the By-Laws of this Lodge, not less than one year's dues. But members expelled for non-payment before such action was forbidden shall be reinstated as dropped members.

Sec. 6. When a suspended or expelled member shall have been reinstated, either by expiration of sentence or action of the Grand Lodge, notice thereof shall be sent without delay to the Grand Secretary and to all Lodges in the same place.

ARTICLE IX.—CARDS, DISMISSAL CERTIFICATES AND RESIGNATIONS.

Sec. 1. A member of this Lodge may end his membership therein by taking a withdrawal card or a dismissal certificate; and he may end his membership in this Lodge and in the Order also by presenting a written resignation of membership. No resignation of membership or application for withdrawal card shall be entertained from any one who is not clear on the books.

Sec. 2. A withdrawal card may be granted to any member by a vote of a majority upon ballot at a regular meeting. Application therefor must be made by the member in person or in writing, and shall lie over one week for final action, except that when the appli-

cant has left the vicinity of the Lodge, or it is his known purpose to leave before the next meeting, or to join in a petition for a new Lodge, the card may be granted without delay.

Sec. 3. If the Lodge refuses to grant a withdrawal card applied for, the applicant may tender a written resignation of membership; he shall then be entitled to receive from the Secretary a certificate, under the seal of the Lodge, that he has resigned membership, as evidence of his good standing at that time.

Sec. 4. A visiting card may be granted to any member by vote of the Lodge at a regular or special meeting, or by the Noble Grand and Recording Secretary at any other time, when application for the same is made to them in writing; but it shall not be made out until he shall have paid all charges on the books against him, his dues to the expiration of the card, and the price of the card; *Provided*, that a Lodge may provide by By-Law that when a member pays one year's dues in advance, the card may be granted without fee for same.

Sec. 5. Dismissal certificates shall be granted by this Lodge, and issued by the Noble Grand and Recording Secretary without vote of the Lodge, upon proper application therefor and the payment of one dollar, to any member dropped for non-payment of dues for five years, or to any dropped member who has removed from the State, or is joining with other brothers in petitioning for a new Lodge, unless complaint is filed or charges are preferred against him. *Provided*, this Lodge may, by vote, grant a Dismissal Certificate before the expiration of the five years.

ARTICLE X.—FEES, DUES, BENEFITS AND FUNDS.

Section 1. No person shall be admitted to membership or be reinstated in this Lodge, or receive any degree, or a card, until he shall have paid the amount required therefor by this Constitution or the By-Laws. When dues and special assessments or fines stand charged upon account, the payments made shall apply to these in the order of their accruing.

Sec. 2. No person shall be admitted to membership in this Lodge for a less sum than is herein provided, viz.: By initiation, five dollars; by deposit of card, two dollars; as an Ancient Odd Fellow, five dollars; and as a non-beneficial member, five dollars; provided, that no admission fee shall be charged a brother who has moved from the vicinity of his own Lodge to the vicinity of this Lodge and is entitled to a withdrawal card, or holds an unexpired withdrawal card from his old Lodge, except he shall pay for a medical certificate regarding his health, should one be required by the By-Laws of this Lodge; and provided, further, that no admission fee shall be charged for an applicant for membership under Article X, Section

6, of the Constitution of the Grand Lodge of the State of Illinois, regarding the "Aged Odd-Fellows' Register;" provided, further, that no fee except the cost of the card shall be charged a member of this Lodge for a withdrawal card if he has removed to the vicinity of another Lodge and petitions for membership therein.

Sec. 3. The fee for each degree shall not be less than three dollars.

Sec. 4. No member shall be reinstated after having been dropped for non-payment of dues for less sums than are herein provided, viz.: Under Article VIII, Section 1, of this Constitution, the amount of one year's dues, neither more nor less; under Article VIII, Section 2, the same fee as is charged for an initiate of the same age, or such lesser sum (not less than one year's dues) as the By-Laws may prescribe; under Article VIII, Section 3, a sum not less than one year's dues; under Article VIII, Section 4, the amount of one year's dues and the price of the card.

Sec. 5. The regular contributions to the Lodge fund shall not be at a less rate than seven cents a week, to be determined by the By-Laws; but the Lodge shall by its By-Laws prescribe some less rate, not exceeding five cents a week, for the dues of non-beneficial members. Provided, members resident of the I. O. O. F. Old Folks' Home, may be, by By-Law, exempt from the payment of weekly dues so long as resident therein.

Sec. 6. The Lodge may by its By-Laws require such further contributions for a Widows' and Orphans' Fund, an Education Fund, a Funeral Assessment or Fund, or for any other Fund suitable to the purposes of the Order, for either or all of them, as the Lodge shall determine.

Sec. 7. The Lodge may, by its By-Laws, set aside any amount not exceeding five per cent of the receipts for dues, as a contingent fund, to be used for entertainments and in the payment of necessary and proper obligations which the Lodge must meet, and for which purpose the Lodge cannot expend its general funds.

Sec. 8. A beneficiary member shall be any one who has been for six months a member by initiation of this Lodge (or of the Order, if admitted to membership in this Lodge upon an unexpired withdrawal card), as an Ancient Odd-Fellow, or by reinstatement after dropping or expulsion, who is under no complaint or charges of misconduct, and who is not more than thirteen weeks in arrears for dues. A member reinstated after suspension shall be beneficiary immediately upon reinstatement, subject to the provisions herein in relation to dues; provided, however, that this Lodge, by proper by-law, may enact that, if a member shall become non-beneficiary by reason of being more than thirteen weeks in arrears for dues, he shall, before he can

become beneficiary, pay all arrears for dues, assessments, and fines; and such by-law may further provide that, as a penalty, such non-beneficiary member shall not become entitled to weekly benefits for a period subsequent to such payment not exceeding thirteen weeks.

Sec. 9. Every beneficiary member of this Lodge, in case of sickness or disability not caused by vice or immorality on his part, shall be entitled to and receive from the funds of the Lodge such weekly benefits as may be fixed by the By-Laws, not less than two dollars a week if of the Scarlet Degree; but no sick benefit shall be allowed for less than a week's sickness, or for the fractional part of a week; Provided, that this Lodge may provide in its By-Laws for a sick benefit of not less than one dollar to be paid to brothers who may have been sick, and received sick benefits continuously for the period of one year; *Provided, further*, that this Lodge may provide by By-Law that no benefit shall be paid for the first one week or two weeks of such sickness or disability; *Provided, further*, that a brother who is ill outside of the jurisdiction of this Lodge, in order to receive benefits, shall furnish to this Lodge a certificate of a regular practicing physician, in the following form:

The beneficiaries of the funeral benefit are the widow, orphans (under the age of 21 years, members of and residing with the family of the deceased), or the dependent relatives of the deceased, or relatives upon whom the deceased was dependent at the time of death. In the event of the death of a beneficiary member of this Lodge not leaving surviving him any of the above named beneficiaries of a funeral benefit, and leaving either no estate or insufficient estate to pay the expenses of the funeral, the Lodge shall pay the funeral expenses not to exceed the combined funeral benefits and expenses provided by the By-Laws of this Lodge.

Sec. 11. A member so far in arrears for dues as not to be entitled to weekly benefits shall not be entitled to attentive benefits, but such member shall be visited by the Visiting Committee if within the jurisdiction of this Lodge; provided, however, that the Lodge may provide such brothers attentive benefits not involving the payment of money from the general fund or the nurse fund of this Lodge; and, provided, further, that this Lodge may, by proper by-law, limit the time for which the Lodge shall be liable for the payment of night watchers or nurses for any sick or disabled beneficiary member of this Lodge in any one sickness or disability.

No financial benefits shall be allowed to any non-beneficial or non-contributing member, nor shall any pecuniary relief be extended to any such member from the funds of the Lodge, except upon the recommendation of some committee; provided, no non-beneficial or non-contributing member shall be assessed for the purpose of raising a fund for the payment of sick or disability benefits.

Sec. 13. The special funds of this Lodge shall be sacredly devoted to the purposes for which they may be raised; and the general fund shall be considered sacredly pledged to the relief of distressed brothers, the payment of benefits, the furnishing of the Lodge room.

and such other necessary expenses as are and may be recognized and authorized by the laws of the Order.

Sec. 14. The stocks, securities, investments and funds of this Lodge shall not be transferred, in whole or in part, but by a vote of two-thirds of the members present at a regular meeting. The resolution therefor shall have been presented at least one week before final action.

Sec. 2. It shall be the duty of the retiring officers, at the close of each semi-annual term, to prepare and forward to the Grand Lodge, immediately, a full report of the work of the term, upon the blank forms furnished from the office of the Grand Secretary, and in conformity with the instructions of that officer, accompanied by whatever amount may be due to the Grand Lodge; and at the close of each annual term, in like manner, the Annual Report of Membership.

Sec. 3. This Lodge shall stand fully invested with power to adopt such By-Laws and Rules of Order, from time to time, as may be deemed expedient, *provided*, they do not in any way contravene any of these articles, the Laws and Constitution of the Grand Lodge of

Illinois, or of the Sovereign Grand Lodge of the Independent Order of Odd-Fellows, or the principles of the Order.

Two copies of the By-Laws, or any amendment thereto, certified by the Secretary under the seal of the Lodge, shall, immediately after adoption by the Lodge, be sent by the Secretary to the Grand Secretary for the approval of the Committee on Judiciary and Appeals, which approval shall be necessary before said By-Laws or amendments thereto shall become operative.

8. If two members, or more than two, rise at the same time to speak, the Chair shall decide which is entitled to the floor.

9. No member shall speak more than once on the same subject unless all the members present wishing to speak shall have had an opportunity to do so; nor more than twice, without permission from the Chair; and no member, while speaking, shall name another except by the appropriate title designating his rank in the Order.

10. Whenever a member, while speaking, shall be called to order, he shall resume his seat until the question is settled and leave is given him to proceed.

11. No motion shall be debated until the same is seconded and stated to the Lodge by the Chair, and any motion shall be reduced to writing on the request of any member.

12. When a question is before the Lodge, no motion shall be in order but these: (1) to adjourn, or its equivalent, to proceed to close; (2) to lay on the table; (3) the previous question; (4) to postpone indefinitely; (5) to postpone to a certain time; (6) to commit; (7) to amend; and these motions shall be privileged and have precedence in the order in which they are made to succeed each other by this rule; and motions to adjourn, to proceed to close, to lay on the table, and for the previous question, shall be decided without debate.

13. When the previous question is moved and seconded it shall be put at once in these words: "Shall the main question be now put?" If decided in the affirmative, the debate ceases, and the Chair puts to vote all pending amendments, in their proper order, and the main question; if the previous question be decided in the negative, the question shall remain before the Lodge as before.

14. When a blank is to be filled, and different sums, numbers or times shall be proposed, the question shall first be put on the highest sum or number, and on the longest or latest time.

15. Any member may call for a division of the question when it can be divided, but a motion to strike out and insert shall be indivisible, except at the option of the mover.

16. If the reading of any paper be called for and it be objected

to by any member, the question shall be determined by a vote of the Lodge without debate.

17. Every qualified member present shall vote on all questions before the Lodge, unless the Lodge excuse him from so doing for special reasons.

18. On a call for the yeas and nays by a majority of the Lodge, the name of each member voting shall be entered on the minutes.

19. When a question is postponed indefinitely, it shall not again be acted on during that or the next succeeding meeting.

20. No motion shall be heard for reconsideration of any vote of the Lodge unless the same shall be made by a member who voted with the majority in the first instance.

21. Before any communication, petition or memorial shall be received and read by the Secretary, a brief statement of its contents shall be made verbally to the Lodge, either by the member presenting the same or by the presiding officer.

22. On application to the Chair, any member may be excused from serving on a second committee, at the time of his appointment thereon, if the duties of the first committee remain unperformed and the applicant be not discharged therefrom.

23. The person first named on a committee shall act as chairman thereof, unless the committee select a different member for that office. The mover and seconder of a resolution referred to a special committee are usually the first named thereon.

24. No committee can be finally discharged until all debts contracted by it shall have been paid.

25. The consequences of any measure may be reprobated in strong terms; but to arraign the motives of those who propose or advocate it is a personality and against order.

26. When a member shall be called to order for words spoken, the objectionable words shall (if required) be taken down in writing by the Secretary.

27. No motion can be made by one member while another is speaking, and no motion shall be received unless the member making it shall rise and address the Chair.

28. The affirmative of a question is first put, then the negative; but in matters of forms or of course, such as reading reports, petitions, memorials, or other papers, withdrawing motions, etc., to save time, the Chairman usually assumes the assent of the Lodge when, on inquiry, no objection is expressed.

29. The Noble Grand, or any member doubting the decision of the Lodge, may call for a count or a division of the votes.

30. All questions not herein provided for shall be decided upon the principles laid down in Robert's Rules of Order.

31. These Rules of Order may be temporarily suspended by general consent or by special vote of two-thirds of the members present; and they may be permanently amended in the same manner as the By-Laws.

The Vice Grand shall have special charge of the inner door, and perform all duties appertaining to said office of Vice Grand, and in the absence of the Noble Grand shall preside and perform the duties of that office.

Sec. 4. The Secretary shall keep accurate minutes of the proceedings of the Lodge; write all communications; fill up all certificates and cards; issue all summonses or notices required; attest to all moneys ordered paid at regular meetings, and none other; and perform such other duties appertaining to the office as may be required by the Lodge, and be exempt from all dues and assessments, and shall receive such further compensation as the Lodge may have fixed prior to election. The Secretary shall make out at the end of the term the Semi-Annual Report, as required by Article XII, Section 2, of this Constitution. It shall be the duty of the Secretary of each Rebekah Lodge to furnish to the Secretary of each Subordinate Lodge to which any member of such Rebekah Lodge belongs a list of the members of said Subordinate Lodge who are also members of said Rebekah Lodge; and thereafter to notify the Secretary of the proper Subordinate Lodge when any brother shall become a member of said Rebekah Lodge. The Secretary shall also, at the close of the term, make out a report for the Lodge, showing fully its work and condition during the term; shall perform the duties of Financial Secretary, and shall give bond in the same manner as hereinafter prescribed for the Financial Secretary, if none be chosen; and shall also keep a list of all warrants drawn on the Treasurer, recording the date, amount, and the name of the person in whose favor drawn; and if the warrant be payable from any special fund, that fact shall appear both on the warrant and in the list; and shall also keep a register of membership, enrolling the names of the members of the Lodge, with date of proposal, initiation, signing of the Constitution upon admission by card, certificate, or reinstatement after expulsion; also with date of resignation, withdrawal by card, death, suspension, reinstatement or expulsion; and shall also record the attainment of official rank.

Sec. 5. The Financial Secretary (if any) shall be chosen annually at the election in December, and prior to installation in office give a joint and several bond to the Trustees of the Lodge, with two sureties to be approved by the Lodge, with such penalties and conditions as may be prescribed by the Lodge; such bond, before being presented to the Lodge, must be approved by a majority of the Trustees. It shall be this officer's duty to keep just and true accounts between the Lodge and its members, pay over to the Treasurer immediately all moneys received; and to inform the Treasurer from time to time, and at the last payment in each term, how much of the money paid into the treasury belongs to any special fund of the Lodge; and shall notify in writing all members who are at any time in arrears for eleven months' dues (delivering the notice in person, if practicable, but if not, then mailing it to the member's last known address), and at the expiration of the next succeeding month, if said member's account is not settled, in whole or in part, sufficiently to reduce the arrears to less than one full year's dues, shall present the name of such member to the Lodge. The Financial Secretary, prior to the last meeting in March, June, September and December, respectively, shall notify all members who are in arrears for one quarter's dues, and at the close of each semi-annual term shall make to the Lodge a detailed report of the business of the office, and have the books written up for the Finance Committee, and meet said Committee prior to the first meeting in the next succeeding term, to exhibit the books and papers, and to aid them in the examination thereof; and at the first regular meeting of the new term present the report to the Lodge, with the statement of the balance of account of each unsuspended member; and shall make out the Annual Report to the Grand Lodge, as required by Article XII, Section 2, and shall deliver it to the Secretary for record and forwarding to the Grand Lodge; and shall be exempt from all dues, and shall receive such further compensation as the Lodge may have fixed prior to election.

Sec. 6. The Treasurer shall be elected annually at the election in December; and, prior to installation in office, shall give a joint and several bond to the Trustees of the Lodge, with two sureties, to be approved by the Lodge, with such penalties and conditions as, from time to time, may be prescribed by the Lodge. Such bond, before being presented to the Lodge, must have been submitted to and approved by a majority of the Trustees. The Treasurer shall keep the funds, notes, and securities of the Lodge, pay all the orders drawn on the Treasurer by the Noble Grand and attested by the Secretary, and none others; keep a full account of all moneys expended, and give the Lodge, at the first meeting in each month, a statement of its funds; shall keep a separate account of any special fund instituted by the Lodge, and report to the Financial Secretary, at or before the last

meeting in each term, any money received as interest or dividends on any notes, securities, or stocks held. The Treasurer shall make out for the Lodge, at the close of the term, a full report of receipts and disbursements, and have the books written up for the Finance Committee; meet said Committee prior to the first meeting in the next succeeding term, to exhibit the books, papers, securities, bonds, funds, and other property belonging to the Lodge in possession of the Treasurer; and at the first regular meeting of the next term shall present the report to the Lodge. The Treasurer shall pay over and deliver up, when legally called upon, all moneys, books, bonds, papers and other property in said officer's possession or control belonging to the Lodge, to her (or his) successor in office, or to such person as the Lodge may appoint to receive the same.

Sec. 7. It shall be the duty of the Junior Past Noble Grand of this Lodge to act in the capacity of Past Noble Grand, but the charge of that office may be delivered by any competent member. Any Past Noble Grand may act as Noble Grand or Vice Grand when legally called upon to do so.

Sec. 8. All other officers shall perform such duties as are prescribed for them by the charges of their respective offices, and the requirements of the laws and regulations of this Lodge.

Sec. 9. Officers must serve a majority of the meetings held in the term, and to the end of the term, in order to be entitled to the honors of office. Officers elected to fill vacancies, and serving to the end of the term, shall be entitled to the honors of said office.

Sec. 10. Service in office in a Subordinate Lodge shall not be a qualification for office in this Lodge, and a Past Officer in a Subordinate Lodge shall not be entitled, by reason thereof, to any special privileges in this Lodge, other than wearing the collar of the highest rank attained.

ARTICLE V.—STANDING COMMITTEES.

Section 1. The Standing Committees of this Lodge shall be: A Committee of Trustees; a Visiting and Relief Committee; a Finance Committee, and such other Committees as may be created by the By-Laws.

Sec. 2. Five Trustees shall annually be chosen by ballot at the regular election in December, and a plurality of votes shall elect. The term of office of Trustees shall begin January first following their election, after having qualified as hereinbelow provided, and the Trustees shall hold their office until their successors shall have been elected and qualified by filing certificates of election as herein provided. It shall be the duty of the Recording Secretary, within one week after said election, to file with the County Recorder of the County wherein such Lodge is located, a certificate under seal of the Lodge, of the election of said Trustees, such certificate setting forth also that

the term of office of said Trustees begins on January first following. Failure to so file said certificate shall not vacate the office, but said Trustees elected shall have power to act as such as soon as such certificate is filed. It shall be the duty of the said newly-elected Trustees, when qualified as above, to approve the bonds of the newly-elected officers; also to act as an Executive Committee of the Lodge in carrying out all acts not otherwise provided for; to procure Lodge room, fuel, lights, regalia, and all things necessary for the comfort of the Lodge, under its direction. They shall have the guardianship of all widows and orphans of the Lodge, and carry out all provisions of the Lodge in relation to them; and shall, from time to time, recommend such action as they may deem necessary for the prosperity of the Lodge. They shall present to the Lodge at the close of their term of office a written report of their proceedings.

Sec. 3. The Visiting and Relief Committee shall consist of seven sisters, the Noble Grand to be Chairman, whose duties shall be to visit the sick, relieve the distressed, and in every way assist Subordinate and sister Rebekah Lodges in kindly ministrations to the families of Odd-Fellows who are in trouble or want. They shall keep themselves at all times informed thereon, and shall report the condition of those who may be sick, in distress, in trouble or in want. Only the sisters of this Lodge shall be required to watch with the sick, etc., whenever notified so to do by the Secretary or Visiting Committee. Service shall be by regular turn. *Provided*, that in cities or towns having more than two Lodges, the Relief Committees of the different Lodges may, if they see fit, appoint one of their number to act with a like number from the other Lodges in the town or city as a special Visiting Committee, whose duties shall be the care of traveling or sojourning brothers and sisters who may be sick or disabled in the town or city where such Lodges are situated. Should a member of this or any other Rebekah Lodge be sick or in distress, it shall be the duty of any other member of this Lodge, knowing the fact, to report the case promptly to the Visiting Committee.

Sec. 4. The Finance Committee shall consist of three members, to be appointed by the Noble Grand on the night of and immediately after installation. They shall audit and inspect the accounts, books, securities, bonds, funds, and other properties in the hands of the Treasurer, and the books and reports of the Secretaries, and of other officers and Committees charged with the receipt and expenditure of money. For this purpose they shall fix a time and place to meet the Secretary and Treasurer after the last regular meeting in the term. They shall also examine all other financial matters referred to them, and report thereon to the Lodge as soon as practicable. Neither the Noble Grand, the Vice Grand, the Treasurer, the Secretary, the Finan-

cial Secretary, nor any member of the Board of Trustees, shall be a member of the Finance Committee.

ARTICLE VI.—ELECTIONS.

Section 1. Any member in good standing in this Lodge is eligible to election or appointment to any office in this Lodge, except the offices of Noble Grand and Vice Grand. To be eligible to the office of Vice Grand a member must have served a term in some elective or appointive office in a Rebekah Lodge, other than that of Trustee; and to be eligible to the office of Noble Grand, a member must have served a term in the office of Vice Grand of a Rebekah Lodge. But in case of a vacancy in the office of Noble Grand or Vice Grand in this Lodge, if all qualified members refuse to accept such vacant office, the Lodge may elect any member thereto, *provided* that a dispensation for the purpose be obtained from the Lodge Deputy Grand Master, before any such officer so elected can be installed, or can act as such officer.

Sec. 2. Nominations for elective officers shall be made at the regular meeting immediately preceding that of the election; and, on the night of election, nominations for the office of Noble Grand shall be opened; and, after the election of that officer, nominations for the office of Vice Grand shall be opened; and, after the election of that officer, nominations shall be opened for each additional elective office, in like manner as for offices of Noble Grand and Vice Grand, just preceding the respective ballots for the respective office.

Sec. 3. The elective officers (except the Treasurer and Financial Secretary) shall be chosen at the last regular meetings in June and December, and shall hold their respective offices for six months and until their successors shall have been installed. They shall be installed at the first meetings in July and January. The Treasurer and the Financial Secretary (if there be one) shall be elected in December and shall be installed at the first meeting in January, and both shall serve one year. If a public installation of officers be had, it may be at any other time than that specified above, but not prior to the first meeting in January and July.

Sec. 4. The election of officers shall be by ballot, except in cases where there is but one candidate for an office, when the election may be by acclamation. A majority of all votes cast shall be necessary to election. Ballots for persons not properly in nomination shall be considered blanks, and blanks shall be counted as votes. When there are several candidates and there is no choice, at each successive balloting the name of the candidate having the smallest number of votes in the preceding ballot shall be dropped from the nomination.

Sec. 5. If any officer shall be absent for three successive meetings, except for sickness, or unavoidable absence, the office shall be declared vacant by a vote of the Lodge, if an elective officer; but by

the officer who appointed, if an appointive officer. All vacancies shall be filled in the manner of the former selection, to serve the residue of the term.

Sec. 6. All elective officers shall commit their charges to memory before they are installed in office, and all appointive officers shall commit their charges within one month after installation.

Sec. 7. This Lodge shall, at its first meeting in December, or at the first meeting thereafter, by election duly had, recommend a Past Noble Grand, who shall be a member of this Lodge, or in case there is no Past Noble Grand, a Past Grand of a Subordinate Lodge, who is also a member of this Lodge, to be appointed by the Grand Master to be his Deputy for this Lodge.

ARTICLE VII.—REGALIA AND JEWELS.

Section 1. The brethren shall wear the regalia they are entitled to wear in a Subordinate Lodge. The sisters shall wear regalia and jewels, as follows:

For the Noble Grand, the regalia shall be a collar not exceeding three inches in width, with pink center and green edges, to be trimmed with silver lace and fringe.

For the Vice Grand, a collar, same width, with green center and pink edges, trimmed with silver lace and fringe.

For the Treasurer, a collar, with green center and pink edges, trimmed with silver lace.

For the Warden, a baldric, not exceeding three and one-half inches in width, to be of pink and green, the upper side to be green and the lower side pink, with a row of silver lace on each edge and through the center, the lowest edge to be trimmed with silver lace.

For the Conductor, a baldric, same width as the Warden's, with one row of silver lace around the inner edge; the upper side to be green and the lower side of pink.

For the Inside Guardian, the same as Warden.

For the lady members other than officers, a badge of pink and green ribbon, or a collar of pink and green, neither of which shall be more than three inches in width.

And in addition to above described regalia may be added such embroidery as will be in keeping with this degree.

JEWELS.

For the Noble Grand, a silver or silver-plated circle, one and a half inches in diameter, with a representation or figure of "Rebekah at the Well" engraved or stamped thereon on one side; the other side plain, and underneath the figure of Rebekah the word "Fidelity."

For the Vice Grand, the same in form and size, with a representation or figure of Ruth and Naomi, and underneath the figures, the word "Industry."

For Past Noble Grand, a jewel of white metal, to be a five-pointed star.

ARTICLE VIII.—DROPPING, TRIALS, PENALTIES.

Section 1. Any member who shall become in arrears for dues accrued during the period of one full year shall, after having been notified in accordance with the provisions of this Constitution, Article IV, Section 5, be declared by the Noble Grand dropped from membership, unless the Lodge shall otherwise direct.

Sec. 2. Any member who shall become in arrears for more than thirteen weeks' dues shall not be entitled to vote.

Sec. 3. If any member of this Lodge shall be found guilty of conduct contrary to the laws of the Order, or in violation of its principles, as set forth in its lectures, charges and obligations, or shall be found guilty of any dishonest or immoral act or practice, injurious to himself or herself, his or her family, or to society, or by which the

Order may be scandalized, said member shall be subjected to such penalty as the laws of the jurisdiction or the discretion of the Lodge may prescribe.

Sec. 4. If any member of this Lodge shall have reason to believe that any other has been guilty of conduct unbecoming an Odd-Fellow, as shown in the preceding section, it shall be such member's duty immediately to give notice of such violation or offense, in writing, to the Noble Grand. The Noble Grand shall forthwith refer a copy of such written communication (concealing the name of the informant) to a special committee of three members, which committee shall proceed, without delay, to investigate the matter therein stated; and if, in their opinion, there is just ground therefor, as early as practicable, prefer a charge or charges against the member so accused, specifying therein the particular matter of offense which is charged; and the Committee shall have charge of the prosecution on the part of the Lodge.

Sec. 5. Any member of this Lodge, or any Rebekah Lodge in this jurisdiction, or any member thereof, whose good standing is certified to at the time, may prefer an open complaint or information in writing in this Lodge against any of its members, and such complaint shall be treated, in all respects, as provided in Section 4 of this Article; except that the complaint shall be read in open Lodge and the Committee thereon openly appointed.

Sec. 6. Whenever a charge or charges are preferred against a member, they shall be read in open Lodge, at a regular meeting. The Secretary shall immediately furnish a copy thereof, under seal of the Lodge, to the member so accused, and at the same time cite said member to appear before the Lodge at the next regular meeting thereafter, plead guilty or not guilty to each charge and specification; and if the plea is not guilty, then the Noble Grand shall appoint a competent member of the Lodge as a commissioner or committee of one to take evidence, both for the Lodge and the accused, in deposition form, by writing down both the questions and answers in full; and that the said commissioner to take evidence shall be first obligated by the Noble Grand to perform such duty, and shall be authorized to obligate witnesses who may be members of the Order, and cause such witnesses who may not be members of the Order to be obligated by a proper officer authorized to administer oaths. Said commissioner shall have power to pass upon the competency of evidence, and if objections are made to the ruling of the commissioner, said objections shall be noted together with the question and answer in deposition. If the accused appears when cited and pleads not guilty, the case shall be continued two weeks from the night the citation is returnable, to give each side an opportunity to have the Secretary cite their witnesses to appear before the commissioner. The commissioner shall

have power to continue the taking of said evidence from day to day, and when the evidence is all taken said commissioner shall make a certified report of the same to the Noble Grand. After the receipt of the commissioner's report, the Noble Grand shall notify, in writing, the Committee having the prosecution in charge and the accused, or attorney for the accused, of the time (not more than seven days from the receipt of said report) and place where the Noble Grand will hear both the prosecution and defense upon the evidence to which objections were made before the commissioner; and, after hearing the parties in interest, it shall be the duty of the Noble Grand to rule as to whether the evidence to which objections were made before the commissioner shall be read before the Lodge, and such ruling shall be final; and, for that purpose, the Noble Grand shall mark upon the deposition at the place where the objected evidence may appear, either the words "Don't Read", or "Read", as the case may be; and all the evidence shall be read to the Lodge except that marked by the Noble Grand "Don't Read".

Sec. 7. If the Secretary is unable personally to serve a copy of the charges and citation on an accused member, by reason of permanent absence, concealment or incarceration, a copy of the citation and charges left at the accused's usual or last known place of abode, or deposited in the mail so directed, shall be deemed a legal notice or citation, and the Lodge may proceed with the trial as if the accused were present. The Noble Grand shall appoint counsel to defend accused if none appear.

Sec. 8. The Lodge at said second regular meeting, or as soon thereafter as the register of the evidence shall be reported by the Noble Grand, shall listen to the reading of the evidence as taken by the commissioner, both for the Lodge and the accused. The accused shall be heard in his or her own behalf in person or by counsel, and the committee appointed to prosecute on behalf of the Lodge shall have the right to also address the Lodge. The Lodge shall then proceed to vote upon the charge or charges preferred; but no member shall be entitled to vote unless present during the reading of the whole testimony and of the arguments thereon. If the charges be sustained, in whole or in part, by a vote of two-thirds of the members present entitled to vote on the question, the accused shall retire to the ante-room. The Secretary shall then read to the Lodge the charge or charges, or parts thereof, that have been sustained, when the Noble Grand, without motion, shall proceed to put to vote the highest order of punishment, expulsion; and if that be not agreed upon, shall put the next, suspension; and shall so proceed until some order of punishment is agreed upon by a vote of two-thirds of the members present. One penalty only shall be inflicted as the result of one trial.

Sec. 9. Whenever the Lodge shall determine upon suspension, a

motion may be made to fix the time, and two amendments may be offered thereto, which shall be decided without debate. The Noble Grand shall put them to vote, commencing with the longest period of time therein named, and if all of them be rejected, a second motion may be made and two amendments permitted thereto, which shall be put to vote in a like manner, and the Lodge shall so proceed until some period of suspension is agreed upon. But suspension of membership shall work no suspension of dues and arrearages, but they shall run on during suspension. If the Lodge shall decide to punish by fine, the same course shall be adopted in determining the amount thereof as is above provided in fixing the time of suspension; and in either case, of fixing the time of suspension or amount of fine, the majority of members present shall decide the period of time or amount. But no suspension shall be for a shorter time than to cover the date of the next regular meeting of the Lodge, nor longer than one year.

Sec. 10. When the misconduct is confessed by the accused brother or sister, the Lodge to which such case is referred may proceed to vote upon the punishment without the formula of a trial.

Sec. 11. The only legal penalties for misconduct are fine, reprimand, suspension or expulsion. Fine is not allowed as a penalty for violation of the principles of the Order.

Sec. 12. The penalty for intoxication is reprimand for the first offense, suspension for the second, and expulsion for the third; and no other penalties are legal.

Sec. 13. When a definite penalty is fixed by law for any offense, a brother or sister convicted thereof is sentenced without further vote; if alternatives are fixed, the Lodge chooses one of them by vote.

Sec. 14. If any accused member shall evade the receiving of a citation, or, having received the same, shall neglect or refuse to attend the Lodge at the time therein fixed, and there remain throughout the investigation or trial of the case, the Lodge may proceed in such absence to expel such accused member for contempt.

Sec. 15. At all stages of the proceedings the accused shall have all opportunity of vindication, and in case of suspension or expulsion following the constructive citations provided for in Section 6 of this Article, or in case of alleged contempt, the accused shall be entitled to a new trial at any time within six months, if it be shown that the absence was produced by unavoidable circumstances, or that injustice was done.

Sec. 16. Any three members, or the accused, feeling aggrieved by the decision of the Lodge in a trial, shall be entitled to an appeal to the Grand Lodge, which appeal must be entered according to the laws and regulations of the Grand Lodge on the matter of appeals; and on command of the Grand Lodge the brother or sister may be tried anew for the same offense.

Sec. 17. Any brother or sister having been suspended or expelled, notice thereof shall be sent without delay to the Grand Secretary and to all the Rebekah Lodges in the same place, and nearest neighboring Rebekah Lodges; and a brother or a sister who has been legally expelled shall not be admitted to membership again without consent of the Grand Lodge.

Sec. 18. If any member of the Lodge shall make to the Noble Grand any accusation against a brother or a sister under Section 3 of this Article, which shall be proved to be without reasonable grounds, or false and malicious, it shall be the duty of the Noble Grand to deliver up the name of the informant to the Lodge on demand of a majority of the members thereof present.

Sec. 19. This Lodge shall have a black book, in which shall be entered the names of all persons rejected, suspended or expelled by this Lodge, or any other Lodge, of which they may have received due notice, with the date and cause of such suspension or expulsion.

Sec. 20. If the accused, or three members of the Lodge in which charges may be preferred against a member, are of the opinion that the accused will not receive an impartial trial at the hands of the Lodge, and present such an opinion in writing, such paper, together with such evidence as may be desired bearing upon the question of prejudice in the Lodge, shall be forwarded to the Grand Master; and if he orders the case changed to another Lodge, then, when the register of written evidence is reported by the Committee and the case is ready for the hearing, the trial shall be removed to the named Lodge. A copy of the record of all proceedings up to the time of removal shall be sent to the Lodge to which removal is made, with the original papers of the case, and a transcript of all letters relating thereto; and such Lodge shall proceed to the hearing, scrutiny and decision as if the accusation had been first therein preferred. The Lodge from which the venue is changed shall pay all necessary expenses incurred in such trial by the Lodge to which the venue is changed.

Sec. 21. Change of venue may be made on behalf of the prosecution as well as on behalf of the accused, or by any three members. It may be asked in cases of charges of official misconduct.

Sec. 22. Upon such removal the prosecuting committee, or some advocate appointed by the Noble Grand of the removing Lodge, may present the case, and the accused may appear personally or by attorney, as if no such removal had taken place.

Sec. 23. If any member of the Order or other person cannot attend the taking of testimony before the commissioner as a witness on either side, such testimony may be taken in the manner herein provided, to-wit: The party desiring the testimony of such witness shall file with the commissioner written interrogatories, to be pro-

pounded to the witness, the opposite party shall then be privileged to prepare and file with the commissioner counter-interrogatories to be propounded to said witness, a copy of said interrogatories and counter-interrogatories shall be forwarded by the Noble Grand and Secretary under seal of the Lodge to the Noble Grand of the Rebekah Lodge nearest to said witness, which Noble Grand shall, after first obligating said witness, cause said witness to answer each of said interrogatories and counter-interrogatories, and said witness shall subscribe her (or his) name to said deposition, and the Noble Grand taking the same shall certify that the answers have been correctly written and that the witness was first duly obligated. The Noble Grand shall then return said deposition to the Secretary of this Lodge, who shall deliver the same to the commissioner. This deposition shall be subject to all objections as though the witness had personally appeared before the commissioner.

Sec. 24. When the matter has been determined, a copy of the record of the proceedings had thereon, with the register of the evidence, shall be returned to the removing Lodge; and the same shall be filed in its archives, and the judgment entered upon its records. An appeal to the Grand Lodge may be had in case of a removed trial as in other cases.

Sec. 25. If any member of the Order who shall have been duly notified to appear and give evidence, or appearing, shall refuse to answer questions as a witness, such member shall be deemed guilty of contempt, and the Lodge may proceed to expel said member for contempt.

Sec. 26. A sister in this Lodge shall not lose her membership by the operation of any rule not alike applicable to brothers.

ARTICLE IX.—REINSTATEMENT.

Section 1. A member dropped for non-payment of dues from membership in this Lodge may, upon the payment of such fees as the By-Laws shall provide, not less than one year's dues, be reinstated upon application made in writing in the regular form, and shall be treated in all respects like a proposition for membership as hereinbefore provided, except that a majority vote shall be necessary to elect. Such dropped member if free from charges may, upon payment of fees, take a dismissal certificate in the first instance or after being denied reinstatement.

Sec. 2. A member expelled by this Lodge may apply in writing for reinstatement. The application shall be referred to a committee of three, who shall ascertain whether the applicant has made such reformation or apology as is appropriate, and shall report to the Lodge. After reception of the report, the Lodge shall ballot on the application. If two-thirds of the members present shall vote in favor of rein-

statement, the Secretary shall write to the Grand Master for permission to reinstate such member, and, if it be granted, reinstatement shall thereby be accomplished. No expelled member shall be reinstated without the payment of the same fee that is required to initiate.

Sec. 3. When a suspended or expelled member shall be reinstated either by expiration of sentence or action of the Grand Lodge, notice thereof shall be sent without delay to the Grand Secretary and all Rebekah Lodges in the same place and nearest neighboring Rebekah Lodges.

ARTICLE X.—CARDS, DISMISSAL CERTIFICATES AND RESIGNATIONS.

Section 1. A member of this Lodge may end membership therein by taking a withdrawal card or a dismissal certificate, and a sister may end her membership in this Lodge and in the Order also by presenting a written resignation of membership. No resignation of membership or application for withdrawal card or dismissal certificate shall be entertained from any one who is not clear on the books.

Sec. 2. A withdrawal card may be granted to any member by vote of a majority upon ballot at a regular meeting. Application therefor must be made by the member in person or in writing, and shall lie over until the next regular meeting for final action; except that when the applicant has left the vicinity of the Lodge, or it is his or her known purpose to leave before the next regular meeting, or to join in a petition for a new Lodge, the card may be granted without delay.

Sec. 3. Dismissal certificates shall be issued on the payment of one dollar. Visiting Cards shall be granted upon request, upon the payment of the price of the card and the dues to the expiration thereof. No vote is necessary to grant a visiting card or a dismissal certificate. Should objections in either case be made for cause, the ground thereof shall be stated, and it shall suspend the issuing until after the investigation of said objections. The Lodge shall promptly investigate such objections, and if found to be sufficient by a majority vote of the members present, the card or certificate shall not be issued until the grounds of the objection be removed. If the objection is removed, or is found not to be sufficient, the card shall be issued immediately. A suspended member cannot take a card or dismissal certificate. Should the Lodge refuse to grant a withdrawal card, the member, if clear on the books, upon payment of fee, may take a dismissal certificate.

ARTICLE XI.—FEES, DUES, BENEFITS, FUNDS.

Section 1. No person shall be admitted to membership or reinstated in this Lodge, or receive a card, until payment is made of the amount required therefor by this Constitution or the By-Laws. When dues and assessments or fines stand charged upon account, the payments made shall apply to these in the order of their accruing.

Sec. 2. No person shall be admitted to membership in this Lodge for a less sum than is herein provided, viz: By initiation, one dollar; by deposit of card or dismissal certificate, one dollar.

Sec. 3. No member shall be reinstated after having been dropped for non-payment of dues for less sums than are herein provided.

Sec. 4. The regular contributions to the Lodge fund shall not be at a less rate than two cents a week, to be determined by the By-Laws.

Sec. 5. This Lodge may, by its By-Laws, require such further contributions, for a Widows' and Orphans' Fund, an Educational Fund, or for any other fund suitable to the purpose of the Order, for either or all of them, as the Lodge shall determine.

Sec. 6. The special funds of this Lodge shall be sacredly devoted to the purposes for which they may be raised, and the general funds shall be considered sacredly pledged to the relief of distressed members of the Order, the furnishing of the Lodge-room, and such other necessary expenses as are and may be recognized and authorized by the laws of the Order. But this Lodge shall not pay stipulated weekly benefits.

Sec. 7. This Lodge may pay and disburse from its funds, from time to time, as a majority of the members present at any stated meeting shall, by vote, determine, for any of the declared purposes of this degree.

Sec. 8. The stocks, securities, investments, and funds of this Lodge shall not be transferred, in whole or in part, except by a vote of two-thirds of the members present at a regular meeting. The resolution therefor shall have been presented at least one meeting before final action.

ARTICLE XII.—TERMS AND RETURNS, VOTING.

Section 1. Semi-annual terms shall commence on the first regular meetings in January and July; the annual term on the first regular meeting in January.

Sec. 2. - Twentieth report, by Bro. Smith—On proposed new Section 13, Article X, of Constitution of the Grand Lodge (page 173). - Fifth report, by Bro. Davis—On Document 14, p. 264 Journal of 1904; cited on page 176 of this Journal, proposing to abolish the fee of \$1.50 each per week for maintenance of the inmates of the Old Folks' Home. The opinion is expressed that it would be unwise to abolish the maintenance fees at this time, for reasons fully set forth in the report. The report concludes with the recommendation that the resolution be not adopted. Presented, 262; considered and non-adopted, 284.
- Sixth report, by Bro. Lindly—On Document 15, p. 264, Journal of 1904, p. 177 of this Journal, proposing to reduce the maximum maintenance fee at the Old Folks' Home to \$1.00 per week. receives no remuneration whatever for his services, and in view of the fact that his records are kept in such an efficient manner, we recommend that the bill be allowed and voucher ordered therefor." Presented, 267; adopted, 295.

Presented, 301; adopted, 332.

Sixteenth report, by Bro. Davis—On Bond presented by the Grand Secretary-elect. "We have made due examination as to the sufficiency of the sureties, and recommend that said bond be accepted. The committee reports that, "owing to the fact that this resolution was offered just at the close of the session, it has not had an opportunity to investigate this case, and would recommend that the matter be referred to the incoming Grand Master, to take such action as he deems proper." Presented and adopted, 346.

‡ Until 1845 inclusive, proxy representation in the Grand Lodge of the United States was permitted. In 1839 Past Grand Master Samuel Pryor, of Pennsylvania, was elected proxy Representative by the Grand Lodge of Illinois, but did not serve. At the adjourned session in April, 1840, Past Grand Master Augustus Mathiot, of Maryland, presented credentials as proxy Representative of Illinois, which were accepted, and he was also recognized in that capacity at the annual session in October following; but there is no record of his election or appointment. In 1842 and 1843, James Earnest, of New York, was elected and served as proxy Representative of Illinois. In 1844 Past Grand Master William S. Stewart, of Missouri, D.D.G.S., was requested to appoint a proxy Representative for the Grand Lodge of Illinois; but no such proxy was present at the session of that year. In 1845 no election for Representative was held.
